Statement by Enrolled Actuary

To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.

SIGN HERE

Schedule SB (Form 5500) 2020
v. 200204

Part II Beginning of Year Carryover and Prefunding Balances

	(a) Carryover balance	(b) Prefunding balance
7 Balance at beginning of prior year after applicable adjustments (line 13 from prior year)	0	2683535
8 Portion elected for use to offset prior year's funding requirement (line 35 from prior year)		
9 Amount remaining (line 7 minus line 8)	0	2683535
10 Interest on line 9 using prior year's actual return of <u>7.36</u> %	0	197508
11 Prior year's excess contributions to be added to prefunding balance:		
a Present value of excess contributions (line 38a from prior year)		0
b(1) Interest on the excess, if any, of line 38a over line 38b from prior year Schedule SB, using prior year's effective interest rate of <u>5.44</u> %		0
b(2) Interest on line 38b from prior year Schedule SB, using prior year's actual return		
c Total available at beginning of current plan year to add to prefunding balance		0
d Portion of (c) to be added to prefunding balance		0
12 Other reductions in balances due to elections or deemed elections	0	0
13 Balance at beginning of current year (line 9 + line 10 + line 11d – line 12)	0	2881043

Part III Funding Percentages

14 Funding target attainment percentage	14	102.95 %
15 Adjusted funding target attainment percentage	15	118.58 %
16 Prior year's funding percentage for purposes of determining whether carryover/prefunding balances may be used to reduce current year's funding requirement	16	101.34 %
17 If the current value of the assets of the plan is less than 70 percent of the funding target, enter such percentage	17	%

Part IV Contributions and Liquidity Shortfalls**18** Contributions made to the plan for the plan year by employer(s) and employees:

(a) Date (MM-DD-YYYY)	(b) Amount paid by employer(s)	(c) Amount paid by employees	(a) Date (MM-DD-YYYY)	(b) Amount paid by employer(s)	(c) Amount paid by employees
Totals ►			18(b)	0	18(c) 0

19 Discounted employer contributions – see instructions for small plan with a valuation date after the beginning of the year:

a Contributions allocated toward unpaid minimum required contributions from prior years.	19a	0
b Contributions made to avoid restrictions adjusted to valuation date	19b	0
c Contributions allocated toward minimum required contribution for current year adjusted to valuation date	19c	0

20 Quarterly contributions and liquidity shortfalls:

- a** Did the plan have a "funding shortfall" for the prior year? ☐ Yes ☒ No
- b** If line 20a is "Yes," were required quarterly installments for the current year made in a timely manner? ☐ Yes ☐ No
- c** If line 20a is "Yes," see instructions and complete the following table as applicable:

Liquidity shortfall as of end of quarter of this plan year			
(1) 1st	(2) 2nd	(3) 3rd	(4) 4th

Part V Assumptions Used to Determine Funding Target and Target Normal Cost**21** Discount rate:**a** Segment rates:1st segment:

Part I	Service Provider Information (see instructions)
---------------	--

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions).. ☐ Yes ☒ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

2. Information on Other Service Providers Receiving Direct or Indirect Compensation. Except for those persons for whom you answered "Yes" to line 1a above, complete as many entries as needed to list each person receiving, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of value) in connection with services rendered to the plan or their position with the plan during the plan year. (See instructions).

(a) Enter name and EIN or address (see instructions)

SCHEDULE H (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Financial Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA), and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2020 This Form is Open to Public Inspection
--	--	--

For calendar plan year 2020 or fiscal plan year beginning 07/01/2020 and ending 06/30/2021		
A Name of plan UNION EMPLOYEES' RETIREMENT PLAN OF INDIANA GLASS COMPANY	B Three-digit plan number (PN) ►	222
C Plan sponsor's name as shown on line 2a of Form 5500 LANCASTER GLASS CORPORATION	D Employer Identification Number (EIN) 31-4230990	

Part I	Asset and Liability Statement		(a) Beginning of Year	(b) End of Year
1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.				
	Assets			
a	Total noninterest-bearing cash.....	1a		
b	Receivables (less allowance for doubtful accounts):			
	(1) Employer contributions	1b(1)		
	(2) Participant contributions.....	1b(2)		
	(3) Other	1b(3)	11	4
c	General investments:			
	(1) Interest-bearing cash (include money market accounts & certificates of deposit)	1c(1)	127842	186956
	(2) U.S. Government securities	1c(2)		
	(3) Corporate debt instruments (other than employer securities):			
	(A) Preferred	1c(3)(A)		
	(B) All other	1c(3)(B)		
	(4) Corporate stocks (other than employer securities):			
	(A) Preferred	1c(4)(A)		
	(B) Common	1c(4)(B)		
	(5) Partnership/joint venture interests	1c(5)		
	(6) Real estate (other than employer real property)	1c(6)		
	(7) Loans (other than to participants)	1c(7)		
	(8) Participant loans	1c(8)		
	(9) Value of interest in common/collective trusts	1c(9)		
	(10) Value of interest in pooled separate accounts	1c(10)		
	(11) Value of interest in master trust investment accounts	1c(11)	21922670	23535070
	(12) Value of interest in 103-12 investment entities	1c(12)		
	(13) Value of interest in registered investment companies (e.g., mutual funds)	1c(13)		
	(14) Value of funds held in insurance company general account (unallocated contracts).....	1c(14)		
	(15) Other.....	1c(15)		

		(a) Beginning of Year	(b) End of Year
1d	Employer-related investments:		
(1)	Employer securities.....	1d(1)	
(2)	Employer real property.....	1d(2)	
e	Buildings and other property used in plan operation	1e	
f	Total assets (add all amounts in lines 1a through 1e)	1f	22050523 23722030
Liabilities			
g	Benefit claims payable	1g	
h	Operating payables	1h	
i	Acquisition indebtedness.....	1i	
j	Other liabilities.....	1j	0 0
k	Total liabilities (add all amounts in lines 1g through 1j)	1k	0 0
Net Assets			
l	Net assets (subtract line 1k from line 1f)	1l	22050523 23722030

Part II Income and Expense Statement

2 Plan income, expenses, and changes in net assets for the year. Include all income and expenses of the plan, including any trust(s) or separately maintained fund(s) and any payments/receipts to/from insurance carriers. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 2a, 2b(1)(E), 2e, 2f, and 2g.

