NOTE A – DESCRIPTION OF THE PLAN

1. General

The Plan is a 401(k) defined contribution plan covering substantially all employees of Motco, Inc. and Subsidiaries (the Sponsor) who are age eighteen or older and who have completed 90 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator is responsible for the oversight of the Plan. The management of the Sponsor determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan adopted the provisions of the CARES Act and SECURE Act during 2020. The Plan document will be formerly amended by December 31, 2022 in accordance with the legislation.

2. Contributions

Each year, participants may contribute up to the maximum allowed by the Internal Revenue Service (IRS) contribution limits as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation. Participants direct the investment of their contributions into various investments options offered by the Plan. For automatically enrolled participants who have not elected an investment option, contributions are invested in a default investment option established under the Plan until changed by the participant.

The Sponsor makes matching contributions of 50% of the participants' elective deferrals up to a maximum of 3% of eligible compensation with a limit of $3,000 per participant. Additional profit sharing amounts may be contributed at the option of the Sponsor. No additional contributions were made by the Sponsor for the year ended December 31, 2020. Sponsor matching contributions are invested in the same investment options as participants contributions.

3. Participant Accounts

Each participant's account is credited with the participant's contributions and Sponsor matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of their accounts is based on years of continuous service. A participant is 20% vested after their first year of credited service, and an additional 20% each year thereafter. After five full years of credited service, a participant is fully vested.

NOTE A – DESCRIPTION OF THE PLAN - Continued

5. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000, up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest between 4.25% and 6.50%. Principal and interest are paid through monthly payroll deductions. Participants may also make direct payments to the custodian to pay a loan off in full. During the year ended December 30, 2020, as a response to COVID-19, Congress passed legislation that included relief for participants of benefit plans in the CARES Act and the SECURE Act. The Plan adopted the provisions of the CARES Act and the SECURE Act, which allowed qualified individuals to borrow from their fund accounts equal to the lesser of $100,000 of 100% of their vested balance. The Plan also adopted the provisions to allow participants to elect to suspend loan repayments for one year.

6. Payment of Benefits

Upon termination of service due to death, disability, retirement or termination of service due to other reasons, a participant or the participant's estate or beneficiary will receive either a lump-sum amount equal to the value of the participant's vested interest in the participant's account or an annuity. Partial, systematic and hardship withdrawals are permitted by the Plan, subject to Plan provisions and Internal Revenue Service restrictions. The Plan adopted the provisions of the CARES Act and SECURE Act, which allow qualified individuals to receive payment of benefits up to $100,000 without the 10% penalty.

7. Forfeited Accounts

At December 31, 2020 and 2019, forfeited non-vested accounts totaled $20 and $10, respectively. These accounts will be used to reduce future Sponsor contributions. During the year ended December 31, 2020, $9,249 was used to reduce employer contributions from forfeited non-vested accounts.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note D for discussion of fair value measurements.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

3. Investment Valuation and Income Recognition - Continued

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

5. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. For the year ended December 31, 2020, there were no excess contributions.

6. Payment of Benefits

Benefits are recorded when paid.

7. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

8. Subsequent Events

The Plan has evaluated events and transactions through October 15, 2021, the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the custodian of the Plan.

NOTE D – FAIR VALUE MEASUREMENTS – Continued

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE D – FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

	Assets at Fair Value as of December 31, 2020

Total investments at fair value	$ 16,991,342	$ -	$ -	$ 16,991,342

NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

As of November 1, 2019, ADP, LLC (ADP) became the record-keeper as defined by the Plan. Greenspring Advisors (Greenspring) are the Plan advisors. Transactions with the Plan and ADP or Greenspring qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in the fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. As described in Note B, the Plan made direct payments to ADP and Greenspring Financial of $4,004 and $12,751 respectively, which were not covered by revenue sharing. The plan sponsor pays directly any other fees related to the Plan's operations.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their allocation of Sponsor contributions.

NOTE G – INCOME TAX STATUS

The Plan is a qualified prototype plan under Section 401(a) of the Internal Revenue Code (IRC) from ADP, LLC. The Internal Revenue Service issued an opinion letter to ADP, LLC dated July 16, 2014 stating that its prototype plan document was designed in accordance with IRC requirements as of that date. Although the Sponsor has not applied for a determination letter for the Plan and although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes the Plan was qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment funds are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – COVID-19 IMPACT

The Plan is operating in an environment in which a global pandemic exists in relations to the novel coronavirus, COVID-19. Plan management does not anticipate impact from the pandemic beyond volatility of market conditions. Management will amend the adoption agreement before December 31, 2022 to formally adopt the provisions of the CARES Act and SECURE Act, which is the date the Plan must have the adoption completed according to legislation.
