December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE A - DESCRIPTION OF PLAN

The following description of The Legal Aid Society of Cleveland Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of The Legal Aid Society of Cleveland (the Organization, Plan Administrator, and Plan Sponsor). Employees must complete one year of service to be eligible to receive employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE ACT), passed in December 2019, and delayed the commencement date for required minimum distributions. A written amendment to the Plan to reflect this operational change will be adopted at a later date in accordance with applicable laws and Internal Revenue Service (IRS) guidance.

The Coronavirus Aid, Relief, and Economic Security Acts (the CARES act), passed in March 2020 and allowed certain eligible individuals to receive coronavirus-related distributions, relief of loan repayment, and suspended required distributions. A written amendment to the Plan to reflect this operational change will be adopted at a later date in accordance with applicable laws and IRS guidance.

Contributions

Each year, participants may elect to defer up to 100% of their compensation as defined by the Plan on a pre-tax or after-tax basis. Employees who have not declined participation in writing or completed a salary deferral agreement as of the date of their eligibility to participate in the Plan will be automatically enrolled in the Plan with a deferral of 2%, which will be increased annually by 1% up to a maximum of 6%. The Plan provides an employer matching contribution equal to 50% of the first 6% of annual compensation that a participant contributes to the Plan. The Plan also provides for an employer contribution of 10% of participants' annual compensation. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). The Plan provides for catch up contributions for participants who reach the age of fifty by the end of the plan year. The Plan also provides for additional catch up contributions for participants who reach fifteen years of service by the end of the plan year. Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain IRS limitations.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and the Organization's contributions, as well as an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon participant account earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and in the Organization's contributions plus actual earnings thereon.

Payment of Benefits

Upon reaching age 59½ or termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments based upon the terms of the Plan document. If the value of the vested benefits credited to a participant's account is \$1,000 or less at the time of termination, the entire amount will automatically be distributed to a participant without the participant's consent. In the event of a mandatory distribution of amounts greater than \$1,000 but not exceeding \$5,000, the entire amount will be distributed in the form of a direct rollover to an individual retirement plan as designated by the Plan Administrator.

Active participants may request hardship withdrawals from their elective deferral account balance, subject to Plan provisions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Notes receivable terms range from 1 - 5 years, or up to 10 years for the purchase of a primary residence. Notes receivable are secured by the balance in the participant's account and bear interest at the prime rate plus 1.00%. Interest rates on notes receivable ranged from 4.25% to 6.50% at December 31, 2020. Principal and interest are paid ratably through bi-weekly payroll deductions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

THE LEGAL AID SOCIETY OF CLEVELAND RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodians. See Note D for discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make repayments on a note receivable and the Plan Administrator deems the note receivable to be in default, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Participant and employer contributions are recorded and credited to each participant's account as received by the custodian from the Organization. Any contributions attributable to the plan year but not received by the last day of the plan year are recorded as a receivable.

Tax Status

The Organization adopted a prototype non-standardized 403(b) Plan which received an opinion letter from the IRS dated March 31, 2017, stating that the Plan was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is designed and is currently being operated in accordance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

THE LEGAL AID SOCIETY OF CLEVELAND RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Tax Status (Continued)

During 2017, the Organization was notified by Prudential Retirement, the Plan's former third-party administrator, that it filed an application with the IRS to enter the Voluntary Correction Program (VCP) to correct certain administrative deficiencies which affect the Plan. The Organization was given the option to join Prudential Retirement's VCP application or file its own VCP application. The Organization decided to join Prudential Retirement's VCP application and management has determined the corrections, if any, will not have a material impact on the financial statements.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Participant accounts are charged a fee ratably based on their account balances for expenses incurred to maintain the Plan. These expenses are included in administrative expenses. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in investment income on the accompanying statement of changes in net assets available for benefits.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through September 17, 2021, the date which the financial statements were available to be issued.

