COMPREHENSIVE EYECARE PARTNERS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Comprehensive Eyecare Partners, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution plan established effective January 1, 2018. Comprehensive Eyecare Partners, LLC, a medical services organization, is the plan sponsor and administrator and manages and operates numerous eyecare facilities. The Plan covers employees of ten companies under common control: Shepherd Eye Center, Nevada Eye Physicians, New Eyes, Green Valley Surgery Center, Comprehensive Holdings, LLC., Comprehensive EyeCare Holdings II, LLC, Stone Creek Surgery Center, Retina Consultants of Nevada, Comprehensive Eyecare Partners, Physician Surgery Center of Nevada, and R. Jeffrey Parker MD, PC. There are no excluded employees in the Plan. In order to participate in the Plan, covered employees must have six consecutive months of service and be at least twenty-one (21) years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan is intended to satisfy the requirements under Section 404(c) of ERISA and, therefore, provides that participants may choose to direct their contributions and/or all or part of their account balances among the Plan's investment alternatives. All investments are participant directed.

Contributions

Participant Contributions - Each year participants may contribute pretax annual compensation, as defined in the Plan, up to the maximum limitation permitted by law. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants may also contribute Roth elective deferrals to the plan.

Sponsor contributions - The Plan Sponsor may elect to make additional discretionary matching contributions to the Plan equal to a uniform percentage of participants salary deferrals. The participant must have completed six months of service and be at least twenty-one years of age. The Plan Sponsor matching contributions totaled \$0 and \$0 for the years ended December 31, 2020 and 2019, respectively. Furthermore, the Plan Sponsor may elect to make an annual employer profit sharing contribution based on eligible participant prorated share of total compensation of all eligible participants. The participant must have completed twelve (12) consecutive months and 1,000 hours of service and be at least twenty-one years of age to be eligible for employer profit sharing contributions. The Plan Sponsor profit sharing contributions totaled \$0 and \$0 for the years ended December 31, 2020 and 2019, respectively.

Safe Harbor Contributions - For covered employees who have twelve consecutive months of service, the Plan Sponsor will make matching ADP test safe harbor matching contributions to the account of each eligible participant in an amount equal to the sum of 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation. These safe harbor contributions are determined and applied based on the plan year and are 100% vested.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Relief for mid-year reductions and suspensions - Due to the unprecedented nature of the COVID-19 pandemic, the IRS is providing the following temporary relief with respect to a reduction or suspension of safe harbor contributions in order to provide employers with more flexibility during the COVID-19 pandemic, while retaining certain existing participant protections:

- *Temporary relief related to mid-year reductions or suspensions of safe harbor matching or safe harbor nonelective contributions.* If a plan amendment that reduces or suspends safe harbor matching contributions or safe harbor nonelective contributions during a plan year is adopted between March 13, 2020, and August 31, 2020, then the plan will not be treated as failing to satisfy the requirements.
- *Temporary relief related to the supplemental notice requirement for mid-year reductions or suspensions of safe harbor nonelective contributions.* If a plan amendment that reduces or suspends safe harbor nonelective contributions during a plan year is adopted between March 13, 2020, and August 31, 2020, then the plan will not be treated as failing to satisfy the requirements, merely because a supplemental notice is not provided to eligible employees at least 30 days before the reduction or suspension of safe harbor nonelective contributions is effective, provided that (1) the supplemental notice is provided to eligible employees no later than August 31, 2020, and (2) the plan amendment that reduces or suspends safe harbor nonelective contributions is adopted no later than the effective date of the reduction or suspension of safe harbor nonelective contributions.

The Plan Sponsor safe harbor contributions totaled \$62,394 and \$162,404 for the years ended December 31, 2020 and 2019, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer matching contributions, and allocations of plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

All investments of the Plan are participant-directed. Participants have the option of directing their account balance to one or more different investment options, which cover a wide range of fund objectives and risk. Participants may change their investment options daily.

Vesting

Participants are immediately vested in their elective deferrals and rollover contributions plus earnings (losses) thereon. Vesting in Comprehensive Eyecare Partner's discretionary matching contributions plus actual earnings (losses) thereon is based on years of continuous service. Participants vest 20% after each year after their first year of service and become fully vested after six years of service. Participants are immediately 100% vested for all safe harbor contributions.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. If the participant's vested account balance does not exceed \$5,000, the Plan will automatically distribute the account balance in accordance with plan provisions. Hardship distributions out of the participant's account are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 ½.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, with a minimum loan of \$1,000. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loan fund. Loan terms are up to five years except for the purchase of a primary residence can be longer. The loans are secured by the balance in the participant's account and bear interest at prime plus 1% as determined at the time of the loan and fixed thereafter. The interest rate on existing loans ranged between 4.25%-7.00% and 4.25%-6.25% for the years ended December 31, 2020 and 2019, respectively. Principal and interest is paid ratably through monthly bi-weekly payroll deductions.

