Independent Auditor's Report

To the Plan Administrator
C.R. Laurence Co., Inc. 401(k) Profit Sharing Plan & Trust
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements

We have performed an audit of the financial statements of C.R. Laurence Co., Inc. 401(k) profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2020 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2020 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2020 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2020 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2020 Supplemental Schedule Required by ERISA

The 2020 supplemental schedule of Schedule H, Line 4(i)- Schedule of Assets (Held at Year End) - December 31, 2020 is presented for purposes of additional analysis and is not a required part of the 2020 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2020 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 financial statements or to the 2020 financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2019 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2019. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated February 11, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2019 financial statements, and (b) the form and content of the information included in the 2019 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

1. Description of Plan

The following description of the C.R. Laurence Co., Inc. (the “Company”) 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The Plan is administered by an employee of the Company, who is the Plan Administrator.

Eligibility

All employees who have completed three months of service and are at least 21 years of age are eligible to participate in the Plan. Entry dates into the Plan are monthly. If the employee does not enroll upon eligibility date, the employee is automatically enrolled into the Plan at a 3% salary deferral rate unless an affirmative election not to join the Plan is made by the employee on or before the employee’s eligibility date.

Contributions

Participants may contribute up to 100% of their annual eligible compensation, subject to certain Internal Revenue Service (“IRS”) limitations, with the contributions and earnings thereon being nontaxable until withdrawn from the Plan. Participants who have attained age 50 or greater before the end of the Plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company contributes, as a matching contribution, an amount equal to 50% of the participants’ contribution, up to a 6% deferral rate, which equates to 3% of the participants’ compensation. The employee contributions and Company match contributions are invested in various investment options as directed by the participant. The Company may also make discretionary contributions to the Plan as determined and approved by its board of directors.

Participants’ Accounts

Each participant account is credited with the participant’s contribution, the Company’s matching contribution and discretionary contribution, if any, and an allocation of Plan earnings and expenses. Allocations are based on the participant’s account balance. Participants may direct the investment of their account balances into various investment options offered by the Plan.

Vesting of Benefits

Participants are immediately vested in their contributions to the Plan, plus actual earnings thereon. The Company’s matching contribution, and discretionary contribution, if any, is vested at a rate of 20% per year after the second year of service, so that a participant is 100% vested after six years of service.

Notes to Financial Statements

Payment of Benefits

A participant under normal retirement is entitled to a lump-sum distribution or periodic cash payments equal to the value of the participant's account at the participant's 65th birthday. However, if said participant continues as an employee of the Company after reaching age 65, payment of said benefits are postponed until his or her actual retirement. Furthermore, the Plan provides for all distributions to be made or to commence no later than the first day of April following the end of the calendar year in which the participant attains age 70½.

Death benefits, early retirement and disability benefits, and benefits due upon termination are paid to Plan participants or their beneficiaries in the same manner as normal retirement benefits as soon as possible after the occurrence of the event.

Forfeitures

Forfeited non-vested accounts are used to pay the Plan expenses and/or to reduce employer contributions. During the year ended December 31, 2020, the Company used \$50,529 forfeitures to pay administrative expenses of the Plan and to reduce employer contributions. The unused forfeiture account balances were \$240,626 and \$171,783 as of December 31, 2020 and 2019, respectively.

Notes Receivable from Participants

Participants may borrow up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan amount is \$1,000. The loans are secured by the non-forfeitable balance in the participant's account and bear interest at the Prime rate plus 1%. As of December 31, 2020, the rates of interest on outstanding notes receivable ranged from 3.0% to 7.5% with various maturities through 2032.

The loans are repaid ratably through bi-weekly payroll deductions over a period of five years or less. For loans obtained for the purchase of a primary residence, the term is up to 15 years as allowed by the Internal Revenue Code.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain investment related expenses are included in net appreciation of fair value of investments. Administrative expenses paid by the Plan for the year ended December 31, 2020 included direct participant account deductions and payment of Plan expenses through the forfeiture account. Investment management fees are presented net in the net appreciation in fair value of investments on the Statements of Changes in Net Assets Available for Benefits.

Cares Act

On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security (CARES) Act" was enacted and signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants, as follows:

- Special coronavirus distributions up to \$100,000
- Extend the period for loan repayments, if applicable, up to one year

C.R. Laurence Co., Inc.
401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

- Option to suspend required minimum distributions for 2020
- Increase of the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance

The Plan Administrator incorporated the above provisions into the Plan. The special loan provisions were effective on March 27, 2020 and were available until September 22, 2020. The special distribution provision was effective on January 1, 2020 and was available until December 30, 2020.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared under the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could materially differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in pooled separate accounts represent the number of fund participation units owned by the Plan and are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements. Quoted market prices of the underlying investments are used to value each fund and are based on the net asset value of the units held by the Plan at the end of the year. The fair value of participation units held in the pooled separate accounts are based on net asset value after adjustments to reflect all fund investments at fair value. At December 31, 2020, the Plan had no unfunded commitments related to these investments. The redemption of these investments is subject to the preference of individual Plan participants and contains no restrictions on the timing of redemption.