		(a) Amount	(b) Total
Income			
a	Contributions:		
(1)	Received or receivable in cash from: (A) Employers	2a(1)(A)	
	(B) Participants	2a(1)(B)	
	(C) Others (including rollovers).....	2a(1)(C)	
(2)	Noncash contributions	2a(2)	
(3)	Total contributions. Add lines 2a(1)(A) , (B) , (C) , and line 2a(2)	2a(3)	0
b	Earnings on investments:		
(1)	Interest:		
	(A) Interest-bearing cash (including money market accounts and certificates of deposit).....	2b(1)(A)	42
	(B) U.S. Government securities	2b(1)(B)	
	(C) Corporate debt instruments	2b(1)(C)	
	(D) Loans (other than to participants)	2b(1)(D)	
	(E) Participant loans.....	2b(1)(E)	
	(F) Other	2b(1)(F)	
	(G) Total interest. Add lines 2b(1)(A) through (F)	2b(1)(G)	42
(2)	Dividends: (A) Preferred stock.....	2b(2)(A)	
	(B) Common stock	2b(2)(B)	
	(C) Registered investment company shares (e.g. mutual funds).....	2b(2)(C)	
	(D) Total dividends. Add lines 2b(2)(A) , (B) , and (C)	2b(2)(D)	0
(3)	Rents	2b(3)	
(4)	Net gain (loss) on sale of assets: (A) Aggregate proceeds	2b(4)(A)	1632000
	(B) Aggregate carrying amount (see instructions).....	2b(4)(B)	1510006
	(C) Subtract line 2b(4)(B) from line 2b(4)(A) and enter result	2b(4)(C)	121994
(5)	Unrealized appreciation (depreciation) of assets: (A) Real estate	2b(5)(A)	
	(B) Other	2b(5)(B)	
	(C) Total unrealized appreciation of assets. Add lines 2b(5)(A) and (B)	2b(5)(C)	0

		(a) Amount	(b) Total
(6) Net investment gain (loss) from common/collective trusts.....	2b(6)		
(7) Net investment gain (loss) from pooled separate accounts.....	2b(7)		
(8) Net investment gain (loss) from master trust investment accounts	2b(8)		3021406
(9) Net investment gain (loss) from 103-12 investment entities	2b(9)		
(10) Net investment gain (loss) from registered investment companies (e.g., mutual funds)	2b(10)		
c Other income	2c		
d Total income. Add all income amounts in column (b) and enter total.....	2d		3143442

Expenses

e Benefit payment and payments to provide benefits:			
(1) Directly to participants or beneficiaries, including direct rollovers.....	2e(1)	1349305	
(2) To insurance carriers for the provision of benefits	2e(2)		
(3) Other.....	2e(3)		
(4) Total benefit payments. Add lines 2e(1) through (3)	2e(4)		1349305
f Corrective distributions (see instructions)	2f		
g Certain deemed distributions of participant loans (see instructions).....	2g		
h Interest expense.....	2h		
i Administrative expenses: (1) Professional fees	2i(1)	56144	
(2) Contract administrator fees	2i(2)	17931	
(3) Investment advisory and management fees	2i(3)	0	
(4) Other.....	2i(4)	48555	
(5) Total administrative expenses. Add lines 2i(1) through (4)	2i(5)		122630
j Total expenses. Add all expense amounts in column (b) and enter total.....	2j		1471935

Net Income and Reconciliation

k Net income (loss). Subtract line 2j from line 2d	2k		1671507
l Transfers of assets:			
(1) To this plan.....	2l(1)		
(2) From this plan	2l(2)		

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **BDO USA, LLP**

(2) EIN: **13-5381590**

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		6000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	X		
4j	X		
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
4k		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n			
5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year?..... ☐ Yes ☒ No If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.			
5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)			
5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)	
5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☒ Yes ☐ No ☐ Not determined If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year 4347105.			

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ▶ File as an attachment to Form 5500.	OMB No. 1210-0110 2020 This Form is Open to Public Inspection.
---	--	---

For calendar plan year 2020 or fiscal plan year beginning 07/01/2020 and ending 06/30/2021

A Name of plan UNION EMPLOYEES' RETIREMENT PLAN OF INDIANA GLASS COMPANY	B Three-digit plan number (PN) ▶ 222
C Plan sponsor's name as shown on line 2a of Form 5500 LANCASTER GLASS CORPORATION	D Employer Identification Number (EIN) 31-4230990

Part I	Distributions
--------	---------------

All references to distributions relate only to payments of benefits during the plan year.