Forfeited Accounts

Forfeitures are used to pay plan administration expenses or to reduce amounts otherwise required to be contributed to the Plan. At December 31, 2020 and 2019, there were unused forfeitures from nonvested accounts totaling \$10,741 and \$34,533, respectively. During the plan year ended December 31, 2020 and 2019, \$23,893 and \$-0- forfeiture amounts were used toward matching contributions or to pay plan administrative expenses, respectively.

Current Legislation

In March 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") in response to the COVID-19 pandemic (Note 5). The CARES Act allowed eligible Plan participants to request penalty-free distributions of up to \$100,000 through December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic and to spread the related income tax over three years. As further defined within the CARES Act and among other benefits, it also permitted: i) repayment of such distributions over a three-year period, ii) deferral of 2020 required minimum distributions and iii) Plan loan repayments suspended between January 1, 2020 and December 31, 2020. Plan management did not implement or adopt these changes.

In December 2020, Congress passed the Consolidated Appropriations Act, 2021 (the "CA Act"). The CA Act provided relief for participants affected by disasters other than the COVID-19 pandemic that occurred between December 28, 2019 and December 27, 2020, as declared by the President of the United States between January 1, 2020 and February 25, 2021. The CA Act provided non-COVID-19 disaster relief options similar to the CARES Act and most of its provisions expired on June 25, 2021.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States ("GAAP").

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan has entered into an investment contract with Reliance Trust Company ("Reliance"). The Plan's investments are state at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2020 and 2019, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid. As of December 31, 2020 and 2019, no participants had requested benefits that were not paid out by year end.

COMPREHENSIVE EYECARE PARTNERS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Operating Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

Subsequent events were evaluated through October 11, 2021, which is the date the financial statements were available to be issued.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, Comprehensive Eyecare Partners has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their account balances.

NOTE 4 - TAX STATUS

Effective January 1, 2018, the Plan adopted a proto-type plan offered by Automated Data Processing, Inc. The proto-type plan received a determination letter on July 16, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code, and therefore, believe that the plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic, which has adversely affected the world economy and resulted in volatility in the global capital markets. The impact of this pandemic on investment prices and the world economy continues to evolve and its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits cannot be reasonably estimated at this time.

Net increase in net assets available for benefits per the Form 5500	<u>\$ 1,292,305</u>	<u>\$ 1,757,261</u>

NOTE 7 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying Statement of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. If no Level 1 inputs were available to the Plan, then Level 2 or Level 3 inputs would be used. Level 2 and 3 inputs were not used as of December 31, 2020 and 2019.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

COMPREHENSIVE EYECARE PARTNERS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019

NOTE 7 - FAIR VALUE MEASUREMENTS (CONTINUED)

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2020 and 2018 are reported in net appreciation in fair value of investments.

Mutual Funds - Valued at the net asset value ("NAV") per share held by the Plan at year-end.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

	Fair Value Measurements			
	Level 1	Level 2	Level 3	Total
December 31, 2020:				
Mutual funds and total assets in the fair value hierarchy	\$ 9,013,025	\$ -	\$ -	\$ 9,013,025
Investments at fair value	<u>\$ 9,013,025</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,013,025</u>

Mutual funds and total assets in the fair value hierarchy	\$ 8,537,073	\$ -	\$ -	\$ 8,537,073
Investments at fair value	<u>\$ 8,537,073</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,537,073</u>

NOTE 8 - INVESTMENTS AT CONTRACT VALUE

The Plan has a fully benefit-responsive investment contract with Reliance Trust Company ("Reliance") which consists of the MetLife Reliance Stable Value Fund. Reliance maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contracts. Contract value, as reported to the Plan by Reliance, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of the investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract provides for a fixed interest rate for a fixed period that will apply to the entire guaranteed value. The interest rate is reset every quarter as determined by MetLife.

The plan administrator believes the occurrence of any event that may limit the Plan's ability to transact at contract value with participants is not probable. The Investment contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The average yield earned on the investment contracts was 2.35% and 2.84% for years ended December 31, 2020 and 2019, respectively.
