Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Charles Schwab Bank, custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2020 and 2019 and for the year ended December 31, 2020, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matter

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

(1) DESCRIPTION OF PLAN

The following description of the MidLantic Urology 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan was formed on January 1, 2019.

General

The Plan is a defined contribution plan covering all employees of The Centers for Advanced Urology ("the Company") who have at least one year of service along with a minimum of 1,000 hours. The Plan excludes leased employees, employees governed by a collective bargaining agreement, unless such agreement expressly provides for participation in the Plan, and non-residential aliens who receive no income from sources within the United States. For purposes of the Plan's service requirement, employees will receive credit for service performed with Urology Health Specialists, LLC, Academic Urology of PA, LLC, Urologic Consultants of Southeastern Pennsylvania, Bryn Mawr Urology Associates, Tri-County Urologic Associates, P.C., Urologic Associates of Montgomery County, Inc., Urology Center of Chester County, P.C., Associates in Urology, Urologic Health Associates, P.C., MacKinney Kohler & Kelsey, P.C., Abington Urological Associates, P.C., Meadowbrook Urological Associates, P.C., Patrick J. Lenahan, M.D., P.C., Center for Urologic Care of the Main Line, Independence Urology, Inc., Southeastern PA Urologic Surgery, P.C., AKSM Oncology Inc., Suburban Urological, P.C., Western Main Line Urology, P.C., Urologic Associates of Chester County and Richard H. Charney, M.D. Employees who are eligible to participate in the Plan may join the Plan on January 1, April 1, July 1, or October 1 following the date on which they become eligible. Contributions

Each year, participants may contribute pre-tax annual compensation up to the dollar limit set by law, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make a discretionary matching contribution each year. Additional safe harbor and profit-sharing amounts may be contributed at the option of the Company's board of managers and are invested in a portfolio of investments as directed by the participant. Employees are entitled to a portion of any additional safe harbor or profit sharing regardless of whether or not they make elective contributions to the Plan. During the year ended December 31, 2020, the Company made profit-sharing and safe-harbor contributions of \$550,702 and \$2,045,859, respectively, to the Plan. Contributions are subject to certain limitations as prescribed by the Internal Revenue Service.

If an employee leaves employment for military service and is re-employed under the Uniformed Services and Re-employment Rights Act of 1994, special rules apply to his/her elective deferrals, benefits, Company contributions and service credits.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) the Plan earnings, and charged with an allocation of administrative expense. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Company's safe harbor contributions plus actual earnings thereon. Vesting in the Company's optional matching and profit sharing contributions plus actual earnings thereon is based upon their completed years of service in accordance with the following schedule:

Completed years of service	Vested Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Vesting in the Company's contributions also becomes 100% at normal retirement age, upon becoming totally disabled, or upon death.

Participant Notes Receivable

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or in installments over a period of time to be determined by the Plan Administrator. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Hardship Withdrawals

Participants are generally not permitted to make in-service withdrawals from their accounts prior to the attainment of age 59½; however, the employer may authorize withdrawals from a participant's account in the event of "proven financial hardship." Hardship withdrawals are subject to specific statutory and regulatory requirements.

Forfeited Accounts

At December 31, 2020 and 2019, available forfeited non-vested accounts totaled \$32,705 and \$6,336, respectively. Forfeitures shall be used first to offset plan expenses and any excess is used to reduce future employer contributions. During 2020, \$4,989 of forfeitures were utilized to pay plan expenses.

COVID-19 Changes

In March, 2020, the World Health Organization characterized a novel strain of coronavirus (COVID-19) as a pandemic. In response to the COVID-19 pandemic, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) to provide financial aid for individuals and companies impacted by the coronavirus. The CARES Act allowed qualified individuals to request distributions of up to a total of \$100,000 from their vested accounts before December 31, 2020. The CARES Act also allowed individuals with an outstanding loan from the Plan with loan payments due during the period of March 27, 2020 through December 31, 2020 to be delayed for one year. The CARES Act also provided a temporary waiver of the required minimum distribution rules for the 2020 calendar year. The Plan has implemented certain provisions of the CARES Act in 2020.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

These financial statements have been prepared using a modified cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles. Under the modified cash basis of accounting, other than recognizing unrealized gains and losses on investments, revenue is recognized when received rather than when earned and expenses when paid rather than when incurred.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Participant Notes Receivable

Notes receivable from participants are measured at their unpaid balance. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

Transactions and servicing fees are charged to the borrowing participants by the Plan's record-keeper.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Record-keeping fees are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation in fair value of investments.

