Independent Auditor's Report

To the Trustees of
Brightstar Corp. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements

We have performed an audit of the financial statements of Brightstar Corp. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2020 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA ("ERISA Section 103(a)(3)(C) audit"). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution, the trustee of the Plan, as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report:

- The amounts and disclosures in the accompanying 2020 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and

- The certified investment information in the accompanying 2020 Financial Statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2020 Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2020 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2020 Supplemental Schedule Required by ERISA

The 2020 supplemental Schedule H, Line 4i- Schedule of Assets (Held at End of the Year) is presented for purposes of additional analysis and is not a required part of the 2020 Financial Statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 Financial Statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the 2020 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 Financial Statements or to the 2020 Financial Statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on 2019 Financial Statements

The 2019 financial statements of the Brightstar Corp. 401(k) Plan were audited by Morrison, Brown, Argiz & Farra, LLC ("MBAF"), whose partners and professional staff joined BDO USA, LLP as of January 16, 2021, and has subsequently ceased operations. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed MBAF not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their audit report, dated October 14, 2020 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2019 financial statements, and (b) the form and content of the information included in the 2019 financial statements, other than that derived from the information certified by a qualified institution, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of the Brightstar Corp. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Brightstar Corp. (the "Plan Administrator" or the "Employer") is the Plan sponsor.

General

The Plan was adopted on October 1, 2003 and is a defined contribution plan covering all full-time employees of the Employer who have thirty days of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Prior to April 26, 2019, the trustee of the Plan was Great-West Trust Company, LLC. Effective April 26, 2019, the Plan changed its trustee to Reliance Trust Company.

On March 27, 2020, the United State Senate enacted the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), which includes several relief provisions for tax-qualified retirement plans. The CARES Act's provisions allow qualified individuals to withdraw up to $100,000 in "coronavirus-related distributions" by December 31, 2020. These participant distributions are exempt from 10 percent early withdrawal penalty, taxable over three years, or treated as a tax-free rollover when repaid to the plan over three years. The provisions also allow participants to borrow up to the lesser of $100,000 or 100 percent of their entire vested account balance with repayments on all new or existing loans due before December 31, 2020 being delayed one year. Participants who do not qualify for "coronavirus-related" distributions may qualify for a regular hardship withdrawal due to an immediate and heavy financial need. The Plan has implemented the provisions provided by the CARES Act.

Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan, subject to certain Internal Revenue Code ("IRC") limitations. Participants may designate a portion or all of their deferral contribution as a Roth 401(k) contribution. Participants are eligible to make catch-up contributions. Additionally, participants may rollover or transfer to the Plan any portion or all of the property received from another qualified employee benefit trust (rollover contribution). Participants direct the investment of their contributions into various investment options offered by the Plan. Employer contribution amounts may be contributed at the option of the Employer's board of directors and are invested in accordance with the respective employee's investment allocation elections. The Employer elected to make matching contributions equal to 50% of 6% of the participant's compensation contributed to the Plan during the year ended December 31, 2020, subject to certain limitations as specified in the Plan agreement.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contributions and (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Participant accounts are charged with an allocation of administrative expenses that are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may direct the trustees to invest their elective 401(k) contributions, rollovers, if any, as well as Employer matching contributions to the Plan in any of the available investment options. Participants may change their investment elections at any time. Participants can individually determine their investment options based on desired level of risk and return for all contributions (Employer and participant) to the Plan.

Vesting

Participants are immediately vested 100% in their contributions plus actual earnings thereon and the Employer's contribution portion of their accounts.

1. DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The $50,000 amount in the preceding sentence is reduced by the excess of the participant's highest outstanding loan balance during the 12-month period ending on the date of the loan over the participant's current outstanding loan balance on the date of the loan. Loan terms range from one to five years, except in the case of a loan for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's account and bear interest at 4.25% - 6.50% as of December 31, 2020, which is commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of time not to exceed their (or their beneficiaries) assumed life expectancy. A participant also is eligible for in-service withdrawals. Types of in-service withdrawals available under the Plan are withdrawals after attaining 59 ½ years of age and hardship withdrawals. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. A hardship withdrawal may also be taken to satisfy an immediate and heavy financial need that cannot be satisfied from other financial resources. Hardship withdrawals may be taken for reasons as defined in the Plan document.

Forfeited Accounts

At December 31, 2020 and 2019, forfeited nonvested accounts totaled $11,281 and $9,121, respectively. These accounts will be used to pay reasonable Plan expenses first and then reduce future Employer contributions. There were no forfeited nonvested accounts used to reduce Employer contributions during the years ended December 31, 2020 and 2019. During the year ended December 31, 2020, $86,616 of forfeitures were used to pay administrative expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTIUED)

COVID-19

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus ("the COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and contributed to volatility in financial markets. The rapid development and fluidity of this situation precludes any prediction as to the ultimate material adverse impact of the COVID-19 outbreak. Nevertheless, the COVID-19 outbreak presents material uncertainty and risk with respect to the Plan, its performance, and its financial results.

Although, the Plan cannot estimate the length or gravity of the impact of the COVID-19 outbreak at this time, it may have an adverse effect on the Plan's results of future operations, financial operations, financial position, and liquidity in 2021.

