INDEPENDENT AUDITOR'S REPORT

To the Plan Committee
Dokken Engineering
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Dokken Engineering 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year, as of December 31, 2020, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Committee
Dokken Engineering
401(k) Profit Sharing Plan

We were engaged to audit the accompanying financial statements of Dokken Engineering 401(k) Profit Sharing Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the 2019 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2019 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Principal Trust Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2019, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statements. Accordingly, we do not express an opinion on the 2019 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2019 Financial Statements

The form and content of the information included in the 2019 financial statements, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1: DESCRIPTION OF PLAN

The following description of the Dokken Engineering 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established June 20, 1986, to provide eligible employees of Dokken Engineering, Inc. (the "Plan Sponsor") with retirement benefits in accordance with section 401(k) of the Internal Revenue Code (the "Code"). The Plan is available to all eligible employees of the Plan Sponsor who have attained the age of twenty-one (21) years and have completed 90 days of service. Employees may enter the Plan on the first day of the month following the month they satisfy eligibility requirements. To be eligible for the employer match or profit-sharing contributions, participants must have been employed at the Plan Sponsor for one year and have worked at least 1,000 hours during that period. Nonresident aliens, union employees, and on-call employees are prohibited from participating in the Plan. Effective January 1, 2019, the Plan was amended to allow on-call employees to participate. The Plan is intended to satisfy all the requirements for a qualified retirement plan under the appropriate provisions of the Code and similar state laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Principal Trust Company is the Plan custodian and three employees of the Plan Sponsor serve as Trustees of the Plan.

Plan Year

The Plan year begins January 1st and ends December 31st.

Contributions

The Plan allows for the following types of contributions:

- *Participant Salary Deferral 401(k) Contributions*
  The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Code. Participants may voluntarily contribute up to 100% of their eligible compensation subject to various nondiscrimination tests and limitations prescribed by the Code. All participants are automatically enrolled on the first day of the pay period beginning on or after the date in which the participant satisfies the eligibility requirements. The automatic enrollment salary deferral contribution rate is 6% and increases 1% on January 1 of each year up to 9%. Participants may opt out of automatic enrollment and/or automatic salary deferral increases.

- *Participant Roth Salary Deferral Contributions*
  Participants may make Roth after-tax salary deferral contributions.

- *Employer Non-Elective Matching Contributions*
  The Plan Sponsor makes matching contributions of 100% of participants' contributions up to the first 9% of base compensation that they elect to defer. The Plan Sponsor elected to make a discretionary matching contribution of $895,102 and $810,192 for the years ended December 31, 2020 and 2019, respectively.

NOTE 1: **DESCRIPTION OF PLAN (Continued)**

Contributions (Continued)

- *Employer Discretionary Profit-Sharing Contributions*
  The Plan Sponsor may make employer contributions to the Plan at the sole discretion of the Plan Sponsor. To be eligible for the profit-sharing contributions, participants must be credited with one year of service and be employed by the Plan Sponsor on the last day of the Plan year. The Plan Sponsor elected not to make a profit-sharing contribution to the Plan for the years ended December 31, 2020 and 2019.

- *Participant Rollover Contributions*
  Participants may make rollover contributions from another qualified plan.

Participant Accounts and Allocations

Each participant's account is credited with the participant's contributions, rollover contributions, an allocation of Plan earnings, and certain Plan expenses, as defined by the Plan document. The Plan allows participants to self-direct their account balances and contributions among various investment options. Participants are allowed to direct their investments to a single fund or a combination of funds. Investment earnings and losses are allocated to participants' accounts based on the actual earnings or losses of the investments selected. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in their elective salary deferral contributions, rollovers from other retirement plans, and all earnings thereon. Employer matching contributions and employer discretionary contributions vest 20% after the second year of service and 20% for each year of service thereafter. Additionally, a participant's interest in their respective accounts becomes 100% vested when the participant 1) attains age sixty-five (65); 2) becomes disabled while employed at the Plan Sponsor; or 3) dies while employed at the Plan Sponsor.

Forfeitures

Forfeitures may be used to reduce administrative expenses and offset employer contributions. At December 31, 2020 and 2019, the accumulated forfeiture balance was $45,984 and $15,346, respectively. Forfeitures of $185,976 and $47,499 were used to reduce employer contributions for the plan years ending December 31, 2020 and 2019, respectively.

Retirement

Normal retirement under the Plan is age sixty-five (65).

Payment of Benefits

Payment of benefits may be made at the following times under the Plan: 1) normal retirement; 2) termination of employment of the participant; 3) upon demonstration of financial hardship; 4) upon reaching age 59 ½; 5) death or disability of the participant.

Distributions may be made in a lump sum or substantially equal installments.

NOTE 1: **DESCRIPTION OF PLAN (Continued)**

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance, reduced by any outstanding loan balance. Principal and interest are paid ratably through monthly payroll deductions and loan periods may not exceed 5 years. Only two loans per participant may be outstanding at a time.

