INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Fitesa 401(k) Retirement Savings Plan
Greenville, South Carolina

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Fitesa 401(k) Retirement Savings Plan ("Plan") which comprise the statements of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Wells Fargo Bank, N. A., the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Other Matter – Supplemental Schedules

I was engaged for the purposes of forming an opinion on the financial statements as a whole. The supplemental schedules Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are the responsibility of plan management and are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to, and I do not, express an opinion on the supplemental schedules referred to above.

Other Matter – 2019 Financial Statements

The financial statements of the Plan as of December 31, 2019, were audited by predecessor auditors. As permitted by 29 CFR of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Wells Fargo Bank, N. A, the trustee of the Plan. Their report, dated October 8, 2020, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements, other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by me in accordance with auditing standards generally accepted in the United States of America, and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

General

The Plan was established on March 1, 2012 by the Plan Sponsor, Fitesa Simpsonville, Inc. (the "Company"). The plan is intended to encourage and assist employees in adopting a regular savings program and to help provide additional security for their retirement.

The Plan is a defined contribution plan covering eligible employees of the employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investments offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Plan Amendments

Effective January 1, 2016, the Plan has adopted a Wells Fargo Master Safe Harbor Protype plan. The most notable change is the definition of "compensation" and the corresponding changes to the definition of "statutory compensation". Compensation does not include taxable moving expense reimbursements, tax equalization payments, housing differential reimbursements and rent reimbursements. Statutory compensation does not include amounts paid to a nonresident alien.

Participant accounts

Each participant has an individual account established and maintained under the Plan that is credited with the participant's contributions and withdrawals, company matching contributions and plan earnings or losses. Plan earnings or losses are allocated among the participants' account balances in the proportion that each participant account balance bears to the aggregate of all participant account balances. Transactions fees charged for participant loans and distributions are allocated directly to that participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their voluntary contributions, the employer match on pretax contributions, employer nonelective contributions and actual earnings thereon.

Forfeited accounts

Upon termination, participants are fully vested in their participant deferrals, employer match and any nonelective contributions made by the employer. Therefore, forfeitures are not applicable to this plan.

Note 1. Description of the Plan *(Continued)*

Contributions

Upon employment, employees of the employer may begin participation on the first day of each month following the day of employment. Each participant may contribute on a pretax basis 1% to 85% of his or her compensation to the Plan, as defined by the plan document subject to the limitations in the Internal Revenue Code (IRC). For 2020, participant deferrals could not exceed $19,500, unless the participant has reached age 50 before the end of the Plan year, therefore making them eligible for an additional catch-up contribution up to $6,500 in 2020.

If the participant does not complete a salary deferral agreement, make investment elections, or decline to participate within thirty (30) days of eligibility, the employer automatically enrolls the employee into the Plan and withholds four percent (4%) of the eligible earnings from the participant's paycheck each payroll period. The automatic contributions to the Plan will be invested in a default investment fund selected by the Company unless the participant makes an investment election.

The safe harbor matching contribution will be determined on an annual basis; however, on a pay period basis, the Company has chosen to make the qualified safe harbor matching contribution on behalf of each eligible participant equal to 100% of the first 4% of the participant's compensation contributed to the Plan. Participants are eligible for matching immediately following their date of hire. Contributions are limited by Section 401(k) of the Internal Revenue Code (IRC). The Plan permits rollover contributions from other qualified plans; however, rollover contributions are not eligible for the Company matching contributions.

Notes receivable from participants

Participants may borrow from a minimum of $1,000 up to a maximum of 50% of their vested account balance, not to exceed $50,000. The interest rate applied to the note is prime plus one percent as published in the Wall Street Journal on the day the loan is initiated. Most notes must be repaid within five years, with the exception of a notes established for the purchase of a principal residence, which can be repaid over a period of not more than ten years.

