NOTE 1 - DESCRIPTION OF PLAN

The following description of the EDCO Deferred Compensation Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) GENERAL

The Plan is a deferred compensation 401(k) Plan covering all full-time employees of EDCO Disposal Corporation (EDCO), EDCO Waste and Recycling Services, Inc., EDCO Waste Services, LLC, EDCO Refuse Services, Inc., EDCO Transport Services, LLC, JEMCO Equipment Corporation and SANCO Services, L.P. (collectively, the Company). All full-time employees with five consecutive months of service are eligible to participate in the Plan. All employees must be age eighteen or older. The Plan is subject to ERISA.

The Plan became effective on June 1, 1981 and was most recently amended effective September 1, 2016 to include a new participating employer, Daily Disposal, Inc.

(b) CONTRIBUTIONS

A participant employee may elect to defer up to the maximum percentage allowable of his/her annual compensation, subject to IRS limitations. The employer contributes an amount equal to 100% of each participant’s contribution up to 5% of salary deferred by the participants.

(c) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, the Company's contribution and an allocation of Plan earnings. Allocations are based on factors such as matching contributions and the participant's account balance. The benefit to which a participant is entitled is the balance that can be provided from the participant's account. Forfeitures of terminated participants’ non-vested accounts are used to reduce employer contributions or pay for Plan expenses for the Plan year. The Company used $14,202 of the forfeitures to pay for Plan expenses for the year ended May 31, 2021. As of May 31, 2021 and 2020, $30 and $51 in forfeitures were available to the Plan, respectively.

(d) VESTING

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer contribution account is based on years of continuous service. All active participants are 100% vested after three years of credited service with 33.3% vesting per year of service from year one. Upon a participant's death or permanent disability while employed by the Company, or upon retirement at or after normal retirement age, the participant becomes 100% vested.

NOTE 1 - DESCRIPTION OF PLAN (continued)

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to 50% of their vested account balance subject to a minimum loan amount of $500 and a maximum loan amount of $50,000. The Plan requires an interest rate commensurate with the prevailing interest rate charged on similar commercial loans under like circumstances by persons in the business of lending money. Participant loans are secured by their vested interest in the Plan and they may only have one loan outstanding at a time. Loans must be repaid within five years unless the loan is for the purchase of a principal residence, in which case, the loans can be repaid within thirty years. At May 31, 2021, the interest rate on the loans varied between 3.25% and 5.50%. Principal and interest are paid through payroll deductions. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of May 31, 2021 or 2020.

(f) PAYMENT OF BENEFITS

On termination of service, a participant may elect to receive a single lump-sum payment of the value of his or her account, equal installments or an annuity for a period not exceeding life expectancy. Benefits are recorded when paid. There were no pending benefit claims for participants separated from service that have not yet been paid as of May 31, 2021.

(g) ADMINISTRATIVE EXPENSES

The Plan is charged with administrative expenses incurred. Transaction charges are paid by the participants.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

(a) BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) USE OF ESTIMATES

The preparation of financial statements in accordance with generally accepted accounting principles requires management to use certain estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses during the reporting period. Although management believes its estimates are appropriate, changes in assumptions utilized in preparing such estimates could cause these estimates to change sometime in the future.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (continued)

(c) RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, including mutual funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect amounts reported in the financial statements.

(d) VALUATION OF INVESTMENTS AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of May 31, 2021 or 2020.

(f) SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through March 10, 2022, the date the financial statements were available to be issued. No such material events or transactions were noted to have occurred.

NOTE 3 - INVESTMENTS

Information regarding the Plan investments included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by Ascensus Trust Company (Plan custodian).

Upon enrollment in the Plan, a participant may direct contributions to any of the investment options maintained by Ascensus Trust Company. Participants may change their investment options at their discretion.

NOTE 3 - INVESTMENTS (continued)

The following was certified as to being complete and accurate by Ascensus Trust Company:

- Investment accounts and notes receivable from participants as shown in the statements of net assets available for benefits as of May 31, 2021 and 2020.
- Investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended May 31, 2021.
- Supplementary schedule of assets (held at end of year).

