Independent Auditors' Report

Plan Administrator
Boys & Girls Clubs of Northeast Ohio 401(k) Plan
Cleveland, Ohio

We have audited the accompanying financial statements of the Boys & Girls Clubs of Northeast Ohio 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2020, and the changes in its net assets available for benefits for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2020 and the schedule of delinquent participant contributions for the year ended December 31, 2020 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Report on 2019 Compiled Financial Statement

Plan management is responsible for the accompanying statement of net assets available for benefits as of December 31, 2019 and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the 2019 financial statement.

BOYS & GIRLS CLUBS OF NORTHEAST OHIO 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following is a summary of certain provisions of the Boys & Girls Clubs of Northeast Ohio 401(k) Plan (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Participation

The Plan is a defined contribution plan covering all qualified employees of Boys & Girls Clubs of Northeast Ohio (the "Company"), established as of January 1, 1971. Employees are eligible to participate in the Plan on the first day of the month following the employee's date of hire. Participants are eligible for employer contributions on the first day of the month after completion of one year of service and having attained age 21, as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Participants may elect to make contributions of a specific percentage of their eligible earnings on a "pre-tax" basis subject to certain limitations of the Plan and the Internal Revenue Code ("IRC"). The Plan also provides for the investment of qualified rollover contributions as well as catch-up contributions for participants age 50 or older.

The Company makes a safe-harbor non-elective contribution of 3% of compensation each pay period to eligible employees. The Plan also provides for discretionary non-elective and matching contributions. For 2020, the Company made a non-elective contribution of 3% of eligible participants' compensation. No matching contribution was made in 2020.

Participants' Accounts

Each participant's account is credited with the participant's contributions and Company contributions and earnings thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and the Company's safe-harbor contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contribution is based on years of continuous service. Participants vest over a six-year graduated schedule with 20% vesting per year beginning after the second year of service. Active participants also become fully-vested upon reaching normal retirement age (age 65) or at termination due to death or disability.

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. Principal and interest is paid ratably through payroll deductions. Participants are limited to one outstanding loan at a time.

BOYS & GIRLS CLUBS OF NORTHEAST OHIO 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Payment of Benefits

A participant, upon retirement, termination, disability or the attainment of age 59½ or a participant's beneficiary upon the participant's death, may elect to receive a lump-sum amount equal to the value of his or her vested account balance. In the case of a severe financial hardship, the administrator, in its sole discretion, may direct distribution of all or a portion of the participant's voluntary contributions, subject to certain restrictions.

Forfeitures

Any forfeited non-vested accounts may be used to reduce future employer contributions. At December 31, 2020 and 2019, there was \$14,498 and \$53,075, respectively, of unutilized forfeited non-vested accounts. During 2020, \$59,564 of forfeitures was used to reduce employer contributions.

Termination Provisions

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested and receive a total distribution of their account.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by Charles Schwab Trust Bank, the Trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

BOYS & GIRLS CLUBS OF NORTHEAST OHIO 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019.

Administrative Fees

Fees of the Plan are paid by the Company or the Plan at the discretion of the Company. Certain participant-initiated transactions and account maintenance fees are charged to the affected participants. Investment related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through March 1, 2022, which is the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1 – Quoted market prices in active markets for identical assets and liabilities.

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 – Unobservable inputs in which little or no market data exists.

The following is a description of the valuation methodology used for Plan assets measured at fair value:

Registered investment companies: The fair value of investments held in the registered investment companies is determined based on their quoted closing market prices in an active market for identical investments, and is classified as Level 1.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. There have been no changes in the methodology used from 2019 to 2020. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

BOYS & GIRLS CLUBS OF NORTHEAST OHIO 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 4. Income Tax Status

The Plan has adopted a prototype plan document. This plan document has obtained a determination letter dated March 31, 2014, from the Internal Revenue Service ("IRS") in which the IRS stated that the prototype document, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since adopting the prototype plan document, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

The Plan's management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

Note 5. Risks and Uncertainties

The Plan holds various investment options in combinations of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 6. Party-in-Interest Transactions

Milliman, Inc. is the Recordkeeper as defined by the Plan and is paid fees from the Plan; therefore, these transactions qualify as party-in-interest transactions.

Note 7. Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2020 and 2019 to the Form 5500:
