Independent Auditor's Report

The Plan Administrator
Alecto Healthcare Services 401(k) Retirement Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Alecto Healthcare Services 401(k) Retirement Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Wells Fargo Bank, N.A., the Custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Custodian as of December 31, 2020 and 2019 and for the year ended December 31, 2020, that the information provided to the Plan Administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a

basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedules

The supplemental schedule of assets (held at end of year) as of and for the year ended December 31, 2020 and schedule of delinquent participant contributions for the year ended December 31, 2020 are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules.

Other Matter – 2019 Financial Statements

The financial statements of the Plan as of December 31, 2019 were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the Custodian. Their report, dated July 22, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Custodian, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Emphasis of Matter – Restatement of December 31, 2019 Financial Statements

As disclosed in Note 1, the accompanying financial statements as of and for the year ended December 31, 2019 have been restated for corrections. These corrections are disclosed in greater detail in Note 1.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ALECTO HEALTHCARE SERVICES 401(K) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

1. Description of Plan

The following description of the Alecto Healthcare Services 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan originally established February 2, 2015. The Plan covers substantially all employees of Alecto Healthcare Services LLC (the "Company", "Employer", or "Plan Sponsor") and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Company serves as the Plan Administrator.

b. Restatement

The Company has determined that the 2019 audited financial statements should be restated to accurately reflect the employer contributions receivable and employer contributions.

The following financial statement line items as of December 31, 2019 and for the year then ended were affected by the restatement:

	As Originally Reported	As Adjusted	Effect of Change
Statement of net assets available for benefits			
Employer contributions receivable	$ 916,331	$ 874,183	$ 42,148
Statement of changes in net assets available for benefits			
Employer contributions	$ 455,616	$ 413,468	$ 42,148

c. Administration

The Plan Administrator is responsible for the day-to-day administration and operation of the Plan. Wells Fargo Bank, N.A. (the "Custodian") is the custodian of the Plan's assets and also maintains the individual participant account balances. The Custodian has the power to administer the Plan and apply all of its provisions on behalf of the Plan Sponsor. The Plan Sponsor has the discretion to appoint or remove any trustee or agent of the Plan.

d. Eligibility

The Plan generally covers all employees of the Company who have completed 3 months of service. Employees may enter the Plan on the first day of each payroll period subsequent to when the eligibility requirement has been met.

e. Participant Contributions

Participants may contribute to the Plan up to 100% of eligible compensation through elective, pre-tax, and Roth salary deferrals, subject to IRC limits of $19,500 for the year ended December 31, 2020. Upon reaching the age of 50, participants may make additional catch-up contributions limited to $6,500 for the year ended December 31, 2020.

Participants may also make rollover contributions from other qualified defined contribution or benefit plans and certain individual retirement accounts.

f. Employer Contributions

The Company matches 75% of employee contributions, up to 3% of eligible compensation deferred to the Plan for union employees. The Company matches 100% of employee contributions, up to 4% of eligible compensation deferred to the Plan for employees in the California Nurses Association. The Company may elect to make a discretionary matching contribution to the Plan for all other employees. Participants become eligible to participate in matching contributions if they are employed on the last day of the Plan year and if they have completed at least 1,000 hours of service during the Plan year. Employer contributions totaled $259,234 for the year ended December 31, 2020.

g. Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, the Company's contributions, and an allocation of the Plan's earnings and expenses. Participants can direct their account into a variety of investments offered by the Custodian. The benefit to which a participant is currently entitled is the benefit that can be provided from the participant’s vested account.

h. Vesting

Participants are always 100% vested in their contributions, catch-up contributions, rollover contributions, and the earnings thereon. Participants vest in Employer contributions and any earnings thereon as follows:

	Vesting Percentage		
Years of Service	Union 1199	California Nurses Association	Other
1	50%	20%	0%
2	100%	40%	0%
3		60%	100%
4		80%	
5		100%	

Participants become 100% vested in their accounts if they are employed with the Company and reach normal retirement age (59 ½), become totally disabled, pass away, or if the Plan terminates.

i. Partial Plan Termination

During 2019, the Company determined that a partial plan termination had occurred. As a result, the affected participants were 100% vested.

j. Forfeitures

Participants who terminate employment forfeit the non-vested portion of their employer contributions and the earnings thereon. As of December 31, 2020 and 2019, forfeited non-vested accounts totaled $6,744 and $41,492, respectively. Forfeitures may be used to reduce employer contributions or to pay administrative expenses. Forfeitures used to pay for employer contributions were $21,393 for the year ended December 31, 2020.

k. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions and the earnings thereon.

l. Notes Receivable from Participants

Effective August 1, 2020, the Plan allowed for new participant loans. Prior to this date, the loan balances comprised of loans transferred in from other plans. Participants may borrow from their accounts the lesser of a) $50,000, reduced by their highest outstanding note balance during the prior year, or b) 50% of their vested account balance minus any existing loan balance, subject to a $1,000 minimum. Notes are secured by the vested balance in the participant's account. An individual may have no more than 1 loan outstanding at any one time.