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the statements of net assets available for benefits and changes in net assets available for benefits and the supplementary schedule of assets (held at end of year).

Upon enrollment in the Plan, a participant may direct contributions to any of the investment options maintained by Ascensus Trust Company. Participants may change their investment options at their discretion.

NOTE 4 - FAIR VALUE MEASUREMENT

The Plan has implemented the fair value accounting standard. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements.

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at May 31, 2021 and 2020, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

		Fair Value Measurements Using		
	Year Ended May 31	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2021:				
Mutual Funds	$ 103,934,937	$ 103,934,937	$ -	$ -
TOTAL	$ 103,934,937	$ 103,934,937	$ -	$ -
2020:				
Mutual Funds	$ 86,019,303	$ 86,019,303	$ -	$ -
TOTAL	$ 86,019,303	$ 86,019,303	$ -	$ -

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2021 and 2020.

- **Mutual Funds:** Valued at the closing price reported on the active market on which the funds and securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain investment instruments are managed by Ascensus Trust Company. Ascensus Trust Company is a custodian as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

NOTE 6 - TAX STATUS

The IRS has determined and informed the Company by a letter dated January 1 2018, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, the participants will become 100% vested.

NOTE 8 - IMPACT OF COVID-19 PANDEMIC

The recent COVID-19 outbreak in the United States and world-wide has caused business disruption, which may negatively impact the Company's operations. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration. It is therefore likely there will be an impact on the Company's operating activities and results. However, the related financial impact and duration cannot be reasonably estimated at this time.

NOTE 9 - CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY ACT

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was passed by the U.S. Senate on March 26, 2020. Section 2202 of the CARES Act permits eligible Plan participants to request penalty-free distributions of up to $100,000, increase the available loan amount to the lesser of $100,000 or 100% of the participant's vested account and extend the period for loan repayment for up to one year for qualifying coronavirus-related reasons. These reasons include adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to a lack of childcare due to COVID-19. The Plan adopted the CARES Act distribution option in the Plan.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the EDCO Deferred Compensation Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) GENERAL

The Plan is a deferred compensation 401(k) Plan covering all full-time employees of EDCO Disposal Corporation (EDCO), EDCO Waste and Recycling Services, Inc., EDCO Waste Services, LLC, EDCO Refuse Services, Inc., EDCO Transport Services, LLC, JEMCO Equipment Corporation and SANCO Services, L.P. (collectively, the Company). All full-time employees with five consecutive months of service are eligible to participate in the Plan. All employees must be age eighteen or older. The Plan is subject to ERISA.

The Plan became effective on June 1, 1981 and was most recently amended effective September 1, 2016 to include a new participating employer, Daily Disposal, Inc.

(b) CONTRIBUTIONS

A participant employee may elect to defer up to the maximum percentage allowable of his/her annual compensation, subject to IRS limitations. The employer contributes an amount equal to 100% of each participant’s contribution up to 5% of salary deferred by the participants.

(c) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, the Company's contribution and an allocation of Plan earnings. Allocations are based on factors such as matching contributions and the participant's account balance. The benefit to which a participant is entitled is the balance that can be provided from the participant's account. Forfeitures of terminated participants’ non-vested accounts are used to reduce employer contributions or pay for Plan expenses for the Plan year. The Company used $14,202 of the forfeitures to pay for Plan expenses for the year ended May 31, 2021. As of May 31, 2021 and 2020, $30 and $51 in forfeitures were available to the Plan, respectively.

(d) VESTING

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer contribution account is based on years of continuous service. All active participants are 100% vested after three years of credited service with 33.3% vesting per year of service from year one. Upon a participant's death or permanent disability while employed by the Company, or upon retirement at or after normal retirement age, the participant becomes 100% vested.

