ELITE PHYSICAL THERAPY, INC. 401(K) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2020 and 2019

1. Description of the Plan

The following description of the Elite Physical Therapy, Inc. 401(k) Profit Sharing Plan (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Elite Physical Therapy, Inc. (the Employer or the Plan Administrator) who are 21 years of age or older and have completed three months of service. Eligible participants may enter the Plan on the day that the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Employer is also the Plan Administrator. As Plan Administrator, the Employer has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. An employee of the Employer serves as trustee to the Plan for the term of the trust or until appointment of successor.

On July 1, 2019, the Plan adopted an Automatic Data Processing (ADP) Prototype 401(k) and Profit-Sharing Plan and the Plan's investments were transferred from TD Ameritrade Trust Company (TD Ameritrade) to Reliance Trust Company (Reliance), the new trustee of the Plan. Concurrent with the adoption, the Plan was retroactively amended effective January 1, 2019 to increase the Employer safe harbor matching contributions to 100% of salary deferrals up to the first 4% of plan compensation.

In September 2021, The Employer was acquired by Ivy Rehab Network (Ivy). The Plan Administrator intends to merge the Plan with the Ivy's Plan in 2021.

Contributions

Prior to July 1, 2019, participants were able to elect to contribute up to 100% of their annual pretax eligible compensation to the Plan. Effective July 1, 2019, participants may elect to contribute up to 90% of their annual pretax eligible compensation to the Plan so long as those contributions do not exceed annual limitations set by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers).

The Employer makes safe harbor matching contributions of 100% of salary deferrals up to the first 4% of plan compensation. The Employer may also contribute a discretionary matching contribution equal to a percentage of each employee's salary deferral. The Employer may also make additional discretionary profit-sharing contributions. There were no discretionary matching or profit-sharing contributions made for the year ended December 31, 2020.

ELITE PHYSICAL THERAPY, INC. 401(K) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2020 and 2019

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Employer's contributions and Plan earnings and losses. The allocation of earnings and losses is performed based on individual participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, Employer matching safe harbor contributions and accrued earnings thereon. Participants become fully vested in the Employer's discretionary matching and discretionary profit-sharing contributions and the annual allocation of Plan earnings on those contributions after five (5) years of service. Participants are partially vested in the discretionary Employer contributions as follows: 20% after 1 year, 40% after 2 years, 60% after 3 years, 80% after 4 years, and 100% after 5 years. Each participant shall be 100% vested in their Employer contribution accounts upon death, disability or attainment of normal retirement age.

Payment of Benefits

Upon retirement, death, disability or termination of service, a participant (or participant's beneficiary in the event of death) receives a lump-sum amount equal to the value of the participant's vested interest in his or her account or may choose to receive annuity distributions. If a participant has reached age 59½, distributions of amounts in the employee deferral account may be made, at the participant's election, without requiring the participant to terminate employment.

In April 2020, the Plan elected to adopt the CARES Act provisions which allow for special coronavirus related distributions taken by eligible participants between January 1, 2020 and December 31, 2020 up to \$100,000.

Early Withdrawals

Hardship distributions are permitted from participant elective deferral accounts.

Forfeitures

Participants in the Plan who leave the employment of the Employer before completing the applicable vesting requirements forfeit the non-vested portion of their accounts. Forfeitures first will be used to pay Plan expenses and then may be reallocated as additional Employer contributions. At December 31, 2020 and 2019, forfeited non-vested accounts totaled \$11. There were no forfeitures used to reduce Employer safe harbor matching contributions during the year ended December 31, 2020. Forfeitures of \$2,753 were used to reduce Employer safe harbor matching contributions during the year ended December 31, 2019.

ELITE PHYSICAL THERAPY, INC. 401(K) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2020 and 2019

Plan Termination

The Employer reserves the right to amend the Plan at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would become fully vested and entitled to receive all amounts credited to their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 3). The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by investment advisors and the trustee.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period.

Contributions

Participant and Employer safe harbor contributions are recorded bi-weekly when the Employer remits the payroll deductions for investment into the Plan. Employer discretionary matching and profit-sharing contributions are recorded at the end of the year, if applicable.

Payment of Benefits

Benefits are recognized when paid or payable to participants or their designated beneficiaries.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Employer, unless the Employer directs that the expenses be paid by the Plan. Expenses that are paid by the Employer are excluded from these financial statements. Investment management and recordkeeping fees, if applicable, are paid by the Plan through revenue sharing as a reduction of investment income (net appreciation or depreciation) from the related investment fund.

ELITE PHYSICAL THERAPY, INC. 401(K) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2020 and 2019

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Financial Instruments with a Concentration of Credit Risk

The Plan's investments are held by a single trustee. The Plan's exposure to credit risk is associated with the outside entity's non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements with the trustee. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

Subsequent Events

Management has evaluated subsequent events through October 12, 2021, which is the date these financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

ELITE PHYSICAL THERAPY, INC. 401(K) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2020 and 2019

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis.

Money Market Funds: The carrying amount of the money market funds are deemed to be valued at deposit amount plus accrued interest as determined according to stated terms.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

As of December 31, 2020 and 2019, the Plan's investments in the money market funds and mutual funds are reported at level 1 within the fair value hierarchy.

4. Income Tax Status

The Plan has been designed using an Automatic Data Processing (ADP) Prototype 401(k) and Profit-Sharing Plan, in which the Internal Revenue Service (IRS) stated in a letter dated July 16, 2014 that the Plan satisfies the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter in order to comply with the latest applicable tax laws and regulations. The Employer and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Summary of Financial Data Certified by the Trustee

The following is a summary of financial information and data certified by the trustee, Reliance:

Statements of Net Assets Available for Plan Benefits at December 31, 2020 and 2019, except for participant contributions receivable and liabilities, if any;

Investment income and net appreciation in fair value of investments on the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2020; and

Investment information provided in the supplementary schedule, Schedule of Assets (Held at Year End) at December 31, 2020.

6. Differences from Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are the result of different classifications between line items and the inclusion of receivables in the accrual basis financial statements. Total Plan assets, exclusive of the contributions receivable as of December 31, 2020, are in agreement.

7. Related Party Transactions and Party-in Interest Transactions

Plan investments were held and managed by Reliance, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions. The Plan made payments of \$30,316 to the third party administrators and independent investment advisor during 2020.
