We have audited the accompanying financial statements of Edison Assist HHC Employee Benefit Plan (the Plan), which comprise the statements of net assets available for benefits and of benefit obligations as of January 31, 2021 and 2020, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended January 31, 2021, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

1. DESCRIPTION OF PLAN:

The following description of the Edison Assist HHC Employee Benefit Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General

The Plan is available to regular full-time employees of Edison Home Health Care and Preferred Home Care of New York, two affiliated companies which share common ownership (collectively known as the Participating Companies). The Participating Companies provide a wide range of home health services in the New York metropolitan area.

The Plan provides health benefits to eligible employees of the Participating Companies and covered dependents. Certain plan assets are held in a trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). At each annual enrollment, provisions, such as participant contribution rates, coverage, deductibles, copays, and out-of-pocket maximums, may change.

Benefits

The Plan provides health benefits including coverage for medical, dental and prescription drugs. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured Benefits

The Plan had entered into a quota share reinsurance agreement with a captive insurance company (the Captive) to reduce its exposure to welfare benefit obligations under the Plan. Under the agreement, the Captive assumes a 75% quota share of all welfare benefit obligations assumed by the Plan under the terms of the plan agreement. Premiums are payable to the Captive in an amount equal to the quota share portion of the premiums collected by the Plan on the welfare benefit obligations. The agreement expired during the year and has not been renewed. Premiums for all insured benefits were paid from the assets of the trust.

Self-Insured Benefits

All Plan benefits are currently self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants using funds received from the Plan's trust or the general assets of the Participating Companies. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Contributions

In addition to deductibles and copayments, participants may be required to contribute a specified percentage of their salary amounts based on their respective benefits. The Participating Companies make contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Participating Companies on a pay-as-you-go basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting and Use of Estimates
The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits
Premiums paid by either the Participating Companies or the plan trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. If the insurance company requires payment of additional premiums due to a premium deficit, an obligation for the additional premiums is included in benefit obligations.

Claim payments are recorded when paid by the third-party claims processor. Plan obligations at year end for health claims incurred by active participants but not reported at that date are reported in the accompanying statement of benefit obligations.

Rebates
Rebates due from the Plan's PBM are recorded when earned and are netted against claims paid.

Subsequent Events
Management has evaluated subsequent events through January 18, 2022, the date which the financial statements were available to be issued.

3. CLAIMS INCURRED BUT NOT REPORTED:

Plan obligations at January 31 for claims incurred but not reported are estimated by the plan administrator based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

4. ADMINISTRATIVE EXPENSES:

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Participating Companies on behalf of the Plan.

5. TRANSFERS TO NEW PLAN:

As described further in Note 12, one of the Participating Companies created a new plan to provide self-insured benefits to its employees. During the year, the Plan transferred $1,248,770 to the new plan to help fund its benefit obligations.

6. TAX STATUS:

The plan administrator believes that the Plan is designed and is currently being operated in compliance with Internal Revenue Code requirements applicable to a qualified health and welfare plan.

The Plan currently reports as a trust and files an annual Form 1041, *U.S. Income Tax Return for Estates and Trusts*, with the Internal Revenue Service (IRS). The plan administrator believes that, based upon applicable rulings of the U.S. Treasury Department, contributions to the Plan do not constitute gross income

TAX STATUS (continued): of the Plan, and that the amounts paid or credited to employees may be deducted against investment income. The Plan is not required to pay federal, state or municipal income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain tax position that more likely than not would not be sustained upon examination by the relevant taxing authorities.

7. TERMINATION OF THE PLAN: Although it has not expressed any intent to do so, the Participating Companies have the right under the Plan to modify the benefits provided to, and contributions required of, participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Participating Companies or be used for purposes other than for the exclusive benefit of the Plan's participants.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500: The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	January 31, 2021	January 31, 2020
Net assets available for benefits per the financial statements	$ 33,864,264	$ 34,212,097
Benefit obligations currently payable	(580,090)	(14,374,432)
Net assets available for benefits per the Form 5500	$ 33,284,174	$ 19,837,665

The following is a reconciliation of claims paid per the financial statements to the Form 5500:

	Year Ended January 31, 2021
Claims paid per the financial statements	$ 3,775,375
Add: Amounts currently payable at January 31, 2021	580,090
Less: Amounts currently payable at January 31, 2020	(683,364)
Claims paid per the Form 5500	$ 3,672,101

The following is a reconciliation of premiums paid per the financial statements to the Form 5500:

	Year Ended January 31, 2021
Premiums paid per the financial statements	$ 17,529,171
Less: Amounts currently payable at January 31, 2020	(13,691,068)
Premiums paid per the Form 5500	$ 3,838,103

RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (continued): Claims and premiums that have been processed and approved for payment at year-end but not paid and claims incurred but not reported are not considered liabilities under GAAP and, therefore, are not presented as liabilities or claims and premiums paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.

9. CONCENTRATIONS: At times, the Plan maintains cash balances in excess of the Federal Deposit Insurance Corporation's insured limits. Financial instruments that subject the Plan to concentrations of credit risk include cash on deposit with a financial institution that is not federally insured or otherwise collateralized. Therefore, the Plan may be exposed to credit losses in the event of non-performance by the financial institution. The Plan has not experienced such losses.

10. RISKS AND UNCERTAINTIES: On occasion, the Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

11. CORONAVIRUS PANDEMIC: The COVID-19 pandemic (COVID-19) has resulted in significant volatility in the global economy and led to a dramatic reduction in economic activity worldwide. The pandemic could have a continued adverse impact on economic and market conditions, including business and financial services disruption. The full impact of COVID-19 on the Participating Companies and the Plan's operations will depend on future developments, such as the ultimate duration and scope of the pandemic and how quickly normal economic conditions resume. Government-sponsored liquidity or stimulus programs in response to COVID-19 may not be available to the Participating Companies or the Plan or may be insufficient to address the full impact of the pandemic. Accordingly, the ultimate impact on the Participating Companies' and the Plan's results of operations, financial condition and liquidity cannot be determined at this time.

12. SUBSEQUENT EVENTS – CHANGE IN PLAN BENEFITS AND PLAN SPIN-OFF: Effective February 1, 2021 the Plan document was amended to make significant changes to the Plan's benefits. A series of fully-insured benefits were added to the Plan while a new plan was created by Edison Home Health Care to replace the self-insured benefits that were offered by the Plan. Accordingly, the Trustees transferred a portion of the Plan's net assets to the new plan to help fund its benefit obligations.
