Independent Auditor's Report

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Columbus Academy Defined Contribution Retirement Plan (the Plan), which comprise the statements of net assets available for benefits as of June 30, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years ended June 30, 2021 and 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform any auditing procedures with respect to the information summarized in Note 4, which was certified by Teacher's Insurance and Annuity Association (TIAA), as issuer for certain investments and as agent for JPMorgan Chase Bank, N.A., a custodian of certain other investments, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the issuer/agent holds the Plan's assets and executes transactions. The plan administrator has obtained certifications from the issuer/agent as of and for the years ended June 30, 2021 and 2020, that the information provided to the plan administrator by the issuer/agent is complete and accurate.

In addition, because certain prior year records were not available, we were unable to perform auditing procedures with respect to individual participant account balances accumulated from inception of the Plan or to satisfy ourselves as to the basis on which participants' equity is stated as of June 30, 2021 and 2020, or the propriety of the distributions to participants who terminated and withdrew from the Plan during the years then ended.

Disclaimer of Opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedules

The supplemental schedules of assets held for investment purposes as of June 30, 2021 and 2020, are presented for the purposes of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraphs we do not express an opinion on the supplemental schedules.

COLUMBUS ACADEMY DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2021

Note 1 - DESCRIPTION OF PLAN:

The following description of Columbus Academy Defined Contribution Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of The Columbus Academy (the Academy). Participants are eligible to participate if they have completed one year of continuous employment with the Academy or the equivalent with a prior employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute up to 100% of their total compensation, subject to certain limits as detailed in the plan agreement, to the Plan on a pre-tax basis through payroll deduction. Under the Plan participants have two accounts, a Supplemental Retirement Annuity Account and a Defined Contribution Account. All participants are eligible to contribute to the Supplemental Retirement Annuity Account upon becoming an employee of the Academy. Participants are eligible to contribute to the Defined Contribution Account when they have completed one year of service and elect to defer at least 5% of their compensation. The one year of service requirement can be waived by the Head of School for an employee whose employment with a prior employer is similar to their employment with the Academy. For participants who contribute to the Defined Contribution Account, the Academy makes a matching contribution to the Plan. Employees who have completed one to seven years of service receive a contribution equal to 100% of the first 5% of their deferrals to the Plan during the year - (5% match). Employees who have completed eight to fourteen years of service receive a contribution equal to 140% of the first 5% of their deferrals to the Plan during the year - (7% match). Employees who have completed fifteen or more years of service receive a contribution equal to 200% of the first 5% of their deferrals to the Plan during the year - (10% match).

Participants who are at least age 50 or who will reach age 50 during any calendar year will have the option to make additional pre-tax contributions. Such participants are permitted to make additional pre-tax contributions of up to \$6,500 in 2021.

Participants who have completed 15 or more years of service will have the option to make additional pre-tax contributions. Such participants are permitted to make additional pre-tax contributions of up to \$3,000 in 2021 with a lifetime cap of \$15,000.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Academy's matching contribution and an allocation of plan earnings (net of administrative expenses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

All amounts credited to a participant's accumulation account shall be fully vested and nonforfeitable at all times.

Forfeitures

Because participants are immediately vested in their accounts, the Plan has no forfeitures.

Note 1 - DESCRIPTION OF PLAN (continued):

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, retirement or termination of employment. A participant may elect to receive the value of his or her account in either a lump sum payment or as an annuity.

Plan Termination

Although it has not expressed any intent to do so, the Academy has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. Plan investments are not insured by FDIC or similar coverage.

Participant Loans

Participants may borrow from Teacher's Insurance and Annuity Association (TIAA) using a portion of their Supplemental Retirement Annuity Account as security for the loan. The minimum loan is \$1,000 and may be up to the lesser of \$50,000 or 45 percent of their account balance. The loans bear interest at rates that range from 4.00% to 4.31%, which are commensurate with local prevailing rates as determined periodically by TIAA. Principal and interest is paid ratably through monthly or quarterly ACH transfers by the participant to TIAA. The Plan Administrator has concluded that these loans are not plan assets and that such arrangements are exempt transactions. Participant loan balances totaled \$24,249 and \$48,175 as of June 30, 2021 and 2020, respectively. Under the borrowing terms \$26,674 and \$52,992 of plan assets serve as collateral to these loans as of June 30, 2021 and 2020, respectively. Interest paid by participants on such loans during the years ended June 30, 2021 and 2020, was \$3,973 and \$2,637, respectively. In the event of default, such loans are reportable to plan participants as taxable income but remain outstanding and continue to accrue interest until repaid by the participant or the participant becomes eligible to receive a distribution under the terms of the Plan. During the years ended June 30, 2021 and 2020, \$-0- of loans went into default. As of June 30, 2021 and 2020, loans in default amounted to \$-0-. Such amount includes the principal and accumulated interest.

