Independent Auditor's Report

To the Plan Administrator
Kofax, Inc. 401(k) Salary Savings Plan
Irvine, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements

We have performed an audit of the financial statements of Kofax, Inc. 401(k) Salary Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2020 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2020 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) *Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2020 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2020 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2020 Supplemental Schedule Required by ERISA

The 2020 supplemental schedule of *Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2020* is presented for purposes of additional analysis and is not a required part of the 2020 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2020 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 financial statements or to the 2020 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2019 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2019. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 15, 2020, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2019 financial statements, and (b) the form and content of the information included in the 2019 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

1. Description of Plan

The following description of the Kofax, Inc. 401(k) Salary Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan, established April 1, 1990, is a contributory, defined contribution 401(k) Salary Savings Plan available to qualifying employees of Kofax, Inc. (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The Plan assets are held by the trustee, Reliance Trust Company (“Reliance” or the “Trustee”), and all participants’ accounts are maintained by the Plan’s record keeper, ADP Retirement Services (“ADP RS” or the “Record keeper”).

The Plan is administered by an employee of the Company, who is the Plan Administrator.

Eligibility

To be eligible to participate in the Plan, an employee must have attained the age of 21, have completed at least three months of service, and be a regular or part-time employee. Entry date into the Plan is first of the month following the date eligibility requirements are met.

Contributions

Participants may contribute up to 60% of pretax annual compensation, as defined in the Plan, up to the maximum allowable under the Internal Revenue Code (“IRC”) each year. Participants who have attained age 50 or greater before the end of the Plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, which are reflected as rollover contributions in the statement of changes in net assets available for benefits. Participants may also elect to contribute a percentage of eligible compensation to the Plan on an after-tax basis.

The Company may, at its discretion, make non-elective contributions of a specified percent to participants who are employed on the last day of the Plan year and who have at least 1,000 hours of service during the year. There were no employer non-elective matchings in both 2020 and 2019.

Additionally, the Company may also make discretionary matching contributions in an amount determined at Plan year-end by the Board of Directors. The Company matched 100% of the first 6% of eligible compensation in the first half of 2020 and in 2019.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and an allocation of the Company’s matching contribution and Plan earnings and expenses.

Kofax, Inc.
401(k) Salary Savings Plan
Notes to Financial Statements

The Company's matching contributions are invested in accordance with participant allocation elections. Plan earnings are allocated based on participant earnings or account balance. The benefits to which a participant is entitled are the benefits that can be provided from a participant's vested account.

Vesting

Eligible participants are immediately vested in their voluntary contributions and any income or loss thereon. Participants who completed one year of service are fully vested in employer matching contributions and non-elective contributions and any earnings thereon.

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security ("CARES") Act was enacted and signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants, as follows:

- Special coronavirus distributions up to \$100,000
- Extend the period for loan repayments, if applicable, up to one year
- Suspend required minimum distributions for 2020
- Increase of the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance

The Coronavirus loan and withdrawal provisions were added to the Plan automatically on April 21, 2020. The Coronavirus loan provision was available until September 22, 2020 and Coronavirus withdrawal provision until December 30, 2020.

Notes Receivable from Participant Loans

Participant may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Participant can have no more than one loan outstanding from the Plan. The Company determines the appropriate interest rate based on the interest rates for loans of comparable quality and duration extended by banks and other financial institutions in the business of lending money for loans under similar circumstances. Interest rates range from 4.25% to 6.5% on loans outstanding as of December 31, 2020. Loans are repayable ratably through periodic payroll deductions over a term not exceeding five years, or up to thirty years for loans used for the purchase of a primary residence. As of December 31, 2020, participant loans had maturity dates through March 2048.

Payment of Benefits

On termination of service, death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or to roll over to another retirement plan. If no election is made and the amount is more than \$1,000, the Plan automatically roll over the distribution to an individual retirement account. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan. Balances under \$1,000 may be paid out in a lump sum at the discretion of the Company.

Forfeitures

Forfeitures resulting from the non-vested portions of accounts of participants who have been terminated prior to being fully vested may be used first to pay the administrative expenses of the Plan, and any remaining amounts may be used to reduce future Company contributions. As of December 31, 2020 and 2019, forfeited non-vested amounts totaled \$8,725 and \$3,639, respectively, and were included in net assets available for plan benefits. During the year ended December 31, 2020, \$4,254 was used from forfeited non-vested accounts to reduce employer contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants, the processing of benefit payments to participants, and the maintenance of participants' investments are directly charged to the participant's account and are included in administrative expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared under the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosures of contingent assets and liabilities. Actual results could materially differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the Trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade-date basis. Interest and dividend income is recorded on the accrual basis. The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation or depreciation in the fair value of its investments, which consists of realized gains or losses and the unrealized appreciation or depreciation on those investments.