Investments in guaranteed interest accounts are valued by deposits made to the contract, plus earnings guaranteed at the crediting rate, less withdrawals and fees. The investment guarantees the return of principal plus compound interest earned over the defined terms, provided all contributions remain in the account until the end of the guarantee period. This is a group annuity product. The Plan owns a promise to receive interest at crediting rates, which are announced in advance and guaranteed for a specified period of time as outlined in the group annuity contract. Guarantees are based on the claims-paying ability of the issuing company. There are no events that allow the issuer to terminate the contract and that could limit the ability of the Plan to transact at contract value. The Plan sponsor settles the investments at contract value, paid either within 90 days or over time. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

C.R. Laurence Co., Inc.
401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's realized gains and losses on investments bought and sold as well as the unrealized appreciation and depreciation of those investments held at the end of year. Realized and unrealized appreciation or depreciation is recorded in the accompanying Statement of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

Investment Contracts

Investments held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant required measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to direct investments in fully benefit-responsive investment contracts because the contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan (see Note 3).

Payment of Benefits

Benefits are recorded when paid. There was no amount owed to current or terminated participants as of December 31, 2020 and 2019.

Notes Receivable from Participants

Notes receivable from participants represent loans that are recorded at their unpaid principal balance plus any accrued, but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Concentration of Market and Credit Risk

The Plan offers participants a number of different investment options for participants to select based upon different risk profiles from conservative to aggressive growth. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

The Plan invests in pooled separate accounts that invest in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices may be more volatile than those of securities of comparable U.S. companies.

C.R. Laurence Co., Inc.
401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

On January 30, 2020, the World Health Organization (“WHO”) announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the “COVID-19 outbreak”) and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve. The pandemic has adversely affected global economic activity and greatly contributed to significant instability in financial markets. Since the values of the Plan’s individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan’s liquidity cannot be determined at this time.

3. Investment Contract with Insurance Company

The Plan is a party to investment contracts with John Hancock Life Insurance Company (U.S.A.), Trustee of the Plan. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by the Trustee. The contracts are included in the financial statements at contract value, as reported to the Plan by the Trustee. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. A description of the guaranteed accounts, maturity dates, average yield, crediting interest rate, and contract value were as follows for the years ended December 31, 2020 and 2019:

Description	December 31, 2020			
	Maturity Dates	Average Yield	*Crediting Interest Rate	Contract Value

4. Fair Value Measurements

Accounting standards established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
 If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There were no changes in valuation methods during 2020 and 2019.

The following table sets forth, by level within the fair value hierarchy, the Plan investment assets at fair value as of December 31, 2020:

<i>Investment Assets at Fair Value as of December 31, 2020</i>				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 61,671,125	\$ -	\$ 61,671,125
Total investments at fair value	\$ -	\$ 61,671,125	\$ -	\$ 61,671,125

The following table sets forth, by level within the fair value hierarchy, the Plan investment assets at fair value as of December 31, 2019:

<i>Investment Assets at Fair Value as of December 31, 2019</i>				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 62,872,629	\$ -	\$ 62,872,629
Total investments at fair value	\$ -	\$ 62,872,629	\$ -	\$ 62,872,629

C.R. Laurence Co., Inc.
401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

The Plan invests in pooled separate accounts for which the valuation is based on the values of the underlying investments adjusted for certain maintenance fees. The underlying investments are primarily observable level 1 and/or 2, which are valued using quoted pricing inputs that are used to determine the unit value of the pooled separate accounts. However, the pooled separate accounts themselves are not traded on an active exchange independent of the Trustee. As a result, these investments are classified as level 2.

5. Certified Investments

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Total investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2020 and 2019.
- Investment income, net and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2020.
- Investment information included in the schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2020, as shown on the ERISA-required supplemental schedule.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan for these services.

6. Income Tax Status

The Internal Revenue Service has determined in a letter dated March 31, 2014, that the volume submitter profit sharing plan with CODA, sponsored by Sungard Business Systems LLC, used by the Plan is qualified under the appropriate sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting standards requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements

7. Plan Termination

The Company expects the Plan to continue indefinitely, but reserves the right to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, all participants will become fully vested and the balance in each participant's account will be distributed.

8. Excess Contributions Payable

Excess contributions payable mainly represent amounts owed to participants who made excess contributions and/or the excess employer match contribution based on the compliance testing performed by the Plan's recordkeeper. The excess participant contributions payable totaled \$88,081 and \$39,255 for the years ended December 31, 2020 and 2019, respectively. The excess contributions payable as of December 31, 2020 and 2019 were returned by the Plan to the participants in 2021 and 2020, respectively. There were no excess employer match amounts in 2020 and 2019.

9. Related Party and Party-in-Interest Transactions

As Trustee of the Plan, John Hancock is a party-in-interest as defined by ERISA. Certain Plan investments are shares of mutual funds managed by the Trustee. The fees paid to the Trustee qualify as party-in-interest transactions permitted by the Department of Labor's Rules and Regulations and are exempt under ERISA. Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain other parties. In addition, notes receivable from participants qualify as party-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan for these services.

10. Subsequent Events

The Company evaluated subsequent events through January 3, 2022, the date the financial statements were available to be issued and determined that no other events merit disclosure.