1	Total value of distributions paid in property other than in cash or the forms of property specified in the instructions.....	1	0
2	Enter the EIN(s) of payor(s) who paid benefits on behalf of the plan to participants or beneficiaries during the year (if more than two, enter EINs of the two payors who paid the greatest dollar amounts of benefits): EIN(s): _____ Profit-sharing plans, ESOPs, and stock bonus plans, skip line 3.		
3	Number of participants (living or deceased) whose benefits were distributed in a single sum, during the plan year	3	0

Part II	Funding Information (If the plan is not subject to the minimum funding requirements of section 412 of the Internal Revenue Code or ERISA section 302, skip this Part.)
---------	--

4	Is the plan administrator making an election under Code section 412(d)(2) or ERISA section 302(d)(2)?	☐ Yes	☒ No	☐ N/A
If the plan is a defined benefit plan, go to line 8.				
5	If a waiver of the minimum funding standard for a prior year is being amortized in this plan year, see instructions and enter the date of the ruling letter granting the waiver. Date: Month _____ Day _____ Year _____ If you completed line 5, complete lines 3, 9, and 10 of Schedule MB and do not complete the remainder of this schedule.			
6	a Enter the minimum required contribution for this plan year (include any prior year accumulated funding deficiency not waived)	6a		
	b Enter the amount contributed by the employer to the plan for this plan year	6b		
	c Subtract the amount in line 6b from the amount in line 6a. Enter the result (enter a minus sign to the left of a negative amount).....	6c		
If you completed line 6c, skip lines 8 and 9.				
7	Will the minimum funding amount reported on line 6c be met by the funding deadline?	☐ Yes	☐ No	☐ N/A
8	If a change in actuarial cost method was made for this plan year pursuant to a revenue procedure or other authority providing automatic approval for the change or a class ruling letter, does the plan sponsor or plan administrator agree with the change?	☐ Yes	☐ No	☒ N/A

Part III	Amendments
----------	------------

9	If this is a defined benefit pension plan, were any amendments adopted during this plan year that increased or decreased the value of benefits? If yes, check the appropriate box. If no, check the "No" box.....	☐ Increase	☐ Decrease	☐ Both	☒ No
---	---	-----------------------------------	-----------------------------------	-------------------------------	--

Part IV	ESOPs (see instructions). If this is not a plan described under section 409(a) or 4975(e)(7) of the Internal Revenue Code, skip this Part.
---------	--

10	Were unallocated employer securities or proceeds from the sale of unallocated securities used to repay any exempt loan?	☐ Yes	☐ No
11	a Does the ESOP hold any preferred stock?	☐ Yes	☐ No
	b If the ESOP has an outstanding exempt loan with the employer as lender, is such loan part of a "back-to-back" loan? (See instructions for definition of "back-to-back" loan.)	☐ Yes	☐ No
12	Does the ESOP hold any stock that is not readily tradable on an established securities market?	☐ Yes	☐ No

For Paperwork Reduction Act Notice, see the Instructions for Form 5500.

Schedule R (Form 5500) 2020
v. 200204

Part V Additional Information for Multiemployer Defined Benefit Pension Plans

13 Enter the following information for each employer that contributed more than 5% of total contributions to the plan during the plan year (measured in dollars). See instructions. *Complete as many entries as needed to report all applicable employers.*

a Name of contributing employer

b EIN

c Dollar amount contributed by employer

d Date collective bargaining agreement expires (If employer contributes under more than one collective bargaining agreement, check box ☐ and see instructions regarding required attachment. Otherwise, enter the applicable date.) Month _____ Day _____ Year _____

Independent Auditor's Report

To the Plan Administrator
Union Employees' Retirement Benefit Plan of
Indiana Glass Company
Westerville, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Union Employees' Retirement Benefit Plan of Indiana Glass Company (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of June 30, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the statement of accumulated plan benefits as of June 30, 2021, and the related statement of changes in accumulated plan benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of June 30, 2021, and for the year ended June 30, 2021, stating that the certified investment information, as described in Note 2 and 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The 2021 supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4j - Schedule of Reportable Transactions, are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the 2021 financial statements and certain additional

procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits as of June 30, 2020 and the statement of accumulated plan benefits as of June 30, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated March 9, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not, express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

1. Description of Plan and Tax Status

The Union Employees' Retirement Benefit Plan of Indiana Glass Company (Plan) is contained in the agreement dated February 2, 2005 between Dkirk, Inc., formerly known as Indiana Glass Company, (Company) and the United Steelworkers of America, AFL-CIO. Effective July 1, 2015, the Company's obligations under the Plan were assumed by Lancaster Glass Corporation as a result of the merger of the Company into Lancaster Glass Corporation. The Plan is a noncontributory defined benefit plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Participants should refer to the plan document as well as the aforementioned agreement for more complete information. See also Note 7 for amendments to benefit provisions.

At June 30, 2021 and 2020, the Plan had no active participants.

The Plan invests a significant portion of its assets in a Master Trust with other subsidiaries of Lancaster Colony Corporation whereby they pool their investment assets. Allocation of net assets, net investment income, and gains and losses to participating plans are allocated to the plans on a pro rata basis measured in terms of units. Participants should refer to the Master Pension Trust Agreement for more complete information. See Note 5 for summary information on the Master Trust. The Plan's interest in the Master Trust was approximately 60% at June 30, 2021 and 2020.

On November 1, 2002, the Company announced a partial plant shutdown. As a result of this event, Plan participants terminated during the 12-month period ending on November 26, 2002 became 100% vested in the Plan. This plant was closed and all remaining employees became fully vested and were terminated on February 28, 2009.

The Plan obtained a favorable determination letter dated June 27, 2014 from the Internal Revenue Service. The Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code including any which have become effective since the effective date of the amendments in the latest determination letter. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the tax authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

a. *Basis of accounting.*

The accompanying financial statements are prepared on the accrual basis of accounting.

