## Independent Auditor's Report

To the Plan Trustee and Administrator
Pinnacle-Centric 401(k) Plan
Dallas, TX

*Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed an audit of the financial statements of Pinnacle-Centric 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Pinnacle-Centric 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

*Opinion*

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pinnacle-Centric 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

**Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.**

**In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pinnacle-Centric 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.**

**Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.**

***Auditor's Responsibilities for the Audit of the Financial Statements***

**Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.**

**In performing an audit in accordance with GAAS, we:**

- **Exercise professional judgment and maintain professional skepticism throughout the audit.**
- **Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.**
- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pinnacle-Centric 401(k) Plan's internal control. Accordingly, no such opinion is expressed.**
- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.**
- **Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pinnacle-Centric 401(k) Plan's ability to continue as a going concern for a reasonable period of time.**

**Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.**

**Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.**

**We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.**

***Other Matter—Supplemental Schedule Required by ERISA***

**The supplemental schedule of assets is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.**

**In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.**

**In our opinion—**

- **the form and content of the supplemental schedule other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.**
- **the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).**

Pinnacle-Centric 401(k) Plan
Dallas, TX

We were engaged to audit the accompanying financial statements of Pinnacle-Centric 401(k) Plan, which comprise the statement of net assets available for benefits and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes to the financial statement.

*Management's Responsibility for the Financial Statement*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

*Auditor's Responsibility*

Our responsibility is to express an opinion on the 2019 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

*Basis for Disclaimer of Opinion*

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by John Hancock Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2019 that the information provided to the plan administrator by the trustee is complete and accurate.

*Disclaimer of Opinion*

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statements. Accordingly, we do not express an opinion on the 2019 financial statements.

*Report on Form and Content in Compliance With DOL Rules and Regulations for 2019 Financial Statements*

The form and content of the information included in the 2019 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**PINNACLE-CENTRIC 401(k) PLAN**
**NOTES TO FINANCIAL STATEMENTS**
**December 31, 2020 and 2019**

---

**Note 1 – Description of Plan:**

**The following brief description of the Pinnacle-Centric 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.**

**General**

**The Plan is a defined contribution plan that was established effective September 15, 2014. John Hancock Life Insurance Company (John Hancock) serves as the Plan asset custodian and Leon E. Werntz & Associates serves as the record keeper. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).**

**Eligibility**

**Participation in the Plan is limited to employees of Centric Pipe, Centric Logistics, Commercial Steel Products, GB Connections, and Pinnacle Machine Holdings (the Company) who have attained the age of 18 and have completed six months of continuous service as defined by the Plan document. Effective January 1, 2019, all newly eligible participants are automatically enrolled into the Plan, unless they affirmatively elect out of the Plan. Participants are automatically enrolled at a six percent deferral rate.**

**Contributions**

**The Plan participants may direct the Company to deposit amounts to the Plan on their behalf through the execution of a salary reduction agreement. A contribution may be made of up to 100 percent of the participant's annual compensation as defined in the Plan document, subject to the maximum annual limitations established by the Internal Revenue Service (IRS). Participants may elect between pretax and Roth contributions. Rollover contributions from other qualified plans are allowed.**

**Prior to May 2020, the Company made safe harbor matching contributions equal to 100 percent of participants first percent of eligible compensation and an additional 50 percent of participants next 4 percent. Maximum safe harbor matching contributions may not exceed 3 percent of eligible annual compensation. Effective May 3, 2020, the Plan no longer makes safe harbor matching contributions.**

**Subject to the discretion of management. The Company may make a nonelective profit sharing contributions to the Plan over and above the safe harbor matching contribution described above. Profit sharing contributions are allocable pro rata to Plan participants on an annual basis. Allocation of profit sharing contributions shall be made to each participant based on the methodology determined by management, as long as the contribution does not benefit one class of participant over another. The Company made no profit sharing or discretionary matching contributions for the year ended December 31, 2020.**

**Participant Accounts**

**Each participant's account is credited with the participant and matching contributions and an allocation of profit sharing contributions, if applicable, and Plan earnings. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.**

**Notes Receivable from Participants (Participant Loans)**

**The Plan allows participants to borrow against up to 50 percent of the vested account balance, not to exceed $50,000, with repayment required within 5 years. The minimum loan amount is $1,000. Loans bear interest rates at 4.25 - 7.50 percent, which commensurate with local prevailing rates as determined periodically.**

