Notes to Financial Statements

March 31, 2021 and December 31, 2020

NOTE A – DESCRIPTION OF PLAN

The following description of The Productivity Team, LLC 401(k) Profit Sharing Plan and Trust (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all non-union employees of The Productivity Team, LLC (Company) who have six months of service and are at least age 21. Total Productivity Group, LLC is a participating employer that has adopted the Plan. The Plan was originally effective January 1, 2016. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

See Note J regarding the plan merger.

Contributions

Each year, participants may contribute (employee contributions) up to the maximum allowed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions).

The Plan provides a safe harbor matching contribution (employer contributions) which is calculated at 100% of employee contributions up to the first 3% of plan compensation, plus 50% of employee contributions up to the next 2% of plan compensation (4% maximum match). The Plan also allows for additional discretionary contributions upon proper Company approval.

Participants direct the investment of these contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with participant contributions, and allocations of earnings (losses), administrative expenses, etc. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary and employer matching contributions plus actual earnings thereon. Vesting in any other employer contributions plus earnings thereon is based on years of continuous service and a 6-year graded vesting schedule. A year of service is earned for vesting purposes upon completing 1,000 hours of service during a plan year.

The Productivity Team, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

March 31, 2021 and December 31, 2020

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service, a participant may elect to receive their vested account balance. Distributions can be made as a lump sum, or installments.

Under certain circumstances, a participant may be able to elect a distribution prior to termination of service. Once a participant reaches the age 59 ½, they can elect a distribution from elective deferral accounts.

Forfeited Accounts

At March 31, 2021 and December 31, 2020, forfeited non-vested accounts totaled \$0 and \$1,856, respectively. These accounts may be used for any reason permissible by the IRC (e.g., pay administrative expenses, reduce employer contributions due to the Plan). \$1,858 of forfeitures were used to reduce employer contributions funded to the Plan during the plan year ended March 31, 2021.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

The Productivity Team, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

March 31, 2021 and December 31, 2020

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator along with the Plan's custodian, record-keeper, and investment adviser, determine the Plan's valuation policies. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Contributions receivable include employer contributions receivable only. An allowance for uncollectible contributions receivable is not recorded since the full balance is considered collectible.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of March 31, 2021 and December 31, 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are netted with investment earnings. Certain fees relating to the administration of notes receivable from participants, processing withdrawals, record-keeping, administration, etc. are included in administrative expenses and charged directly to the participant's account.

The Productivity Team, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

March 31, 2021 and December 31, 2020

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through December 30, 2021, which is the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Mutual Funds (Level 1)

The fair value of mutual funds is based on quoted net asset values (NAV) of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission (SEC). The funds must publish their daily NAV and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Common Trust Funds (Not Classified)

The fair value of common trust funds is based on the NAV of units as reported by the fund. The NAV is used as a practical expedient to estimate fair value, which is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

All plan investment assets were transferred by March 31, 2021 due to the plan merger as discussed in Note J.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020.

The Productivity Team, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

March 31, 2021 and December 31, 2020

	Fair Value Measurements at the End of the Reporting Period Using:			
	Fair value	Level 1	Level 2	Level 3
December 31, 2020				
Mutual funds	\$ 701,710	\$ 701,710	\$ -	\$ -
Investments measured at net asset value (a)	521,948	-	-	-
Total investments at fair value	\$ 1,223,658	\$ 701,710	\$ -	\$ -

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2020. There are no redemption restrictions for these investments.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2020				
Common trust funds	\$ 521,948	N/A	Daily	None

NOTE D – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds a traditional fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Company (Great-West). Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. The investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. All plan investment assets were transferred by March 31, 2021 due to the plan merger as discussed in Note J. The contract value of the investment contract at December 31, 2020 was \$31,962. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting.

The Productivity Team, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

March 31, 2021 and December 31, 2020

Certain events may limit the Plan's ability to transact at contract value with Great-West. Such events include the following:

- Amendments to the plan documents (including complete or partial plan termination or merger with another plan).
- Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions.
- Bankruptcy of the plan sponsor or other plan sponsor events (e.g., divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan.
- The failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include:

- An uncured breach of the Plan's investment guidelines.
- A material amendment to the contract without the issuer's consent.
- A violation of a material obligation under the contract.
- A material misrepresentation.

The plan merger, as discussed in Note J, did not limit the Plan's ability to transact at contract value. The plan administrator does not believe that any other events that would limit the Plan's ability to transact at contract value with plan participants or the issuer are probable of occurring.

The investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE E – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The investments and related income included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by the custodian.

NOTE F – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain plan investments are managed by Great-West. Great-West is the custodian and record-keeper of the Plan. The Plan also has "Notes Receivable from Participants" (participant loans). These transactions qualify as party-in-interest transactions.

Great-West also received payments from the Plan for services provided, such as for record-keeping, administration, etc. Direct fees totaled \$5,063 during the plan year ended March 31, 2021. Additional fees were paid indirectly and netted with investment income.

The Productivity Team, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

March 31, 2021 and December 31, 2020

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE G – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

NOTE H – TAX STATUS

The Plan adopted a volume submitter plan sponsored by MBC Retirement Services Inc. The volume submitter plan has received a favorable advisory letter from the Internal Revenue Service (IRS), dated March 31, 2014, indicating that it is designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. All plan investment assets were transferred by March 31, 2021 due to the plan merger as discussed in Note J.

NOTE J – PLAN MERGER

The plan sponsor approved the merger of the Plan into the "SCA Great Lakes Pooled Employer Plan". All plan assets were transferred in March 2021.