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

b. *Use of estimates.*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities, and the actuarial present value of accumulated plan benefits at the date of the financial statements. Actual results could differ from those estimates.

c. *Investment valuation and income recognition.*

Fair values of investments, in and outside of the Master Trust, are based on the latest securities quotations available as provided by the trustee of the Plan. See Note 5 for discussion of the investment in the Master Trust and Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

d. *Actuarial present value of accumulated plan benefits.*

Accumulated plan benefits are those future periodic payments, including lump sum distributions, that are attributable under the Plan's provisions to the service employees have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, and (b) beneficiaries of employees who have died. Benefits under the Plan are based on employees' years of credited service. The accumulated plan benefits for active employees are based on their years of credited service ending on the date the benefit information is presented (the valuation date). Benefits payable under all circumstances - retirement, death, disability, and termination of employment - are included, to the extent they are deemed attributable to employee service rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an independent actuary from CBIZ Benefits & Insurance Services, Inc., and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment. The significant actuarial assumptions used in the valuations as of June 30, 2021 and 2020 were (a) life expectancy of participants (for 2021, the SOA PRI-2012 Blue-Collar Dataset Amount-Weighted Mortality for Employees, Retirees, and Contingent Survivor, projected with Scale MP-2020 fully generation was used; for 2020, the SOA PRI-2012 Blue-Collar Dataset Amount-Weighted Mortality for Employees, Retirees, and Contingent Survivor, projected with Scale MP-2019 fully generation mortality table was used), (b) retirement age assumptions (the assumed average retirement age was 65), and (c) investments return. The 2021 and 2020 valuations included an assumed average net rate of return of 5.48% and 5.25%, respectively. The computations of the actuarial present value of accumulated plan benefits were made as of July 1, 2021 and 2020. Had the valuation been performed as of June 30, there would be no material differences.

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

Plan amendments are included in the actuarial calculation of accumulated plan benefits as of their effective date (See also Note 7).

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

e. *Payment of benefits.*

Benefit payments to participants are recorded upon distribution.

f. *Certification of Plan assets.*

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Huntington National Bank, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules are complete and accurate:

- Investments as shown in the Statements of Net Assets Available for Benefits as of June 30, 2021 and 2020.
- Investment income, net, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended June 30, 2021.
- Investment information included in the Schedule of Assets (Held at End of Year) as of June 30, 2021 and the Schedule of Reportable Transactions for the year ended June 30, 2021, as shown on the ERISA-required supplemental schedules.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

g. *Administrative expenses.*

Substantially all administrative expenses are paid by the Plan.

h. *Events occurring after reporting date.*

The Plan has evaluated events and transactions that occurred between July 1, 2021 and March 15, 2022 which is the date that the financial statements were available to be issued for possible recognition or disclosure in the financial statements.

3. Funding Policy

The Company's funding policy is to make annual contributions to the Plan at least equal to an amount based on an actuarial calculation of the Plan's minimum funding requirements under ERISA. There was no contribution required for 2021 and 2020.

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA and in the collective bargaining agreement as described in Note 1.

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

4. Plan Termination

Should the Plan terminate at some future time, its net assets generally will not be available on a pro rata basis to provide participants' benefits. Whether a particular participant's accumulated plan benefits will be paid depends on both the priority of those benefits and the level of benefits guaranteed by the Pension Benefit Guaranty Corporation (PBGC) at that time. Some benefits may be fully or partially provided for by the then existing assets and the PBGC guaranty, while other benefits may not be provided for at all.

If the Plan terminates, the net assets of the Plan will be allocated as required by ERISA regulations. Certain benefits under the Plan are insured by the PBGC if the Plan terminates. The PBGC guarantees are outlined in the plan document and participants should refer to these documents for more complete information.

5. Investment in Master Trust

At June 30, 2021 and 2020, a significant portion of the Plan's assets were held in a Master Trust referred to as the Employee Benefit Trust Fund. At June 30, 2021 and 2020, the Plan owned shares of the Employee Benefit Trust Fund having a fair market value of \$23,535,070 and \$21,922,670, respectively.

<i>June 30,</i>	2021		2020	
	Master Trust Balances	Plan's Interest in the Master Trust	Master Trust Balances	Plan's Interest in the Master Trust

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

The following are net appreciation in the fair value of investments and investment income for the Employee Benefit Trust Fund for the year ended June 30, 2021.

<i>June 30,</i>	<i>2021</i>
Net appreciation in fair value of investments	\$ 5,215,632
Investment Income	47,823
Total	\$ 5,263,455

6. Fair Value Measurements

Accounting Standards Codification ("ASC") 820-10 *Fair Value of Measurements and Disclosure* defines fair value and provides guidance for measuring fair value and expands disclosures about fair value measurements in accordance with accounting principles generally accepted in the United States of America.

ASC 820-10 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobserved inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

Following is a description of the valuation methodologies used for assets measured at fair value.

Level 1: The securities classified as Level 1 include money market funds and mutual funds. Quoted market prices in active markets are available for investments in this category.

Level 2: The securities classified as Level 2 include U.S. government securities, corporate obligations, mortgage obligations and municipal obligations. The valuation methods for Level 2 assets are developed and maintained by third party pricing services that use a number of standard inputs in their valuation models. These inputs, listed in approximate order of priority, include: benchmark yields, reported trades, broker/dealer quotes, issuer spreads, two-sided markets, benchmark securities, bids, offers, and reference data including market research publications. The third party pricing services may prioritize inputs differently on any given day for any security based on market conditions, and not all inputs listed are available for use in the evaluation process for each security on any given day.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by the level, within the fair value hierarchy, the Master Trust's assets and other plan investments at fair value as of June 30, 2021 and 2020:

	Assets at Fair Value as of June 30, 2021			
	Level 1	Level 2	Level 3	Total
Employee Benefit Trust Fund:				
Money market fund	\$ 1,140,131	\$ -	\$ -	\$ 1,140,131
U.S. government securities	-	-	-	-

Balance at June 30, 2020	\$ 127,842	\$ -	\$ -	\$ 127,842

7. Plan Amendments

As of February 28, 2009, the Plan effectively ceased the crediting of credited service for benefits since the Company no longer employed any of the participants and the status of the Plan became "frozen" with regards to each participant's accrued benefit. This change in the Plan simply freezes the amounts of the accrued retirement benefits and the Plan will otherwise continue and does not affect the basic amount of any pension that is currently payable to, or on behalf of, any retired employee or former employee who previously retired or terminated employment with a vested right to benefits under the Plan.