Kofax, Inc.
401(k) Salary Savings Plan
Notes to Financial Statements

Realized and unrealized appreciation (depreciation) in the fair value of investments is based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participant Loans

Notes receivable from participants are measured at the unpaid principal balance plus unpaid accrued interest. The Plan classifies all notes receivable from participants in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a receivable is initially considered past due. Defaulted receivables are deemed distributed and recorded as benefits paid to participants in the Statement of Changes in Net Assets Available for Benefits and deemed distributions on the Form 5500 for financial reporting purposes in the year the determination is made. There were deemed distributions of \$28,520 in 2020. Amounts recovered on notes receivable from participants previously deemed uncollectible are reported as a reduction of benefits paid to participants in the financial statements and the Form 5500 for financial reporting purposes in the year the recovery is made. There was no recovery of the previously deemed uncollectible notes receivable in 2020.

Risks and Uncertainties

The Plan provides for various investment options in any combination of fixed-income securities, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits. See Note 8, *Subsequent Events*.

The Plan invests in securities that invest in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices may be more volatile than those of securities of comparable U.S. companies.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The Company suspended the employer match contribution effective May 1, 2020.

Kofax, Inc.
401(k) Salary Savings Plan
Notes to Financial Statements

The full impact of the COVID-19 outbreak continues to evolve. This pandemic has adversely affected global economic activity and contributed to volatility in financial markets. Since the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

3. Fair Value Measurements

Accounting Standards provide the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Valuations based on unadjusted quoted prices for identical assets in an active market.

Level 2 - Valuations based on quoted prices in markets where trading occurs infrequently or whose values are based on quoted prices of instruments with similar attributes in active markets, inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Valuations based on inputs that are unobservable and involve management judgment and our own assumptions about market participants and pricing.

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level of input that is significant to the fair value measurement in its entirety.

The following is a description of the valuation techniques and inputs used for each major class of asset measured at fair value by the Plan:

Mutual Funds - Valued based on the Net Asset Value ("NAV") of the funds' assets. The funds' assets are valued at the close of business of the New York Stock Exchange and are based on quoted market prices in active markets.

Common Collective Trust (Stable Value Fund): The Plan invests in a stable value fund held within a common collective trust that is composed of fully benefit-responsive investment contracts and is valued at the NAV. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Generally, there are no restrictions on a participant's ability to redeem their investment in the common collective trust at the investment's NAV. However, withdrawals prompted by certain events (e.g., termination of the common collective trust, changes in laws or regulations) may restrict a participant's ability to redeem the investment at its NAV; however, the Plan is required to provide a one-year redemption notice to liquidate its entire share in the trust.

At December 31, 2020 and 2019, the Plan had no unfunded commitments related to these investments.

Kofax, Inc.
401(k) Salary Savings Plan
Notes to Financial Statements

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets measured at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 105,709,865	\$ -	\$ -	\$ 105,709,865
Common collective trust fund measured at NAV*	-	-	-	6,764,081
Total investments	\$ 105,709,865	\$ -	\$ -	\$ 112,473,946

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets measured at fair value as of December 31, 2019:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 89,765,945	\$ -	\$ -	\$ 89,765,945
Common collective trust fund measured at NAV*	-	-	-	5,163,589
Total investments	\$ 89,765,945	\$ -	\$ -	\$ 94,929,534

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

4. Certified Investment Information

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, a qualified institution who holds the assets and executes transactions of the Plan, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2020 and 2019.
- Investment income, net and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2020.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2020, as shown on the supplemental schedule.

Kofax, Inc.
401(k) Salary Savings Plan
Notes to Financial Statements

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provision of ERISA. In the event of Plan termination, participants' accounts will become fully vested and non-forfeitable.

6. Tax Status

In a letter dated July 16, 2014, the Internal Revenue Service ("IRS") has determined that the prototype non-standardized profit sharing plan, sponsored by ADP, LLC, used by the Plan is qualified under the applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, no provision for income tax has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Related Party and Parties-in-Interest Transactions

The Trustee and the Company are parties-in-interest as defined by ERISA. Certain Plan assets are invested in a collective investment funds managed by the Trustee. The fees paid to the Trustee qualify as party-in-interest transactions permitted by the Department of Labor's Rules and Regulations and are exempt under ERISA. Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain other parties.

Notes receivable from participants also reflect party-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan and the Plan does not compensate the Company for these services.

8. Subsequent Events

Management has evaluated subsequent events through October 25, 2021, which is the date these audited financial statements were available to be issued and determined that no other events merit disclosure.
