Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Purpose Home Health 401(k) Plan (the "Plan"), which comprise the Statement of Net Assets Available for Benefits as of December 31, 2020, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements referred to in the first paragraph.

Other Matter - Supplemental Schedule

The supplemental schedule of assets (held at end of year) is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter - 2019 Financial Statements

The financial statements of the Plan as of December 31, 2019, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Reliance Trust Company, the trustee of the Plan. Their report, dated September 24, 2020, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations - 2020

The form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Contributions:

Each year participants may contribute up to the maximum percentage allowable, not to exceed the limits of Internal Revenue Code Sections 401(k), 404, and 415, of their annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes a safe-harbor contribution to match the employees’ elective deferrals. For the years ended December 31, 2020 and 2019, the Company matched 100 percent of the participants’ deferrals not exceeding 3 percent of eligible compensation and 50 percent of the participants’ deferrals between 3 percent and 5 percent of eligible compensation. Additional amounts may be contributed at the option of the Company’s board of directors. Contributions are subject to certain limitations.

Participant accounts:

Participant accounts are maintained for each participant and are credited with the participant’s contributions, matching and discretionary Company contributions, participant rollover contributions and investment earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting:

Participants are immediately vested in their elective deferral, safe harbor matching, and rollover contributions, plus actual earnings thereon. Voluntary Company contributions vest over a period of six years of service, starting at 20% vesting after two years of service.

NOTES TO FINANCIAL STATEMENTS

Notes receivable from participants:

Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan is \$500. All loans are to be repaid within five years except for loans whose proceeds are used to acquire a primary residence, which are to be repaid within a period of not more than 30 years. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 2%. Principal and interest are paid ratably through payroll deductions.

Payment of benefits:

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Participants may also receive a distribution from their account prior to termination of employment provided they experience certain financial hardships. A hardship distribution is limited to the salary deferral contributions which have not been previously withdrawn.

Forfeitures:

Forfeitures are used to decrease Company contributions to the Plan. At December 31, 2020 and 2019, forfeited, non-vested accounts totaled \$0 and \$0. Employer contributions were reduced \$0 and \$0 in the years ended December 31, 2020 and 2019.

Administrative Changes due to CARES Act:

In March 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was enacted and certain provisions of the CARES Act that pertain to retirement plans were implemented and adopted via plan amendment. The enacted provisions allow Plan participants impacted by COVID-19 to:

- Withdraw, penalty free, up to \$100,000 of vested account balances before December 31, 2020;
- Defer current active loan payments for the 2020 plan year;
- Take new loans up to \$100,000 of vested account balances before September 22, 2020; and
- Suspend 2020 required minimum distributions.

NOTES TO FINANCIAL STATEMENTS

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transition between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodian and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants prior to March 15, 2020.

Payment of benefits:

Benefits are recorded when paid.

Operating expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in the net appreciation of investments. Expenses of maintaining the Plan are paid by the Company and the Plan.

Date of management's review:

Management has evaluated events and transactions through October 14, 2021, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

Note 3. Summary of Information Certified By Plan Trustee

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2020 and 2019, and the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020; and the related investment activity reflected in the Statement of Changes in Net Assets Available for Benefits for the years ended December 31, 2020 and 2019.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities that the Plan can access at the measurement date.
- Level 2 Inputs other than quoted prices included within Level 1 observable for the asset or liability, either directly or indirectly, such as quoted prices for similar assets or liabilities in inactive markets, inputs other than quoted prices observable for the asset or liability, and inputs derived principally from (or corroborated by) observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs which are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

All assets have been valued using a market approach. Following is a description of the valuation methodologies used for Plan assets measured at fair value. There have been no changes in the methodologies used between December 31, 2020, and December 31, 2019.

Mutual funds: Valued at the daily closing price as reported by the fund.

Common/collective trust: Valued at the net asset value (NAV) of units of an investment company collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

NOTES TO FINANCIAL STATEMENTS

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Common/collective trust measured at net asset value	_____	_____ 334
Total assets at fair value	<u>\$277,073</u>	<u>\$277,407</u>

Investments Measured Using the Net Asset Value per Share Practical Expedient:

The common/collective trust funds has no unfunded commitments and can be redeemed daily, with no redemption notice period, without specific terms or conditions at the underlying investments' net asset value (NAV). The NAV is updated daily. The common/collective trust funds has an investment objective to maximize current income while preserving principal.

Note 5. Party – In – Interest Transactions/Exempt

Purpose Home Health (“Plan sponsor”) provides the Plan with certain recordkeeping services for which no fees are charged. Fees paid on behalf of the Plan for administrative services were borne by the Plan and Plan sponsor in accordance with the Plan document. Total costs paid by the Plan were \$3,314 and \$1,799 for the years ended December 31, 2020 and 2019, respectively.

The Plan sponsor also paid administrative expenses on behalf of the Plan in the amount of \$5,808 and \$5,288 for the years ended December 31, 2020, and December 31, 2019, respectively.

NOTES TO FINANCIAL STATEMENTS

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become one-hundred percent vested in their accounts.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8 Income Tax Status

The Plan became effective September 1, 2018 by adopting a Prototype Plan sponsored by the Plan's trustee. The Internal Revenue Service ("IRS") determined and informed the Plan's third-party administrator, by a letter dated July 8, 2014, that the Prototype Plan, as then designed, was in accordance with the applicable sections of the Internal Revenue Code ("IRC"). Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Reconciliation of Form 5500 to Financial Statements

The following is a reconciliation of net assets available for benefits per Form 5500 at December 31, 2020 and 2019 to the financial statements:

	<u>2020</u>	<u>2019</u>

NOTES TO FINANCIAL STATEMENTS

The following is a reconciliation of deductions per Form 5500 to the 2020 financial statements:

Deductions per Form 5500	\$45,910
Corrective distributions per Form 5500	(230)
Corrective distributions per financial statements	<u>22</u>
Deductions per the financial statements	<u>\$45,702</u>

Note 10. Contingencies – COVID-19

As a result of the spread of the COVID-19 pandemic, economic uncertainties exist which may have an effect on the Plan's investments. The Plan's individual investments will fluctuate in response to changing market conditions, therefore the amount of losses that will be recognized in subsequent periods, if any, cannot be determined. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.
