Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by managements, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Eye Partners, P.C. 401(k) Profit Sharing Plan as of December 31, 2020, and the changes in net assets available for benefits for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

The financial statements of Eye Partners, P.C. as of December 31, 2019, were audited by another auditor who expressed an unmodified opinion on those financial statements on September 23, 2020.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Delinquent Participant Contributions and Loan Remittances and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

EYE PARTNERS, P.C. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

Note 1. Description of Plan

The following brief description of the Eye Partners, P.C. 401(k) Plan Profit Sharing Plan ("Plan") is provided for general information purposes only. Participants should refer to the Plan document for more detailed information.

General: The Plan is a defined contribution plan covering all full-time employees of Eye Partners, P.C. ("Company") who have attained one year of service and are at least 21 years old. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year participants may contribute up to 100% of their compensation, as defined in the Plan, up to the maximum allowed by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans. Catch-up contributions are allowed for those participants who attain the age of 50 by the end of the year. Participants direct the investment of their contributions into various investment options offered by the Plan. During the Plan years ended December 31, 2020 and 2019, the Company made discretionary matching contributions in the amount of \$465,923 and \$375,461, respectively.

The Company currently makes a safe harbor nonelective contribution of 3% of a participant's compensation for all employees eligible to participate in the Plan, without regard to participant contributions.

Each year, the Company may also contribute to the Plan's Trust Fund out of its current or accumulated net profits a nonelective contribution to a select group or groups of non-highly compensated participants eligible for an allocation. The profit sharing contribution can be made as a flat dollar amount, a pro-rata percentage of compensation, or a pro-rata percentage of elective contributions. The amount of the contribution is determined by a resolution of the Company's board of directors. Contributions are subject to certain limitations.

Participants must be employed as of the last day of the Plan year to receive nonelective contributions.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocation of the Company's contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately 100 percent vested in their elective deferral contributions. Vesting of non-safe harbor matching contributions and nonelective (profit sharing) contributions are based on the following schedule:

Note 1. Description of Plan, Continued

<u>Years of Service</u>	<u>Percentage</u>
2	20%
3	40%
4	60%
5	80%
6	100%

Investment Options: All Plan investments are participant-directed. Participants can choose between multiple investment funds and can direct investment among the funds in multiples of one percent. The investment alternatives differ in the level of potential investment earnings and risk. Participants may change their investment direction and existing investment mix at any time.

Notes Receivable from Participants: Participants may borrow from their 401(k) accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a rate, which is commensurate with local prevailing rates determined by the Plan Administrator.

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or distributions in monthly or annual installments. For termination of service due to other reasons, a participant may receive the value of the participant's vested interest in his or her account as a lump-sum distribution. The Plan also permits in-service distributions after a participant attains age 59½; as well as, for certain financial hardships.

Forfeited Accounts: At December 31, 2020 and 2019, forfeited accounts totaled \$24 and \$21, respectively. These accounts will be used to pay administrative expenses. For the years ending December 31, 2020 and 2019 \$-0- were used to pay administrative costs respectively from forfeited nonvested accounts.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting: The financial statements have been prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

EYE PARTNERS, P.C. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

Note 2. Summary of Significant Accounting Policies, Continued

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2020 and 2019, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms in the Plan document.

Expenses: Eye Partners, P.C. provides certain administrative and accounting services to the Plan at no cost. Most administrative expenses are paid directly by the Plan Sponsor and include audit, accounting, and legal fees. Administrative expenses directly allocable to individual participant directed accounts are paid from the participant's account.

Payment of Benefits: Benefits are recorded when paid.

Recently Adopted Accounting Pronouncement - In August 2018, the FASB issued ASU No. 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*, to streamline the disclosure requirements of ASC Topic 820, *Fair Value Measurement*. The update removes, modifies, and adds certain disclosure requirements. The Plan Sponsor adopted the new guidance for the year ending December 31, 2020, and adoption did not have a material impact on the financial statements.

