To the Plan Administrator
E.C. Fennell, P.A. 401(k) Profit Sharing Plan & Trust
West Palm Beach, Florida

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of E.C. Fennell, P.A. 401(k) Profit Sharing Plan & Trust (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with U.S. generally accepted auditing standards. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2020 and 2019, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedules of assets (held at end of year) and assets (acquired and disposed of within year) as of and for the year ended December 31, 2020, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with U.S. generally accepted auditing standards and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Inconsistencies between the Financial Statements and Form 5500

The Statements of Net Assets as of December 31, 2020 and 2019 are presented in accordance with U.S. generally accepted accounting principles, and include employer contributions receivable. As discussed in Note J to the financial statements, the 2020 and 2019 Form 5500 does not correctly report the employer receivables on Form 5500, Schedule H, Part I, Asset and Liability Statement. The 2020 and 2019 Form 5500 also does not correctly report the 2020 and 2019 employer contributions on Form 5500, Schedule H, Part II, Income and Expense Statement.

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

NOTE A - PLAN DESCRIPTION

The E.C. Fennell, P.A. 401(k) Profit Sharing Plan & Trust (the "Plan") was established effective January 1, 2011. The Plan was established for eligible employees of E.C. Fennell, P.A. (the "Company") and is intended to comply with the Employee Retirement Income Security Act of 1974 and Sections 401(a) and 501(a) of the Internal Revenue Code, as amended. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of the Company who have completed six months of service and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year, employees participating in the Plan may contribute up to 90% of their compensation, to the Plan, subject to the limits set forth by the Internal Revenue Service. The Plan also allows Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions pursuant to the Catch-Up Elective Contributions feature specified in the Economic Growth and Tax Relief Reconciliation Act of 2001 ("EGTRRA"). Participants may also contribute amounts representing distributions from other qualified pension plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participant contributions include excess contributions, which will be refunded to participants subsequent to year-end if the contributions were determined to be in excess of their maximum allowed contribution levels. There were no refunded excess contributions for the years ended December 31, 2020 and 2019.

The Company may elect to contribute a matching amount to the Plan. Company contributions for the years ended December 31, 2020 and 2019 totaled $256,907 and $ 211,268, respectively. The 2020 and 2019 matching contribution amount was equal to 100% on the first 3% of eligible earnings and an additional 50% on the next 2% of eligible earnings. Company contributions are credited to individual participants' accounts at the time the contribution is made and are allocated to participants' accounts based on participants' elections. In addition to any employer matching contribution, the employer may make a discretionary profit sharing contribution that is allocated based on a participant's compensation in relation to the compensation of all participants entitled to profit sharing contributions. There were no profit sharing contributions made for the years ended December 31, 2020 and 2019.

Participant Accounts: Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, allocations of Company matching and profit sharing contributions and investment earnings, and charged with withdrawals and an allocation of investment losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions, employer matching contributions and employer profit sharing contributions plus actual earnings thereon.

NOTE A - PLAN DESCRIPTION (Continued)

Payment of Benefits: The entire vested balance of a participant's account may be distributed at the date of the participant's retirement from the Company, termination from service with the Company, death or permanent disability. Plan participants may elect to directly roll over eligible Plan distributions into individual retirement accounts or other qualified plans. Participants may also request a withdrawal from their accounts in cases of financial hardship.

Forfeited Accounts: Forfeitures of non-vested accounts may be used to reduce the Company's contributions to the Plan or pay Plan expenses. Forfeited amounts totaled $15 and $13 at December 31, 2020 and 2019, respectively. No forfeitures were used to reduce the 2020 or 2019 employer contributions or Plan expenses. The Plan was amended on November 1, 2017 to immediately vest all contributions and the forfeiture balances are related to forfeitures and investment earnings on forfeitures prior to that date.

Notes Receivable from Participants: Participants may borrow from their investment fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance for a term of five years, or up to thirty years for the purchase of a primary residence (see also Note K). Loan transactions are treated as a transfer to (from) the investment fund and from (to) the participant notes receivable fund. The loans are secured by the vested balance in the participant's account and bear interest at fixed rates commensurate with local prevailing rates established at the time of the loan by the Plan agreement. Principal and interest is paid monthly through employee payroll deductions. Interest income is recorded on the accrual basis. The interest rate on outstanding participant loans ranged from 5.25% to 7.50% for the year ended December 31, 2020 and 6.25% to 7.50% for the year ended December 31, 2019.