Effective July 1, 2020, the Plan was amended to correct the definition of "Company" from Dkirk, Inc to Lancaster Glass Corporation. The amendment updated Section 4.02, Benefits upon Postponed Retirement and Section 4.04, Deferred Vested Retirement Benefit to specify when a Participant commences benefits, their pension benefit would not be less than the Actuarial Equivalent value of the accrued benefit at Normal Retirement Date.

8. Parties-in-Interest

Parties-in-interest are defined under the Department of Labor's Rules and Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer and certain others. The Plan holds investment interest in the Employee Benefit Trust Fund (Master Trust). The Plan's trustee, Huntington National Bank, is the trustee of the Master Trust and the trustee of the investments held by the Master Trust (Note 5). Accordingly, the Plan's investments in the Master Trust qualify as party-in-interest transactions.

In addition, certain employees of Lancaster Colony Corporation, the plan administrator, provide administrative and investment services, some of which may be fiduciary in nature, to the Plan; however, the Plan does not provide any compensation for these services.

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

9. Risks and Uncertainties

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Investment securities, in and outside of the Master Trust, are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in these risks, estimates and assumptions in the near term could materially affect the amounts reported in the financial statements.

Statement by Enrolled Actuary

To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.

41 If an election was made to use PRA 2010 funding relief for this plan:	
a Schedule elected	☐ 2 plus 7 years ☐ 15 years
b Eligible plan year(s) for which the election in line 41a was made	☐ 2008 ☐ 2009 ☐ 2010 ☐ 2011

**Schedule SB, Part V –
Summary of Plan Provisions**

A. Eligibility Members of the Collective Bargaining Unit.

B. Retirement

1. Normal - 1st day of month following 65th birthday with 5 years of service.
2. Early - Age 60 with 10 years of service.
3. Disability - No provision.

C. Benefits at Retirement

1. Normal - A monthly benefit for life with 60 months certain equal to the following rate times up to 40 years of service:

<u>Rate</u>	<u>Effective</u>
\$19.00	10/01/99
19.50	10/01/00

2. Early - Accrued benefit based on Normal Retirement benefit formula reduced 6/10 of 1% for each month early.
3. Late - Same formula as for Normal Retirement.

D. Death Benefit

If death occurs while actively employed and vested, ERISA Joint and 50% Survivor paid to spouse.

E. Vesting

Accrued monthly benefit payable at Normal Retirement Date if at time of termination participant had 5 years of service.

F. Accrued Benefits

Benefit rate used for Accumulated Plan Benefit is \$19.50 per month per year of service, maximum 40 years. Service prior to 9/5/1960 rounded to 1/10th, one year equals 1,200 hours per year from 9/5/60 through 6/30/76 and 1,000 hours from 7/1/76. If less than 1,000 hours, 100 hours equals 1/10th of a year of service.

Independent Auditor's Report

To the Plan Administrator
Union Employees' Retirement Benefit Plan of
Indiana Glass Company
Westerville, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Union Employees' Retirement Benefit Plan of Indiana Glass Company (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of June 30, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the statement of accumulated plan benefits as of June 30, 2021, and the related statement of changes in accumulated plan benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of June 30, 2021, and for the year ended June 30, 2021, stating that the certified investment information, as described in Note 2 and 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The 2021 supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4j - Schedule of Reportable Transactions, are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the 2021 financial statements and certain additional

procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits as of June 30, 2020 and the statement of accumulated plan benefits as of June 30, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated March 9, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not, express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

1. Description of Plan and Tax Status

The Union Employees' Retirement Benefit Plan of Indiana Glass Company (Plan) is contained in the agreement dated February 2, 2005 between Dkirk, Inc., formerly known as Indiana Glass Company, (Company) and the United Steelworkers of America, AFL-CIO. Effective July 1, 2015, the Company's obligations under the Plan were assumed by Lancaster Glass Corporation as a result of the merger of the Company into Lancaster Glass Corporation. The Plan is a noncontributory defined benefit plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Participants should refer to the plan document as well as the aforementioned agreement for more complete information. See also Note 7 for amendments to benefit provisions.

At June 30, 2021 and 2020, the Plan had no active participants.

The Plan invests a significant portion of its assets in a Master Trust with other subsidiaries of Lancaster Colony Corporation whereby they pool their investment assets. Allocation of net assets, net investment income, and gains and losses to participating plans are allocated to the plans on a pro rata basis measured in terms of units. Participants should refer to the Master Pension Trust Agreement for more complete information. See Note 5 for summary information on the Master Trust. The Plan's interest in the Master Trust was approximately 60% at June 30, 2021 and 2020.

On November 1, 2002, the Company announced a partial plant shutdown. As a result of this event, Plan participants terminated during the 12-month period ending on November 26, 2002 became 100% vested in the Plan. This plant was closed and all remaining employees became fully vested and were terminated on February 28, 2009.

The Plan obtained a favorable determination letter dated June 27, 2014 from the Internal Revenue Service. The Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code including any which have become effective since the effective date of the amendments in the latest determination letter. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the tax authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

a. *Basis of accounting.*

The accompanying financial statements are prepared on the accrual basis of accounting.

