## INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
**Suhm Spring Works, Inc. 401(k) Plan**

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of Suhm Spring Works, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2020 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
**Suhm Spring Works, Inc. 401(k) Plan**

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of Suhm Spring Works, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2020 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

# SUHM SPRING WORKS, INC. 401(k) PLAN
# NOTES TO FINANCIAL STATEMENTS
# December 31, 2020 and 2019

## NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Suhm Spring Works, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### General

The Plan is a defined contribution plan covering all employees of Suhm Spring Works, Inc. (the "Company"). Employees who have completed one year of service, as defined in the Plan document, are eligible to participate in the Plan. An eligible employee may enter the Plan on January 1 or July 1 after meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which included several temporary relief provisions available to tax qualified retirement plans and their participants. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan document. The Plan adopted certain measures included in the CARES Act, as described below, and will amend the Plan retroactively by December 31, 2022.

### Contributions

Participants may elect to defer from 2% to 14% of pre-tax eligible compensation, as defined in the Plan, up to the maximum established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Rollover contributions are allowed subject to conditions set forth in the Plan.

The Company makes a matching contribution in an amount equal to 25% of participant contributions up to 6% of eligible compensation each payroll period. The Plan includes a safe harbor employer contribution whereby the Company will make a non-elective contribution for the plan year in the amount equal to 3% of eligible compensation for all eligible employees. The Company may also make a discretionary profit sharing contribution to each eligible employee based on the employees eligible compensation in excess of the taxable wage base. For the year ended December 31, 2020, the Company made a $40,811 profit sharing contribution to the Plan.

The Plan is participant directed, and participants may change their contribution rate at the beginning of each quarter and their investment options at any time.

### Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contribution and forfeitures and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

### Vesting

Participants are at all times fully vested in their contributions, safe harbor nonelective contributions, and rollover contributions and the appreciation or depreciation thereon. Vesting in the Company's matching and discretionary profit sharing contributions and the earnings thereon is based on years of continuous service. Participants are 20% vested after two years of service and vest at 20% per year thereafter. Participants are 100% vested after six years of service. Participants are automatically vested in Company contributions upon death, disability, or retirement.

### Forfeitures

At December 31, 2020 and 2019, forfeited non-vested accounts totaled $18,207 and $112,660, respectively. These accounts may be used to pay administrative expenses or reduce employer matching contributions. Subject to conditions set forth in the Plan, forfeitures may also be allocated to all participants eligible to share in the allocations of profit sharing contributions or allocated to all participants eligible to share in the matching allocations in proportion to each such participant's compensation for the year. During the year ended December 31, 2020, no forfeitures were used to pay administrative expenses or reduce employer matching contributions. Forfeitures of approximately $109,000 were allocated for the 2019 plan year as profit sharing and matching allocations funded in 2020. Forfeitures of approximately $15,000 were allocated for the 2020 plan year as profit sharing and matching allocations funded in 2021.

### Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive a lump-sum distribution based on the valuation of the participant's account as of the date of termination. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Hardship withdrawals from a participant's account, excluding safe harbor contributions, are permitted due to immediate and heavy financial need, subject to the terms of the Plan document. The Plan also allows withdrawals of rollover accounts and in-service withdrawals of a participant's vested account balance upon attainment of age 59 ½.

Under the CARES Act provisions, the Plan allowed qualified participants to receive Coronavirus-related distributions up to $100,000 without penalty, from March 27, 2020 through December 30, 2020. Additionally, required minimum distributions beginning in 2020 could be delayed by one year, but may still be received at the request of a participant.

### Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would receive benefits based on their account balances accumulated to the date of termination of the Plan.

## NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

### Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### Investments

Investments are reported at fair value, except for the fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Payment of Benefits

Benefit payments to participants are recorded upon distribution.