Investment Management Fees and Operating Expenses

Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation in fair value of investments.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Employer's management determines valuation policies. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued and unpaid interest. Interest income on notes receivable from participants is recorded when it is earned and is reflected as interest income on notes receivable from participants on the accompanying Statement of Changes in Net Assets Available for Benefits. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. During the year ended December 31, 2020, administrative expenses amounting to approximately $90,000 were paid by the Plan and shown as a reduction of net assets. Additionally, all fees and expenses of the Plan for legal, accounting, and other miscellaneous administrative services are paid by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants account and are included in administration expenses. Investment-related expenses are included in net appreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Plan Termination

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

Subsequent Events

The Plan has evaluated subsequent events through December 2, 2021, which is the date the financial statements were available to be issued. There were no subsequent events requiring adjustments or disclosures to the financial statements.

3. TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Plan by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt. As a result, the financial statements do not reflect a provision for income taxes.

U.S. GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2017.

4. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31, 2020 and 2019 and for the year ended December 31, 2020.

	December 31, 2020	December 31, 2019
Investment, at fair value:		
Mutual funds	$ 61,329,855	$ 60,407,971
Common/collective trust	3,387,279	2,649,324
Total investments, at fair value	**$ 64,717,134**	**$ 63,057,295**
Notes receivable from participants	**$ 441,347**	**$ 931,945**

	Year Ended December 31, 2020
Investment income:	
Net appreciation in fair value of investments	$ 7,476,982
Dividends and other income	2,321,329
Total investment income	**$ 9,798,311**
Interest income on notes receivable from participants	**$ 29,118**

4. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES (CONTINUED)

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. Certain Plan investments are shares of mutual funds and a common collective trust fund managed or sponsored by Reliance Trust Company. Reliance Trust Company is the trustee of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid for investment management services were included as a reduction of the return earned on each fund. Certain officers and employees of the Employer, who may be participants in the Plan, perform administrative and other duties for the Plan at no cost to the Plan. The Plan issues notes receivable to participants, which are secured by the vested balances in the participants' accounts. Notes receivable from participants also qualify as exempt party-in-interest transactions.

6. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC"), *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 Inputs to the valuation methodology include:
  -Quoted prices for similar assets or liabilities in active markets;
  -Quoted prices for identical or similar assets or liabilities in inactive markets;
  -Inputs other than quoted prices that are observable for the asset or liability; and
  -Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds: These funds are valued at the daily closing price, as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

6. FAIR VALUE MEASUREMENTS (CONTINUED)

Common/collective trust: Investments in the common or collective trust ("CCT") are valued at fair value based on the net asset value ("NAV") of units of the CCT. The NAV, as provided by the trustees, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the CCT less its liabilities. This practical expedient is not used when it is determined to be probable that the CCT will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2020 and 2019:

		Fair Value Measurements at Reporting Date Using:		
Description	**Fair Value December 31, 2020**	**Quoted Prices in Active Markets for Identical Assets (Level 1)**	**Significant Other Observable Inputs (Level 2)**	**Significant Unobservable Inputs (Level 3)**
Assets in fair value hierarchy:				
Mutual funds	$ 61,329,855	$ 61,329,855	$ -	$ -
Investments measured at NAV:				
Common/collective trust (a)	3,387,279	-	-	-
Investments at fair value	**$ 64,717,134**	**$ 61,329,855**	**$ -**	**$ -**

		Fair Value Measurements at Reporting Date Using:		
Description	**Fair Value December 31, 2019**	**Quoted Prices in Active Markets for Identical Assets (Level 1)**	**Significant Other Observable Inputs (Level 2)**	**Significant Unobservable Inputs (Level 3)**
Assets in fair value hierarchy:				
Mutual funds	$ 60,407,971	$ 60,407,971	$ -	$ -
Investments measured at NAV:				
Common/collective trust (a)	2,649,324	-	-	-
Investments at fair value	**$ 63,057,295**	**$ 60,407,971**	**$ -**	**$ -**

(a) certain investments that are measured at NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The Plan had no financial assets that were measured at fair value on a nonrecurring basis during 2020 or 2019.

The Plan uses the NAV to determine the fair value of all the underlying investments which (a) do not have a readily determinable fair value and (b) prepare their financial statements consistent with the measurement principles of an investment company or have the attributes of an investment company.

6. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table summarizes investments measured at fair value based on the NAV per share practical expedient as of December 31, 2020 and 2019. There are no participant redemption restrictions for these investments; the redemption notice is applicable only to the Plan.

	December 31, 2020			
Investment Type	**Fair Value**	**Unfunded Commitments**	**Redemption Frequency (if Currently Eligible)**	**Redemption Notice Period**
Common/collective trust	$ 3,387,279	N/A	Daily	24 months

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31,

	2020
Increase in net assets available for benefits per the financial statements	$ 1,355,627
Less: prior year corrective distributions	(186,386)
Increase in net assets available for benefits per the Form 5500	**$ 1,169,241**

8. CORRECTIVE DISTRIBUTIONS PAYABLE

Corrective distributions were required to be made to certain active participants to return excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan and totaled $186,386 as of December 31, 2019. The Plan distributed the 2019 excess contributions to the applicable participants prior to March 15, 2020.

9. PARTIAL PLAN TERMINATION

As a result of some planned layoffs, the Plan Administrator has determined that a partial termination of the Plan occurred in 2020. All affected plan participants are 100% immediately vested in their contributions, plan earnings, and employer contributions, as discussed in Note 1, and were not impacted by the partial plan termination.
