INDEPENDENT AUDITORS' REPORT

To the Trustee and Plan Administrator of the
Turner's Outdoors, Inc. 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Turner's Outdoors, Inc. 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by American United Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2020 and 2019, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the these financial statements.

Other Matter

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at Year End) as of December 31, 2020 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 - DESCRIPTION OF PLAN

Turner's Outdoors Inc. 401(k) Plan is a defined contribution plan providing retirement income, disability, termination and death benefits to eligible employees. The Plan was adopted effective November 1, 2004 with a year end of December 31. Participating employers to the Plan include Turner's Operations, Inc. dba Turner's Outdoorsman and The Outdoor Entity Group, Inc.

The Plan was amended and restated effective January 1, 2015 to comply with the Pension Protection Act of 2006 (PPA) and other regulatory changes. The Plan was amended effective January 1, 2017 to change the eligibility age requirement from 21 to 18 years of age.

In December 2020, the Plan was amended to include the employees of a newly created entity, The Outdoor Entity Group, Inc. Additionally, with this amendment, the plan sponsor was changed from Turner's Outdoorsman, Inc. EIN 20-5179071 to Turners Outdoors, Inc. EIN 20-2388389. The change in the plan sponsor prompted a change in the plan name from Turner's Outdoorsman 401(k) Plan to Turner's Outdoors, Inc. 401(k) Plan.

The following description of the Turner's Outdoors, Inc. 401(k) Plan provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

Eligibility and Participation

For years prior to 2017, each employee who is at least 21 years of age shall become eligible to participate after one year of employment; defined as the completion of at least 1,000 hours of service during the twelve month period beginning on the date of hire or any plan year beginning after the date of hire. The entry date will be the first day of the month coinciding with or the next month after satisfying eligibility requirements. For years 2017 and later, the minimum age eligibility requirement was changed from 21 to 18 years of age.

Participants are eligible for the profit sharing contribution if they meet the eligibility requirements and are employed on the last day of the plan year.

Contributions

Participants may elect to defer up to 100% of eligible compensation annually. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Contributions are subject to Internal Revenue Service limitations.

The Company makes a safe harbor matching contribution equal to 100% of salary deferrals that do not exceed 4% of the participant's compensation.

Also each year, at its discretion, the Company may elect to make a profit sharing contribution to the Plan. There were no Company profit sharing contributions for the years ended December 31, 2020 and 2019.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Vesting

Employees are 100% vested in all employee and employer safe harbor contributions. Participants are vested in the employer profit sharing contributions based upon the following schedule:

Years of Vested Service	Percentage Vested
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Participant Accounts

A participant's account is credited with the participant's contributions, allocations of (a) the Company's matching contribution, (b) an allocation of the Company's profit sharing contribution, and (c) an allocation of plan earnings. A participant's account is debited with an allocation of plan losses and charged with administrative expenses; as applicable. Allocation of earnings or losses are based upon participant account balances. Allocation of the Company's contributions are based upon eligible compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their account balance, whichever is less. The notes are secured by the balance in the participant's account and bear a reasonable fixed rate of interest (as determined by the Company). Principal and interest is paid through payroll deductions.

CARES Act related loans are available to qualified participants in amounts equal to the lesser of $100,000 of the borrower's full vested account balance. The interest rate on CARES Act loans is the prime rate plus 1%. Participants cannot have more than two outstanding loans at any time.

Payment of Benefits

The Plan provides for the payment of benefits to the participant or beneficiary at retirement, death, disability or termination of employment. Participants terminating their employment with the Company or attaining age 59 1/2 are entitled to withdraw all or a portion of their vested account balance. "Hardship" distributions, as outlined in the Plan, are permitted subject to the approval of the Company. Participants who qualify for retirement benefits and withdrawals will receive their benefits in the form of a lump sum cash distribution or in periodic installments. Benefits under the Plan shall be distributed solely from the assets of the Plan.

If a participant terminates employment and the participant's account balance does not exceed $1,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between $1,000 and $5,000, the Plan administrator may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

CARES Act related distributions are available to qualified participants in amounts equal to the lesser of $100,000 or the borrower's full vested account balance. CARES Act distributions were available to the plan participants from April 1, 2020 through December 31, 2020.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers highly liquid investments with an original maturity of three months or less to be cash and cash equivalents.

