RESOURCING EDGE RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Resourcing Edge Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General - The Plan began operating on January 1, 2019 in connection with the termination of the Resourcing Edge 401(k) Plan and the transfer of all outstanding assets to the Plan at the close of business on December 31, 2018, which has been reflected as a transfer of assets into the plan effective January 1, 2019. The Plan is a multiple-employer 401(k) plan covering substantially all employees of the 145 participating employers. Resourcing Edge I, LLC (the Company) is the Plan administrator. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Each participating employer signs an adoption agreement with the Plan, specifying certain provisions. All employees are required to meet certain age and service requirements selected by each adopting employer to participate in the Plan.

Contributions - Participants can contribute up to 100% of their annual compensation, provided that such contribution does not exceed Internal Revenue Service (IRS) prescribed limitations. The Plan allows participants who have attained age 50 by the end of the Plan year to make catchup contributions in accordance with Internal Revenue Code (IRC) Section 414(v). Participants can also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Each participating employer elects whether to make a matching contribution and/or discretionary non-elective contributions. The Plan also allows employers to adopt safe harbor provisions.

Participant Accounts - Each eligible participant's account is credited with the participant's contributions, the employer's contributions, if any, and an allocation of Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions, rollover contributions and safe harbor contributions, plus earnings thereon. Vesting in the remainder of their account plus earnings thereon is based on years of continuous service as determined in accordance with the vesting schedule selected by the employer in the adoption agreement. A participant is entitled to 100% of his/her vested account balance upon retirement, death or disability, regardless of years of service.

Forfeited Accounts - Plan provisions permit the use of forfeitures to offset plan expenses and employer contributions. There was no balance in the forfeitures account at December 31, 2019. During 2019, approximately \$34,000 of forfeitures were utilized to reduce employer contributions.

Payment of Benefits - On termination of service, disability, retirement or death, a participant can elect to receive a lump-sum distribution equal to the value of his or her vested interest in the account. Participants can also withdraw their vested interest in the Plan under certain hardship conditions, as defined in the Plan document.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants - Under terms of the Plan, participants can borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance for a period of up to five years, or longer if for the purchase of a participant's primary residence. Loans are secured by the balance in the participants' accounts and must bear a reasonable rate of interest. Participants are limited to one outstanding loan at any time. The interest rates on outstanding loans ranged between 3.30% and 7.50% as of December 31, 2019. Principal and interest are paid ratably through periodic payroll deductions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by the Plan administrator in preparation of the accompanying financial statements follows:

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determined the Plan's valuation policies utilizing information provided by the investment advisers, trustee and insurance company. See Note 4 for discussion of fair value measurement. Purchases and sales of securities are recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2019. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Administrative fees related to loans are charged directly to the participant's account.

Contributions - Employee contributions are recognized when withheld. Employer contributions were recognized when due.

Payment of Benefits - Benefit distributions are recorded when paid.

Administrative Expenses - Administrative expenses of the Plan, including trustee, service provider and audit fees, are paid for by the Plan. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recent Accounting Pronouncement - In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13 Fair Value Measurement (Topic 820): Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement (ASU 2018-13), which adds, modifies and eliminates certain disclosure requirements on fair value measurements. ASU 2018-13 is effective for fiscal years beginning after December 15, 2019, and early adoption is permitted only for modified and eliminated disclosures. The Plan is evaluating the impact of this ASU on its financial statements.

NOTE 3 - CERTIFICATION (UNAUDITED)

The Plan administrator has received a certification from Reliance Trust Company (Reliance), the trustee of the Plan's assets as of and for the year ended December 31, 2019 as to the completeness and accuracy of the investments and notes receivables from participants, and related investment income and interest income on notes receivable from participants. Such information includes the composition and current value of the investments reported in the statement of net assets available for benefits and supplemental schedule and the related income reported in the statement of changes in net assets available for benefits.

NOTE 4 - FAIR VALUE MEASUREMENT

The accounting standard for Fair Value Measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

RESOURCING EDGE RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019

NOTE 4 - FAIR VALUE MEASUREMENT (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that was significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies that are used for assets measured at fair value.

Pooled Separate Accounts: Valued at the net asset value (NAV) of the underlying funds at December 31, 2019. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it was determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may have occurred daily.

Were the Plan to initiate a full redemption of the pooled separate accounts, the investment adviser reserves the right to temporarily delay withdrawal from the trust to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above might produce a fair value calculation that might not be indicative of net realizable value or reflective of future fair values. Further, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with FASB Accounting Standards Codification (ASC) Subtopic 820-10, investments that are measured at NAV per share (or its equivalent) are not required to be classified in the fair value hierarchy. All Plan investments at December 31, 2019 are measured at NAV as a practical expedient and, therefore, no presentation is included herein categorizing investments into the ASC fair value hierarchy.

The following table summarizes investments measured at fair value based on the NAV per share as of December 31, 2019.

<u>December 31, 2019</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 110,659,803	n/a	Daily	None

NOTE 5 - TAX STATUS

The IRS has determined and informed the Company by a letter dated June 4, 2019 that the Plan and related Trust were designed in accordance with applicable sections of the IRC.

RESOURCING EDGE RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019

NOTE 5 - TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan was subject to routine audits by taxing jurisdictions, however there are currently no audits for any tax periods in progress. All tax periods are subject to income tax examinations.

NOTE 6 - RELATED-PARTY TRANSACTIONS

Certain Plan investments were managed at Mass Mutual, the recordkeeper of the Plan; therefore these transactions qualified as party-in-interest transactions. The Plan incurs fees for investments that qualify as party-in-interest transactions. The Plan holds receivables from participants that qualify as party-in-interest transactions. Certain administrative functions are performed by officers and employees of the Company at no cost to the Plan.

NOTE 7 - TRANSFERS OF ASSETS

Effective January 1, 2019, the Plan received approximately \$69,007,000 in transfers in from the terminated Resourcing Edge 401(k) Plan. Assets related to these transfers are presented as plan assets transferred into the Plan in the accompanying statement of changes in net assets available for benefits.

In addition, during 2019, several new employers elected to adopt the Plan. Assets related to these entering participating employers totaled approximately \$38,883,000 and are presented as plan assets transferred into the Plan in the accompanying statement of changes in net assets available for benefits.

During 2019, several participating employers elected to leave the Plan. Assets related to these exiting participating employers totaled approximately \$16,470,000 and are presented as plan assets transferred out of the Plan in the accompanying statement of changes in net assets available for benefits.

NOTE 8 - RISK AND UNCERTAINTIES

The Plan invested in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

RESOURCING EDGE RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019

NOTE 9 - SUBSEQUENT EVENTS

Subsequent events are defined as events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are issued or are available to be issued. Management has evaluated subsequent events through October 15, 2020, the date that the financial statements were issued and determined that there have been no events that have occurred that would require adjustments to the disclosures in the financial statements except for the matter described in the following paragraph.

The coronavirus pandemic could materially and adversely affect the Plan and its performance. Government-imposed quarantines have caused volatile market performance of the investments. Additionally, on March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law, providing both plan sponsor and participant relief. On April 16, 2020, the Plan was amended to allow participants to take COVID-19-related distributions up to \$100,000 as well as coronavirus-related loans up to the lesser of \$100,000 or 100% of the participant's vested account balance. Management of the Plan is unable to accurately predict how restrictions related to the coronavirus outbreak will affect the results of Plan operations because the severity and duration of the pandemic are uncertain. While it is premature to accurately predict the ultimate impact of these developments, Plan management expects the Plan's results for the year ended December 31, 2020 to be materially impacted.