NOTE 1 - DESCRIPTION OF PLAN (continued)

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to 50% of their vested account balance subject to a minimum loan amount of $500 and a maximum loan amount of $50,000. The Plan requires an interest rate commensurate with the prevailing interest rate charged on similar commercial loans under like circumstances by persons in the business of lending money. Participant loans are secured by their vested interest in the Plan and they may only have one loan outstanding at a time. Loans must be repaid within five years unless the loan is for the purchase of a principal residence, in which case, the loans can be repaid within thirty years. At May 31, 2021, the interest rate on the loans varied between 3.25% and 5.50%. Principal and interest are paid through payroll deductions. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of May 31, 2021 or 2020.

(f) PAYMENT OF BENEFITS

On termination of service, a participant may elect to receive a single lump-sum payment of the value of his or her account, equal installments or an annuity for a period not exceeding life expectancy. Benefits are recorded when paid. There were no pending benefit claims for participants separated from service that have not yet been paid as of May 31, 2021.

(g) ADMINISTRATIVE EXPENSES

The Plan is charged with administrative expenses incurred. Transaction charges are paid by the participants.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

(a) BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) USE OF ESTIMATES

The preparation of financial statements in accordance with generally accepted accounting principles requires management to use certain estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses during the reporting period. Although management believes its estimates are appropriate, changes in assumptions utilized in preparing such estimates could cause these estimates to change sometime in the future.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (continued)

(c) RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, including mutual funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect amounts reported in the financial statements.

(d) VALUATION OF INVESTMENTS AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of May 31, 2021 or 2020.

(f) SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through March 10, 2022, the date the financial statements were available to be issued. No such material events or transactions were noted to have occurred.

NOTE 3 - INVESTMENTS

Information regarding the Plan investments included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by Ascensus Trust Company (Plan custodian).

Upon enrollment in the Plan, a participant may direct contributions to any of the investment options maintained by Ascensus Trust Company. Participants may change their investment options at their discretion.

NOTE 3 - INVESTMENTS (continued)

The following was certified as to being complete and accurate by Ascensus Trust Company:

- Investment accounts and notes receivable from participants as shown in the statements of net assets available for benefits as of May 31, 2021 and 2020.
- Investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended May 31, 2021.
- Supplementary schedule of assets (held at end of year).

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the statements of net assets available for benefits and changes in net assets available for benefits and the supplementary schedule of assets (held at end of year).

Upon enrollment in the Plan, a participant may direct contributions to any of the investment options maintained by Ascensus Trust Company. Participants may change their investment options at their discretion.

NOTE 4 - FAIR VALUE MEASUREMENT

The Plan has implemented the fair value accounting standard. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements.

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at May 31, 2021 and 2020, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

		Fair Value Measurements Using		
	Year Ended May 31	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2021:				
Mutual Funds	$ 103,934,937	$ 103,934,937	$ -	$ -
TOTAL	$ 103,934,937	$ 103,934,937	$ -	$ -
2020:				
Mutual Funds	$ 86,019,303	$ 86,019,303	$ -	$ -
TOTAL	$ 86,019,303	$ 86,019,303	$ -	$ -

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2021 and 2020.

- **Mutual Funds:** Valued at the closing price reported on the active market on which the funds and securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain investment instruments are managed by Ascensus Trust Company. Ascensus Trust Company is a custodian as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

NOTE 6 - TAX STATUS

The IRS has determined and informed the Company by a letter dated January 1 2018, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, the participants will become 100% vested.

NOTE 8 - IMPACT OF COVID-19 PANDEMIC

The recent COVID-19 outbreak in the United States and world-wide has caused business disruption, which may negatively impact the Company's operations. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration. It is therefore likely there will be an impact on the Company's operating activities and results. However, the related financial impact and duration cannot be reasonably estimated at this time.

NOTE 9 - CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY ACT

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was passed by the U.S. Senate on March 26, 2020. Section 2202 of the CARES Act permits eligible Plan participants to request penalty-free distributions of up to $100,000, increase the available loan amount to the lesser of $100,000 or 100% of the participant's vested account and extend the period for loan repayment for up to one year for qualifying coronavirus-related reasons. These reasons include adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to a lack of childcare due to COVID-19. The Plan adopted the CARES Act distribution option in the Plan.