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

b. *Use of estimates.*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities, and the actuarial present value of accumulated plan benefits at the date of the financial statements. Actual results could differ from those estimates.

c. *Investment valuation and income recognition.*

Fair values of investments, in and outside of the Master Trust, are based on the latest securities quotations available as provided by the trustee of the Plan. See Note 5 for discussion of the investment in the Master Trust and Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

d. *Actuarial present value of accumulated plan benefits.*

Accumulated plan benefits are those future periodic payments, including lump sum distributions, that are attributable under the Plan's provisions to the service employees have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, and (b) beneficiaries of employees who have died. Benefits under the Plan are based on employees' years of credited service. The accumulated plan benefits for active employees are based on their years of credited service ending on the date the benefit information is presented (the valuation date). Benefits payable under all circumstances - retirement, death, disability, and termination of employment - are included, to the extent they are deemed attributable to employee service rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an independent actuary from CBIZ Benefits & Insurance Services, Inc., and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment. The significant actuarial assumptions used in the valuations as of June 30, 2021 and 2020 were (a) life expectancy of participants (for 2021, the SOA PRI-2012 Blue-Collar Dataset Amount-Weighted Mortality for Employees, Retirees, and Contingent Survivor, projected with Scale MP-2020 fully generation was used; for 2020, the SOA PRI-2012 Blue-Collar Dataset Amount-Weighted Mortality for Employees, Retirees, and Contingent Survivor, projected with Scale MP-2019 fully generation mortality table was used), (b) retirement age assumptions (the assumed average retirement age was 65), and (c) investments return. The 2021 and 2020 valuations included an assumed average net rate of return of 5.48% and 5.25%, respectively. The computations of the actuarial present value of accumulated plan benefits were made as of July 1, 2021 and 2020. Had the valuation been performed as of June 30, there would be no material differences.

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

Plan amendments are included in the actuarial calculation of accumulated plan benefits as of their effective date (See also Note 7).

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

e. *Payment of benefits.*

Benefit payments to participants are recorded upon distribution.

f. *Certification of Plan assets.*

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Huntington National Bank, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules are complete and accurate:

- Investments as shown in the Statements of Net Assets Available for Benefits as of June 30, 2021 and 2020.
- Investment income, net, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended June 30, 2021.
- Investment information included in the Schedule of Assets (Held at End of Year) as of June 30, 2021 and the Schedule of Reportable Transactions for the year ended June 30, 2021, as shown on the ERISA-required supplemental schedules.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

g. *Administrative expenses.*

Substantially all administrative expenses are paid by the Plan.

h. *Events occurring after reporting date.*

The Plan has evaluated events and transactions that occurred between July 1, 2021 and March 15, 2022 which is the date that the financial statements were available to be issued for possible recognition or disclosure in the financial statements.

3. Funding Policy

The Company's funding policy is to make annual contributions to the Plan at least equal to an amount based on an actuarial calculation of the Plan's minimum funding requirements under ERISA. There was no contribution required for 2021 and 2020.

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA and in the collective bargaining agreement as described in Note 1.

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

4. Plan Termination

Should the Plan terminate at some future time, its net assets generally will not be available on a pro rata basis to provide participants' benefits. Whether a particular participant's accumulated plan benefits will be paid depends on both the priority of those benefits and the level of benefits guaranteed by the Pension Benefit Guaranty Corporation (PBGC) at that time. Some benefits may be fully or partially provided for by the then existing assets and the PBGC guaranty, while other benefits may not be provided for at all.

If the Plan terminates, the net assets of the Plan will be allocated as required by ERISA regulations. Certain benefits under the Plan are insured by the PBGC if the Plan terminates. The PBGC guarantees are outlined in the plan document and participants should refer to these documents for more complete information.

5. Investment in Master Trust

At June 30, 2021 and 2020, a significant portion of the Plan's assets were held in a Master Trust referred to as the Employee Benefit Trust Fund. At June 30, 2021 and 2020, the Plan owned shares of the Employee Benefit Trust Fund having a fair market value of \$23,535,070 and \$21,922,670, respectively.

<i>June 30,</i>	2021		2020	
	Master Trust Balances	Plan's Interest in the Master Trust	Master Trust Balances	Plan's Interest in the Master Trust

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

The following are net appreciation in the fair value of investments and investment income for the Employee Benefit Trust Fund for the year ended June 30, 2021.

<i>June 30,</i>	<i>2021</i>
Net appreciation in fair value of investments	\$ 5,215,632
Investment Income	47,823
Total	\$ 5,263,455

6. Fair Value Measurements

Accounting Standards Codification ("ASC") 820-10 *Fair Value of Measurements and Disclosure* defines fair value and provides guidance for measuring fair value and expands disclosures about fair value measurements in accordance with accounting principles generally accepted in the United States of America.

ASC 820-10 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobserved inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

Following is a description of the valuation methodologies used for assets measured at fair value.

Level 1: The securities classified as Level 1 include money market funds and mutual funds. Quoted market prices in active markets are available for investments in this category.

Level 2: The securities classified as Level 2 include U.S. government securities, corporate obligations, mortgage obligations and municipal obligations. The valuation methods for Level 2 assets are developed and maintained by third party pricing services that use a number of standard inputs in their valuation models. These inputs, listed in approximate order of priority, include: benchmark yields, reported trades, broker/dealer quotes, issuer spreads, two-sided markets, benchmark securities, bids, offers, and reference data including market research publications. The third party pricing services may prioritize inputs differently on any given day for any security based on market conditions, and not all inputs listed are available for use in the evaluation process for each security on any given day.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by the level, within the fair value hierarchy, the Master Trust's assets and other plan investments at fair value as of June 30, 2021 and 2020:

	Assets at Fair Value as of June 30, 2021			
	Level 1	Level 2	Level 3	Total
Employee Benefit Trust Fund:				
Money market fund	\$ 1,140,131	\$ -	\$ -	\$ 1,140,131

Balance at June 30, 2020	\$ 127,842	\$ -	\$ -	\$ 127,842

7. Plan Amendments

As of February 28, 2009, the Plan effectively ceased the crediting of credited service for benefits since the Company no longer employed any of the participants and the status of the Plan became "frozen" with regards to each participant's accrued benefit. This change in the Plan simply freezes the amounts of the accrued retirement benefits and the Plan will otherwise continue and does not affect the basic amount of any pension that is currently payable to, or on behalf of, any retired employee or former employee who previously retired or terminated employment with a vested right to benefits under the Plan.

