INDEPENDENT AUDITOR'S REPORT

The Board of Trustees
McLanahan Corporation
Employees' Profit Sharing Retirement Trust
200 Wall Street
Hollidaysburg, Pennsylvania 16648

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of McLanahan Corporation Employees' Profit Sharing Retirement Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of April 1, 2021 and December 31, 2020, and the related statement of changes in net assets available for benefits for the January 1, 2021 through April 1, 2021 period then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of McLanahan Corporation Employees' Profit Sharing Retirement Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended April 1, 2021 and the year ended December 31, 2020, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of McLanahan Corporation Employees' Profit Sharing Retirement Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about McLanahan Corporation Employees' Profit Sharing Retirement Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of McLanahan Corporation Employees' Profit Sharing Retirement Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about McLanahan Corporation Employees' Profit Sharing Retirement Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter - Plan Merger

On April 1, 2021, the Plan Sponsor, at the approval of the Board of Trustees, merged all plan assets with the McLanahan Corporation Employees' 401(k) Retirement Plan.

**McLANAHAN CORPORATION
EMPLOYEES' PROFIT SHARING RETIREMENT TRUST
NOTES TO FINANCIAL STATEMENTS
APRIL 1, 2021 AND DECEMBER 31, 2020**

Note 1: Description of the Plan

The following description of the McLanahan Corporation Employees' Profit Sharing Retirement Trust provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Retirement Plan of the McLanahan Corporation is a profit-sharing plan, which covers all eligible employees. An employee becomes eligible to participate in the Plan on the first day of the month following the completion of a year of service. A year of service means a twelve-month period during which an employee has at least 1,000 hours of service measured from the date of hire.

On April 1, 2021, the Plan Sponsor, at the approval of the Board of Trustees, merged all plan assets with the McLanahan Corporation Employees' 401(k) Retirement Plan.

Contributions

Participant's contributions to the plan, including rollover contributions, are not permitted. Prior to January 4, 2016, the employer may, at its discretion, make a profit sharing contribution to the plan. Historically the Board approved discretionary profit sharing at the lower of thirty percent of current year's domestic net operating income or fifteen percent of the aggregate compensation paid to the eligible and participating employees. The profit sharing contribution, if based on domestic net operating income, is allocated to the accounts of participants based on each participant's eligible compensation to the total compensation of all participants eligible to share in the contribution for the plan year. Effective January 4, 2016, the Plan has been frozen and all contributions under the Plan are permanently discontinued.

Vesting

Participants vest 10% for year 1 and 2 and 20% per year for years 3 through 6. Participants who have terminated their employment and are not fully vested at that time, forfeit their non-vested portion. These amounts are retained annually and allocated to the active participants based on the eligible wages for the year. Effective January 4, 2016, accounts of all active participants are 100% vested, if you were not an active employee, your account vests as described above.

Participant Accounts

Each participant's account is credited with the Company's contribution, Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings of account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon normal retirement, termination of employment, death, or disability, a participant may receive his/her vested account balance in a lump-sum distribution, installment payments, or partial withdrawals. Partial withdrawals are only available if, at time of termination of employment, a participant's vested amount is over \$5,000, or if the participant has reached the earlier of 5 years from date of termination or age 62 or is in a disabled or deceased status. Upon reaching age 59 ½ participants may elect to receive in-service withdrawals.

Note 1: Description of the Plan (Continued)

Forfeited Accounts

At April 1, 2021 and December 31, 2020, forfeited nonvested accounts totaled \$0 and \$5,409, respectively. Forfeited amounts may first be used to pay administrative expenses. Any remaining amounts will be allocated to eligible participants in the same manner as the Company's contribution in that plan year. In 2021, forfeitures totaling \$0 were allocated to participant accounts or used to offset administrative expenses of the plan.

Investment Options

The Plan is entirely participant-directed and, as such, upon enrollment in the Plan, a participant may direct employer contributions in any investment option offered in the Plan. Participants may change their investment options at any time. The Plan offered various mutual funds and a money market fund.

Notes Receivable from Participants

Participants are prohibited from borrowing from their fund accounts.

Note 2: Summary of Significant Accounting Policies

Date of Management's Review - Subsequent Events

In preparing these financial statements, management has evaluated events and transactions for recognition or disclosure through January 24, 2022, the date the financial statements were available to be issued.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Company and excluded from the financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Note 3: Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The determination for the Plan is based off a volume submitter profit sharing Plan letter. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of April 1, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examination for years prior to 2018.

Note 4: Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan amounted to \$12,422 for the period ended April 1, 2021. Fees paid during the year for legal, accounting, and other services rendered by parties-in-interest were based on customary and reasonable rates for such services. These fees have been paid by the McLanahan Corporation on behalf of the Plan.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Note 5: Information Prepared and Certified by Trustee

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2021 and 2020. Accordingly, Fidelity Management Trust Company, the custodian and trustee of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of April 1, 2021 and December 31, 2020, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the period ended April 1, 2021.

Note 6: Plan Termination

If the Plan is terminated, all affected participants' trust balances shall become fully vested and are not subject to forfeiture except to the extent that law or regulations may preclude such vesting. Upon final termination, all remaining assets in the Trust are to be distributed to the participants in accordance with the total amount credited to such participants. See Note 1 - General for plan merger.

Note 7: Separated Participants

Amounts allocated to withdrawing participants are recorded on the Schedule H of Form 5500 for benefit claims that have been processed and approved for payment prior to April 1, 2021 plan year or period end, but not yet paid as of that date.

Vested accounts of terminated participants included in investment balances as of April 1, 2021 and December 31, 2020 was \$0 and \$482,867, respectively, as reported on IRS Form 8955-SSA.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9: Fair Value Measurement

The Plan measures on a recurring basis its investments at fair value in accordance with FASB codification "Fair Value Measurements and Disclosures," which provides the framework for measuring fair value. That framework provides fair value hierarchy used to classify the inputs used in measuring fair value. That hierarchy prioritizes the inputs used in determining valuations into three levels. The levels of fair value hierarchy are as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible to the Plan for identical assets. These generally provide the most reliable evidence and are used to measure fair value whenever available.

Level 2

Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted market prices in active markets for similar assets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs.

Level 3

Inputs to the valuation methodology are unobservable inputs and significant to the fair value measurement.

Note 9: Fair Value Measurement (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

At December 31, 2020, the Plan's investments consisted of mutual funds and a money market fund. Both money market and mutual funds are valued at unadjusted quoted net asset values of shares held by the Plan at year end.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020. There have been no changes in methodologies or level designations as of December 31, 2020.

Assets at Fair Value as of December 31, 2020
