NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the BWS Inspection Services, LLC 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan was established on January 1, 2019 as a defined contribution plan available to eligible employees of the BWS Inspection Services, LLC (the Company, Employer or Plan Sponsor). The Plan was amended and restated on January 1, 2020 to comply with tax legislation. There is no minimum service requirement for employees to participate in the Plan. Eligible employees may enter the Plan monthly after reaching the age of 21, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is the Plan Administrator.

The Plan is administered by designated management of the Plan Sponsor. As of December 31, 2019 and through July 8, 2020, the Plan's trustee was Mid Atlantic Trust Company (Mid Atlantic) and Paychex Retirement Services served as the Plan's recordkeeper. Effective, July 9, 2020, the Plan Sponsor engaged Massachusetts Mutual Life Insurance Company (MassMutual) to provide recordkeeping and custodian services. MassMutual and the Plan entered into a trust agreement with Mid Atlantic to serve as the Plan's trustee.

Plan amendment

The Plan was amended on December 12, 2020, to include BWS Services, LLC, an affiliate of the Plan Sponsor to adopt the Plan.

Contributions

Each year, participants in the Plan may voluntarily contribute up to 100% of their pre-tax and after-tax annual compensation, as defined by the Plan, within the limitations prescribed by the Internal Revenue Service (IRS). For the year ended December 31, 2020, individual participants' contributions were limited to $19,500. Participants who are age 50 and older may contribute an additional $6,500 for the period. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Roth contributions are permitted under the Plan's provisions.

The Plan Sponsor may make discretionary matching and profit-sharing contribution to the Plan. Participants must complete 3 months of credited service to be eligible for the Plan Sponsor's discretionary matching contribution and 1 year of service for the Plan Sponsor's profit-sharing contributions. Participants must be employed on the last day of the Plan year to receive the Employer's profit-sharing contribution.

During 2020, the Company matched 50% of participant contributions up to 50% of eligible compensation with a maximum discretionary match of $2,080 per participant. Such discretionary matching contributions totaled $17,956 for the year ended December 31, 2020. The Employer did not make profit sharing contributions for the year ended December 31, 2020. All Employer matching contributions are invested at the participant's direction and the Plan's provisions. Contributions are subject to certain IRS limitations.

Participant accounts

Each participant's account is credited with the participant's contributions, Employer contributions, and an allocation of net Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which participants are entitled is the vested portion of their accounts.

Note 1 – Description of Plan, Continued

Allocations and vesting of benefits

Participants are immediately vested in their contributions plus actual earnings thereon, as well as the Employer's discretionary matching contributions. Vesting in the Employer's matching contributions portion of their account plus earnings or losses thereon is based on years of continuous service. Participants who become eligible, and are enrolled in the Plan, will receive vesting credit for years of service based only on the elapsed time method as defined by the Plan.

Employer profit-sharing contributions are subject to separate vesting schedules as provided below:

Years of Service	Percent Vested
Less than one year	0%
One, but less than two	20%
Two, but less than three	40%
Three, but less than four	60%
Four, but less than five	80%
Five or more	100%

Participants become fully vested in the event of retirement (age 65), death, total disability and Plan termination.

Forfeitures

Forfeited nonvested accounts may be used to offset Plan administrative expenses or offset the Employer's matching contributions. For the year ended December 31, 2020 there were no forfeitures used to offset Plan administrative expenses or offset the Employer's matching contributions.

Notes receivable from participants

Plan participants may borrow from their accounts a minimum of $1,000 and up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the vested account balance in the participant's account, and bear interest at the prime rate plus 1%, determined as of the date of the loan request. Principal and interest is paid ratably through regular payroll deductions. All loans are required to be repaid within a period of five years, except loans to acquire the participant's principal residence which must be repaid in a reasonable period of time.

Payment of benefits

On termination of service due to death, disability, or normal retirement age (65), a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution, partial lump-sum distribution, installment payments, leave the account in the Plan, or rollover the vested balance to another qualified retirement plan or IRA. For termination of service due to other reasons, a participant may choose to leave the vested interest in the Plan if such amounts exceed $5,000 or elect a lump-sum distribution. Participants with vested amounts less than $5,000 must elect a lump-sum distribution. Participants may take in-service withdrawals upon reaching age 59½ or for immediate and heavy financial hardship needs, as defined.

CARES Act

On March 27, 2020, the Coronavirus Aid Relief and Economic Security Act (CARES Act) was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants.

Note 1 – Description of Plan, Continued

CARES Act, continued

Plan management implemented the following provisions under the CARES Act:

- Special CARES Act distributions up to $100,000;
- Loan repayments suspended up to one year; and
- Temporary waiver of required minimum distributions.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation polices utilizing information provided by the Plan's Custodian.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual method. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and changes in net assets and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and such differences could be material.

