NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Shelbyville Laundry, Inc. 401(k) Profit Sharing Plan and Trust (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all full-time employees of Shelbyville Laundry, Inc. and Logan's Uniform Rental, Inc. (the Companies). During 2019, Shelbyville Laundry, Inc. acquired Superior Health Linens and TCA Acquisition Company, LLC dba Textile Care Services. As a result of this acquisition, effective October 24, 2019, Superior Health Linens and TCA Acquisition Co., LLC dba Textile Services joined the plan as participating Companies. Effective October 24, 2019, an employee is eligible to join the plan following the completion of six months of services and attainment of age 21. Prior to this date, employees were eligible to join the Plan upon completion of one year of service and attainment of age 21. An employee may join the Plan on any entry date on or following the satisfaction of these requirements. Effective October 24, 2019, the Plan's entry dates are the first day of every calendar quarter. Prior to this date, the entry dates were the first day of each month. The Plan is subject to the provisions of ERISA. The Plan Administrative Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Effective October 24, 2019, the Superior Linen, Inc. 401(k), which covered the employees of Superior Health Linens and TCA Acquisition Company, LLC dba Textile Care Services, was merged into the Plan. As a result of the merger, $2,399,603 of assets, consisting of $2,314,296 in mutual funds, money market funds, and common collective trust funds, and $85,307 in notes receivable from participants were transferred into the Plan.

Contributions:

The Plan is funded by both participant and employer contributions. Effective October 24, 2019, participants may contribute up to 92% of pretax annual compensation, as defined in the Plan. Prior to October 24, 2019, participants could contribute up to 90% of pretax annual compensation. Participants may also elect to defer a portion of their compensation as a Roth contribution. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

Effective January 1, 2019, the Plan was amended to a adopt a safe harbor matching employer contribution. The safe harbor matching contributions are 100% of the first 3% and 50% of the next 2% of participant deferrals contributed to the Plan. In addition, effective October 24, 2019, a separate discretionary employer profit sharing contribution may be made. There were no discretionary employer profit sharing contributions made for the years ended December 31, 2020 and 2019. Contributions are subject to certain IRS limitations.

Participant accounts:

Each participant's account is credited with the participant's contribution and employer matching and discretionary contributions, as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants:

Effective January 1, 2019, participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from 1-5 years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account. The loan interest rate is set by the plan administrator and is prime interest rate plus up to 2%. Principal and interest is paid ratably through payroll deductions.

Vesting:

Participants are vested immediately in their contributions and employer safe harbor contributions, plus actual earnings thereon. Vesting in the employer discretionary match contribution portion of their accounts contributed prior to October 24, 2019 is based on years of continuous service as outlined in the following table:

Years of Service	Percent of Non-Forfeitable Interest
0-1	0%
2	20%
3	40%
4	60%
5	80%
6+	100%

Effective October 24, 2019, all employer matching contributions made after this date are 100% vested, and employer discretionary profit sharing contributions are vested according to the following table:

Years of Service	Percent of Non-Forfeitable Interest
0	0%
1	20%
2	40%
3	60%
4	80%
5+	100%

Payment of benefits:

Upon termination of service due to death, disability, retirement, or termination of employment, the vested balance in the participant's account is paid to the participant or his or her beneficiary in a lump sum payment. The Plan specifically restricts the timing and method of benefit payments based upon the participant's age, length of service, account value and reason for termination.

Forfeited accounts:

At December 31, 2020 and 2019, forfeited non-vested accounts totaled $25 and $2,272, respectively. These accounts will be used to reduce future employer contributions or to pay administrative expenses. In 2020 and 2019, employer contributions were reduced by $1,667 and $18,053, respectively, from forfeited non-vested accounts. In addition, forfeitures of $4,050 were used for administrative expenses in 2020.

Administrative changes due to CARES Act:

In March 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was enacted and certain provisions of the CARES Act that pertain to retirement plans were implemented. The enacted provisions allow Plan participants impacted by COVID-19 to:

- Withdraw, penalty free, up to $100,000 of vested account balances before December 31, 2020,
- Defer current active loan payments for the 2020 plan year;
- Suspend 2020 required minimum distributions; and
- Delay the commencement date for required minimum distributions.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies

This summary of significant accounting policies of Shelbyville Laundry, Inc. 401(k) Profit Sharing Plan and Trust is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of presentation:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes are recorded as a distribution based on the terms of the plan document. No allowance for credit losses had been recorded as of December 31, 2020 and 2019.

