Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of May 31, 2021 and June 28, 2020, and the changes in its net assets available for benefits for the period ended May 31, 2021, in accordance with accounting principles generally accepted in the United States of America applied on the bases described in the Emphasis of Matter paragraph.

Plan Termination and Liquidation Basis of Accounting

As described in Notes 1 and 3 to the financial statements, the Board of Directors of Dynetics, Inc. approved termination of the Plan effective on February 3, 2020, and management has liquidated the Plan. As a result, the Plan has used the liquidation basis of accounting in presenting the 2021 and 2020 financial statements. Our opinion is not modified with respect to that matter.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplementary Schedule H, Line 4j – Schedule of Reportable Transactions for the period ended May 31, 2021 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

**DYNETICS, INC. EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO THE FINANCIAL STATEMENTS
MAY 31, 2021 AND JUNE 28, 2020**

1. DESCRIPTION OF THE PLAN

The following description of the Dynetics, Inc. (the Company) Employee Stock Ownership Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Company established the Plan effective as of July 1988. The Plan was comprised of two components: a profit-sharing plan component and a stock bonus plan component. In connection with Leidos Holdings, Inc.'s acquisition of all of the Company's issued and outstanding shares on January 31, 2020 (Closing Date), the Plan was terminated on February 3, 2020 (Termination Date). Effective with the Termination Date, the Plan no longer had a stock bonus plan component and constituted a profit-sharing plan.

Prior to the Termination Date, the Plan purchased Company common shares using the proceeds of a bank borrowing guaranteed by the Company and held the stock in a trust established under the Plan. The borrowing was to be repaid by fully deductible Company contributions to the trust fund. As the Plan made each payment of principal, an appropriate percentage of stock was allocated to eligible employees' accounts in accordance with applicable regulations under the IRC. Effective as of the Closing Date, the Plan was no longer invested in Company stock.

The Plan complies with Section 4975(e)(7), Section 401(a), Section 401(a)(23) and the regulations thereunder of the Internal Revenue Code (IRC) of 1986, as amended, and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by GreatBanc Trust Company, the trustee of the Plan, who is appointed by the Dynetics, Inc., Board of Directors (Board).

Eligibility

Prior to the Termination Date, the Plan was a defined contribution plan generally covering all employees of the Company with six months of service, except for employees covered by a collective bargaining agreement, independent contractors, lease employees, nonresident aliens, employees in Cost Pools 24, 70 or 77 of the Company or Dynetics Technical Solutions, Inc. and interns, as defined by the Plan.

Contributions

Prior to the Termination Date, the Company could contribute to the Plan such amount of cash or shares of Dynetics stock as its Board determined. Any Plan year in which there was an outstanding ESOP loan, the Company contributed to the Plan at least that amount of cash necessary to amortize the loan in accordance with its terms. To be eligible for an allocation of a Company contribution for a Plan year, a participant must have had compensation, as defined by the Plan, for such Plan year. The participant was allocated those cash or shares in accordance with the ratio of that the participants' eligible compensation to the total compensation of all such eligible participants for the Plan year. There were no contributions made during the period ended May 31, 2021.

NOTES TO THE FINANCIAL STATEMENTS
MAY 31, 2021 AND JUNE 28, 2020

1. DESCRIPTION OF THE PLAN – CONTINUED

Participant Accounts

The Plan was a defined contribution plan under which a separate individual account was established for each participant. Each participant's account was credited with the participant's internal market transfers, allocations of the Company's contributions and Plan earnings and charged with benefit payments. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account.

Vesting

Effective as of the Termination Date, all participants within the Plan became 100% vested in his or her account.

Payments of Benefits

After the Termination Date, distributions to Participants and Beneficiaries were made in accordance with the following schedule: (i) as soon as reasonably practicable following the Termination Date, participants were eligible to receive a one-time in-service distribution equal to 75% of their available participant account balance (disregarding, for this purpose, any amounts transferred back to the Dynetics, Inc. 401(k) Plan); (ii) as soon as reasonably practicable following receipt of a favorable determination from the Internal Revenue Service with respect to the termination of the Plan, a distribution of the remainder of each participant's account balance. To the extent any ESOP Participant did not make any election regarding the distribution of his ESOP account balance, such participant's account was transferred to the Dynetics, Inc. 401(k) Plan (401(k) Plan).

