INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
of the Skyline Windows, LLC 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Skyline Windows, LLC 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the years ended December 31, 2020 and 2019, the related notes to the financial statements, and the supplemental schedules of assets held for investment, assets bought and disposed of within the plan year, and reportable transactions as of, or for, the year ended December 31, 2020.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these 2020 and 2019 financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 and 2019 financial statements.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investments which were certified in **Note 7** by Reliance Trust Company, the custodians for the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedules. We were informed by the plan administrator that Reliance Trust Company held the Plan's investment assets from January 1, 2019 to December 31, 2020; and Automatic Data Processing, Inc. executed plan transactions from January 1, 2019 to December 31, 2020. The Plan administrator obtained certifications from the custodian as of December 31, 2020 and 2019, and for the years ended December 31, 2020 and 2019, that the information provided to the plan administrator by the custodians was complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2020 and 2019 Financial Statements paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 and 2019 financial statements. Accordingly, we do not express an opinion on the 2020 and 2019 financial statements.

Other Matters

The supplemental schedules as of or for the year ended December 31, 2020 are required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, and are presented for the purpose of additional analysis and are not required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2020 Financial Statements paragraph, we do not express an opinion on these supplemental schedules.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 and 2019 financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note 1 - DESCRIPTION OF PLAN

The following brief description of the Skyline Windows, LLC 401(k) Plan (the Plan) is provided for general information purposes. Participants should refer to the *Summary Plan Description*, which is available from the Skyline Windows, LLC (the "Company") for more complete information.

General

The plan is a defined contribution plan covering all non-union employees of the Company who are age 18 or older. The Company controls and manages the operation and administration of the Plan. Reliance Trust Company serves as the custodian of the Plan, with Automatic Data Processing, Inc. ("ADP") executing the plan transactions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). In April of 2015, the Plan adopted auto-enrollment. All eligible employees are currently enrolled at 4%, unless they request to opt out.

Contributions

Each year, participants may contribute up to 20 percent of their pretax annual compensation, as defined in the Plan, provided that such contributions do not exceed the maximum allowable contribution limit established by the Internal Revenue Service. For 2020, the maximum allowable contribution limit was the lessor of 100% of annual salary or $19,500; or if over the age of 50, $26,000. The Company contributes to the plan on behalf of each participant who is eligible to share in matching contributions for the Plan year, a discretionary matching contribution equal to 40 percent of a participant's elective deferral, not to exceed 5 percent of compensation. The Company was currently contributing under the discretionary match. On March 25, 2020, the Plan Sponsor indefinitely suspended the match.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of Company discretionary contributions and Plan earnings, and is charged with allocations of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account.

Investments

Participants direct the amount of their contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds, as well as, other investment options for participants. These available options do a good job of diversifying amongst the levels of risk tolerance and investment strategies.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants become 20 percent vested in the remainder of their accounts after three years of continuous service, 40 percent after four years of continuous service, 60 percent vested after five years of continuous service, 80 percent vested after six years of continuous service, and 100 percent after seven years of continuous service.

Note 1 - DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts, a minimum of $1,000 up to a maximum of one-half of their vested account balance or $50,000, whichever is less. The notes are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Notes must be paid within five years of borrowing, unless the loan is used to purchase a principal residence, which then allows for a greater amount of time.

Payment of Benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account or installments over a period of not more than his or her assumed life expectancy (or the participant's and beneficiary's assumed life expectancy) determined at the time of distribution. The participant may also withdraw hardship distribution for various reasons.

Forfeitures

The unvested portion of a participant's contribution account will be forfeited upon termination. Forfeitures are used by the Company to reduce its future contributions to the Plan, pursuant to conditions as set forth in the Plan document. At December 31, 2020 and 2019, $14,154 and $-0- remained in the forfeitures account respectively.

CARES Act

On March 27, 2020, the Coronavirus Aid Relief and Economic Security Act (CARES Act) was signed into law. This aid package was designed to help the economy from the effects of the coronavirus pandemic; several of the provisions of CARES Act affected employee benefit plans. The provisions of the CARES Act were optional. During 2020, the Plan had opted into the following provisions of the CARES Act:

- Hardship distributions - Qualified plan participants were permitted to take a coronavirus-related distribution of up to $100,000 from the Plan without a 10 percent early withdrawal penalty. Eligible distributions were permitted to be taken up till December 31, 2020. Distributions may be repaid within three years or a participant may elect these distributions to be included in taxable income on a pro rata basis over three years.

- Participant loans - Participant with loans outstanding were permitted to defer payment on the loans that were due during 2020 to after January 1, 2021.

- Participant loans - Participants may have borrowed up to $100,000 during 2020 (an increase from $50,000 previously permitted), these repayments may be delayed to 2021.

- Required minimum distributions (RMDs) - A temporary waiver of required minimum distributions rules permitted participants to suspend their RMDs for 2020 and for participants that turned 70 ½ in 2019 and 72 in 2020.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires that the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair values are generally based upon quote market prices or appraised values. Dividend income is accrued on the ex-dividend date. Interest is recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported on the average cost method. Notes receivable from participants is valued at amortized cost, which represents fair value.

Recent Accounting Standards

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13, *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement.* ASU No. 2018-13 modifies the disclosure requirements for fair value measurements in Topic 820, Fair Value Measurement. The amendments are based on the concepts in the FASB Concepts Statement, *Conceptual Framework for Financial Reporting – Chapter 8: Notes to Financial Statements,* which the Board finalized on August 28, 2018. ASU No. 2018-13 is effective for fiscal years beginning after December 15, 2019. Management has adopted the provisions of this new standard for the year ended December 31, 2020.

Expenses

Administrative expenses of the plan not related to investments have been absorbed by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to the participants' account and are included in administrative expenses. Investment related expenses are included in net appreciation.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Return of Excess Contributions

In order to be in compliance with the nondiscrimination rules under ERISA, the Plan is required to return excess contributions, if any. At December 31, 2020 and 2019, the total amount of excess contributions to be refunded was $26,284 and $30,165, respectively.

Note 3 - TAX STATUS OF PLAN

Under the Pension Protection Act of 2006, all active pension plans must restate the trust agreements every five years for any new legislation. An advisory letter was issued on July 16, 2014 through the Volume Submitter program. Plan management and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and the Plan and related trust continue to be tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not, wouldn't be sustained upon examination by the applicable authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset), or disclosures in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income examination for years prior to 2017.

Note 4 - FAIR VALUE MEASUREMENT

The Financial Accounting Standards Board's Accounting Standards Codification ("FASB ASC") defines fair value as the price that would be received upon sale of an asset or paid upon transfer of liability in orderly transaction between market participants at the measurement date and in the principal or most advantageous market for the asset or liability. The fair value should be calculated based on assumptions that market participants would use in pricing the asset or liability, not on assumptions specific to the entity.

The FASB ASC specifies a hierarchy of valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (observable inputs). In accordance with the codification under GAAP, the following summarizes the fair value hierarchy:

Level 1 Inputs - Unadjusted quoted market prices for identical assets and liabilities in an active market that the Plan has the ability to access.

Level 2 Inputs - Inputs, other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Note 4 - FAIR VALUE MEASUREMENT (continued)

Level 3 Inputs - Inputs based on prices or valuation techniques that are both unobservable and significant to the overall fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual Funds - are valued at the quote net asset value ("NAV") of shares held by the Plan at year end, which is based on the fair market value of the underlying securities or investments in the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust - is valued at the NAV of shares held by the Plan at year end. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchase and sales) may occur daily. There are no redemption notice period for the individual participant level; however there is up to a 12 month redemption notice period or the Plan level. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce fair value calculation that may not be indicative of net realized value or reflective of future fair values. Furthermore, while the Plan believes it valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to be determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

	2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 11,315,591	$ -0-	$ -0-	$ 11,315,591
Total assets in fair value hierarchy	$ 11,315,591	$ -0-	$ -0-	11,315,591
Investments measured at net asset value (a)				2,764,717
Total investment at fair value				$ 14,080,308

Note 4 – FAIR VALUE MEASUREMENT (continued)

2019

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 9,292,588	$ -0-	$ -0-	$ 9,292,588
Total assets in fair value hierarchy	$ 9,292,588	$ -0-	$ -0-	9,292,588
Investments measured at net asset value (a)				2,559,466
Total investment at fair value				$ 11,852,054

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Investments Measured Using NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2020 and 2019. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

2020

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common collective trust fund	$ 2,764,717	N/A	Daily	None

Note 4 - FAIR VALUE MEASUREMENT (continued)

2019

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common collective trust fund	$ 2,559,466	N/A	Daily	None

During the years ended December 31, 2020 and 2019 there were no transfers between levels of the fair value hierarchy.