Excess contributions refundable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain administrative expenses of maintaining the Plan are paid directly by the Companies and are excluded from these financial statements. Fees related to the administration of participant accounts are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments as they are paid through revenue sharing, rather than a direct payment.

Subsequent events:

Subsequent events have been evaluated through October 15, 2021, which is the date the financial statements were available to be issued.

Note 3. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net appreciation in fair value of investments and interest and dividends was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mid Atlantic Trust Company, the custodian, for the year ended December 31, 2020, and Transamerica Life Insurance Company, the insurance company of the Plan for the period from January 1, 2020 through January 30, 2020 and the year ended December 31, 2019, and Associated Trust Company, N.A., the trustee of the Plan for the period from January 1, 2020 through January 29, 2020 and the period from October 24, 2019 through December 31, 2019.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active or inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

All assets have been valued using a market approach. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2020 and 2019.

Pooled separate accounts – valued at the net asset value of units held by the Plan at year-end. The net asset value is used as a practical expedient to estimate fair value.

Stable value accounts – fair value is equal to contract value. Contract value is based on the contributions made to the account, plus interest at the contract rate, less benefits paid to participants and administrative expenses charged by the insurance company.

Money market funds – valued at the net asset value of shares held by the Plan at year-end.

Mutual funds – valued at the daily closing price as reported by the fund.

Common/collective trust fund – valued at the net asset value (NAV) of units held by the Plan at year end. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The NAV is used as a practical expedient to estimate the fair value.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

	2020		
	Level 1		Total
Mutual funds	$9,245,353		$9,245,353

	2019		
	Level 1	Level 2	Total
Stable value accounts		$405,170	$ 405,170
Mutual funds	$794,412		794,412
Money market funds	157,734		157,734
Total assets in fair value hierarchy	$952,146	$405,170	1,357,316
Investments measured at net asset value			5,822,973
Total assets at fair value			$7,180,289

Investments Measured Using Net Asset Value per Share Practical Expedient

The pooled separate accounts and common/collective trust funds have no unfunded commitments and can be redeemed daily, with no redemption notice period, without specific terms or conditions at the underlying investments' net asset value. The NAV is updated daily.

Note 5. Plan Termination

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer discretionary contributions.

Note 6. Income Tax Status

The Plan is a volume submitter plan offered by Paychex, Inc.. The volume submitter plan obtained its latest opinion letter on April 10, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Related Party Transactions

Mid Atlantic Trust Company, is the custodian, therefore transactions with Mid Atlantic Trust Company, qualify as party-interest transactions. Fees paid by the Plan for these services amounted to $14,119 for the year ended December 31, 2020.

Transamerica Life Insurance Company was the insurance company of the Plan and, therefore, transactions with Transamerica Life Insurance Company qualified as party-in-interest transactions. Fees paid by the Plan for these services amounted to $82 and $6,470 for the years ended December 31, 2020 and 2019, respectively.

Associated Trust Company, N.A., was the trustee of the Plan and, therefore, transactions with Associated Trust Company, N.A., qualified as party-in-interest transactions. Fees paid by the Plan for these services amounted $10,186 for the year ended December 31, 2019.

Note 8. Risks and Uncertainties

The Plan holds significant investments in mutual funds held by Mid Atlantic Trust Company. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Contingency

As a result of the spread of the COVID-19 pandemic, economic uncertainties exist which may have an effect on the Plan's investments. The Plan's individual investments will fluctuate in response to changing market conditions, and the amount of losses that will be recognized in subsequent periods, if any, cannot be determined. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Note 10. Prohibited Transactions

During the plan year ended December 31, 2019, the Companies failed to remit $63,559 of employee contributions within the period prescribed by Department of Labor regulations. The Companies will make a contribution to the affected participants accounts to compensate those participants for lost earnings due to the delays.

Note 11. Subsequent Event

During July 2021, Shelbyville Laundry, Inc. acquired Angelica Textile Services, Inc. As a result of this acquisition, effective July 1, 2021, Angelical Textile Services joined the plan as participating Company.