**Note 1 – Description of Plan: (continued)**

**Participant loans are measured at the unpaid principal balance plus accrued but unpaid interest. All participant loans are secured by the participant's account balance. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. Management considers all loans to be well-collateralized and determined that no allowance was necessary to properly state the receivables balances at December 31, 2020 and 2019.**

**The Plan was amended in 2020 because of The Coronavirus Aid, Relief, and Economic Security Act (CARES Act), allowing for increased participant loans up to $100,000 and deferent of loan repayment for a 12-month period. The Plan amendment is only in effect for the 2020 Plan year.**

**Vesting**

**The participant's voluntary contributions, rollover contributions, and safe harbor matching contributions, along with the associated earnings on those investments, are fully vested immediately and nonforfeitable. In the event of a profit sharing contribution, participants would be immediately vested.**

**Forfeitures**

**Under the provisions of the Plan, a participant who terminates employment before becoming vested in the employer's contributions forfeits these amounts. This amount accumulates from year to year and may be used to reduce employer matching contributions and to pay administrative expenses. The balance of this account as of December 31, 2020 and 2019 was $1,238.**

**Expenses of the Plan**

**All reasonable expenses of administering the Plan will be paid out of the Plan assets, unless paid for by the Company. The Company paid Plan expenses of $10,479 and $-0- in 2020 and 2019, respectively.**

**Investment Options**

**Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of the Plan's investment options. Participants may change their investment options at any time with John Hancock Life Insurance Company. The investment options include funds held inside a group annuity contract.**

**Payments of Benefits**

**The Plan may receive excess contributions for certain participants. In this event, excess contributions are refundable to participants in the first two and a half months of the subsequent Plan year per IRS regulations. Excess contributions are accrued on the Statement of Net Assets Available for Benefits.**

**Participants may make withdrawals from their account for hardship purposes as defined by the Plan document. Only employee contributions to the account are available for hardship withdrawals. Subsequent to a hardship withdrawal, no contributions by the employee can be made to the Plan during the six months immediately following the month in which the hardship withdrawal is received.**

**Upon death, disability, retirement, or termination, a participant shall be entitled to receive the vested portion of that participant's account balance. The participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments.**

**At December 31, 2020, there were no Plan assets allocated to accounts of persons who had withdrawn from the Plan but had not yet been paid.**

**Note 1 – Description of Plan: (continued)**

**Additionally, as a result of the CARES Act amendment, certain qualified participants may receive distributions up to $100,000 based on financial needs that arose as a result of the Covid-19 pandemic.**

**Plan Termination**

**Although it has not expressed an interest to do so, the Company has the right to amend or terminate the Plan and the related trust at any time subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become 100 percent vested in the accounts.**

**Plan Amendments**

**There were no significant Plan amendments during years 2020 and 2019, other than the temporary Plan amendments associated with the CARES Act provisions, as previously disclosed, and suspension of our safe harbor election.**

**Party-in-Interest and Related Party Transactions**

**Certain Plan investments are shares of investment options that are managed by the custodian or its affiliates. The Plan and its participants pay both direct and indirect fees to the custodian for investment management services. The Plan also pays administrative fees to the record keeper. The Company may pay directly certain other fees related to Plan operations. Transactions such as these qualify as party-in-interest transactions. Notes receivable from participants are also considered party-in-interest transactions.**

**Basis of Accounting**

**The accompanying financial statements were prepared on the accrual basis of accounting.**

**Estimates**

**The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from those estimates. Accordingly, actual results may differ from those estimates.**

**Investment Valuation and Income Recognition**

**The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.**

**Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on an ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.**

**The investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the risks associated with certain investment securities, it is at least reasonably possible that changes in the market value of these investments may occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Plan Benefits.**

PINNACLE-CENTRIC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

**Note 1 – Description of Plan: (continued)**

**Notes Receivable from Participants**

**Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest rates on participant loans range between 4.25 – 7.50 percent and can fluctuate based on market borrowing rates. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.**

