Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by TD Ameritrade Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

In early 2018, the Administrative Committee of The Shepherd Eye Center 401(k) Plan decided to terminate the Plan as of the close of business on May 15, 2018, and to distribute Plan assets within a reasonable period of time after the effective date of Plan termination. In accordance with Plan provisions, the Sponsor vested 100% of the Plan's assets as of May 15, 2018. All Plan assets were distributed by December 31, 2018.

THE SHEPHERD EYE CENTER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

NOTE 1 - DESCRIPTION OF PLAN

The following description of the The Shepherd Eye Center 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Prior to Plan termination, the Plan is a participant-directed defined contribution plan established effective January 1, 1997, covering all employees of the Company who have six (6) consecutive months of service with 1,000 hours and are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan is intended to satisfy the requirements under Section 404(c) of ERISA and, therefore, provides that participants may choose to direct their contributions and/or all or part of their account balances among the Plan's investment alternatives. All investments are participant directed.

In early 2018, the Administrative Committee of The Shepherd Eye Center 401(k) Plan decided to terminate the Plan as of the close of business on May 15, 2018, and to distribute Plan assets within a reasonable period of time after the effective date of Plan termination. In accordance with Plan provisions, the Sponsor vested 100% of the Plan's assets as of May 15, 2018. All Plan assets were distributed by December 31, 2018.

Contributions

Prior to Plan termination, each year participants may contribute pretax annual compensation, as defined in the Plan, up to the maximum limitation permitted by law. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Participant Accounts

Prior to Plan termination, each participant's account is credited with the participant's contribution, employer matching contributions, and allocations of plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

All investments of the Plan are participant-directed. Participants have the option of directing their account balance to one or more different investment options, which cover a wide range of fund objectives and risk. Participants may change their investment options daily.

Vesting

Prior to Plan termination, participants are immediately vested in their elective deferrals and rollover contributions plus earnings (losses) thereon. Vesting in The Shepherd Eye Center 401(k) Plan matching contributions and profit sharing plus actual earnings (losses) thereon is based on years of continuous service. Participants vest 20% after each year after their first year of service and become fully vested after six (6) years of service.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Prior to Plan termination, on termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. If the participant's vested account balance does not exceed \$5,000, the Plan will automatically distribute the account balance in accordance with plan provisions. Hardship distributions out of the participant's account are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 ½.

Notes Receivable from Participants

Prior to Plan termination, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions are treated as a transfer to (from) the investment fund and from (to) the Participant Notes fund. Loan terms range from one to five years or within a reasonable time, no more than fifteen (15) years if the purpose of the loan is to acquire a primary residence. The balance in the participant's account secures the loan. The interest rate will be equal to one (1) percentage point above the prime rate and will be fixed throughout the duration of the loan. Principal and interest are repaid ratably through regular payroll deductions.

Forfeited Accounts

Prior to Plan termination, at December 31, 2018 and 2017, forfeited nonvested accounts totaled \$-0- and \$25,207 respectively. These accounts will be reallocated to participants in the same manner as employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Prior to Plan termination, this summary of significant accounting policies of the Plan is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Plan's administrator, who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America (GAAP) and have been consistently applied in the preparation of the financial statements.

Basis of Accounting

Prior to Plan termination, the financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States ("GAAP").

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared using contract value for the fully benefit-responsive investment contract.

DECEMBER 31, 2018 AND 2017

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates in Preparation of Financial Statements

Prior to Plan termination, the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Prior to Plan termination, the Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Prior to Plan termination, notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2018 and 2017, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Prior to Plan termination, benefits are recorded when paid. As of December 31, 2018 and 2017, no participants had requested benefits that were not paid out by year end.

Operating Expenses

Prior to Plan termination, certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The administrative committee has evaluated subsequent events through October 15, 2019, which is the date the financial statements were available to be issued and has determined there were no subsequent events requiring additional disclosure.

THE SHEPHERD EYE CENTER 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

NOTE 3 - PLAN TERMINATION

In early 2018, the Administrative Committee of The Shepherd Eye Center 401(k) Plan decided to terminate the Plan as of the close of business on May 15, 2018, and to distribute Plan assets within a reasonable period of time after the effective date of Plan termination. In accordance with Plan provisions, the Sponsor vested 100% of the Plan's assets as of May 15, 2018. All Plan assets were distributed by December 31, 2018.

NOTE 4 - TAX STATUS

Prior to Plan termination, the Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2016.

NOTE 5 - RISK AND UNCERTAINTIES

Prior to Plan termination, the Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2018 and 2017, to Form 5500:

NOTE 7 - FAIR VALUE MEASUREMENTS

Prior to Plan termination, the Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority and Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan has no Level 2 inputs and no Level 3 inputs were available to the Plan.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2018 are reported in net appreciation in fair value of investments.

Mutual Funds - Valued at the net asset value ("NAV") per share held by the Plan at year-end.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017:

		Fair Value Measurements

NOTE 8 - INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan's investments as certified at fair value by TD Ameritrade Trust Company and net investment appreciation income for the years ended December 31, 2018 and 2017, are as follows:

	<u>2018</u>	<u>2017</u>

Investments, at fair value:		
Mutual funds	\$ -	\$ 5,963,318
<u>Net investment income</u>

In addition, the following unaudited information is also certified by the trustee:

- a) Notes 7 and 8: All investment balances and investment information in the notes.
- b) Supplemental Schedule: All investment balances and information included in the schedule.

NOTE 9 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Prior to Plan termination, party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, and employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

2018 and 2017 administrative expenses paid to third party administrator Alliance Benefit Group Rocky Mountain and Plan consultant Arista Wealth Management are \$19,517 and \$9,767, respectively. Certain administrative functions are performed by the officers and employees of the Company (who may also be participants in the Plan) at no cost to the Plan.

These transactions are not deemed prohibited part-in-interest transactions because they are covered by the statutory or administrative exceptions from the Internal Revenue Code's and ERISA's rules on prohibited transactions. Notes receivable from participants also qualify as party-in-interest transactions, which are also exempt from the prohibited transaction rules of ERISA.
