Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Associated Trust Company, N.A., the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the period ended August 3, 2021 (in liquidation) and as of December 31, 2020 (ongoing) that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the Board of Directors of Barnes International, Inc., the Plan's Sponsor, approved a plan of liquidation in March 2021, and management determined liquidation was imminent. In accordance with accounting principles generally accepted in the United States of America, the Plan changed its basis of accounting from the going concern basis used in presenting the 2020 financial statements to the liquidation basis used in presenting the 2021 financial statements. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

The Plan administrator was responsible for the oversight of the Plan and determined the appropriateness of the Plan's investment offerings and monitored investment performance.

Termination of the Plan

In March 2021, the Board of Directors of Barnes International, Inc., the Plan's Sponsor, approved a plan of liquidation effective March 16, 2021 and determined liquidation was imminent. As of March 16, 2021, all contributions to the Plan were ceased and all active participants became fully vested in any unvested balances held in the Plan. Plan management distributed all assets of the plan by August 3, 2021.

Contributions

Participants could make salary deferral contributions up to the maximum amount allowed by the Internal Revenue Code (IRC). The Plan included an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants had their deferral rate set at 2% of eligible compensation, and their contributions invested in the designated default fund until changed by the participant. Effective January 1, 2019, participants with a deferral rate greater than zero but less than 6% had deferral increased annually by 1% until a deferral rate of 6% was reached, unless they affirmatively elected each year not to have their deferral rate increased. Participants who attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. If employee contributions caused the Plan to exceed the 401(k) discrimination limits, excess contributions were refunded to the participants.

The Company matching contribution on behalf of each participant was 25% of participant contributions, up to 6% of eligible compensation. The Company could also make a discretionary profit sharing match. A profit-sharing match was not made in 2021 or 2020. Contributions were subject to certain limitations.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account was credited with the participant's voluntary salary deferral contribution, the Company's matching contributions (if applicable), and an allocation of: (a) the Company's profit-sharing contribution (if applicable) and (b) Plan earnings and was reduced for certain fees. Allocations were based on participant earnings or account balances, as defined in the Plan agreement. The Company's profit sharing contributions were allocated based on participant's eligible compensation. The participant's account was charged with an allocation of the individual investment's administrative expenses and charged directly for those obtaining loans. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account. The Company allowed terminated participants to keep his/her investments in the Plan. Accounts of terminated participants do not receive any Company contributions.

Vesting

Participant contributions, employer match, and earnings thereon vested immediately. A participant's vesting in profit sharing was based on years of service. A participant became vested in the profit sharing according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less Than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or More	100%

Notwithstanding the above, a participant was fully vested upon reaching normal retirement age, death, or permanent disability. Effective March 2021, upon Plan termination, all participants became 100% vested in their accounts.

Notes Receivable from Participants

Participants could borrow from his/her account a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or 50% of his/her employee deferral account balance. The loans were secured by the balance in the participant's account and bore interest at the prime rate plus 2%. The interest rate ranged from 5.25% to 7.50% on existing loans for the period ended August 3, 2021. The interest rate ranged from 5.50% to 7.50% on existing loans for the year ended December 31, 2020. Loan terms ranged from 1 to 5 years, or longer for the purchase of a primary residence. Principal and interest were paid ratably through payroll deductions. Plan participants could have only one loan outstanding at a time.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Benefit Payments

Upon termination of service due to death, disability, retirement, or termination, a participant could elect to receive an amount equal to the participant's vested account balance as a lump sum distribution or lifetime annuity installments. Upon reaching 59½ years of age, a participant with a fully vested account could receive an in-service distribution prior to separation from service. Hardship withdrawals were permitted.

If the vested benefits were less than \$5,000, the balance would be distributed as either a cash distribution to the participant or transferred to an eligible retirement plan, at the direction of the participant. If the participant did not elect a method of payment and the balance was greater than \$1,000, it would automatically be rolled over into an Individual Retirement Account (IRA). Balances of less than \$1,000 would be distributed in cash to the participant. If the balance was more than \$5,000, an election to receive the benefit had to be made.

Forfeited Accounts

Forfeitures were used to reduce Employer contributions and the Plan's administrative expenses. During 2021 and 2020, \$-0- and \$165 were used to reduce Employer contributions, respectively. During 2021 and 2020, no forfeitures were used to reduce administrative expenses. The forfeiture account balance at August 3, 2021 and December 31, 2020 was \$-0-.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan adopted the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2013-07, which requires the use of liquidation basis of accounting when liquidation is imminent. Accordingly, the Plan changed its basis of accounting from the ongoing plan basis to the liquidation basis as of March 16, 2021, the date liquidation was deemed imminent.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period or year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of August 3, 2021 or December 31, 2020.

Delinquent participant notes receivable are reclassified as distributions based upon the terms of the Plan documents.

Benefit Payments

Benefit payments to participants are recorded when paid.

Administrative Expenses

The Plan's expenses were paid either by the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investment presented in the accompanying statements of changes in net assets available for benefits.

Recordkeeping and investment management fees incurred by the Plan are paid by the Plan Sponsor. Administrative expenses charged by the individual investment are paid from the assets of the Plan.

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through February 1, 2022, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Certain information related to investments from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at August 3, 2021 (in liquidation) and December 31, 2020 (ongoing), and net appreciation in fair value of the investments, interest and dividends, interest income from notes receivables from participants for the period ended August 3, 2021 (in liquidation) was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Associated Trust Company, N.A., the trustee of the Plan.

NOTE 4 FAIR VALUE INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 FAIR VALUE INVESTMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2020. As a result of the Plan's termination and liquidation, there were no investments held at August 3, 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Funds: Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

The following tables set forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 10,507,292	\$ -	\$ -	\$ 10,507,292
Common Collective Fund	-	452,220	-	452,220
Total Assets at Fair Value	<u>\$ 10,507,292</u>	<u>\$ 452,220</u>	<u>\$ -</u>	<u>\$ 10,959,512</u>

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA. On March 3, 2021, the Board of Directors of the Plan Sponsor approved to terminate the Plan, effective March 16, 2021 and discontinue all contributions effective March 16, 2021. All participants were fully vested. The participants in the Plan had to request a distribution or their money was moved to an IRA. All funds were distributed from the Plan by August 3, 2021.

NOTE 7 PLAN TAX STATUS

The Plan is operating under a nonstandardized adoption agreement sponsored by Associated Trust Company, N.A., for which the prototype sponsor has received an opinion letter dated May 8, 2015, from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 RELATED PARTY TRANSACTIONS

Associated Trust Company, N.A., is the trustee as defined by the Plan, and therefore, transactions qualify as party-in-interest transactions. Fees paid to the trustee during 2021 were \$45,971.

Certain administrative functions are performed by officers or employees of the Company, for which they receive no compensation from the Plan.