**Payment of Benefits**

**Benefits are recorded when paid.**

**Note 3 – Investments:**

**The Plan has entered into a group variable funding agreement with John Hancock. John Hancock maintains the contributions in pooled separate accounts which are invested in units of John Hancock's investment funds. The accounts are credited with investment results of the funds and charged for Plan withdrawals and administration expenses charged by John Hancock. The agreement is included in the financial statements at estimated fair value as reported by John Hancock.**

**Note 4 – Federal Income Taxes:**

**The IRS has determined and informed the Plan sponsor by a letter dated September 30, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The Plan administrator and Plan's tax council believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2017.**

**Note 5 – Information Certified by the Custodian:**

**The Plan Trustee and Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.**

**The Plan Trustee and Administrator has received certification from the custodian of the market value of all of the Plan's investments as of December 31, 2020 and 2019, and of interest income and net appreciation (depreciation) in fair value of investments for the year ended December 31, 2020. The Plan's financial statements and supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2020, have been prepared based upon this certified information and reflect the amounts certified by the custodian.**

**The Plan's independent public accountants did not perform auditing procedures with respect to this information certified as complete and accurate by the custodian, except for comparing such information to the related information included in the financial statements and supplemental schedule.**

**Note 6 – Concentration of Credit Risk:**

**The Plan contains certain investment options, whose balances represent a significant concentration of Plan investments. For the year ended December 31, 2020, American Funds Balanced Fund and John Hancock Multi-Index 2045 Presentation Fund represented 39 percent of total investments and each accounted for at least 10 percent of total investments. For the year ended December 31, 2019, American Funds Balanced Fund represented 32 percent of total investments.**

**Note 7 – Fair Value Measurements:**

**The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. Following is a description of the valuation methodologies used for investments held within the group annuity contract which are measured at fair value.**

**Interest-Bearing Cash: Valued at cost, which approximates fair value.**

**Pooled Separate Accounts (With Underlying Mutual Fund Investments): Valued based on the observable NAV of the underlying investments. NAV, as provided by the trustee, is used as the readily determinable fair value. The pooled separate account is maintained in the general account of John Hancock and is credited with earnings of the underlying assets, participant withdrawals, and administrative expense.**

**The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 – inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 – observable inputs, such as, quoted market prices of similar assets or liabilities in active markets or for identical assets or liabilities in markets that are not active, and Level 3 – inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.**

**The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2019 and 2020.**

| | 2020 | 2019 |
|---|---|---|
| **Level 1:** | | |
| **Interest-Bearing Cash Accounts** | **$ 69,080** | $ 43,327 |
| **Level 2:** | | |
| **Pooled Separate Accounts** | **3,189,617** | 2,182,675 |
| **Investments at Fair Value** | **$ 3,258,697** | $ 2,226,002 |

**Note 8 – Correction of Operational Errors and ERISA Violations:**

**As allowed by the IRS and DOL certain corrective actions are made available to Plan sponsors via self-correction and Voluntary Fiduciary Correction Programs (VFCP). In the event of an operational error or ERISA violation, we first seek to self-correct findings and if necessary, complete the appropriate VFCP procedures. The Plan, participants, and beneficiaries are intended to be restored to the condition that would have existed if the error or violation had not occurred. Management is not aware of any errors, violations, or corrective actions that need to be taken at this time.**

| **Add: Current Period Excess Contributions Payable** | **53,766** |
| **Changes in Net Assets Available for Benefit per Schedule H of the Form 5500** | **$ 1,038,705** |

**Note 10 – Risks and Uncertainties:**

**Impact of Coronavirus Outbreak**

**The coronavirus pandemic has not had a material, adverse impact on Plan assets through the date specified above. Due to the nature of the subsequent event it is difficult to forecast its impact on Plan operations and assets in the future with any certainty and management expects the pandemic to cause higher than normal volatility in the investment markets.**

**On March 27, 2020 the Coronavirus, Aid, Relief, and Economic Security (CARES) Act was signed into law. At the election of the Plan sponsor, certain Plan provisions may be changed. These provisions may allow for special Coronavirus-related distributions, waiver of required minimum distributions, and adjustments to potential maximum loan amounts.**

**In addition, the safe harbor Plan provisions were removed during the 2020 Plan year, in lieu of a discretionary matching provision.**

**Note 11 – Subsequent Events:**