Effective July 1, 2020, the Plan was amended to correct the definition of "Company" from Dkirk, Inc to Lancaster Glass Corporation. The amendment updated Section 4.02, Benefits upon Postponed Retirement and Section 4.04, Deferred Vested Retirement Benefit to specify when a Participant commences benefits, their pension benefit would not be less than the Actuarial Equivalent value of the accrued benefit at Normal Retirement Date.

8. Parties-in-Interest

Parties-in-interest are defined under the Department of Labor's Rules and Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer and certain others. The Plan holds investment interest in the Employee Benefit Trust Fund (Master Trust). The Plan's trustee, Huntington National Bank, is the trustee of the Master Trust and the trustee of the investments held by the Master Trust (Note 5). Accordingly, the Plan's investments in the Master Trust qualify as party-in-interest transactions.

In addition, certain employees of Lancaster Colony Corporation, the plan administrator, provide administrative and investment services, some of which may be fiduciary in nature, to the Plan; however, the Plan does not provide any compensation for these services.

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

9. Risks and Uncertainties

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Investment securities, in and outside of the Master Trust, are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in these risks, estimates and assumptions in the near term could materially affect the amounts reported in the financial statements.

Independent Auditor's Report

To the Plan Administrator
Union Employees' Retirement Benefit Plan of
Indiana Glass Company
Westerville, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Union Employees' Retirement Benefit Plan of Indiana Glass Company (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of June 30, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the statement of accumulated plan benefits as of June 30, 2021, and the related statement of changes in accumulated plan benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of June 30, 2021, and for the year ended June 30, 2021, stating that the certified investment information, as described in Note 2 and 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The 2021 supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4j - Schedule of Reportable Transactions, are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the 2021 financial statements and certain additional

procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits as of June 30, 2020 and the statement of accumulated plan benefits as of June 30, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated March 9, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not, express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

1. Description of Plan and Tax Status

The Union Employees' Retirement Benefit Plan of Indiana Glass Company (Plan) is contained in the agreement dated February 2, 2005 between Dkirk, Inc., formerly known as Indiana Glass Company, (Company) and the United Steelworkers of America, AFL-CIO. Effective July 1, 2015, the Company's obligations under the Plan were assumed by Lancaster Glass Corporation as a result of the merger of the Company into Lancaster Glass Corporation. The Plan is a noncontributory defined benefit plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Participants should refer to the plan document as well as the aforementioned agreement for more complete information. See also Note 7 for amendments to benefit provisions.

At June 30, 2021 and 2020, the Plan had no active participants.

The Plan invests a significant portion of its assets in a Master Trust with other subsidiaries of Lancaster Colony Corporation whereby they pool their investment assets. Allocation of net assets, net investment income, and gains and losses to participating plans are allocated to the plans on a pro rata basis measured in terms of units. Participants should refer to the Master Pension Trust Agreement for more complete information. See Note 5 for summary information on the Master Trust. The Plan's interest in the Master Trust was approximately 60% at June 30, 2021 and 2020.

On November 1, 2002, the Company announced a partial plant shutdown. As a result of this event, Plan participants terminated during the 12-month period ending on November 26, 2002 became 100% vested in the Plan. This plant was closed and all remaining employees became fully vested and were terminated on February 28, 2009.

The Plan obtained a favorable determination letter dated June 27, 2014 from the Internal Revenue Service. The Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code including any which have become effective since the effective date of the amendments in the latest determination letter. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the tax authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

a. *Basis of accounting.*

The accompanying financial statements are prepared on the accrual basis of accounting.

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

b. *Use of estimates.*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities, and the actuarial present value of accumulated plan benefits at the date of the financial statements. Actual results could differ from those estimates.

c. *Investment valuation and income recognition.*

Fair values of investments, in and outside of the Master Trust, are based on the latest securities quotations available as provided by the trustee of the Plan. See Note 5 for discussion of the investment in the Master Trust and Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

d. *Actuarial present value of accumulated plan benefits.*

Accumulated plan benefits are those future periodic payments, including lump sum distributions, that are attributable under the Plan's provisions to the service employees have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, and (b) beneficiaries of employees who have died. Benefits under the Plan are based on employees' years of credited service. The accumulated plan benefits for active employees are based on their years of credited service ending on the date the benefit information is presented (the valuation date). Benefits payable under all circumstances - retirement, death, disability, and termination of employment - are included, to the extent they are deemed attributable to employee service rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an independent actuary from CBIZ Benefits & Insurance Services, Inc., and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment. The significant actuarial assumptions used in the valuations as of June 30, 2021 and 2020 were (a) life expectancy of participants (for 2021, the SOA PRI-2012 Blue-Collar Dataset Amount-Weighted Mortality for Employees, Retirees, and Contingent Survivor, projected with Scale MP-2020 fully generation was used; for 2020, the SOA PRI-2012 Blue-Collar Dataset Amount-Weighted Mortality for Employees, Retirees, and Contingent Survivor, projected with Scale MP-2019 fully generation mortality table was used), (b) retirement age assumptions (the assumed average retirement age was 65), and (c) investments return. The 2021 and 2020 valuations included an assumed average net rate of return of 5.48% and 5.25%, respectively. The computations of the actuarial present value of accumulated plan benefits were made as of July 1, 2021 and 2020. Had the valuation been performed as of June 30, there would be no material differences.

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

Plan amendments are included in the actuarial calculation of accumulated plan benefits as of their effective date (See also Note 7).