Risks and uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near-term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Payment of benefits

The Plan records benefits when paid.

Plan administration

The Plan Administrator is the Company and as such, controls and manages the operations of the Plan. As of December 31, 2020, the custodian and recordkeeper of the Plan is Massachusetts Mutual Life Insurance Company (MassMutual or the Custodian). MassMutual provides custodian services to the Plan in accordance with the service provider contract with the Company. Mid Atlantic Trust Company is the Plan's Trustee.

Note 2 – Summary of Significant Accounting Policies, Continued

Plan administration, continued

Prior to July 9, 2020, Mid Atlantic Trust Company was the sole custodian for the Plan and Paychex Retirement Services provided recordkeeping services to the Plan. Participant and Employer contributions are held and managed by the Custodian who invests cash received, interest and dividend income and makes distributions to participants (subject to the direction of participants).

Definiti provides third-party administrative services to the Plan. Fees from covered service providers of the Plan are in compliance with Department of Labor's (DOL) regulations regarding ERISA Section 408(b)(2).

Uncertain tax positions

U.S. GAAP requires the Plan to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, Plan management has determined it does not have any positions at December 31, 2020 that it would be unable to substantiate.

Note 3 –Information Certified by the Custodian and the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian and the Trustee have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments as shown in the statement of net assets available for benefits as of December 31, 2020;
- Net investment activity as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2020; and
- Investment information included in the footnotes and supplemental information, schedule of assets (held at end of year) as of December 31, 2020.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental information.

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.

Note 4 – Fair Value Measurements, Continued

Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the applicable methodologies used at December 31, 2020 and 2019. During the year ended December 31, 2020, there were no transfers of financial instruments into or out of Level 3.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – are valued at quoted market prices which represents their daily net asset value (NAV) of shares held by the Plan at year end and are therefore considered Level 1 within the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020 and 2019:

	Fair Value Measurements as of December 31, 2020 (Audited)			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 250,090	$ -	$ -	$ 250,090

	Fair Value Measurements as of December 31, 2019 (Unaudited)			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 48,824	$ -	$ -	$ 48,824

Note 5 – Fidelity Bond

The Plan has complied with the fidelity bonding requirements of ERISA.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note 7 – Tax Status

The Plan uses a Non-Standardized Pre-Approved Profit-Sharing Plan with CODA sponsored by Definiti, LLC (Definiti). Definiti received an opinion letter from the IRS, dated June 30, 2020, which states that the Non-Standardized Pre-Approved Profit-Sharing Plan with CODA, as then designed, satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. Although the Plan has since been amended since the date of the opinion letter, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Party-In-Interest Transactions and Related Parties

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. The Plan's investments include mutual fund accounts managed and administered by MassMutual. MassMutual is the Plan's Custodian, recordkeeper, and investment manager and, therefore, these transactions qualify as party-in-interest transactions.

MassMutual receives revenue from service providers for services MassMutual provides to the mutual funds. This revenue is used to offset certain amounts owed to MassMutual for its administrative services. Fees incurred for the Plan for investment management services are included in net appreciation in fair value of investments, which were not covered by revenue sharing. The Plan also made direct payments to service providers which were not covered by revenue sharing.

Certain administrative functions are performed by officers and employees of the Employer. No officer or employee receives compensation from the Plan for these services.

Note 9 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits and changes in net assets available for benefits as shown on Form 5500 at December 31, 2020 and 2019 and for the year ended December 31, 2020 with the amounts shown in the financial statements:

	(Audited)	(Compiled)
Net assets available for benefits – Form 5500	$ 253,979	$ 48,824
Reconciling items:		
Participant contribution receivable	(3,889)	-
Net assets available for benefits – financial statements	$ 250,090	$ 48,824
Change in net assets – Form 5500	$ 205,155	
Reconciling items:		
Participant contributions	(3,889)	
Change in net assets – financial statements	$ 201,266	

Note 10 – Delinquent Participant Contributions

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate participant contributions to the Plan from its general assets as soon as is practicable. For the year ended December 31, 2020, the Plan Sponsor failed to remit to the Plan's Custodian certain participant contributions totaling $17,720. 2020 delinquent participant contributions are pending correction in the Voluntary Fiduciary Correction Program (VFCP). Delays in remitting contributions to the Custodian were due to the Plan Sponsor having difficulties with error messages generated from the Custodian's system for accepting the remittances, and other administrative matters at the Plan Sponsor.

Note 11 – Significant Uncertainties

On March 11, 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic and the President of the United States of America declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of Plan assets. The potential economic impact brought by, and the duration of, COVID-19, is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

Note 12 – Subsequent Events

The Plan evaluated events occurring subsequent to December 31, 2020 through November 30, 2021 the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.
