Independent Auditor's Report

To the Plan Administrator
Revman International, Inc.
401(k) Profit Sharing Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2020 Financial Statements

We have performed an audit of the financial statements of Revman International Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2020 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2020 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2020 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2020 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2020 Supplemental Schedule Required by ERISA

The 2020 supplemental Schedule H (Form 5500), 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the 2020 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2020 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 financial statements or to the 2020 financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2019 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2019 and the statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institutions. Our audit report, dated October 15, 2020, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2019 financial statements, and (b) the form and content of the information included in the 2019 financial statements other than that derived from the information certified by the qualified institutions were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Revman International, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the Revman International, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for complete information.

General

The Plan, sponsored by Revman International, Inc. (the Company), is a safe harbor plan. Under the terms of the Plan, an employee who is 21 years of age is eligible for participation in the Plan after completing three months of service. Entry into the Plan is permitted on the first day of January, April, July and October of the Plan year. Any participant who meets these eligibility requirements and is employed on the last day of the Plan year is eligible for any discretionary profit-sharing contributions made by the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

All newly hired eligible employees are automatically enrolled in the Plan at a pre-tax contribution rate of 5% of eligible compensation unless the employee affirmatively elects not to participate in the Plan or elects to participate at a different rate. Prior to being automatically enrolled in the Plan, each newly hired eligible employee is provided a notice of the Plan's automatic-enrollment provisions and is given 30 days, prior to becoming eligible, to opt out of the Plan participation. All participants, including those who are automatically enrolled, may change or suspend their level of Plan contributions on the first day of each month.

CARES Act

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act). The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000 for qualified individuals.
- Increased Plan loan limits, as described below, to qualified individuals to the lesser of \$100,000 or 100% of the participant's vested account balance.
- Suspension of Plan loan repayments to qualified individuals, up to one year.
- Waiver of all required minimum distributions for all participants.

Contributions

Participants may make salary deferral contributions to the Plan, subject to the statutory maximum allowed by the Internal Revenue Code (IRC). Participants who have attained the age of 50 or will attain the age of 50 before the last day of the Plan year may defer additional catch-up contributions, subject to the limit imposed by the IRC. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company matches 100% of the first 3% of base compensation that a participant contributed to the Plan and, in addition, matches 50% on contributions exceeding 3% up to 5% of compensation contributed to

Revman International, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

the Plan (the Company safe harbor matching contribution). The Plan was amended effective May 1, 2020 to cease safe harbor matching contributions.

The Company may also make an additional discretionary profit-sharing contribution to the Plan, as determined by the Company's management. For the years ended December 31, 2020 and 2019, the Company did not make discretionary profit-sharing contributions to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations, if any, of the Company's profit-sharing contributions and Plan earnings and charged with withdrawals and loan fees, if any, and allocations of Plan losses. Allocations are based on participant earnings, deferrals or account balances, as defined. Profit-sharing contributions are allocated to participants based on the ratio that a participant's compensation for the Plan year bears to compensation for that Plan year of all participants entitled to share in that contribution. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

All participants are immediately vested in their contributions and Company safe harbor matching contributions plus earnings thereon. Participants vest in Company profit-sharing contributions at a rate of 20% for each year of service, with 100% vesting in five years.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Loan terms range from one to five years and may be for a longer term when used for the purchase of a primary residence. The loans are secured by the participant's account balance and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator at the time of the loan. Interest rates on notes receivable at December 31, 2020 ranged from 4.25% to 6.5%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or hardship, a participant may elect to receive a lump-sum amount or other options (as defined in the Plan agreement) equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or may transfer it to another qualified plan or individual retirement account.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are first used to reduce employer contributions, then any remaining forfeitures shall be used to offset the Plan's administrative expenses. At December 31, 2020 and 2019, forfeited balances were \$0.

Revman International, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion on fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation (depreciation) in fair market value of investments for such investments.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are stated at their unpaid principal balance, plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

Administrative Expenses

The administrative expenses of the Plan are paid by either the Plan or the Company, as provided by the Plan document. For the years ended December 31, 2020 and 2019, participant loan origination and related-maintenance fees were paid by the respective Plan participant. Certain other expenses of administering the Plan were paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

3. Information Certified by the Plan's Custodian

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform, and they did not perform, any auditing procedures with respect to the following information certified by Matrix Trust Company and CMFG Life Insurance Company (the Custodians) as of December 31, 2020 and 2019, and for the years then ended, except for comparing such information certified by the Custodians to information included in the Plan's financial statements and supplemental schedule. The Plan administrator has obtained certification from the Custodians that such information is complete and accurate.

<i>December 31,</i>	2020	2019

4. Fair Value Measurements

U.S. GAAP establishes a framework for measuring fair value and expands the disclosures about fair value measurements. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Revman International, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2020 and 2019:

Mutual Funds - The mutual funds are valued using quoted prices on national-securities exchanges.

The following tables set forth by level, within the fair value hierarchy, investment assets measured at fair value:

December 31, 2020

	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 21,636,385	\$ 21,636,385	\$	\$
Total	\$ 21,636,385	\$ 21,636,385	\$	\$

December 31, 2019

	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 18,714,772	\$ 18,714,772	\$ -	\$ -
Total	\$ 18,714,772	\$ 18,714,772	\$ -	\$ -

The Plan had no financial assets that were measured at fair value on a non-recurring basis during the year ended December 31, 2020. There were no transfers between levels during the year ended December 31, 2020.

5. Tax Status

The Plan is based on a volume submitter document of the Custodian of the Plan, which received a favorable opinion letter dated March 31, 2014, from the IRS stating that the volume submitter document, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since the date of the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and was tax exempt as of the financial statement date.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator does not believe there are

Revman International, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

any uncertain tax positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100% vested in their employer contributions.

7. Risks and Uncertainties

The Plan provides for various investment instrument options. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

On January 30, 2020, the World Health Organization (WHO) announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the COVID-19 outbreak) and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and instability in financial markets. As a result, the Plan's investment portfolio has experienced volatility in fair value since December 31, 2019. Because the values of the Plan's individual investments have, and will, fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, cannot be determined at this time.

8. Related-Party Transactions and Party-in-Interest Transactions

Participant loan and distribution processing fees are paid to the CUNA by participants. The Plan paid for third-party administrator fees which qualify as party-in-interest transactions. Participant loans also qualify as party-in-interest transactions. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

9. Subsequent Events

In year 2021, Newport Financial Group replaced CUNA Mutual Retirement Solutions and Master Trust Company as the plan's combined recordkeeper and Trustee.

For the purpose of determining the effects of subsequent events on these financial statements, Plan management has evaluated events through October 15, the date on which the financial statements were available to be issued. There were no material recognizable subsequent events noted.