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

e. *Payment of benefits.*

Benefit payments to participants are recorded upon distribution.

f. *Certification of Plan assets.*

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Huntington National Bank, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules are complete and accurate:

- Investments as shown in the Statements of Net Assets Available for Benefits as of June 30, 2021 and 2020.
- Investment income, net, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended June 30, 2021.
- Investment information included in the Schedule of Assets (Held at End of Year) as of June 30, 2021 and the Schedule of Reportable Transactions for the year ended June 30, 2021, as shown on the ERISA-required supplemental schedules.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

g. *Administrative expenses.*

Substantially all administrative expenses are paid by the Plan.

h. *Events occurring after reporting date.*

The Plan has evaluated events and transactions that occurred between July 1, 2021 and March 15, 2022 which is the date that the financial statements were available to be issued for possible recognition or disclosure in the financial statements.

3. Funding Policy

The Company's funding policy is to make annual contributions to the Plan at least equal to an amount based on an actuarial calculation of the Plan's minimum funding requirements under ERISA. There was no contribution required for 2021 and 2020.

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA and in the collective bargaining agreement as described in Note 1.

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

4. Plan Termination

Should the Plan terminate at some future time, its net assets generally will not be available on a pro rata basis to provide participants' benefits. Whether a particular participant's accumulated plan benefits will be paid depends on both the priority of those benefits and the level of benefits guaranteed by the Pension Benefit Guaranty Corporation (PBGC) at that time. Some benefits may be fully or partially provided for by the then existing assets and the PBGC guaranty, while other benefits may not be provided for at all.

If the Plan terminates, the net assets of the Plan will be allocated as required by ERISA regulations. Certain benefits under the Plan are insured by the PBGC if the Plan terminates. The PBGC guarantees are outlined in the plan document and participants should refer to these documents for more complete information.

5. Investment in Master Trust

At June 30, 2021 and 2020, a significant portion of the Plan's assets were held in a Master Trust referred to as the Employee Benefit Trust Fund. At June 30, 2021 and 2020, the Plan owned shares of the Employee Benefit Trust Fund having a fair market value of \$23,535,070 and \$21,922,670, respectively.

<i>June 30,</i>	2021		2020	
	Master Trust Balances	Plan's Interest in the Master Trust	Master Trust Balances	Plan's Interest in the Master Trust

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

The following are net appreciation in the fair value of investments and investment income for the Employee Benefit Trust Fund for the year ended June 30, 2021.

<i>June 30,</i>	<i>2021</i>
Net appreciation in fair value of investments	\$ 5,215,632
Investment Income	47,823
Total	\$ 5,263,455

6. Fair Value Measurements

Accounting Standards Codification ("ASC") 820-10 *Fair Value of Measurements and Disclosure* defines fair value and provides guidance for measuring fair value and expands disclosures about fair value measurements in accordance with accounting principles generally accepted in the United States of America.

ASC 820-10 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobserved inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

Following is a description of the valuation methodologies used for assets measured at fair value.

Level 1: The securities classified as Level 1 include money market funds and mutual funds. Quoted market prices in active markets are available for investments in this category.

Level 2: The securities classified as Level 2 include U.S. government securities, corporate obligations, mortgage obligations and municipal obligations. The valuation methods for Level 2 assets are developed and maintained by third party pricing services that use a number of standard inputs in their valuation models. These inputs, listed in approximate order of priority, include: benchmark yields, reported trades, broker/dealer quotes, issuer spreads, two-sided markets, benchmark securities, bids, offers, and reference data including market research publications. The third party pricing services may prioritize inputs differently on any given day for any security based on market conditions, and not all inputs listed are available for use in the evaluation process for each security on any given day.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by the level, within the fair value hierarchy, the Master Trust's assets and other plan investments at fair value as of June 30, 2021 and 2020:

	Assets at Fair Value as of June 30, 2021			
	Level 1	Level 2	Level 3	Total
Employee Benefit Trust Fund:				
Money market fund	\$ 1,140,131	\$ -	\$ -	\$ 1,140,131

Balance at June 30, 2020	\$ 127,842	\$ -	\$ -	\$ 127,842

7. Plan Amendments

As of February 28, 2009, the Plan effectively ceased the crediting of credited service for benefits since the Company no longer employed any of the participants and the status of the Plan became "frozen" with regards to each participant's accrued benefit. This change in the Plan simply freezes the amounts of the accrued retirement benefits and the Plan will otherwise continue and does not affect the basic amount of any pension that is currently payable to, or on behalf of, any retired employee or former employee who previously retired or terminated employment with a vested right to benefits under the Plan.

Effective July 1, 2020, the Plan was amended to correct the definition of "Company" from Dkirk, Inc to Lancaster Glass Corporation. The amendment updated Section 4.02, Benefits upon Postponed Retirement and Section 4.04, Deferred Vested Retirement Benefit to specify when a Participant commences benefits, their pension benefit would not be less than the Actuarial Equivalent value of the accrued benefit at Normal Retirement Date.

8. Parties-in-Interest

Parties-in-interest are defined under the Department of Labor's Rules and Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer and certain others. The Plan holds investment interest in the Employee Benefit Trust Fund (Master Trust). The Plan's trustee, Huntington National Bank, is the trustee of the Master Trust and the trustee of the investments held by the Master Trust (Note 5). Accordingly, the Plan's investments in the Master Trust qualify as party-in-interest transactions.

In addition, certain employees of Lancaster Colony Corporation, the plan administrator, provide administrative and investment services, some of which may be fiduciary in nature, to the Plan; however, the Plan does not provide any compensation for these services.

Union Employees' Retirement Benefit Plan of Indiana Glass Company

Notes to the Financial Statements

9. Risks and Uncertainties

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Investment securities, in and outside of the Master Trust, are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in these risks, estimates and assumptions in the near term could materially affect the amounts reported in the financial statements.
