401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2020 and 2019

NOTE A--DESCRIPTION OF PLAN

The following description of the International Resorts Management Group, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of International Resorts Management Group, LLC (the "Company", "Employer" or "Plan Sponsor") who have completed three months of service. Employees that participate in the Plan are eligible for Company discretionary matching contributions after twelve months of service. The Plan was formed effective April 1, 2008 and commenced operations on the same date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan's service provider and trustee are Automated Data Processing, Inc. ("ADP") and Reliance Trust Company ("Reliance" or "Trustee"), respectively.

Plan Amendments: On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was signed into law. Plans were permitted to adopt CARES Act provisions applicable to retirement plans immediately provided the Plan document is retroactively amended on or before December 31, 2022. As a result, the Plan implemented changes per the provisions of the CARES Act during 2020. The CARES Act provisions implemented by the Plan allow Plan participants to receive up to $100,000 of coronavirus-related distributions, from eligible retirement plans, as defined by the Internal Revenue Code ("IRC") Section 402(c)(8)(B). A coronavirus-related distribution is subject to certain requirements and limitations as set forth in the CARES Act. The CARES Act also temporarily waived the required minimum distribution rules for 401(k) plans for calendar year 2020.

The CARES Act also increased the limits on loans from an eligible retirement plan, from a maximum equal to the lesser of $50,000 or 50% of a Plan participant's vested account balance; to a maximum equal to the lesser of $100,000 or 100% of their vested account balance. These loans are available to eligible individuals for 180 days beginning on March 27, 2020. Coronavirus related loans are to be repaid over a five-year period; however, if repayments are to begin prior to December 31, 2020, such repayment period shall be extended for an additional year.

NOTE A--DESCRIPTION OF PLAN--Continued

Elective Deferrals and Contributions: Each year, participants may elect to have the Company contribute a portion of their total annual compensation to the Plan ("elective deferrals") on a pre-tax basis or after-tax basis (Roth) to the Plan. For any calendar year, a participant's elective deferrals may not exceed a specific dollar amount [$19,500 and if over 50 years of age, the participant may contribute an additional $6,500 in 2020, as determined by the Internal Revenue Service ("IRS")] or 60% of eligible compensation, as defined in the Plan document. The Company may make discretionary matching contributions. For the year ended December 31, 2020, the Company elected not to make discretionary matching contributions.

Participant Accounts: Each participant's account is credited with the participant's elective deferrals and allocations of (a) the Company's discretionary matching contributions, and (b) investment earnings, and charged with an allocation of administrative expenses if the expenses are not paid by the Company. Allocations are based on participant compensation as a percentage of total compensation of all eligible participants, as defined.

Vesting: Participants are immediately vested in their elective deferrals and in the Company's matching contributions plus actual earnings thereon.

Investment Options: Upon enrollment in the Plan, a participant may direct elective deferrals and employer discretionary matching contributions in any of the investment options offered by the Plan. Participants may change their investment options at their discretion. The Plan currently offers investments in mutual funds and a common collective trust.

Notes Receivable from Participants: Except for the CARES Act provisions, participants may borrow from their Plan accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Only one loan may be outstanding at a time. The repayment period is up to five years, unless the loan is for the purchase of a primary residence, in which case the repayment period may be up to 30 years. The loans are secured by a maximum of 50% of the non-forfeitable balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Interest rates on participant loans outstanding at December 31, 2020 ranged from 5.25% to 7.50%. Principal and interest is paid ratably through bi-weekly payroll deductions.

NOTE A--DESCRIPTION OF PLAN--Continued

Payment of Benefits: On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments over a specified period of time, not to exceed the participant's life expectancy or the joint life expectancy of the participant and the participant's beneficiary. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. During 2020, the Plan implemented certain provisions of the CARES Act which allowed participants to take coronavirus-related distributions subject to certain requirements and limitations as set forth in the CARES Act. The normal retirement age is 65 years. In addition, hardship distributions, under certain circumstances of financial hardship, are permitted.