### Administrative Expenses

Certain administrative expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to distributions are charged directly to the participant's account and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

## NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are measured at fair value using accumulated unit value (AUV) per share as a practical expedient. The Plan's investments at fair value as of December 31, 2020 and 2019 are as follows:

| | 2020 | 2019 |
|---|---|---|
| Pooled Separate Accounts | $15,542,309 | $14,557,329 |

## NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The investments in the pooled separate accounts are valued at fair value based on AUV pricing as calculated by the annuity provider according to formulas described in the annuity contract. The pooled separate accounts own and hold the underlying mutual fund or collective trust shares, which are reported at their net asset value. The pooled separate accounts held by the Plan provide for daily redemptions by the Plan at reported AUV with no advance notice requirement. The Plan has no unfunded commitments and no contractual obligations to further invest in the accounts.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used at December 31, 2020 or 2019.

## NOTE 4 - GUARANTEED INVESTMENT ACCOUNTS

The Plan maintains fully benefit-responsive investment contracts with Voya Retirement Insurance and Annuity Company ("Voya"), the Voya Fixed Account, and the Voya Fixed Account A ("Voya Fixed Accounts"). Voya maintains the contributions in a general account. The contracts are included in the statements of net assets available for benefits at contract value, as reported to the Plan by Voya. Contract value represents contributions made under the contract, plus earnings, less participants' withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with Voya. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (iii) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the Plan, or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable. The contracts do not permit Voya to terminate the agreements prior to the scheduled maturity dates.

Voya's determination of credited interest rates reflects a number of factors, including mortality and expense risks, interest rate guarantees, the investment income earned on invested assets, and the amortization of any capital gains and/or losses realized on the sale of invested assets. The underlying contracts have no restrictions on the use of Plan assets and there are no valuation reserves recorded to adjust contract amounts.

## NOTE 4 - GUARANTEED INVESTMENT ACCOUNTS (CONTINUED)

As of December 31, 2020 and 2019, the contract value of the investment in the Voya Fixed Accounts was $2,493,852 and $2,153,300, respectively. The crediting interest rate is based on a formula agreed upon with Voya, but may not be less than 3.00% for the Voya Fixed Account, and may not be less than 1.00% for the Voya Fixed Account A. No new investments may be made into the Voya Fixed Account.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuers' ability to meet their financial obligations. The issuers' ability to meet their contractual obligations may be affected by future economic and regulatory developments.

## NOTE 5 - INFORMATION CERTIFIED

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Voya, an insurance company, has certified to the completeness and accuracy of all investments reflected in the accompanying statements of net assets available for benefits as of December 31, 2020 and 2019, and the schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2020, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2020.

## NOTE 6 - PARTY IN INTEREST

The Plan's investments are in accounts managed by Voya. Voya investments qualify as party-in-interest transactions. These transactions are covered by an exemption from the prohibited transaction provisions.

## NOTE 7 - INCOME TAXES

The Plan has adopted a volume submitter profit sharing plan, which obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the volume submitter profit sharing plan, as then designed, was in compliance with the applicable requirements of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2020 and 2019:

| | 2020 | 2019 |
|---|---|---|
| Net assets available for benefits per the financial statements | $18,392,980 | $17,128,846 |
| Less: Employer contributions receivable | (356,819) | (418,217) |
| Net assets available for benefits per the Form 5500 | $18,036,161 | $16,710,629 |

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2020:

| | |
|---|---|
| Changes in net assets available for benefits per the financial statements | $1,264,134 |
| Plus: Employer contribution receivable at December 31, 2019 | 418,217 |
| Less: Employer contribution receivable at December 31, 2020 | (356,819) |
| Changes in net assets available for benefits per the Form 5500 | $1,325,532 |

## NOTE 9 - RISKS AND UNCERTAINTIES

The Plan provides for various investments. In general, such investments are exposed to various risks such as significant world events, interest rates, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## NOTE 10 - SUBSEQUENT EVENTS

The Plan was amended effective May 7, 2021 to change the following plan provisions: employees are eligible to enroll upon completion of six months of service and may enter the Plan on a monthly basis after meeting the eligibility requirements; participants may elect to defer from 2% to 100% of pre-tax eligible compensation; and loans are permitted for general or residential purposes, but a participant cannot have more than one loan outstanding at a time.

The Plan was amended effective July 1, 2021 to allow the Company to automatically enroll newly hired employees into the Plan with a pre-tax deferral contribution of 4% unless elected otherwise. Participants also have the option to elect an auto escalation feature.

Management has evaluated subsequent events through September 7, 2021, the date the financial statements were available to be issued.