Interest rates range from 4.25% to 6.50% as of December 31, 2020. A participant may only have two loans outstanding at any given time. An outstanding note receivable becomes due upon termination, or when a required loan payment is not made. Any unpaid balance becomes a deemed distribution. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of benefits

Upon retirement, disability, death or termination, participants (or their beneficiaries) may elect to receive the value of their account by any one or more methods of payment authorized by the Plan, which includes a lump-sum amount or a series of installment payments over a specified time defined by the Plan. Participants may also choose to have their account balances transferred directly to another qualified plan or individual retirement account. Participants, who terminate employment with an account balance of less than $1,000, or who requests distributions of less than $1,000, automatically receive lump-sum distributions.

Note 1. Description of the Plan *(Continued)*

Payment of benefits *(continued)*

Participants may request withdrawals from their accounts based upon financial hardship as defined in U.S. Treasury regulations, subject to the approval of the Saving Plan Committee. In the event such a withdrawal is made, the distribution is subject to 20% federal withholding and a 10% excise tax if the participant has not attained the age 59½.

Note 2. Summary of Significant Accounting Policies

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported changes in net assets available for benefits during the reporting year and period. Actual results could differ from those estimates.

Investment valuation and income recognition

Except for the common collective trust described below, the Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

One of the investment options offered by the Plan, the Wells Fargo Stable Return Fund N (the "Stable Return Fund"), is a common collective trust that is fully invested in Wells Fargo Stable Return Fund G, which holds investments in general insurance contracts and security-backed contracts which are deemed to be fully benefit-responsive. The Plan reports its investment in the Stable Return Fund at fair value using the net asset value (NAV) of the units held by the fund at year-end as a practical expedient. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. The Stable Return Fund does not invest directly in fully benefit-responsive contracts, and therefore the Plan is not required to include in the financial statements the disclosure requirements for investments in fully benefit-responsive contracts or stable value funds.

There were no changes in the valuation methodologies used at December 31, 2020 compared to prior year. See Note 5 for further discussion of the fair value investments.

Plan administration

Participant and employer contributions are remitted to the trustee, who invests the cash received as directed by the participants. The trustee accounts for contributions, interest and dividend earnings, termination benefits, and unrealized gains and losses daily. Administrative expenses of the Plan for the years ended December 31, 2020 were $130,014. Investment related expenses are included in the net appreciation (depreciation) of the fair value of the investments.

Certain administrative functions of the Plan are performed by employees of the Company. The Company employees do not receive compensation from the Plan. All administrative fees are paid by the Plan.

Note 2. Summary of Significant Accounting Policies *(Continued)*

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Fair value measurements

The fair value hierarchy established by the standard on fair value measurements includes three levels which are based on the priority of the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. In accordance with the standard on fair value, the Plan's financial assets and liabilities that are recorded on the Statements of Net Assets Available for Benefits are categorized based on the inputs to the valuation techniques as follows:

Level 1. Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that we have the ability to access.

Level 2. Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the asset or liability.

Level 3. Financial assets and liabilities whose values are based on model inputs that are unobservable.

The following is a description of the valuation methodologies used for these items, as well as the general classification of such items pursuant to the fair value hierarchy:

Mutual funds – Valued at the net asset value (NAV) of shares held by the plan at year end and classified with Level 1 in the fair value hierarchy table in Note 5.

Common Collective Trust – The investment is valued at the respective net asset values ("NAV") as reported by such trust funds, which are reported at fair value. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Sponsor believes it valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Payment of benefits

Benefits are recorded when they are paid.

Note 2. Summary of Significant Accounting Policies *(Continued)*

Notes receivable from participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Management reviews the notes receivable activity regularly to determine if outstanding balances are uncollectible or impaired. Management deems any loan with payments over 60 days past due to be uncollectible. It is unlikely a note receivable principal balance will be impaired because the note is secured by the participant's vested balance. When a participant's loan is defaulted it is reported on the Form 5500 as a deemed distributed loan and the note receivable balance is removed from the Statement of Net Assets reported on the Form 5500.

