INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
UFCW Local 1-D 401(k) Plan
New York, NY

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements

We have performed an audit of the financial statements of the UFCW Local 1-D 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2020 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2020, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2020 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by the qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2020 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2020 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2020 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2020 Supplemental Schedules Required by ERISA

The 2020 supplemental schedules of Form 5500 Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2020 and Form 5500 Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2020 are presented for purposes of additional analysis and are not a required part of the 2020 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2020 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 financial statements or to the 2020 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by the qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2019 Financial Statements

The financial statements of the UFCW Local 1-D 401(k) Plan as of and for the year ended December 31, 2019 were audited by MBAF CPAs, LLC ("MBAF"), whose partners and professional staff joined BDO USA, LLP as of January 16, 2021, and has subsequently ceased operations. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed MBAF not to perform, and MBAF did not perform, any auditing procedures with respect to the information certified by the qualified institution. MBAF's audit report, dated October 12, 2020, indicated that (a) because of the significance of the information that MBAF did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, they did not express an opinion on the 2019 financial statements, and (b) the form and content of the information included in the 2019 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

UFCW LOCAL 1-D 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

General

The following plan description of UFCW Local 1-D 401(k) Plan, a multiemployer collectively-bargained profit sharing plan, (the "Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions. Effective January 1, 2016, the trustees of the Wine, Liquor & Distillery Workers Union Local 1-D UFCW (the "Union") established the Plan for the exclusive benefit of eligible employees and their beneficiaries pursuant to an Agreement and Declaration of Trust (the "Trust"). The Plan, available to employees working in the United States, is subject to the provisions of the Employment Retirement Income Security Act of 1974 ("ERISA"), as amended.

Effective January 1, 2016, SGWSNJ Warehousing, LLC ("SGWSNJ"), a New Jersey LLC, adopted the Plan. Effective October 1, 2017, Southern Glazer's Wine and Spirits of New York LLC ("SGWSNY") adopted the Plan. Effective March 1, 2020, Allied Beverage Group, LLC ("Allied"), a New Jersey LLC, adopted the Plan. SGWSNJ, SGWSNY, and Allied are collectively referred to as the "Employers."

Effective July 10, 2020, the Plan transferred its assets from the prior trustee, Nationwide Financial Services Inc. (Nationwide), to Reliance Trust Company ("Reliance").

CARES Act

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000
- Suspended required minimum distributions for 2020.

Eligibility

Effective March 3, 2020, the Plan amended eligibility requirements for SGWSNJ and SGWSNY. Employees of SGWSNJ who complete 640 hours of service (excluding overtime and regular working hours during the months of June, July, November and December) or upon the completion of two months of service, as defined in the Plan amendment, are eligible to participate in the Plan. Employees of SGWSNY who complete two months of service, as defined in the Plan amendment, are eligible to participate in the Plan. All employees are excluded except employees represented by the United Food & Commercial Workers International Union 1-D. Employees of Allied who are 18 years of age are eligible to participate on the date of hire.

Participant Contributions

Effective January 1, 2017, eligible employees are automatically enrolled in the Plan at 2% of the employee's pre-tax wages (increased annually by 1% up to a max of 5%) unless the employee affirmatively elects not to participate. After-tax contributions are not allowed. Catch-up contributions and rollovers from other plans are allowed.

Employer Contributions

SGWSNJ and Allied allow a discretionary profit sharing contribution to eligible participants. Effective November 1, 2020, this monthly contribution increased from \$350 to \$500 for eligible SGWSNJ participants, and from \$480 to \$510 for eligible Allied participants.

SGWSNY does not provide for employer contributions.

UFCW LOCAL 1-D 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

The Plan is a participant-directed account plan. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants' accounts are credited with their participant and employer contributions, as applicable. Plan earnings and administrative expenses are allocated based upon a participant's account balance in proportion to the balances of all participants' accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Transfers

In connection with the adoption of the Plan by Allied in March 2020, noted above, participants of a plan formerly sponsored by Allied, transferred their account balances totaling \$100,030 into the Plan. In addition, in October 2020 two participants of the Plan became eligible to participate in another plan sponsored by the Union. In connection with this change in status, the accounts of these two participants totaling \$91,328 were transferred out to the other plan sponsored by the Union in October 2020.

The activity noted above was recorded as transfers into and out of this Plan in the accompanying statement of changes in net assets available for benefits.

Vesting

Participants are always 100% vested in their elective deferrals, catch-up and rollover contributions. SGWSNJ participants vest in their employer contributions 100% after 640 hours (excluding overtime and regular working hours during the months June, July, November, and December). Allied participants vest immediately in their employer contributions.

Forfeitures

Forfeitures are used to reduce administrative expenses or Employer contributions. There were no forfeitures at December 31, 2020 and 2019 and there was no balance in the forfeiture account for the years then ended.

Investment Options

Contributions are invested by Reliance, the custodian of the Plan, according to the options elected by the participants. All participant contributions are directed by the participants among the available investment options. Investment earnings are automatically reinvested into the fund or portfolio from which they were derived.

Participant Loans

Participants may borrow a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Each loan is secured by the participant's account balance. Loan terms range from one to five years in one-year increments. The interest rates for notes outstanding as of December 31, 2020 were from 5.25% to 6.50%. The interest rate charged on any loan is equal to the prime rate (as published in the Wall Street Journal on the 14th day of the month the loan is initiated) plus 1% per year. The maximum number of loans outstanding at any time is three. Loans must be repaid over a period not extending beyond five years from the date of the loan. Loan repayments are made through payroll deductions each pay period.

Payment of Benefits

Participants' benefits under the Plan are payable to participants or their beneficiaries upon termination of employment, normal retirement, disability, financial hardship or death. Benefits are payable in one lump sum payment. Hardship withdrawals are available, for reasons defined in the Plan document, as are distributions to participants who have attained the age of 59½.

UFCW LOCAL 1-D 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments are stated at fair value based upon quoted market prices except for the fully benefit-responsive investment contract, which is reported at contract value. Fund transactions are accounted for on the trade date (date the securities are purchased and sold). Interest income is accounted for on the accrual basis. Dividend income is accounted for on the ex-dividend date. The Plan presents in the statement of changes in net assets available for benefits the net appreciation/depreciation in the fair value of its investments, which consists of realized gains and losses on investments bought and sold during the year and the unrealized appreciation/depreciation on investments held at the end of the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Investment Management Fees and Operating Expenses

Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation/depreciation in fair value of investments.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employers and are excluded from these financial statements. The Plan is responsible for administrative expenses, investment advisory and professional fees and insurance relating to the management of Plan assets incurred by the Plan except for certain transactions fees such as loan and distribution requests, which are paid by the participants. These fees are allocated either proportionally based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. The method of allocating the expenses depends on the nature of the expense.

Direct compensation paid by the Plan as administrative expenses, investment advisory professional fees and insurance costs totaled \$152,782 for the year ended December 31, 2020.

UFCW LOCAL 1-D 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recently Adopted Accounting Pronouncement

Effective January 1, 2020, the Plan adopted Accounting Standards Update 2018-13, *Fair Value Measurement* (Topic 820), which modifies the disclosure requirements on fair value measurements in Topic 820. The guidance did not have a significant impact on the Plan's financial statements.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

US GAAP establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring the most observable inputs to be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumptions about inputs market participants would use at the measurement date.

The fair value hierarchy is categorized into three levels based on inputs as follows:

Level 1 – Valuation based on unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Valuation based on quoted prices for similar assets or liabilities in active markets; for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the financial instrument has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the financial instrument.

Level 3 – Valuation based on inputs that are unobservable and significant to the overall fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2020 and 2019.

Mutual Funds – Mutual funds are valued at the unadjusted quoted price of shares held by the Plan at year-end. Management believes that the most appropriate classification for these investments is Level 1.

Stable Value Fund - The stable value fund is composed entirely of the Transamerica General Account Stable Value Fund (the "Stable Value Fund"). The Stable Value Fund is reported at net asset value (NAV) of units of the Stable Value Fund. The NAV, as provided by the contract issuer, is used as a practical expedient to estimate fair value, which is approximated by contract value. The Stable Value contract has liquidity restrictions. There were no redemption fees, notice periods, or unfunded commitments for the years ended December 31, 2020 and 2019. See Note 5.