Expenses Paid by the Plan Sponsor: In accordance with the Plan documents, certain administrative expenses, primarily related to services provided by third parties, are paid by the Plan Sponsor on behalf of the Plan. Administrative Plan related expenses amounting to approximately $26,000 were paid by the Plan Sponsor in 2020.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the reported amounts of additions and deductions. Actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the Trustee. See Note D for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees for the administration of loans are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor as noted in Note A and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other administrative transaction fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits: Benefits are recorded when paid.

Risks and Uncertainties: The Plan provides for various investment options in any combination of the mutual funds and common collective trust. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In January 2020, an outbreak of a novel strain of coronavirus ("COVID-19") emerged globally and in March 2020 was declared a pandemic by the World Health Organization. Although it is not possible to estimate the length or severity of this outbreak and its impact on the Plan's financial statements, the fair value of the Plan's investments could be materially adversely affected by the market volatility associated with COVID-19.

Subsequent Events: The Plan's management has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through October 11, 2021, the date the financial statements were available to be issued.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Recently Adopted Accounting Standards: In July 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-09, *Codification Improvements*. These amendments affect a wide variety of Topics in the Accounting Standards Codification ("ASC"). These amendments are presented in nine sections and represent changes to clarify, correct errors in, or make minor improvements to the ASC. The amendments make the ASC easier to understand and easier to apply by eliminating inconsistencies and providing clarifications. The transition and effective date of this guidance is based on the facts and circumstances of each amendment. Some of the amendments in this update do not require transition guidance and will be effective upon issuance of this update. However, many of the amendments in this update do have transition guidance with effective dates for annual periods beginning after December 15, 2018, for public business entities, and for annual periods beginning after December 15, 2019, for all others. Plan Management adopted ASU 2018-09 during the year ended December 31, 2020 with no significant impact on the Plan's financial statements.

In August 2018, the FASB issued ASU 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework-Changes to the Disclosure Requirements for Fair Value Measurement*, which modifies the disclosure requirements on fair value measurements in Topic 820 based on the FASB Concepts Statement. Disclosure requirements that were removed include the amount of and reasons for transfers between Level 1 and Level 2 of the fair value hierarchy, the policy for timing of transfers between levels, the valuation processes for Level 3 fair value measurements, and for nonpublic companies, the changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements held at the end of the reporting period. Disclosure requirements that were modified include the following: 1) In lieu of a rollforward for Level 3 fair value measurements, a nonpublic entity is required to disclose transfers into and out of Level 3 of the fair value hierarchy and purchases and issues of Level 3 assets and liabilities; 2) For investments in certain entities that calculate net asset value, an entity is required to disclose the timing of liquidation of an investee's assets and the date when restrictions from redemption might lapse only if the investee has communicated the timing to the entity or announced the timing publicly; and 3) The amendments clarify that the measurement uncertainty disclosure is to communicate information about the uncertainty in measurement as of the reporting date.

Disclosures that were added, but are not required for nonpublic entities, are as follows: 1) The changes in unrealized gains and losses for the period included in other comprehensive income for recurring Level 3 fair value measurements held at the end of the reporting period; and 2) The range and weighted average of significant unobservable inputs to develop Level 3 fair value measurements.

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Recently Adopted Accounting Standards--Continued: The amendments in the ASU are effective for all entities for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. Plan Management adopted ASU 2018-13 during the year ended December 31, 2020 with no significant impact on the Plan's financial statements.

NOTE C--CERTIFIED INVESTMENTS AND NOTES RECEIVABLE

Information disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net appreciation in fair value of investments, dividends and interest income for the year ended December 31, 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Reliance.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy in accordance with GAAP are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission (the “SEC”). These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust: Valued by State Street Master Fund (the “Trust”) on the basis of amortized cost which approximates fair value as permitted by Rule 2a-7 under the Investment Company Act of 1940. This method values a security at its cost on the date of purchase and, thereafter, assumes a constant amortization to maturity of any premiums or accretion of any discounts.