Administrative Expenses

Administrative costs of the Plan are shared by the Plan and the Plan Sponsor. Expenses related to specific participant transactions are charged to the respective participant's account.

Temporary Cares Act Relief

During 2020, the Plan implemented the optional provisions related to the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) including Coronavirus Related Distributions (CRD). The Plan allows all affected participants to take a CRD up to $100,000 between January 1, 2020 and December 31, 2020. CRD's will have no mandatory federal tax withholding, are exempt from 10% early withdrawal penalty and can be repaid as a rollover within three years. In addition, the CARES Act temporarily increases participant loan limits to 100% of their non-forfeitable balance up to $100,000 for loans issued between March 27, 2020 and September 22, 2020.

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Benefit Payments

Benefit payments are recorded when paid.

Investment Valuation and Income Recognition

Investments in mutual funds, common collective trusts, and pooled separate accounts are stated at fair market value using quoted market prices when available. The guaranteed investment contract is valued at contract value. Capital gain distributions are included in net appreciation in fair value of investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period. Increase in the share values of investments is reflected in each participant's self-directed account. Investments are valued daily.

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Income Taxes

The Plan has adopted a prototype plan, which obtained a favorable opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. Although the Plan has been amended since receiving the determination letter, management believes the Plan is designed, and is currently being operated, in compliance with applicable requirements of the Code. Therefore, no provision for income taxes is included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Estimates and Assumptions

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: **INFORMATION CERTIFIED BY THE PLAN CUSTODIAN**

The following amounts included in the financial statements and supplemental schedule were taken directly from statements provided and certified as complete and accurate by the Plan’s custodian, Principal Trust Company, for the period ending December 31, 2020 and 2019 as follows:

	2020	2019
Common collective trusts	$ 19,981,097	$ 14,646,495
Mutual funds	$ 2,974,801	$ 5,524,806
Guaranteed investment contract	$ 2,257,138	$ 1,649,685
Pooled separate accounts	$ -	$ 317,808
Notes receivable from participants	$ 145,909	$ 183,595
Net appreciation in fair value of investments	$ 2,966,195	$ 3,756,168
Interest and dividends	$ 80,200	$ 102,820
Interest income, notes receivable from participants	$ 11,068	$ 11,299

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1- Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

Level 2- Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2020 and 2019.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and have a readily determinable fair value.

Pooled Separate Accounts: Pooled separate accounts invest mainly in mutual funds both domestic and international. The majority of the underlying assets have Level 1 quoted pricing inputs and observable Level 2 pricing inputs, including quoted prices for similar assets in active and non-active markets; valued at the net asset value (NAV) of units held in the pooled insurance accounts. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

Common Collective Trusts: The common collective trusts (CCT) invest in a collective trust fund as well as a variety of separate accounts and mutual funds. The fair values of all these investments are used in determining the net asset value of the CCT which is not publicly traded.

NOTE 4: **FAIR VALUE MEASUREMENTS (Continued)**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019.

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,974,801	$ -	$ -	$ 2,974,801
Common collective trusts	-	19,981,097	-	19,981,097
Total assets at fair value	$ 2,974,801	$ 19,981,097	$ -	$ 22,955,898

	Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 5,524,806	$ -	$ -	$ 5,524,806
Common collective trusts	-	14,646,495	-	14,646,495
Pooled separate accounts	-	317,808	-	317,808
Total assets at fair value	$ 5,524,806	$ 14,964,303	$ -	$ 20,489,109

NOTE 5: **GUARANTEED INVESTMENT CONTRACT**

Plan investments include a fixed account comprising benefit-responsive investment contracts with Principal Life Insurance Company (Principal Life). Principal Life maintains contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contracts issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Principal Life, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2020 and 2019 was $2,257,138 and $1,649,685, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a semiannual basis for resetting.

NOTE 5: **GUARANTEED INVESTMENT CONTRACT (Continued)**

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: 1) amendments to the plan documents (including complete or partial plan termination or merger with another plan); 2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions; 3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that causes a significant withdrawal from the plan; or 4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator believes there are no probable events which would limit the plan's ability to transact at contract value.

NOTE 6: **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7: **RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of nets assets available for benefits.

NOTE 8: **RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments such as mutual funds, common collective trusts, pooled separate accounts, and the guaranteed investment contract are managed by the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are recorded in net appreciation in fair value of investments. Fees for certain expenses related to the administration of the Plan were paid by the Plan or the Plan Sponsor. Notes receivable from participants are considered party-in-interest transactions. These investments and transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 9: **SUBSEQUENT EVENTS**

Plan management has evaluated events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Management has evaluated subsequent events through October 15, 2021, the date the financial statements were available to be issued and has determined that no subsequent events have occurred that should be disclosed.