The Stable Value Fund seeks to provide maximum return consistent with a guarantee of principal. The investment has a portfolio investment rate design in which all deposits are credited with the same interest rate, credited on a daily basis, and there is no set maturity. The effective credited interest rate is set semi-annually and effective on the first day of the semiannual period. Contract charges may reduce this return.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents by level, within the fair value hierarchy, the Plan investment assets at fair value as of December 31, 2020 and 2019.

Fair Value Measurements at December 31, 2020				
	Total	Level 1	Level 2	Level 3
Mutual funds	\$10,630,426	\$10,630,426	\$ -	\$ -
Stable value fund*	44,513	-	-	-
Total Investments, at fair value	\$10,674,939	\$10,630,426	\$ -	\$ -

Fair Value Measurements at December 31, 2019				
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 7,282,878	\$ 7,282,878	\$ -	\$ -
Total Investments, at fair value	\$ 7,282,878	\$ 7,282,878	\$ -	\$ -

**Certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items present in the statements of net assets available for benefits.*

4. CERTIFIED INVESTMENTS

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Nationwide and Reliance, qualified institutions, have certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available as of December 31, 2020 and 2019.
- Net appreciation in fair value of investments, dividend income, and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2020.
- Investments reflected on the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2020.

The certification from Nationwide covers the period from January 1, 2019 through July 10, 2020. The certification from Reliance covers the period from July 11, 2020 through December 31, 2020.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

UFCW LOCAL 1-D 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

5. GROUP ANNUITY CONTRACT

Effective May 18, 2017, the Plan entered into a fully benefit-responsive guaranteed annuity contract with Nationwide (the fixed select account). Nationwide maintained the contributions in a general account, which was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. As the fixed select account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract. Contract value represents contributions made under the respective contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

In 2020, the Plan transferred the value in the fixed select account with Nationwide and into the Stable Value Fund sponsored by Transamerica. At December 31, 2020, the investment in the Stable Value Fund totaled \$44,513. The Stable Value Fund invests in several sub accounts, which are owned by Transamerica, and is not considered fully benefit-responsive. The Stable Value Fund has liquidity restrictions in which Transamerica may delay payouts from the Stable Value Fund for up to twelve months.

6. TAX STATUS

The Plan obtained its latest determination letter on October 10, 2018, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PROHIBITED TRANSACTIONS AND CONTINGENCIES

During the year ended December 31, 2020, the Employers did not remit various employee salary deferrals, totaling \$207,020, in a timely manner as required by DOL regulations. The lost earnings on the 2020 late remittances are not expected to be material and will be contributed to the Plan in the subsequent period. The lost earnings include the amount the participants should have earned from the date the deferred contributions should have been made through the date of correction.

The Employers are responsible for any fines, excise taxes and/or penalties or actions brought by the affected participants or regulatory authorities

8. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in a group annuity contract which invests in publicly-traded mutual funds and a stable value fund. These investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of these investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

On January 30, 2020, the World Health Organization (WHO) announced a global health emergency because of a new strain of coronavirus (the COVID-19 outbreak) and the risks to the international community as the virus spread globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the increase in exposure globally.

8. RISKS AND UNCERTAINTIES (CONTINUED)

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to volatility in financial markets. Since the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, cannot be determined at this time.

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right at any time to terminate the Plan in accordance with ERISA by delivering to the custodian written notice of such termination. Upon termination of the Plan, no further contributions will be made to the Plan and all participants accounts shall become 100% vested and distributed in accordance with the provisions of the Plan.

10. RELATED PARTIES/PARTIES-IN-INTEREST

Certain Plan investments are managed by Transamerica. The Plan also issues loans to participants which are secured by the vested balance of the participants' account. These transactions qualify as party-in-interest transactions. Certain fees paid by the Plan for the investment management services are included as a reduction in the net appreciation in fair value of investments.

11. SUBSEQUENT EVENT

The Plan has evaluated subsequent events through February 9, 2022, which is the date the financial statements were available to be issued.
