Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

ROCHE FRUIT CO., INC. 401(k) PLAN

Notes to Financial Statements

May 31, 2021 and 2020

(1) Description of Plan

The following description of the Roche Fruit Co., Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

General

The Plan is a defined contribution plan, covering substantially all employees of Roche Fruit Company, Inc.; Roche Fruit, Ltd.; MMP Orchards, LLC; Jewel Apple, LLC; MWR Holdings, LLC; MWR Riverside Orchards, LLC; and MWR Quincy, LLC (collectively referred to as "the Company and Employer"). All employees age eighteen or over who have met the one year of service requirement as defined in the Plan's provisions, with the exception of collective bargained employees, are eligible to participate in the Plan.

Contributions

The Plan provides for deferral contributions to be made by electing employees under a salary reduction agreement.

The Company will provide a match of 100% of each participant's deferral contributions of up to 4% of the participant's compensation. The Plan also provides for discretionary Company contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of the Company's contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in the Company match contribution and their elective deferral contributions, plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon occurs at a rate of 20% annually beginning in the second year of credited service. A participant is 100% vested after six years of credited service.

Payment of Benefits

On death, disability, normal retirement age, or termination of service, a participant will receive either a lump-sum amount equal to the value of their vested account balance or annual installments over their life expectancy. Normal retirement age is sixty-five years.

Forfeited Accounts

Forfeitures are recognized as a reduction of future Company contributions. There were \$49 and \$118 of forfeitures for the years ended May 31, 2021 and 2020, respectively.

ROCHE FRUIT CO., INC. 401(k) PLAN

Notes to Financial Statements

May 31, 2021 and 2020

Administrative Expenses

The Plan pays a portion of the processing fees for the payment of benefits. All other administrative expenses are paid by the Company. The Plan expenses are allocated based on the participant receiving the distribution.

Investment Options

Participants direct employee and employer contributions into various mutual funds offered by the Plan.

(2) Summary of Significant Accounting Policies

Concentrations of Credit Risk

Financial instruments that potentially subject the Plan to concentrations of credit risk consist of mutual funds. Concentrations of credit with respect to mutual funds are limited as the Plan maintains an investment portfolio that is diversified between several publicly traded funds. However, all of the publicly traded funds are part of the American Funds family of funds.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Assets and liabilities are classified based on the lowest level of input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs based upon quoted prices in active markets for identical assets.
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly.
- Level 3 Inputs that are unobserved for the asset.

ROCHE FRUIT CO., INC. 401(k) PLAN

Notes to Financial Statements

May 31, 2021 and 2020

The following is a description of the valuation methodologies used by Plan management for assets measured at fair value. There have been no changes in the valuation methodologies used during 2021 and 2020.

Mutual Funds - the fair value of mutual fund investments is based on the daily closing prices reported on the exchange or listed market. The funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds are deemed to be actively traded and are considered Level 1 investments.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Payments of Benefits

Benefits are recorded when paid. As of May 31, 2021 and 2020, there were no distributions that had been requested but not yet paid.

(3) Investments

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value.

Investments at Fair Value as of May 31, 2021

	Level 1	Total
Mutual funds	\$ 11,633,431	\$ 11,633,431
Total assets at fair value	\$ 11,633,431	\$ 11,633,431

Investments at Fair Value as of May 31, 2020

	Level 1	Total
Mutual funds	\$ 11,168,985	\$ 11,168,985
Total assets at fair value	\$ 11,168,985	\$ 11,168,985

(4) Party-in-Interest Transactions

Capital Bank and Trust Company is the custodian of the Plan, ClearPoint Financial offers investment advisory services to the Plan, and Powers Stromberg Pension Consulting is the third-party administrator (TPA); therefore, transactions with the custodian, investment advisor, and the TPA qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

ROCHE FRUIT CO., INC. 401(k) PLAN

Notes to Financial Statements

May 31, 2021 and 2020

(5) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts and all assets will be held, administered, and distributed pursuant to the Plan's terms and conditions.

(6) Tax Status

The Plan document is based on the adoption of a prototype plan, which the Internal Revenue Service (IRS) has determined was designed in accordance with applicable sections of the IRC by a letter dated March 31, 2014. The Plan itself has not requested a determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan's income tax returns are subject to review and examination by federal and state authorities. The Plan is not aware of any activities that would jeopardize its tax-exempt status, nor is it aware of any activities that are subject to tax on unrelated business income or excise or other taxes.

(7) Risks and Uncertainties

The Plan allows participants to invest in investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, the World Health Organization declared the outbreak of COVID-19 to be a pandemic. The ongoing COVID-19 pandemic had widespread, rapidly evolving, and unpredictable impacts on global society, economies, and financial markets, and business practices, and there is substantial uncertainty in the nature and degree of its continued effects over time. The extent to which COVID-19 impacts the Plan going forward will depend on numerous evolving factors which cannot be reliably predicted, and management is not able to estimate the impact the pandemic may have on the Plan's financial Statements.

(8) Coronavirus Aid, Relief, and Economic Security ("CARES") Act

During April 2020, the Plan implemented distribution and loan relief provisions in accordance with the CARES Act, which was enacted in March 2020. The Provisions enabled participants negatively impacted by COVID-19 to take a penalty-free distribution through December 31, 2020, suspended outstanding scheduled loan payments until 2021, increased the maximum loan limit for loans taken as a result of COVID-19 through September 22, 2020, and suspended required minimum distributions for the 2020 calendar year, including 2020 payments that would have been required to be made by April 1, 2021, unless elected otherwise.