Note 5 - PARTY-IN-INTEREST TRANSACTIONS

A party in interest is defined by ERISA to include any plan fiduciary (administrator, officer, trustee or custodian), the employer or any affiliate, any employee of such employer, any service provider to the plan (attorney, auditor, etc.) whether paid by the plan or not, or an owner of 50 percent or more of the stock of the employer, among others. It should be noted that ERISA's definition of a party in interest is broader than a related party as that term is defined by U.S. GAAP.

Certain Plan investments are units in a Common Collective Trust under the fiduciary management of Reliance Trust Company. Reliance Trust Company is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. For the years ended December 31, 2020 and 2019, there were no other transactions outside the ones with Reliance Trust Company and the notes receivable from participants.

Note 6 - PLAN TERMINATION(S)

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants' accounts would become fully vested and distributed in accordance with the provisions of the Plan.

As touched upon in **Note 1**, the Coronavirus had, and continues to have, an adverse effect on many businesses. Besides the effect on economic and market conditions, the Pandemic had inadvertently caused some retirement plans to have what is known as a partial termination.

A partial Plan termination can occur if approximately 20% or more of Plan participants are terminated by the Plan Sponsor as a result of an action such as plant closings, downsizing, or termination of a product line. For the year-ended December 31, 2020, the Plan did not experience a partial termination.

Note 7 - INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2020 and 2019. Accordingly, Reliance Trust Company, the custodian of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statement of Net Assets Available for Benefits as of December 31, 2020 and 2019 and the supplemental Schedule H Line 4(i) Schedule of Assets (Held at End of Year) as if December 31, 2020 and the related investment activity reported in the Statement of Change in Net Assets Available for Benefits for the year ended December 31, 2020.

Note 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk with certain investment securities, it is at least reasonably possible that changes in the valuation of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 - MAJOR INVESMENTS

The Plan has had investments whose current value individually represented 10% or more of the Plan's total net assets. For the year-ended December 31, 2020 and 2019 two funds accounted for 10% or more of net assets. These funds accounted for 44.55% and 68.92% of net assets, respectively.

Note 10- RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Due to the Form 5500 being prepared on different basis of accounting from the U.S. GAAP used to prepare the Plan's financial statements, a reconciliation is required to be disclosed showing the variances.

The following is a reconciliation of net assets for benefits per the financial statements to Form 5500 as of December 31, 2020 and 2019.

	2020	2019
Net Assets Available for Benefits per Financial Statements	$ 14,311,971	$ 12,036,833
Conversion in 5500 from Accrual to Cash Basis:		
Excess Deferrals, current year	26,285	30,165
Subtract Interest Adjustment to Participant Loans	(286)	(876)
Net Assets per Form 5500	$ 14,337,970	$ 12,066,122

Note 10- RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (continued)

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to Form 5500 during the year ended December 31, 2020:

Net Increase in Assets Available for Benefits per Financial Statements	$ 2,275,138
Conversion in 5500 from Accrual to Cash Basis:	
Excess Deferrals, current year	26,285
Excess Deferrals, prior year	(30,165)
Subtract Loan Interest Adjustment, current year	(286)
Loan Interest Adjustment, prior year	876
Net Increase in Assets Available for Benefits per 5500	$ 2,271,848

Note 11 - SUBSEQUENT EVENTS

Management has evaluated the need for disclosures and/or agreements resulting from subsequent events through November 24, 2021. Based on this evaluation, no adjustments were required to the Financial Statements as of December 31, 2020.

Coronavirus

Since the start of January 2020, the outbreak of the coronavirus which was declared a pandemic by the World Health Organization on March 11, 2020, continues to be a rapidly evolving situation adversely affecting global commercial activities. The rapid development and fluidity of this situation precludes any prediction as its continued ultimate impact, which continues to have an adverse effect on economic and market conditions in 2021. The Plan continues to monitor the developments relating to this pandemic and the potential effect on the fair value of the Plan's investments, which may differ materially from the fair value of the investments in the financial statements.