Administration of the Plan

Prior to the Closing Date, the Company common stock was held by the trustee of the Plan.

Contributions were held and managed by John Hancock Trust Company LLC, the custodian of the Plan. The custodian invested cash received, interest and dividend income, and made distributions to participants. The Plan's common/collective trust fund was held in assets of the custodian.

Certain administrative functions were performed by officers or employees of the Company. No such officer or employee received compensation from the Plan.

Administrative Expenses

As provided in the Plan document, administrative expenses may be paid either by the Plan or by the Company. Normal brokerage charges included in the cost of securities purchased (or charged to proceeds in the case of sales) and certain fees related to distributions to participants were paid by the Plan. The Company paid all other expenses in connection with the Plan.

Effective with the Termination Date, a Post-Closing Expense Fund was established. Expenses of administering the Plan were to be paid from the Post-Closing Expense Fund. Funds held in the Post-Closing Expense Fund totaled \$656,465 at June 28, 2020. Expenses incurred in connection with the Plan termination that could be reasonably estimated and expected to be paid by the Post-Closing Fund were accrued in accordance with the liquidation basis of accounting and totaled \$14,961 at June 28, 2020.

Diversification

Effective with the Closing Date, diversification of participant accounts was no longer available.

Forfeitures

Plan forfeitures were to be allocated to each participant's account based on the relation of the participant's eligible compensation to total eligible compensation for the Plan year. Forfeited nonvested accounts totaled \$0 and \$13 at May 31, 2021 and June 28, 2020, respectively. Forfeitures allocated to participants during the Plan period ended May 31, 2021, was \$13.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments were stated at fair value. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the period.

Payment of Benefits

Benefits were recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through November 29, 2021, the date the financial statements were available to be issued.

3. PLAN TERMINATION

In connection with the acquisition of the Company, the Plan terminated and ceased being an employee stock ownership plan on the Termination Date. At that time, the Plan documents were amended and the Plan was to continue as a profit sharing plan until all funds have been distributed, transferred or paid out from the trust. The Plan no longer holds any shares of Company Stock. Upon closing of the sale, the trustee paid all then known liabilities and expenses of the ESOP. A Post-Closing Expense Fund was established, pursuant to the terms of the sale transaction, to pay administrative expenses incurred by the Plan until all participant account balances were distributed. Net proceeds from the acquisition were allocated to participants' accounts and among them pro-rata to the number of shares of Dynetics Stock allocated to the participants' accounts immediately prior to the closing, as defined by the Plan document. Final amounts were distributed as soon as reasonably practicable following receipt of a favorable IRS determination letter (see Note 6).

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements*, are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Fund: Valued at the daily closing price as reported by the fund. The mutual fund held by the Plan is an open-end mutual fund that is registered with the Securities and Exchange Commission. The fund is required to publish the daily net asset value (NAV) and to transact at that price. The mutual fund held by the Plan was deemed to be actively traded.

4. FAIR VALUE MEASUREMENTS – CONTINUED

Common/collective trust fund: Units of participation of common/collective trust funds are valued at the NAV provided by the fund's trustee as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) could occur daily. The fund held by the Plan at June 28, 2020, seeks to preserve a \$1 per unit value and has no unfunded commitments.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of June 28, 2020:

Description	Quoted Prices in Active Markets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Mutual fund	\$ 656,465	\$ -	\$ -	\$ 656,465
Investments in fair value hierarchy	\$ 656,465	\$ -	\$ -	656,465
Investments measured at NAV: ^(a)				
Common/collective trust fund				272,310,461
Total investments				\$ 272,966,926

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

5. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan invested in Company common stock, which was a related party and party-in-interest transaction. The Plan invested in a common collective trust fund with the Insurance Company, which were party-in-interest transactions. As described in Note 1, the Plan had a number of service providers, which were considered parties-in-interest under ERISA.

6. TAX STATUS

The Internal Revenue Service (IRS) determined and informed the Company by a letter dated October 24, 2017, that the Plan and related trust were designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter, and the Plan administrator and the Plan's tax counsel believe that the Plan was designed, and operated in compliance with the applicable requirements of the IRC.

On April 13, 2020, the Company filed a Form 5310 with the IRS requesting a determination letter as to the qualified status of the Plan upon termination. On January 4, 2021, the IRS determined and informed the Company by a letter that the termination of the Plan does not affect its qualification for federal tax purposes under applicable sections of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