EYE PARTNERS, P.C. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

Note 2. Summary of Significant Accounting Policies, Continued

Subsequent Events: On March 11, 2020, the World Health Organization announced that it had made the assessment that coronavirus disease 2019 ("COVID-19") is a pandemic. The impacts of COVID-19 is adversely affecting the entire global economy, individual companies and investment products, and the market in general. There is significant uncertainty around the extent and duration of business disruptions related to COVID-19 and the impact may be short term or may last for an extended period of time. The risk of further spreading of COVID-19 has led to significant uncertainty and volatility in the financial markets and the value of the securities in which participants of the Plan invests may be adversely affected by impacts caused by COVID-19.

Effective 7, 14, 2021, the Plan changed Custodians. A blackout period was in effect while the assets transferred to the new Custodian.

The Plan has evaluated the need for disclosures and/or adjustments resulting from subsequent events through February 18, 2022, the date the financial statements were available to be issued. This evaluation did not result in any subsequent events that necessitated adjustments.

Note 3. Investments

During the Plan years ended December 31, 2020 and 2019, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$3,034,806 and \$1,852,526.

Note 4. Tax Status

The prototype non-standardized profit sharing plan with cash or deferred arrangement (CODA) was adopted by the Company and obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan Administrator believes the Plan is qualified and the related trust is tax exempt as of the financial statement date.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would be sustained upon examination. The Plan is subject to audits by tax authorities; however, there are currently no audits in progress for any tax periods.

EYE PARTNERS, P.C. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Note 6. Related Party Transactions and Party in Interest Transactions

The Plan has contracted with Economic Group Pension Services, Inc. as a third party administrator. Certain plan investments are managed by T. Rowe Price. T. Rowe Price is the Custodian, as defined by the Plan. Transactions with Economic Group Pension Services, Inc. and T. Rowe Price qualify as party-in-interest transactions. Economic Group Pension Services, Inc. was paid directly by the Plan Sponsor for the years ended December 31, 2020 and 2019. Fees paid by the Plan to T. Rowe Price for services rendered amounted to \$2,145 and \$2,800 for the years ended December 31, 2020 and 2019, respectively.

Note 7. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date. |
| Level 2 | <p>Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:</p> <ul style="list-style-type: none">a. Quoted prices for similar assets or liabilities in active marketsb. Quoted prices for identical or similar assets or liabilities in inactive marketsc. Inputs other than quoted prices that are observable for the asset or liabilityd. Inputs that are derived principally from or corroborated by observable market data or correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable or substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

EYE PARTNERS, P.C. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

Note 7. Fair Value Measurements, Continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 13,495,029	\$ -	\$ -	\$ 13,495,029
Investments at fair value				<u>\$ 13,495,029</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019:

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 10,459,054	\$ -	\$ -	\$ 10,459,054
Investments at fair value				<u>\$ 10,459,054</u>

Note 8. Guaranteed Investment Contract with Insurance Company

In 2011, one participant of the Plan entered into a guaranteed investment investment contract with Jackson National Life Insurance Company. The contract was terminated on May 16, 2017, and a new contract was issued with Nationwide Life Insurance Company on May 22, 2017, with a commencement date of March 21, 2045.

EYE PARTNERS, P.C. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

Note 8. Guaranteed Investment Contract with Insurance Company, Continued

Nationwide maintains the contributions in a general account. Nationwide limits the cumulative purchase payments under the contract issued of annuities held with them to \$1,000,000. Any excess amount is not accepted and will be returned to the contract owner. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The participant may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The guaranteed investment contract meets the benefit responsive investment contract criteria, and therefore is reported at contract value. Contract value is the relevant measure for fully benefit investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1%. The crediting interest rate is reviewed on an annual basis for vesting.

Certain events limit the Plan's ability to transact at contract value with Nationwide. Such events include (1) amendment of the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator believes that any events that would limit the Plan's ability to transact at contract value with the Plan participant are probable of not occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled contract date.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from the contract value.

EYE PARTNERS, P.C. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10. Prohibited Transactions

During the year ended December 31, 2020, the Plan Sponsor failed to remit participant contributions totaling \$11,918 within the period described by Department of Labor (DOL) regulations. The Plan Sponsor has corrected the issue outside the DOL Voluntary Correction Program (VCP), and has remitted the lost earnings as well. The Plan Sponsor estimated the amount of correction payments due to the Plan and determined that the amount is immaterial for accrual.