Because of inherent uncertainties of valuation and under certain market conditions, the preceding method described may produce a fair value calculation that may not be indictive of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value:

NOTE D--FAIR VALUE MEASUREMENTS--Continued

	Assets at Fair Value as of December 31, 2020			
	Quoted Prices In Active Markets (Level 1)	**Significant Other Observable Inputs (Level 2)**	**Significant Other Unobservable Inputs (Level 3)**	**Total**
Mutual funds	$ 1,687,437	$ -	$ -	$ 1,687,437
Common collective trust	-	310,259	-	310,259
Total assets at fair value	$ 1,687,437	$ 310,259	$ -	$ 1,997,696

	Assets at Fair Value as of December 31, 2019			
	Quoted Prices In Active Markets (Level 1)	**Significant Other Observable Inputs (Level 2)**	**Significant Other Unobservable Inputs (Level 3)**	**Total**
Mutual funds	$ 1,710,615	$ -	$ -	$ 1,710,615
Common collective trust	-	392,222	-	392,222
Total assets at fair value	$ 1,710,615	$ 392,222	$ -	$ 2,102,837

NOTE E--PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of a common collective trust managed by Reliance. Reliance is the Trustee as defined by the Plan for the year ended December 31, 2020, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for trustee and fund management fees are paid indirectly by the Plan and are included in net appreciation in fair value of investments.

NOTE F--TAX STATUS

On April 1, 2015, the Plan adopted the amended prototype defined contribution plan (the "Amended Plan") from ADP. The Amended Plan received a favorable IRS opinion letter, dated July 8, 2014, which stated that the Prototype Plan document and related trust, adopted by the Plan, are designed in accordance with applicable sections of the IRC. The adoption of the Amended Plan did not significantly change the operations or terms of the Plan.

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE F--TAX STATUS--Continued

Previous to the adoption of the Amended Plan, the Plan received a favorable IRS opinion letter, dated March 31, 2008, which stated that the Prototype Plan document and related trust, adopted by the Plan, was designed in accordance with applicable sections of the IRC.

GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the Plan's financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2017.

NOTE G--CONCENTRATIONS

As of December 31, 2020, four of the Plan's investment options held approximately 66% of the Plan's total investments. As of December 31, 2019, three of the Plan's investment options held approximately 52% of the Plan's total investments.

NOTE H--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA.

NOTE I--CONTINGENCY

In 2016, an entity under common control of the Plan Sponsor (the "Related Entity") was formed. The Related Entity met the definition of an entity within a controlled group, as defined by the IRC and ERISA. Employees of the Related Entity were not provided the opportunity to participate in the Plan. In June 2021, in conjunction with the Plan's transfer to a new service provider and trustee, the new service provider and trustee notified the Plan Sponsor that Nondiscrimination Requirements (as set forth in

NOTE I--CONTINGENCY--Continued

IRC Sections 410(b), Coverage, and 401(a)(4), Amounts) apply on a controlled group basis. Employees of the Related Entity were not included in the Plan Sponsor's Nondiscrimination Requirement calculations for the 2016, 2017, 2018, 2019 and 2020 Plan years.

The Plan Sponsor is in the process of performing the necessary calculations for each Plan year affected to determine whether or not the Plan met such Nondiscrimination Requirements, including the Related Entity in such calculations. As of the date the financial statements were made available, the Plan Sponsor is unable to conclude that the likelihood of an adverse outcome is probable. It is not possible to reasonably estimate the amount of any obligation, should it exist, until the necessary calculations are completed by the Plan Sponsor. Should the Plan Sponsor determine when the calculations are complete that the Plan failed to meet such Nondiscrimination Requirements, the Plan Sponsor expects to file the appropriate Voluntary Correction Program forms and correct the deficiencies to the Plan years affected.

NOTE J--SUBSEQUENT EVENTS

The Plan was amended and restated, effective May 1, 2021. Upon restatement, the Plan changed its service provider from ADP to Standard Retirement Services, Inc. ("Standard")". As a result, the Plan's assets and liabilities were transferred to Standard on approximately July 30, 2021 and were frozen during the period from July 26, 2021 through August 11, 2021.

As of the restatement date, the Plan amended the service period for eligibility to enroll in the Plan from three months to two months of service. Additionally, the Plan implemented an auto-enrollment feature, where all full-time employees who are not enrolled in the Plan will be enrolled at a 3% investment deduction unless opted out by the employee. Finally, the number of outstanding loans at any point in time was increased from one loan to three loans, depending on the type of loan.
