Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by John Hancock Life Insurance Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year, which is the responsibility of management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

THE ESCOBEDO GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
FOR THE PERIOD FROM INCEPTION (JANUARY 1, 2019) THROUGH DECEMBER 31, 2019

NOTE A - DESCRIPTION OF PLAN

The following description of The Escobedo Group 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2019. The Plan is a defined contribution plan covering substantially all employees of Escobedo Construction, LP, Escobedo Cranes & Equipment, LP and Escobedo Electric, LLC (The Company). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of their compensation on a pre-tax basis, up to a maximum based on Internal Revenue Code regulations. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. The Company will make a fully vested matching contribution to each participant's account in the Plan of 100% of each dollar of 401(k) contributions up to 3% of covered compensation, plus 50% of each dollar of 401(k) contributions that exceeds 3% of covered compensation but does not exceed 5% of covered compensation. This contribution is intended to satisfy a safe harbor contribution formula permitted by IRS regulations. By making the safe harbor matching contribution, the Plan will automatically satisfy the nondiscrimination requirements that otherwise would apply to 401(k) contributions made to the Plan. The Company may also make discretionary profit-sharing contributions to employee accounts. For the year ended December 31, 2019, the Company did not choose to make discretionary profit-sharing contributions to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution (if any), and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and employer safe harbor contributions, including actual investment earnings thereon. A participant's profit-sharing contribution account shall vest based on years of service at a rate of 20% per year from years two through six and may become fully vested upon participant retirement at age 65 or above, total and permanent disability, or death.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum amount equal to the lesser of one-half of their vested account balance or $50,000 reduced by the highest outstanding loan balance in their account during the prior twelve-month period. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the Plan administrator based on prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of a participant's vested interest in his or her account. Distributions greater than $1,000 and less than $5,000 are required to be rolled into an individual retirement account unless the participant elects otherwise. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

Forfeited amounts from a terminated participant do not become available to the Company until the terminated participant requests a distribution of his or her account. These accounts are used to pay administrative expenses and to reduce employer contributions. There were no forfeited non-vested balances available to be used to reduce future employer contributions or administrative expenses as of December 31, 2019.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Administrative Expenses

Included in administrative expenses are amounts paid by participants for processing loans, administrative fees, and investment management fees. To the extent expenses of administering the Plan are not paid by the Plan, the expenses are paid by the Company, and therefore, are not included in the accompanying financial statements.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through September 13, 2021, the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019.

NOTE C – FAIR VALUE MEASUREMENTS (CONTINUED)

Pooled separate accounts are valued at the net asset value ("NAV") of units held by the Plan at year end. Participant transactions (purchases and sales) may occur daily.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2019:

	Total
December 31, 2019	
Investments measured at net asset value*:	
Pooled separate accounts	$ 1,002,469
Investments at fair value	$ 1,002,469

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE D - INVESTMENTS

Plan assets are held by the trustee, John Hancock Trust Company (a "party-in-interest") at December 31, 2019 in a general asset fund. All securities' values, appreciation, gains, losses, and allocation of investment earnings are determined by the trustee. In addition, the Plan administrator has obtained certification from the trustee that the information provided is complete and accurate.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

	2019
Pooled separate accounts	$ 1,002,469
Change in fair value of investments	$ 99,214

All investments are participant-directed.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE F - INTERNAL REVENUE SERVICE STATUS

The Plan is based on a volume submitter plan document. The sponsor of the volume submitter document has received a favorable determination letter from the Internal Revenue Service (IRS) dated March 31, 2014 stating that the form of the Plan is qualified under Section 401 of the Internal Revenue Code (the "Code"), and therefore, the related trust is tax exempt. In accordance with Revenue Procedure 2005-16, the Company has chosen to rely on the IRS determination letter issued to the sponsor of the volume submitter document as evidence that the form of the Plan is tax-qualified. The Plan is also required to be operated in conformity with the Code to maintain its tax-qualified status. The Plan administrator believes that the Plan, which has been amended since the date of the determination letter, continues to be tax-qualified in both form and operation.

The Plan applies the standards on accounting for uncertainty in income taxes. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

NOTE G – RELATED PARTY TRANSACTIONS

Certain employees and officers of the Company, who are also participants in the Plan, perform administrative services for the Plan at no cost. Certain Plan investments at December 31, 2019 are invested in funds managed by John Hancock Life Insurance Company, trustee. Transactions in such investments qualify as party-in-interest transactions and are exempt from the prohibited transaction rules. Fees paid by the Plan to John Hancock Life Insurance Company, trustee, for contract administration totaled $2,230. Notes receivable from participants held by the Plan also reflect party-in-interest transactions.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – SUBSEQUENT EVENT

In December 2019, coronavirus disease 2019 ("COVID-19") was first reported in Wuhan, China, and on March 11, 2020, the World Health Organization declared COVID-19 a pandemic. In recent months, the COVID-19 outbreak has spread globally and has led governments and other authorities around the world, including federal, state and local authorities in the United States, to impose measures intended to reduce its spread, including restrictions on freedom of movement and business operations such as travel bans, border closings, business limitations, quarantines and shelter-in-place orders. These measures may remain in place for a significant amount of time. This pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and instability in financial markets.

NOTE I – SUBSEQUENT EVENT (CONTINUED)

Plan management cannot predict the duration of the pandemic, the duration or escalation of responses taken to reduce its spread, or the length or severity of disruption to global markets. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

CARES Act

On March 27, 2020, President Trump signed into law the "Coronavirus Aid, Relief, and Economic Security (CARES) Act." The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to $100,000
- Increase the available loan amount as described in Note A to the lesser of $100,000 or 50% of the participant's vested account balance
- Extend the period for loan repayments, if applicable, up to one year
- Suspended required minimum distributions for 2020

Management has evaluated subsequent events through August 17, 2021, the date the financial statements were available to be issued and has determined that, other than the information disclosed above, there were no material events requiring recognition or disclosure.

Dear Mr. Albert,

We received a notice of rejection of the Form 5500 Annual Report as referenced above. We were given 45 days to file an amended report with the Accountant's Opinion to avoid any penalties. We had an outbreak of Covid and I was out of the office for over four weeks with Covid. The deadline to file was during my leave. Today is my first day back in the office to be able to file the amended return with the Accountant's Opinion. Please consider waiving any penalties due to the late filing. Thank you for your time and consideration.

Sincerely,

Gayla Milner, CFO
