Ms. Roxanne Evanoff
MIG Inc., 401(k) Plan
800 Hearst Ave.
Berkeley, CA 94710

Dear Roxanne:

We are pleased to confirm our understanding of the services we are to provide for MIG Inc., 401(k) Plan ("the Plan") for the year ended December 31, 2020 in connection with its annual reporting obligation under the Employee Retirement Income Security Act of 1974 (ERISA).

Except as described below, we will audit the financial statements of MIG Inc., 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2020 and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements and report on the supplemental schedules of the Plan for the year ended December 31, 2020**.** The following supplementary information accompanying the financial statements, as applicable, will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures:

1. Assets (Held at End of Year) and Assets (Acquired and Disposed of Within Year).
2. Loans or Fixed Income Obligations in Default or Classified as Uncollectible.
3. Leases in Default or Classified as Uncollectible.
4. Reportable Transactions.
5. Nonexempt Transactions.
6. Delinquent Participant Contributions.

These financial statements and supplemental schedules are required to be included in the Plan's Form 5500 filing with the Employee Benefits Security Administration (EBSA) of the Department of Labor (DOL).

Audit Objective

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America except that, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and as instructed by you, we will not perform any auditing procedures with respect to asset information prepared and certified to by Reliance Trust Company, the trustee, in accordance with 29 CFR 2520.103-5, other than comparing the information with the related information included in the financial statements and supplemental schedules. Under ERISA, the Plan administrator is generally responsible to the Plan participants for the financial information and the ability of the certifying entity to issue such ERISA certification. Because of the significance of the information that we will not audit, we will not express an opinion on the financial statements and supplemental schedules. We will issue a written report upon completion of our audit of the Plan's financial statements. Our report will be addressed to The Administrative Committee of the Plan. We cannot provide assurance that a limited-scope disclaimer of opinion as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA will be expressed. Circumstances may arise in which

it is necessary for us to make further modifications to our report, such as adding an emphasis-of-matter or other-matter paragraph. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified to by the trustee, will be audited by us in accordance with auditing standards generally accepted in the United States of America, and will be subjected to tests of your accounting records and other procedures we consider necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. If for any reason we are unable to complete the engagement, we may decline to issue a report or withdraw from this engagement.

Audit Procedures

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and direct confirmation of investments except those certified to by the trustee, and certain other assets and liabilities by correspondence with financial institutions, and other third parties. We will also request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested, except that assets and related transactions certified to by the trustee will not be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the Plan.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards, except as previously noted. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and will include prohibited transactions in the supplemental schedule of nonexempt transactions as required by the instructions to Form 5500. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Except as described in the "Audit Objective" section, our audit will include obtaining an understanding of the Plan and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under professional standards.

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

In addition, we will perform certain procedures directed at considering the Plan's compliance with applicable Internal Revenue Service (IRS) requirements for tax exempt status and ERISA plan qualification requirements. However, you should understand that our audit is not specifically designed for and should not be relied upon to disclose matters affecting plan qualifications or compliance with the ERISA and IRS requirements. If during the audit we become aware of any instances of any such matters or ways in which management practices can be improved, we will communicate them to you.

Other Services

We will prepare the financial statements of the Plan in conformity with U.S. generally accepted accounting principles based on information provided by you.

We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statement services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Management Responsibilities

You are responsible for designing, implementing and maintaining internal controls, relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; for establishing an accounting and financial reporting process for determining appropriate value measurements; and for the preparation and fair presentation of the financial statements in conformity with U.S. generally accepted accounting principles. You are also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information, including the completeness and accuracy of the certification by the trustee and for determining if the certification from the trustee includes the appropriate value of investments as of the Plan's year end. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the plan from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the written management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the plan involving (1) plan management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the plan received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the plan complies with applicable laws and regulations. You are also responsible for preparing the supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

You agree to assume all management responsibilities for the preparation of financial statements and any other nonattest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, and/or experience evaluate the adequacy and results of the services; and accept responsibility for them.

