## Note 1 – Description of the Plan

The following description of the Safe-Harbor 401(k) Profit Sharing Plan for Employees of The Super Dentists, Inc., (the Plan) provides only general information. Participants should refer to the Plan document and adoption agreement for a complete description of Plan provisions.

General
The Plan is a defined contribution plan covering all employees of The Super Dentists, Inc. (Company) who are age 21 or older, except for leased employees and employees covered under a collective bargaining agreement. The Plan provides participants with a salary deferral option pursuant to Section 401(k) of the Internal Revenue Code. The Plan engages Mutual of America Life Insurance Company (Custodian) to hold and invest Plan assets and execute Plan transactions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

During 2020, the Plan implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act to allow certain distributions and loans to those affected by the COVID-19 (coronavirus) pandemic.

Contributions
Each year, participants may make Roth or pretax contributions up to 100% of annual compensation, subject to limits of the tax law as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company provides a safe-harbor match equal to 100% of the first 3% of participant compensation deferred, and 50% of deferrals up to 5% of compensation. To be eligible for the safe-harbor match, participants must be age 21 and have completed 1 year of service as defined by the Plan document. The Plan also allows the Company to make discretionary non-elective contributions, but the Company did not make any such contributions during 2020. Contributions are subject to certain limitations.

Investment Elections
Participants direct the investment of their contributions into various investment options offered by the Plan. Participants can change their investment combinations daily.

Participant Accounts
Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are made in a manner which recognizes each participant’s account balance, investment selection and timing of contributions and withdrawals. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years, or up to 10 years for the purchase of a principal residence. Principal and interest are paid ratably through payroll deductions. The loans are secured by the balance in the participant’s account and bear interest at a rate commensurate with rates charged by commercial lenders for loans made under similar circumstances. The interest rates were 4.25%-6.50% for the year ended December 31, 2020.

Payment of Benefits
On termination of service due to any reason, participants with vested account balances of less than $1,000 receive an automatic distribution in cash for rollover to an Individual Retirement Account (IRA) or other qualified retirement plan. Participants with vested account balances of $1,000 or more may elect to receive a single lump-sum amount or choose to rollover their balance into another qualified retirement plan or IRA.

**Note 1 – Description of the Plan, continued**

Vesting
Participants are immediately vested in their deferrals and non-elective employer matching contributions (safe harbor), and plus actual earnings thereon. Vesting in the Company's discretionary match and profit-sharing contribution plus actual earnings thereon is based on years of continuous service and occurs gradually. A participant becomes partially vested at the end of two years of credited service is 100% vested after six years of credited service. A participant becomes fully vested in the entire balance of his or her account upon attainment of normal retirement age, permanent disability, death or termination of the Plan. Any amount not vested upon a participant's separation from service is forfeited and may be used to reduce the Company's contribution or pay Plan expenses.

Forfeitures
At December 31, 2020 and 2019, there were no forfeited nonvested accounts. In 2020, $3,021 in forfeitures were used to reduce employer contributions.

**Note 2 – Summary of Significant Accounting Policies**

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investments Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payments of Benefits
Benefits are recorded when paid.

Administrative Expenses
Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. The Plan permits the payment of contractual Plan expenses to be made from the Plan's assets. Fees are charged to participants on a pro rata basis, equally to participant accounts, or specifically to a participant account for transactions specifically related to that participant.

**Note 2 – Summary of Significant Accounting Policies, continued**

Subsequent Events
The Plan has evaluated subsequent events through February 14, 2022 the date the financial statements were available to be issued.

In April of 2021, the Plan changed custodians from Mutual of America Life Insurance Company to Reliance Trust Company.

Risks and Uncertainties
The Plan invests in an interest accumulation account managed by Mutual of America Life Insurance Company and registered investment companies. These investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

On March 11, 2020, the outbreak of COVID-19 (coronavirus) caused by a novel strain of the coronavirus was recognized as a pandemic by the World Health Organization, and the outbreak has become increasingly widespread negatively affecting the world economy and as a result, performance of investment options available in the Plan. The full impact of the COVID-19 continues to evolve as of the date of this report and will depend largely on future developments, which are highly uncertain and cannot be accurately predicted, including among other things, new information which may emerge concerning the severity of the outbreak and actions taken by government authorities to contain the pandemic or treats its impact. The effect of the COVID-19 will have on the Plan operations and investments is currently unknown.

**Note 3 – Information Certified by Custodian**

The Plan's investments are held by Mutual of America Life Insurance Company, the Custodian of the Plan. Investment decisions are made at the direction of the participants. The investments are credited for earnings thereon and charged for withdrawals and expenses as charged by the Custodian. The Plan Administrator has obtained a certification from the Custodian as of December 31, 2020 and 2019, and for the year ended December 31, 2020, that the following information provided to the Plan Administrator by the Custodian is complete and accurate:

- Investments, at fair value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest and dividends
- Interest on notes receivable from participants

### Note 4 – Party-in-Interest Transactions

Certain Plan investments are units of registered investment companies and an interest accumulation account managed by Mutual of America Life Insurance Company. Transactions with this entity qualify as party-in-interest transactions. The Plan allows participants to borrow from their vested account balance. Mutual of America Life Insurance Company is the Custodian and recordkeeper as defined by the Plan and participant loans qualify as party-in-interest transactions.

### Note 5 – Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

> Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
>
> Level 2 - Inputs to the valuation methodology include: 1) quoted prices for similar assets or liabilities in active markets; 2) quoted prices for identical or similar assets or liabilities in inactive markets; 3) inputs other than quoted prices that are observable for the asset or liability; 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
>
> Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

*Registered Investment Companies (Mutual Funds):* These are valued at unadjusted quoted price, based on the net asset value (NAV) of shares held by the Plan at year end.

*Interest Accumulation Account:* The Plan's group annuity contract held in the General Account of Mutual of America, the insurance carrier for the Plan, is valued at contract value which is equal to fair value and is considered to be a cash equivalent. Contract value represents contributions made under the contract, plus interest at the credited rate, less funds used to purchase annuities and pay administrative expenses charged. The General Account has been excluded from the fair-value hierarchy described herein.

The Plan had no financial assets that were measured at fair value on a non-recurring basis during the year ended December 31, 2020. There were no transfers between levels during the year ended December 31, 2020.

**Note 5 – Fair Value Measurements, continued**

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

| | Investments, at Fair Value as of December 31, 2020 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |

**Note 6 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**Note 7 – Delinquent Employee Deferral Transmittals**

During the year ended December 31, 2019, the Company erroneously failed to remit certain employee deferrals totaling $3,156 to the Plan in the time period described in 29 CFR 2510.3-102. The Company subsequently remitted the deferrals to the Plan and made a corrective contribution to the Plan for lost earnings.

### Note 8 – Tax Status

The Internal Revenue Service has determined and informed the Plan's volume submitter sponsor by an opinion letter dated March 31, 2014, that the Volume Submitter Profit Sharing Plan with CODA sponsored by Trombino Pension Administrators, Inc. which has been adopted by the Plan, is acceptable pursuant to section 401 of the Internal Revenue Code (IRC) and in compliance with the applicable requirements of the IRC. The Plan has not requested its own determination letter from the Internal Revenue Service. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements as of December 31, 2020. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