Investment Options: Upon enrollment in the Plan, a participant may direct contributions into any of the various investment options offered by the Plan. Participants may change their investment options and allocations daily. The Plan provides participant-directed investments in a variety of mutual funds and a collective trust fund.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The accompanying financial statements have been prepared on the accrual basis of accounting. The Plan recognizes participant contributions received as additions to net assets in the period received from participants through payroll deductions. Company contributions are recognized in the year in which the Company becomes obligated to make such contributions. Expenses are recorded when incurred in accordance with the accrual basis of accounting. Benefit payments are recorded when paid.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Investments are not insured or collateralized. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value includes the Plan's gains and losses on investments bought and sold, as well as held at the end of the year. The Plan invests in mutual funds and a collective trust fund.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

All investment information included in the financial statements, notes and supplemental schedules was obtained from data that was prepared and certified as complete and accurate by Reliance Trust Company, the trustee of the Plan's assets. No auditing procedures were performed by the independent certified public accountant with respect to the information certified as complete and accurate by Reliance Trust Company.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems that participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

Use of Estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events: The Plan has evaluated subsequent events through September 17, 2021, which is the date the financial statements were available to be issued.

NOTE C - INVESTMENT INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (Continued)

Wells Fargo Stable Value Fund Class C: The Wells Fargo Stable Value Fund Class C (the "Fund") seeks safety of principal and consistency of returns while attempting to maintain minimal volatility. The Fund is designed for participants seeking more income than money market funds without the price fluctuation of stock or bond funds.

The Fund is 100% invested in the Wells Fargo Stable Return Fund G, which holds investments in guaranteed investment contracts and security-backed contracts issued by insurance companies and other financial institutions. The Fund also holds cash in order to maintain sufficient liquidity for withdrawals. Wells Fargo Stable Return Fund G holds investment contracts that are considered to be fully benefit responsive and are reported at contract value pursuant to GAAP for stable value investment funds. The Plan's investment in the Fund is reported at the Net Asset Value (NAV) of the shares of Wells Fargo Stable Return Fund G using the practical expedient. The practical expedient would not be used if it is determined to be probable that the Wells Fargo Stable Return Fund G will sell the investments for an amount different from the reported NAV. The investment of the Fund reported at NAV approximates contract value because the NAV is calculated based on the underlying net assets of Wells Fargo Stable Return Fund G reported at contract value. Contract value is equal to the accumulated cash contributions and interest credited to the underlying investment contracts, less any withdrawals or transfers. The Fund did not have any unfunded commitments, redemption restrictions or a redemption notice period at December 31, 2020 and 2019.

The existence of certain conditions can limit the Fund's ability to transact at contract value. Specifically, any event outside the normal operation of the Fund that causes a withdrawal from an investment contract may result in a negative market value adjustment with respect to such withdrawal. Examples of such events include, but are not limited to, partial or complete legal termination of the Fund or a unitholder, tax disqualification of the Fund or a unitholder, and certain Fund amendments if issuers' consent is not obtained. To the extent a unitholder suffers a tax disqualification or legal termination event, under normal circumstances it is anticipated that liquid assets would be available to satisfy the redemption of such unitholder's interest in the Fund at NAV without the need to access investment contracts. At this time, the Fund does not believe that the occurrence of any such market value event, which would limit the Fund's ability to transact at NAV with participants, is probable. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require sufficient notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE D - FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Level 2: Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the assets or liabilities.
- Inputs that are derived principally from or corroborated by observable market data, by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. These unobservable inputs reflect the Plan's own estimates for assumptions that market participants would use in pricing the asset or liability. Valuation techniques would typically include discounted cash flow models and similar techniques, but may also include the use of market prices of assets or liabilities that are not directly comparable to the subject asset or liability.

The fair value measurement of an asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Items Measured at Fair Value on a Recurring Basis: The following methods and assumptions were used by the Plan in estimating the fair value of financial instruments that are measured at fair value on a recurring basis under FASB ASC 820:

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end as quoted on a national stock exchange.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no changes in the methodologies used during the years ended December 31, 2020 and 2019.

Fair Value of Assets: The fair value of the Plan's investments at December 31, 2020 and 2019, by level within the fair value hierarchy, is summarized as follows, with the exception of the collective trust fund, which is measured at NAV using the practical expedient, as discussed in Note C.

	Fair Value at December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual fund investments	$ 2,315,314	$ 0	$ 0	$ 2,315,314

	Fair Value at December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual fund investments	$ 1,661,977	$ 0	$ 0	$ 1,661,977

NOTE E - ADMINISTRATION

The Company is the Plan's sponsor and administrator. The Plan is administered by certain employees of the Company as appointed by the Board of Directors of the Plan sponsor. Reliance Trust Company is the Plan's trustee and custodian of the Plan's assets. Automatic Data Processing Retirement Services 401K/Qualified Plan and Participant Recordkeeping Operations Services is the Plan's recordkeeper and maintains participant account records and prepares periodic valuations and reports.

Expenses such as custodial, audit and legal fees are payable out of Plan assets, except where the Company directly assumes such expenses. All such administrative expenses for 2020 and 2019 were paid by the Company. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are reported as Plan administrative expenses. Investment related expenses are included with the net appreciation in fair value of Plan investments.

NOTE F - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated July 16, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

The Plan evaluates its uncertain tax positions in accordance with FASB ASC 740, *Income Taxes*, which states that management's determination of the taxable status of an entity, including its status as a tax-exempt entity, is a tax position subject to the standards required for accounting for uncertainty in income taxes. Management does not believe that the Plan has any significant uncertain tax positions that would be material to the financial statements. The Plan's tax returns for tax years 2018 and thereafter remain subject to examination by the Internal Revenue Service, generally for a period of three years after they are filed.

NOTE G - TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE H - RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks, such as market risk, interest rate risk, and credit risks. In addition, certain investments of the Plan may be subject to additional risks including, foreign currency risk, derivatives risk, foreign and emerging markets risk, leveraging risk, liquidity risk, multi-manager risk, real estate risk and small company risk. Due to the various risks associated with the Plan's

NOTE H - RISKS AND UNCERTAINTIES (Continued)

investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

The Plan's investments may also include certain securities with contractual cash flows, such as asset backed securities, collateralized mortgage obligations and commercial mortgage backed securities. The value, liquidity, and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

NOTE I - CONCENTRATIONS

As of December 31, 2020 and 2019 the Plan's investments included one mutual fund investment that represented approximately 37% and 38%, respectively, of the Plan's net assets. In addition, the Collective Trust Fund represented approximately 17% and 11% of the Plan's net assets as of December 31, 2020 and 2019, respectively.

NOTE J - INCONSISTENCIES BETWEEN THE FINANCIAL STATEMENTS AND FORM 5500

The initial audit of the Plan's financial statements was conducted as of December 31, 2019 and for the year then ended. The 2019 Form 5500 was prepared by the Plan's record-keeper on the cash basis. As a result of the audit, employer contributions receivable of $211,268 were recorded at December 31, 2019, and required an adjustment to the reported balance of $0 on Form 5500, Schedule H, Part I, Asset and Liability Statement at December 31, 2019. Plan management requested the Plan's record-keeper, who prepared the Form 5500 for 2019, to make the necessary changes to the 2019 Form 5500 to correctly report the employer contributions receivable at December 31, 2019 and the employer contributions for the year ended December 31, 2019, but the Plan's record-keeper refused to make the changes to the 2019 Form 5500. The following is a reconciliation of net assets available for benefits as of December 31, 2019 as reported on the 2019 Form 5500 to the accompanying 2019 statement of net assets available for benefits:

Net assets available for benefits reported on Form 5500 Schedule H, Part I, Line 1l, *Net Assets*	$ 2,019,064
Add: Employer contributions receivable reported on the statement of net assets available for benefits at December 31, 2019	211,268
Net Assets available for benefits reported on the 2019 statement of net assets available for benefits	$ 2,230,332

The Plan's record-keeper prepared the 2020 Form 5500 on the accrual basis but incorrectly accounted for the employer contributions receivable at December 31, 2019 by reporting the receivable amount as 2020 employer contributions. The following is a reconciliation of the employer and participant contributions as

NOTE K - ADOPTION OF CARES ACT

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security (CARES) Act was enacted and signed into law. Certain provisions of the CARES Act allow defined contribution plans to adopt provisions that allow qualifying participants the option to (1) withdraw up to a maximum of $100,000 from January 1, 2020 through December 31, 2020; (2) borrow up to 100% of the qualifying participant's vested account balance, not to exceed $100,000; and (3) defer loan repayments from March 27, 2020 to December 31, 2020. The Plan has adopted the provisions of the CARES Act, however, the Plan has not been formally amended. The Plan has until December 31, 2022 to formally adopt the CARES Act provisions.
