INDEPENDENT AUDITOR'S REPORT

To the Trustees
Southern Specialties, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Southern Specialties, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Notes 3 and 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CPA's + Trusted Advisors

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Trustees
Southern Specialties, Inc. 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Southern Specialties, Inc. 401(k) Plan (the "Plan"), as of December 31, 2019, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2019 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Notes 3 and 4, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statement. Accordingly, we do not express an opinion on the 2019 financial statement.

Note 1 - Description of the Plan

The following description of the Southern Specialties, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. A more complete description of the Plan's provisions may be found in the Summary Plan Description, which has been distributed to all participants, and in the Plan document, which is available to all Plan participants upon request.

General: The Plan is a defined contribution plan established in 2005 by Southern Specialties, Inc., (the "Sponsor") covering all full-time employees of the Sponsor and its affiliates (the "Company"), who have completed six-months of consecutive service and are age 21 or older. Effective June 1, 2019, the Plan was amended and restated in its entirety. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). The Plan was operationally amended effective April 2020 to implement certain changes provided for under the CARES Act including allowing certain eligible individuals to receive COVID-19-related distributions; delay certain participant loan repayments for up to one year; and temporarily suspend required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Contributions: Each year, participants may elect to contribute a percentage of annual compensation up to a specific percentage amount, as defined in the Plan, subject to Internal Revenue Service (IRS) regulations. Contributions to the Plan are pre-tax and are deductible from gross income for federal income tax purposes. In addition, the Plan allows for rollover contributions from other plans under certain conditions.

The Plan provides for a safe harbor match of all contributions made by participants to the Plan up to 4% of their gross compensation. The safe harbor contribution is fully vested when made.

As determined annually by the Plan, at the end of each Plan year, the Company may make a discretionary profit sharing contribution. No discretionary contributions were made by the Company for the year ended December 31, 2020.

Participant accounts (self-directed): Each participant's account is credited with the participant's contribution, an allocation of the Company's contribution, Plan earnings or losses, and changes with an allocation of administrative expenses. Allocations are based on participants earnings or account balances, as defined by the Plan. In addition, interest charged on participant loans is credited directly to the respective participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately fully vested on all contributions, including those made by the Company, made to the Plan plus the earnings thereon.

Notes receivable from participants: Participants may borrow from their respective vested account balances. The maximum amount each participant may borrow is the lesser of 50% of their respective vested account balance or $ 50,000. The term of the loan may not exceed five years, unless the loan is to be used to acquire the principal residence of the participant, in which case the term of the loan may not exceed thirty years. The loans are secured by the participant's account balance and bear interest at a reasonable rate at the time of application, 4.25% to 7.50% at December 31, 2020. Principal and interest is paid ratably through payroll deductions. At December 31, 2020 and 2019, participants' loans totaled approximately $ 258,000 and $ 163,000, respectively.

Note 1 - Description of the Plan (continued)

Payment of benefits: Benefit payments and distributions of a participant's account are made upon the normal retirement age of 65, termination from service with the Company, death or disability. In service distributions can be made only if the participant has attained age 59½ and is fully vested in their account. Hardship distributions are also permitted by the Plan. Distributions may be made in lump-sum, partial payments, or installment payments. In addition, the Plan allows for automatic distribution of participant account balances that do not exceed $ 5,000.

Note 2 - Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's accounts and are included in administrative expenses when incurred. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment valuation and income recognition: The Plan's investments are held in various mutual funds and common collective trust funds. Investments are reported at their fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued as it is earned and dividend income is recorded as of the ex-dividend date. "Net appreciation (depreciation) in fair value of investments" on the statement of changes in net assets available for benefits includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits: Benefits are recorded when paid.

Administrative expenses: Certain administrative fees are paid directly from Plan assets. These amounts, if any, are reflected as deductions from net assets in the accompanying statement of changes in net assets available for benefits. The Company pays all other administrative expenses.

Use of estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures in the financial statements and the reported amounts of additions to and reductions from net assets during the reporting period. Actual results may differ from those estimates.

Date of management review: Subsequent events have been evaluated by management through August 12, 2021, the date the financial statements were available to be issued.

Note 3 - Information Certified by Plan's Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.

Accordingly, Reliance Trust Company, the trustee of the Plan assets, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2020 and 2019; the related investment activity and interest income on notes receivable from participants reflected in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2020; and the information reflected on the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2020.

Note 4 - Fair Value Measurements

In accordance with the Financial Accounting Standards Board in its Accounting Standards Codification, (ASC) No. 820, *Fair Value Measurements and Disclosures,* the Plan has defined and established a framework for measuring fair value and expanded disclosures about fair value measurements. Various inputs are used in determining the value of the Plan's investments. These inputs are summarized in three levels listed below:

- Level 1 - inputs are quoted market prices (unadjusted) in active markets for identical investments that the reporting entity can access at the measurement date.

- Level 2 - inputs are other than quoted prices included within Level 1 that are observable for the investments, either directly or indirectly. (e.g. quoted prices in active markets for similar securities, securities valuations based on commonly quoted benchmarks, interest rates and yield curves, and/or securities indices.)

- Level 3 - inputs are significant unobservable inputs. (e.g. information about assumptions, including risk, market participants would use in pricing a security)

The inputs or methodology for valuing securities are not necessarily an indication of the risks associated with investing in those securities.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price and are considered to be actively traded.

Common collective trusts (CCT) are valued using the NAV practical expedient of the CCT as reported by the issuer of the CCT. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The CCT may be redeemed at NAV daily without restrictions.

Note 4 - Fair Value Measurements (continued)

Fair values of investments held by the Plan are classified at December 31, 2020 and 2019 as follows:

	Level 1	Level 2	Level 3	Investments Valued at NAV	Total
At December 31, 2020:					
Mutual funds	$ 4,743,365	$ -	$ -	$ -	$ 4,743,365
Common collective trusts	-	-	-	1,020,438	1,020,438
Total	$ 4,743,365	$ -	$ -	$ 1,020,438	$ 5,763,803
At December 31, 2019:					
Mutual funds	$ 4,874,414	$ -	$ -	$ -	$ 4,874,414
Common collective trusts	-	-	-	64	64
Total	$ 4,874,414	$ -	$ -	$ 64	$ 4,874,478

Note 5 - Tax Status

The Plan obtained its latest determination letter dated July 16, 2014, in which the Internal Revenue Service stated that the Plan, a prototype non-standardized profit-sharing plan, was in compliance with the applicable requirements of the Internal Revenue Code Section 401(k) (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Trust is, therefore, exempt from federal income tax.

The Plan Administrator has evaluated the tax positions taken by the Plan and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 6 - Receipts and Payments

All contributions of the Plan have been placed in investments. In addition, there have been benefit payments of approximately $ 129,000 during the Plan year ending December 31, 2020. This amount includes approximately $ 1,000 representing deemed distributions of participant loans.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

Note 8 - Risks and Uncertainties

The Plan's investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect a participant's account balances, the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

In March 2020, the *World Health Organization* declared the outbreak of a coronavirus (COVID-19) a pandemic. As a result, the local and global financial markets are experiencing a sensitive environment which is creating economic uncertainties. At this time, the Sponsor is not able to estimate the impact to the Plan's financial statements.

Note 9 - Reconciliation to Form 5500

The Following is a reconciliation of certain differences between these financial statements and amounts reported on the Plan's Form 5500 at December 31, 2020:
