The financial statements of the Plan as of December 31, 2019, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended (ERISA), the Plan Retirement Committee instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the Custodian. Their report, dated April 15, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental information, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Search Optics 401(k) Profit Sharing Plan & Trust (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan covers all employees of Search Optics, LLC (Company), and its affiliates CAMM Global Inc., Search Optics Management Corporation, UPTRACS, Inc., and OC Journey Properties I, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is a defined contribution plan under the provision of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC. The Plan was established on January 1, 2008 and was restated effective September 4, 2019. The Company contracted with Empower Retirement Company (Empower) and Great-West Life and Annuity Insurance Company (Great-West Life) to provide Plan recordkeeping, administrative and investment services, and to serve as Custodian of the Plan's assets. The Trustee of the Plan is an officer of the Company.

Eligibility

Generally, an employee is eligible to participate in the Plan upon attaining age 21 and completing three months of eligible service. Employees can enter the Plan upon meeting the eligibility requirements.

Participant Contributions

The Plan provides for automatic pre-tax enrollment whereby all newly eligible employees are automatically enrolled in the Plan to defer at the rate of 6% of pay, unless they affirmatively elect a different percentage of their annual compensation as defined by the Plan. Participants that affirmatively elect otherwise, may contribute up to 100% of their annual compensation, into a pre-tax deferral account and/or an after-tax Roth account, up to the maximum allowed by the Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified plans.

Employer Contributions

The Company provided a Safe Harbor matching contribution of 100% of the first 4% of participant compensation contributed to the Plan. The Company may also provide a discretionary profit-sharing contribution; however, no such contribution was made or declared for the period presented.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, and, (b) plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

SEARCH OPTICS 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

Investments

Participants direct the investment of all assets attributable to their account. Each participant designates the percentage of any one or more of their accounts that is to be invested in each of several authorized investment funds designated by the Plan's Administrator.

Notes Receivable from Participants

The Plan allows participants to borrow against their vested account balances. Participant must have a minimum vested account balance of \$2,000. Loans may not be made for less than \$1,000 and may not exceed \$50,000 or 50% of a participant's vested account balance. The interest rate for loans is based on the Wall Street Journal published prime rate plus 1%. Principal and interest are paid ratably through payroll deductions not to exceed five years unless the note proceeds were used for the purchase of a principal residence. Only one loan can be outstanding at a time for any participant.

In April 2020, the Plan adopted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for loan relief to delay certain required loan repayments for one year. The one-year suspension of loan repayments applies to qualified participants' loan payments due between March 27, 2020, and December 31, 2020. Following the suspension period, these loans will be re-amortized over the remaining period of the loans plus the suspension period. Qualified participants are permitted to take a loan up to \$100,000, but no more than 100% of their vested account balance.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment, a participant may elect to receive a lump-sum distribution, installment payments, direct rollover to an individual retirement account (IRA) or to another employer's tax qualified plan. Active participants may withdraw part of their account in a single sum in the event of attainment of age of 59 ½. If a terminated participant's account balance is \$5,000 or less, the Plan may distribute the account balance to an IRA without prior approval of the participant.

In April 2020, the Plan implemented the CARES Act provisions for coronavirus-related distributions (CRD). Through December 31, 2020, qualified participants are permitted to take a CRD of up to \$100,000 from the Plan. Participants who take a CRD have the option to have the distribution taxed over a 3-year period, with the ability to recontribute up to the full amount of the distribution within 3 years and not be subject to Federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Vesting

Participants are immediately 100% vested in their contributions plus actual earnings thereon. Certain participants achieve vesting in prior non-safe harbor Company contributions based on a 6-year graded vesting schedule. A participant is vested in the Company's Safe Harbor matching contribution based on the following schedule:

Completed Years of Qualified Service	Vesting Percentage
Less than 2	0%
2 or more	100%

SEARCH OPTICS 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

Forfeited Accounts

Generally, a participant's unvested portion of a prior Company matching contribution is forfeited upon distribution of his/her vested account balance or when the participant incurs five consecutive breaks in service. Forfeitures are maintained in a separate account and can be used to reduce matching contributions or pay Plan expenses.

Forfeited non-vested account balances at December 31, 2020 and 2019 were \$309 and \$387, respectively. During the year ended December 31, 2020, forfeitures of \$49,777 were used by the Company to offset contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of loans are deducted from participant accounts and are included in administrative expenses.