Engagement Administration, Fees and Other

We understand that your personnel will prepare schedules, analyses and all confirmations we request and will locate any invoices or other documents selected by us for testing.

The audit documentation for this engagement is the property of RINA Accountancy LLP and constitutes confidential information. However, we may be requested to make certain audit documentation available to the U.S. Department of Labor pursuant to authority given to it by law. If requested, access to such audit documentation will be provided under the supervision of RINA Accountancy LLP personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the U.S. Department of Labor. The U.S. Department of Labor may intend, or decide, to distribute the copies of information contained therein to others, including other governmental agencies.

Howard Zangwill is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it. We will schedule the engagement based in part on the availability of your key personnel, deadlines, and working conditions. We will plan the engagement based on the assumption that your personnel will cooperate and provide assistance by performing tasks such as preparing requested schedules, retrieving supporting documents, and preparing confirmations. If for whatever reason your personnel are unavailable to provide the necessary assistance in a timely manner, it may substantially increase the work we must do to complete the engagement within the established deadlines, resulting in an increase in fees over our original fee estimate. As you have instructed, our engagement does not include preparation of the Plan's Form 5500.

The AICPA's Audit and Accounting Guide, *Employee Benefit Plans*, requires that, before an auditor's report on the Plan's financial statements can be included with a filed Form 5500 (including any related schedules), the auditor must review the Form 5500 and consider whether there are any material inconsistencies between the other information in the form and the audited financial statements (including the required supplemental schedules) or any material misstatement of fact. We will, therefore, not issue our auditor's report until the completed Form 5500 has been provided for our review.

Based on our preliminary estimates, the fee should approximate $13,000 for the audit. You will also be billed for travel and other out-of-pocket costs. This estimate is based on anticipated cooperation from your personnel including timely preparation of the schedules requested and the assumption that unexpected circumstances will not be encountered during our audit preparation. It may not always be possible for us to obtain approval from you before undertaking work beyond the scope of our original engagement, especially in those cases where immediate action is warranted to protect your best interest. While we will make our best efforts to inform you of the cost of such services as soon as reasonably possible, often you will have to rely on trusting the relationship we have established with you in order for issues to be resolved in a timely manner. Our invoices for these fees will be rendered as work progresses and are payable on presentation. Billings become delinquent if not paid within 30 days of the invoice date. If billings are past due in excess of 60 days, we will stop all work until your account is brought current or withdraw from this engagement.

In the event that the plan changed custodians during the year or if any other event occurred resulting in more than one set of trust or participant statements, additional audit procedures would have to be performed. As such, a one-time fee of $2,000 would be billed in addition to the standard fee referred to above.

Client and accountant both agree that any dispute over fees charged by the accountant to the client require non-binding mediation as the first step. If not resolved it will be submitted for resolution by arbitration in accordance with the Rules of Professional Accounting and Related Services Disputes of the American Arbitration Association. Such arbitration shall be binding and final. In agreeing to arbitration we both acknowledge that, in the event of a dispute over fees, each of us is giving up the right to have the dispute decided in a court of law before a judge or jury, and instead we are accepting the use of arbitration for resolution.

As your CPA, we are required to keep all information about our engagement confidential. Therefore, we will not disclose any information about you unless we have your written approval or are required/permitted by law. This applies even if you are no longer a client.

It is our policy to keep records related to this engagement for seven years. However, RINA does not keep any original client records, so we will return those to you at the completion of the services rendered under this engagement. When records are returned to you, it is your responsibility to retain and protect your records for possible future use, including potential examination by any government or regulatory agencies. By your signature below, you also acknowledge and agree that upon the expiration of the seven-year period RINA shall be free to confidentially destroy our records related to this engagement.

We appreciate the opportunity to be of service to the Plan and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let me know. If you agree with the terms of our engagement as described in this letter, please sign and return it to us.

Very truly yours,

RINA Accountancy LLP