Note payments are made through payroll deductions over periods up to five years, unless the note is used to acquire a primary residence, in which case the loan term may not exceed ten years. New notes bear interest at the prime rate plus 1% per annum, fixed at inception of the note. As of December 31, 2020 and 2019, notes receivable from participants mature through 2025 and bear interest at 4.25%, which is commensurate with local prevailing rates as determined by the Plan Administrator at the time of the note.

m. Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive an amount equal to the participant's vested account balance in a lump-sum payment, installment payments over the participant's or beneficiary's assumed life expectancy, roll the amount to an individual retirement account or other eligible transferee plan, or delay payment until the beginning date of required minimum distributions, depending on the value of the account. In addition, the Plan permits in-service distributions for participants who are age 59 ½ or older.

n. Administrative Expenses

All reasonable expenses of administration may be paid out of the Plan assets unless paid by the Company. Expenses, to the extent not paid by the Company, are paid by the Plan and allocated to participants based on their account balances. For the year ended December 31, 2020, the Plan paid expenses of $311,772. Expenses that relate solely to a specific participant, such as fees for notes receivable or benefit payments, are assessed to the participant. Certain expenses are included in the transaction prices of investments bought and sold and cannot be separately quantified.

o. Revenue Sharing

The Plan has a revenue sharing agreement in place whereby fees earned by the mutual fund companies or other collected fees on a periodic basis are shared with the Plan.

These earnings are used for the benefit of the Plan to pay administrative expenses. For the year ended December 31, 2020, revenue sharing earnings in the amount of $10,180 were included in the net appreciation in fair value of investments.

p. CARES Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law. The CARES Act provided certain immediate and temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions and participant loans. As permitted by the CARES Act, the Plan implemented the following provisions:

- Coronavirus-related distribution - qualified individuals were permitted to take a distribution in an amount up to $100,000 from the Plan without a 10% early distribution penalty. Eligible distributions could be taken up to December 31, 2020 and may be repaid within three years.

- Participant loans - Participants with loans outstanding were permitted to defer payment on the loans that were due during 2020 to after January 1, 2021.

- Required minimum distributions ("RMDs") - RMDs were temporarily suspended for 2020.

2. Summary of Significant Accounting Policies

a. Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”) as set forth by the Financial Accounting Standards Board (the “FASB”).

b. Use of Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the amounts of net assets available for benefits, changes therein, accompanying footnote disclosures and the supplemental schedules. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Net appreciation in fair value of investments consists of the net change in unrealized gains or losses during the year and the realized gain or loss on investments sold during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

d. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If an active participant fails to make payments for more than 60 days after they are due, the note will be in default. Under certain circumstances, as indicated in the Plan document, a note that is in default may be treated as a taxable distribution from the Plan and will be included in the statement of changes in net assets available for benefits as a benefit payment.

e. Payment of Benefits

Benefits are recorded when paid.

f. Subsequent Events

The Plan Administrator has evaluated subsequent events through October 15, 2021, the date the financial statements were made available for issuance.

3. Information Certified by the Custodian (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the financial statements and supplemental schedule of assets held at end of year was provided and certified by the Custodian, as of December 31, 2020 and 2019 and for the year ended December 31, 2020, as complete and accurate:

- Investments, at fair value
- Investment income
- Notes receivable from participants
- Interest on notes receivable from participants
- Schedule of assets (held at end of year)

The classification of the investments into the appropriate levels (1, 2 or 3) as disclosed in Note 5 is not certified by the Custodian and is the responsibility of Plan management.

4. Investments

All Plan investments are participant-directed and held by the Custodian as of December 31, 2020 and 2019. Participants can direct their accounts among various mutual funds and a common collective trust.

The Wells Fargo Stable Return Fund N60 ("Fund N60"), is a common collective trust fund that invests all of its assets in the Wells Fargo Stable Return Fund G ("Fund G"). The Wells Fargo Stable Return Fund G invests in fully-benefit responsive investment contracts and security-backed contracts. An investment contract is a contract issued by a financial institution to provide a stated rate of return to the buyer of the contract for a specified period of time. A security-backed contract has similar characteristics to a traditional investment contract and is comprised of two parts: the first part is a fixed-income security or portfolio of fixed-income securities; the second part is a contract value guarantee (wrapper) provided by a third party. Wrappers provide contract value

payments for certain participant-initiated withdrawals and transfers, a floor crediting rate, and return of fully accrued contract value at maturity.

The fair value of the Fund N60 is valued at NAV of the underlying investments which includes the value of the wrapper contract. The fair value of the wrapper contract provided by a security-backed contract issuer is the present value of the difference between the current wrapper fee and the contract wrapper fee. Wrap contracts are designed to allow a stable value fund to maintain a constant NAV and to protect the fund from market fluctuations except in extreme circumstances.

Certain events could cause the Fund N60 not to transact at NAV (contract value) including material amendments to the Fund N60's structure or administration; changes to the participating plans' competing investment options including the elimination of equity wash provisions; complete or partial termination of the Fund N60, including the merger with another fund; the failure of the Fund N60 to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; the redemption of all or a portion of the interests in the Fund N60 held by a participating plan at the direction of the participating plan sponsor, including withdrawals due to the removal of a specifically identifiable group of employees from coverage under the participating plan (such as a group layoff or early retirement incentive program), the closing or sale of a subsidiary, employing unit, or affiliate, the bankruptcy or insolvency of a plan sponsor, the merger of the plan with another plan, or the plan sponsor's establishment of another tax qualified defined contribution plan; any change in law, regulation, ruling, administrative or judicial position, or accounting requirement, applicable to the Fund N60 or participating plans; or the delivery of any communication to plan participants designed to influence a participant not to invest in the Fund N60.

If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require a 12-month notice period in order to confirm that securities liquidations will be carried out in an orderly business manner.

5. Fair Value Measurements

a. Fair Value Hierarchy

Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 – Inputs to the valuation methodology include:
    - Quoted prices for similar assets or liabilities in active markets,
    - Quoted prices for identical or similar assets or liabilities in inactive markets,

- Inputs other than quoted prices that are observable for the asset or liability, and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's investments at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual Funds
The mutual funds are valued at quoted market prices which are available on active markets and, therefore, are classified as Level 1 within the valuation hierarchy.

Common Collective Trust
Units held in collective trusts (CTs) are valued using the net asset value practical expedient (NAV practical expedient) of the CT as reported by the CT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CT, minus its liabilities, and then divided by the number of units outstanding.

The valuation of methods used by the Plan may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019:

	Investments at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$63,691,879	$ -	$ -	$63,691,879
Total assets in the fair value hierarchy	$63,691,879	$ -	$ -	63,691,879
Investments measured at NAV**:				
Common collective trust				6,099,031
Total investments				$69,790,910

	Investments at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	$72,365,136	$ -	$ -	$72,365,136
Total assets in the fair value hierarchy	$72,365,136	$ -	$ -	72,365,136
Investments measured at NAV**:				
Common collective trust				6,574,367
Total investments				$78,939,503

**Certain investments that are measured at fair value using the net asset per share as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented on the statement of net assets available for benefits.

For the year ended December 31, 2020, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

b. Investments Calculated at Net Asset Value per Share

The common collective trust is a stable return fund whose primary objective is to provide investors with a moderate level of stable income without principal volatility. There were no unfunded commitments at December 31, 2020.

The following table provides information regarding redemption of investments where the NAV has been used to measure fair value as of December 31, 2020 and 2019:

	Fair Value		Redemption Frequency	Redemption Notice Period
	2020	2019		
Common collective trust	$6,099,031	$6,574,367	Daily	1 Day

6. Party-in-Interest Transactions

A party-in-interest is defined as a fiduciary or employee of the Plan, any person who provides service to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or a relative of such persons mentioned.

Certain Plan investments were managed by the Custodian during the year ended December 31, 2020. Accordingly, the investment transactions with the Custodian qualify as party-in-interest transactions.

The Company is a party-in-interest to the Plan. However, there were no transactions with the Company other than the funding of contributions to the Plan and the payment of certain administrative expenses.

7. Plan Termination

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue employer contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all their accounts.

8. Tax Status

The Plan utilizes a Volume Submitter Profit Sharing Plan Document which received an opinion letter dated March 31, 2014, in which the Internal Revenue Service (“IRS”) stated that as of that date the Plan document was designed in compliance with the applicable IRC requirements. The Plan has been amended since receiving the opinion letter. However, Plan management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, Plan management believes that the Plan is qualified and the related trust is tax exempt as of December 31, 2020 and 2019 and for the year ended December 31, 2020.

Assuming it meets certain initial and ongoing requirements, the Plan is generally exempt from federal and state income taxes. However, GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan

has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risks and Uncertainties

The Plan invests in various investment securities, including mutual funds and a common collective trust. Investment securities, in general, are exposed to various risks such as interest rate, credit, foreign currency and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Non-exempt Transactions

During 2020 and years prior, the Company failed to timely remit participant contributions totaling $5,384,390 to the Plan as required by the Department of Labor. The Company is in the process of correcting the lost earnings under the IRS's Self Correction Program.

11. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits as reported on the Plan's financial statements to the Form 5500 as of December 31, 2020 and 2019:

	2020	2019
Net assets available for benefits reported on the financial statements	$ 71,025,453	$ 79,808,108
Less: Employer contributions receivable	(1,005,955)	(874,183)
Add: Excess contributions payable	4,414	50,344
Net assets available for benefits reported on Form 5500	$ 70,023,912	$ 78,984,269

The following is a reconciliation of the net decrease in net assets available for benefits as reported on the Plan's financial statements to amounts included on the Plan's Form 5500 for the year ended December 31, 2020:

Net decrease in net assets available for benefits, reported on the financial statements	$ (8,782,655)
Net change in employer contributions receivable	(131,772)
Net change in excess contributions payable	(45,930)
Net decrease in net assets available for benefits, reported on Form 5500	$ (8,960,357)