Certain investment management fees and other charges paid to the Custodian are offset against fund performance in the net appreciation section of the Statement of Changes in Net Assets available for benefits and are not separately reflected as investment expenses.

Plan Termination Provision

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants become fully vested in their accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting which is in accordance with accounting principles generally accepted in the United States of America (GAAP). Employee and employer contributions are recognized in the period that contributions are due.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that may affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policy utilizing information provided by the Plan Custodian. See Note 3 for discussion of fair value measurements.

SEARCH OPTICS 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2020 and 2019, no allowance for credit losses has been recorded.

Recent Adopted Accounting Pronouncement

In August 2018, the Financial Accounting Standards Board (FASB) issued ASU 2018-13, *Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*. ASU 2018-13 modifies the disclosure requirements on fair value measurements in *Topic 820*. The amendments in this update remove disclosures that no longer are considered cost beneficial, modify and/or clarify the specific requirements of certain disclosures and add disclosure requirements identified as relevant. ASU 2018-13 is effective for annual and interim periods beginning after December 15, 2019. The Plan adopted ASU 2018-13 on January 1, 2020 which did not have a material impact on the accompanying financial statements.

Reclassification

Certain accounts from the prior year statement of net assets available for benefits have been reclassified to conform to the current year presentation.

NOTE 3 – FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

SEARCH OPTICS 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of December 31, 2020 and 2019.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily closing price and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

Assets at Fair Value as of December 31, 2020

Total investments, at fair value	<u>\$ 4,713,749</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,713,749</u>

NOTE 4 – GUARANTEED INTEREST ACCOUNT

The Plan entered into a fully-benefit responsive contract to acquire a Guaranteed Interest Account (GIA) with Great-West Life known as the Key Guaranteed Portfolio Fund (KGPF). The GIA is a stable value investment option with a guarantee of interest provided by Great-West Life. As of December 31, 2020 and 2019, the contract value of the investment in insurance contract was \$1,994 and \$347,702, respectively.

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. At December 31, 2020, the average credited yield earned by the fund was 1.04% and will be reset quarterly and guaranteed for a three-month period. The minimum guaranteed rate of interest for the GIA contract is subject to change every three months.

This investment is a general account product. The Fund credits interest daily to the group contract holder on a portfolio basis. The credited interest rate may change or stay the same each quarter. The quarterly credited rate applies to all money deposited in the group contract holders KGPF account, regardless of when it was deposited.

There is no direct fee for each individual contract or product. General Account crediting rates are net of cost of capital and expenses covered by the fund and guarantee provisions. The spread between the yield obtained and the crediting rate guaranteed is retained by Great-West Life to pay for the aforementioned expenses associated with the General Account.

Based on Great-West's excessive trading policy, participant transfers may be restricted for up to 30 days in the event of excessive participant trading. If the plan sponsor chooses a book value payout for termination, participant transfer restrictions will apply until the money is paid to the next provider.

NOTE 5 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Life, the Custodian of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2020 and 2019.
- Net appreciation in fair value of investments, dividends, interest, and interest income on notes receivable from participants reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2020.

SEARCH OPTICS 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments and notes receivable from participants are managed by Great-West Life, the Custodian of the Plan; therefore, these transactions are considered to be exempt party-in-interest transactions. Administrative expenses paid by the Plan to Great-West Life and other plan service providers are considered to be party-in-interest transactions.

NOTE 7 – TAX STATUS

The IRS has informed the Plan sponsor by a letter dated March 31, 2014 for the prototype plan adopted by the Plan, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities. The Plan's returns prior to 2017 are closed to inspection.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investments securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

The outbreak of the novel coronavirus (COVID-19), which was declared a pandemic by the World Health Organization on March 11, 2020, has led to adverse impacts on the U.S. and global economies. Economic uncertainties have arisen, which have resulted in significant volatility in the investment markets and may continue to impact the value of Plan assets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

NOTE 9 – NONEXEMPT TRANSACTIONS

Management has determined that there were certain employees who did not receive the correct employer matching contribution for the year ended December 31, 2020. Plan management is working to get these missed contributions and any required lost earnings, if necessary, paid into the Plan during 2021.