(3) SUMMARY OF FINANCIAL DATA CERTIFIED BY THE CUSTODIAN (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2020 and 2019, net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants for the year ended December 31, 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Bank ("Charles Schwab") (the custodian of the Plan).

As of December 31, 2020 and 2019, the Plan's investment assets were held as follows:

<u>Description of Investment</u>	<u>2020 Amount</u>	<u>2019 Amount</u>
Mutual funds	\$ 38,525,340	\$ 21,462,335
Self-directed brokerage accounts	16,055,110	11,439,084

(4) FAIR VALUE MEASUREMENTS

Accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The hierarchy gives priority to unadjusted quoted prices in an active market for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**MIDLANTIC UROLOGY
401(K) PROFIT SHARING PLAN**

Notes to Financial Statements

December 31, 2020

(4) CONTINUED

Self-directed brokerage accounts: Valued at quoted market prices that represent the net asset value of the securities held in such funds.

Common/collective trusts: Valued at the NAV of units of the common/collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimating fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value as of December 31, 2020 and 2019:

<u>December 31, 2020</u>	<u>Fair Value Measurement Using:</u>			
	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>	<u>Total</u>
Mutual funds	\$ 38,525,340	\$ -	\$ -	\$ 38,525,340

Total investments at fair value	<u>\$ 54,580,450</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 56,887,013</u>

- (a) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts represented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

(5) TRANSFERS FROM OTHER PLANS

(6) STABLE VALUE FUND

The Morley Stable Value Fund is a collective investment trust whose objective is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile and liquidity for benefit responsive payments. The fund invests primarily in a variety of high quality stable value investment contracts as well as cash and cash equivalents. Unit holders may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value daily. Withdrawals other than benefit payments and transfers require twelve-month advance written notice. Certain Plan sponsor-directed actions also require written notice and may limit the ability of unit holders to transact at contract value. Such events include, but are not limited to: (i) trustee or Plan sponsor-directed reallocation of investments; (ii) company-sponsored layoffs/terminations of groups of employees; (iii) disposing of or selling a component of the business which involves the transfer of termination of employees; (iv) terminating the Morley Stable Value Fund as an investment option of the Plan; and (v) terminating the Plan. The Plan Administrator does not believe any events which would limit unit holders to transact at contract value are probable of occurring.

(7) PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts. As described in Note 11, the Company plans to merge the Plan in 2022.

Notes to Financial Statements

(8) TAX STATUS

The Plan uses a volume submitter plan document sponsored by MandMarblestone. The IRS has determined and informed MandMarblestone by a letter dated March 31, 2014 that the volume submitter plan and related trust under which it operates are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax years in progress.

(9) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The COVID-19 pandemic in the United States and throughout the world has resulted in substantial volatility in financial markets. COVID-19 and actions taken to mitigate it had and are expected to continue to have an adverse impact on the economies and financial markets of many countries, including the United States.

Notes to Financial Statements

December 31, 2020

(10) CONCENTRATION OF CREDIT RISK ARISING FROM CASH DEPOSITS

The Plan maintains money market funds which, at times, may exceed Securities Investor Protection Corporation protection limits. The Plan has not experienced any losses in these accounts and management believes it is not exposed to any significant credit risk.

(11) SUBSEQUENT EVENTS

Management of the Plan has evaluated subsequent events through October 20, 2021, which is the date on which the financial statements were available to be issued.

The Company was sold in January, 2021. As a result, the Plan will merge into a successor plan in 2022.