Recent Accounting Standards

In August 2018, the Financial Accounting Standards Board ("FASB") issued ASU 2018-13, *Fair Value* Measurement (Topic 820) Under ASU No.2018-13, Topic 820, the requirements to disclose (1) The amount of and reasons for transfers between Level 1 and Level 2 of the fair value hierarchy; (2) The policy for timing of transfers between levels; (3) The valuation processes for Level 3 fair value measurements; (4) The changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements held at the end of the reporting period were removed. In addition, the disclosure requirements were modified as follows: (1) In lieu of a rollforward for Level 3 fair value measurements, a nonpublic entity is required to disclose transfers into and out of Level 3 of the fair value hierarchy and purchases and issues of Level 3 assets and liabilities (2) For investments in certain entities that calculate net asset value, an entity is required to disclose the timing of liquidation of an investee's assets and the date when restrictions from redemption might lapse only if the investee has communicated the timing to the entity or announced the timing publicly, and (3) The amendments clarify that the measurement uncertainty disclosure is to communicate information about the uncertainty in measurement as of the reporting date. The Plan adopted ASU No. 2018-13 as of January 1, 2020. The adoption had no impact on the financial statements.

Note 3. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect the amounts reported in the accompanying statement of net assets available for benefits.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and

Note 3. Risks and Uncertainties *(Continued)*

instability in financial markets. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the plan's liquidity cannot be determined at this time.

Note 4. Information Prepared and Certified by Trustee (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule as of and for the years ending December 31, 2020 and 2019 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Wells Fargo Bank, N.A. Accordingly, the trustee has certified that the following data included in the accompanying financial statements is complete and accurate:

Investments, at fair value	$ 42,299,234	$ 34,679,891

	For the Year Ended December 31, 2020
Unrealized gains on investments	$ 5,878,484
Interest and dividend income	494,515

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements

Note 5. Investments

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value at December 31, 2020.

Collective investment trusts at NAV(a)	2,461,987			
Total	$ 42,402,836			

Note 5. Investments *(Continued)*

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value at December 31, 2019.

Investment Category	Total	Level 1	Level 2	Level 3
Mutual funds	$ 32,249,382	$ 32,249,832	$ -	$ -
Total in fair value hierarchy	32,249,382	$ 32,249,832	$ -	$ -
Collective investment trusts at NAV(a)	2,430,510			
Total	$ 34,679,892			

(a) In accordance with ASC Topic 820, the investments in common collective trust funds are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient and have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note 6. Plan Termination

While the Company has not expressed any intent to do so, they reserve the right to terminate the Plan at any time subject to the provisions of ERISA.

Note 7. Tax Status

The Plan operated under the prototype standardized profit-sharing plan provisions established by Wells Fargo Trust Company. The Internal Revenue Service (IRS) has issued a determination letter dated March 31, 2014 accepting the form of the prototype plan. The IRS considers employers who adopt and adhere to the terms and provisions of the prototype plan as meeting the requirements for qualifications in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan's trustee and the Plan Administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management has evaluated the tax positions taken by the plan and if a tax liability (or asset) exists for uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2020, there were no uncertain position taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Party-In-Interest Transactions

Certain Plan investments are managed by Wells Fargo Bank, N.A. ("Wells"). Wells Fargo Bank, N.A. Institutional Retirement and Trust is the trustee and recordkeeper for the Plan.

Delinquent participant contributions represent non-exempt party-in-interest transactions. Plan management identified certain instances of delinquent participant contributions related to the year ended December 31, 2020. As reported on Form 5500 Schedule H, Line 41 – Schedule of Delinquent Participant Contributions for the year ending December 31, 2020, certain participant contributions totaling $41,691 were not remitted to the trust within the period specified by the Department of Labor's Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Company.

Wells provides certain administrative services to the Plan pursuant to a Master Plan Service Agreement ("MSA") between the Company and Wells Fargo N.A. Institutional Retirement and Trust. Wells receives compensation from certain mutual fund service providers for services Wells provides to those funds.

If the compensation received by Wells from such mutual fund service providers exceeds the amount owed under the MSA, Wells credits the excess compensation to the Plan's trust and allocates those credits to the participant accounts which are invested in those certain mutual funds. Such amounts may be applied to pay Plan administrative expenses.

Participants are considered parties in interest as defined by ERISA. However, loans to plan participants or beneficiaries are exempt from prohibited transaction rules.

Note 10. Subsequent Events