NOTE C - CERTIFICATION

Notes receivable from participants and investment information disclosed in the accompanying financial statements and supplemental schedule, including notes receivable from participants and investments held at December 31, 2020 and 2019, and net appreciation in the fair value of investments, interest, and dividends for the year ended December 31, 2020 were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Principal Trust Company, the Prudential Insurance Company of America, and Prudential Trust Company, the custodians.

THE LEGAL AID SOCIETY OF CLEVELAND RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted market prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Plan's investments accounted for at fair value as of December 31, 2020 are summarized below:

	<u>Level 1</u>
Money market fund	\$ 1,184
Mutual funds	<u>13,796,909</u>
Total investments in the fair value hierarchy	<u>\$ 13,798,093</u>

The Plan's investments accounted for at fair value as of December 31, 2019 are summarized below:

	<u>Level 1</u>
Money market fund	\$ 1,182
Mutual funds	<u>11,936,057</u>
Total investments in the fair value hierarchy	<u>\$ 11,937,239</u>

THE LEGAL AID SOCIETY OF CLEVELAND RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodology for the Plan's money market and mutual funds measured at fair value. There have been no changes in the methodology used as of December 31, 2020 and 2019.

Money market and mutual funds are valued at the net asset value of the shares held by the Plan at year end, as reported on the active markets in which the investments are traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

NOTE E - GUARANTEED INVESTMENT CONTRACTS

The Plan has a traditional fully benefit-responsive guaranteed investment contract with the Prudential Insurance Company of America. Contributions from the Plan are maintained in the Prudential Insurance Company of America's general account. Under the contract, the Plan owns a promise by the issuer to pay interest at crediting rates which are announced in advance and guaranteed for a specified period of time. The crediting rate is based on a formula established by the contract issuer, but may not be less than 3.00%. The crediting rate is reviewed on a quarterly basis for resetting. At participants' discretion, they may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance within a timeframe of 90 days.

A Plan Sponsor initiated termination of the contract could limit the ability of the Plan to transact at contract value. In this instance, contract value could be paid over a period of time, or at the Plan Sponsor's discretion, be paid over a maximum of one year after the application of a market value adjustment. The Plan Sponsor does not believe that any events which would limit the Plan's ability to transact at contract value are probable of occurring.

THE LEGAL AID SOCIETY OF CLEVELAND RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE E - GUARANTEED INVESTMENT CONTRACTS (CONTINUED)

The Plan has a traditional fully benefit-responsive guaranteed investment contract with the Principal Life Insurance Company under which contributions from the Plan are maintained in the Principal Life Insurance Company's general account. Under the contract, the Plan owns a promise by the issuer to pay interest at crediting rates which are announced in advance and guaranteed for a specified period of time. The crediting rate is based on a formula established by the contract issuer, but may not be less than 1.00%. The crediting rate is reviewed on a semiannual basis for resetting. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance without restriction.

The contract may be terminated by the Plan Sponsor or issuer subject to a notice period of 30 days. A Plan Sponsor initiated termination of the contract could limit the ability of the Plan to transact at contract value. In the event of termination, the Plan Sponsor will be subject to either a twelve month irrevocable advance notice or a 5% surrender charge. The Plan Sponsor does not believe that any events which would limit the Plan's ability to transact at contract value are probable of occurring.

Traditional guaranteed investment contracts totaled \$5,943,993 and \$5,405,854 at December 31, 2020 and 2019, respectively. These contracts meet the fully-benefit responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment contract value.

The Plan's ability to receive amounts due is dependent on the issuers' abilities to meet their financial obligations. The issuers' abilities to meet their financial obligations may be affected by future economic and regulatory developments.

NOTE F - TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest transactions include the investment in the funds of the custodians, and related dividend income, interest, and the payment of administrative expenses by the Plan. Such transactions are exempt from being prohibited transactions.

Principal Financial Group provides certain administrative services to the Plan. Principal Financial Group receives revenue from mutual fund and guaranteed investment contract providers for services provided to the funds. This revenue is used to offset the administrative costs of the Plan.

THE LEGAL AID SOCIETY OF CLEVELAND RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