Investment Valuation and Income Recognition

The Plan's investments in pooled separate accounts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Fees of the administrative agent are paid by the participants. All other expenses related to the administration of the Plan, including fees of the independent public accountants, are paid by the Company. The investment options have certain management fees which reduce the overall return on assets. The net appreciation of assets is reflected net of these fees.

Forfeitures

As of December 31, 2020 and 2019, the balance in the forfeitures account was $0 and $521, respectively. Forfeitures of non-vested plan sponsor contributions are retained in the Plan and may be used to pay plan expenses or reduce employer matching contribution.

New Pronouncements

In August 2018, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) 2018-13, Fair Value Measurement (Topic 820): *Disclosure Framework – Changes to Disclosure Requirements for Fair Value Measurement*, which modifies the disclosure requirements for fair value measurements by removing, modifying, or adding certain disclosures. ASU 2018-13 is effective for all entities for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. An entity is permitted to early adopt any removed or modified disclosures and delay adoption of the additional disclosures until their effective date. Plan management concluded no impact of this new standard on its financial statements.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIAN

NOTE 4 - FAIR VALUE MEASUREMENT

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the applicable methodologies used at December 31, 2020 and 2019. During the year ended December 31, 2020, there were no transfers of financial instruments into or out of Level 3. Following is a description of the valuation methodology used for assets measured at fair value:

Pooled Separate Accounts

A daily unit of value is calculated after the close of the New York Stock Exchange by using the net investment factor (NIF) method. Under this method, the previous day's unit value is multiplied by the current day's investment factor to arrive at the new unit value. The NIF for each day is calculated by dividing the current day's mutual fund share price (NAV), plus any dividend or capital gains per share, by the previous day's mutual fund NAV, minus a daily expense factor, if any.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methods or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	$ -	$ 6,717,209	$ -	$ 6,717,209
Total investments at fair value	$ -	$ 6,717,209	$ -	$ 6,717,209

	Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	$ -	$ 5,272,626	$ -	$ 5,272,626
Total investments at fair value	$ -	$ 5,272,626	$ -	$ 5,272,626

NOTE 5 - INSURANCE CONTRACTS

The Plan entered into a fully benefit-responsive guaranteed investment contract with American United Life Insurance Company (Insurance Company) through the investment in the Fixed Option, a stable value fund. The contract offers a fixed interest investment option through the insurance company's general account and a number of variable investment options through an insurance company's separate account. The guaranteed investment contract issuer is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1% (Guaranteed rate of 1.00% at December 31, 2020). The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the plan. Contract value, as reported to the Plan by American United Life Insurance Company, represents contributions made under the contract, less withdrawals and administrative expenses, plus interest credited. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the insurance contract at December 31, 2020 and 2019 was $215,649 and $199,023, respectively.

Certain events limit the Plan's ability to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including partial or total plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestures or spin offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to quality for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, and (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 - PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Company contributions.

NOTE 7 - TAX STATUS

The Company adopted a Volume Submitter Profit Sharing Plan (the VSPS Plan) sponsored by One America Financial Partners, Inc. The Internal Revenue Service has determined and informed the Trustee by a favorable opinion letter dated March 31, 2014, that the VSPS Plan is designed in accordance with the applicable sections of the Internal Revenue Code. The VSPS Plan's opinion letter is being relied on by the Plan. The Plan has been amended since receiving the opinion letter. However, Plan management believes the Plan as designed, and is currently being operated, in compliance with the applicable requirements of the Code, and therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by American United Life Insurance Company. American United Life Insurance Company is the custodian as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transaction. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) of fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan issues notes to participants which are secured by the balances in the participants' accounts. These transactions qualify as a party-in-interest transaction for which a statutory exception exemption exists.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

On March 11, 2020, the World Health Organization characterized coronavirus ("COVID-19") as a pandemic, and on March 13, the President of the United States declared a national emergency relating to the disease. In addition to the President's declaration, state and local authorities have recommended social distancing and have imposed quarantine and isolation measures on large portions of the population, including mandatory business closures. These measures are designed to protect the overall public health, however are expected to have material adverse impacts on domestic and foreign economies and may result in the United States entering a period of recession.

As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits, as mentioned above. Due to the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through November 16, 2021, the date the financial statements were available to be issued, and concluded that there were no other events that require recording or disclosure in the financial statements as of December 31, 2020.

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