Notes Receivable from Participants

Participants may borrow from their fund accounts held at Teacher's Insurance and Annuity Association (TIAA). The minimum loan is \$1,000 and may be up to the lesser of \$50,000 or 50 percent of their vested account balance. The loans bear interest at rates that range from 4.00% to 4.31%, which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably on a monthly basis. Notes receivables from participants balances totaled \$5,473 and \$5,230 as of June 30, 2021 and 2020, respectively.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

COLUMBUS ACADEMY DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2021

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Investment Valuation and Income Recognition

The Plan's mutual fund and variable annuity investments are valued at fair value using quoted market prices. The Plan's fixed annuity contract investments are valued at contract value, which approximates fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Note 3 - FEDERAL INCOME TAX STATUS:

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Note 4 - PLAN EXPENSES:

Certain administrative expenses of the Plan are paid for by the plan sponsor, The Columbus Academy.

Note 5 - RELATED-PARTY TRANSACTIONS:

Certain plan investments are fixed and variable annuity contracts and shares of mutual funds issued by TIAA or held by JPMorgan Chase Bank, N.A. TIAA is the issuer of certain investments and agent for JPMorgan Chase Bank, N.A., a custodian for certain other investments as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services and other administration amounted to \$299,290 and \$286,216 for the years ended June 30, 2021 and 2020, respectively. These fees are netted against investment income.

Note 6 - INVESTMENTS CERTIFIED:

The following is a summary of the investment information as of June 30, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by TIAA as issuer for certain investments and as agent for JPMorgan Chase Bank, N.A., a custodian of certain other investments, and furnished to the Plan Administrator.

Note 6 - INVESTMENTS CERTIFIED (continued):

The Plan Administrator has obtained certifications from the issuer/agent that information provided to the Plan Administrator by the issuer/agent related to the following investments is complete and accurate. Accordingly, as permitted by 29CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the investments below.

Total Investment Income	\$ 15,565,408	\$ 2,092,677

Note 7 - ASSETS AND LIABILITIES – FAIR VALUE INFORMATION:

In accordance with the Fair Value Measurements and Disclosures Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC), all financial instruments that are being measured and reported on a fair value basis must be classified and disclosed in one of the following three categories:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation or other means, and if the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value:

Fixed Annuity:

TIAA Traditional Annuity - The TIAA Traditional Annuity is a fixed annuity contract that is fully and unconditionally guaranteed by Teachers Insurance and Annuity Association of America (TIAA), a New York domiciled non-profit legal reserve life insurance company. During the accumulation phase, the TIAA Traditional Annuity provides a guarantee of principal, a guaranteed minimum rate of interest (generally 3%, but in some recent contracts between 1% and 3%), and the potential for additional

Note 7 - ASSETS AND LIABILITIES – FAIR VALUE INFORMATION (continued):

interest if declared by TIAA. Additional interest, when declared, remains in effect for the “declaration year” which begins each March 1. Additional interest is not guaranteed in future years. When the accumulation in TIAA Traditional is converted to an annuity based on life expectancy, the present value of the stream of payments is equal to the accumulation.

The TIAA Traditional Annuity is reported at contract value which approximates fair value (see Note 8). The contract value of the TIAA Traditional Annuity equals the accumulated cash contributions and interest credited to the Plan’s contracts, less any withdrawals.

TIAA Stable Value – The TIAA Stable Value is a fixed rate group annuity contract issued by TIAA. Contributions are deposited into a non-unitized separate account. The contract provides a guaranteed minimum rate of interest of between 1% and 3%. Although the liability to provide contract guarantees and accumulations is backed by the assets in the separate account, any amount to be credited above the minimum guaranteed rate is determined by TIAA. Contract holders and plan participants do not participate in, and do not receive the earning of, the assets in the separate account. All guarantees are based upon TIAA’s claims-paying ability.

TIAA Stable Value is reported at contract value. The contract value of TIAA Stable Value equals the accumulated cash contributions, interest credited, and transfers, if any, less withdrawals and transfers, if any. The valuation considerations for the TIAA Stable Value are similar to those discussed above for the TIAA Traditional Annuity.

Variable Annuities:

TIAA Real Estate Account (REA) – The TIAA Real Estate Account is an insurance company separate account of TIAA investing mainly in real estate and real estate-related investments. This is a variable annuity. Audited financial statements are available. The REA’s value is principally derived from the market value of the underlying real estate holdings or other real estate-related investments. Real estate holdings are valued principally using external appraisals, which are estimates of property values based on a professional’s opinion. The REA sometimes holds securities as well. These are generally priced using values obtained from independent pricing sources.

CREF Accounts – College Retirement Equities Fund (CREF) is registered with the Securities and Exchange Commission under the Investment Company Act of 1940 as an open-end management investment company. It consists of eight investment portfolios: the Stock, Global Equities, Growth, Equity Index, Bond Market, Inflation-Linked Bond, Social Choice and Money Market Accounts (individually referred to as the “Account” or collectively referred to as the “Accounts”). These are variable annuities. Audited financial statements are available. The Accounts invest principally in equity securities, fixed-income instruments and short-term investments in accordance with each portfolio’s investment objectives.

Account investments are primarily valued using market quotations or prices obtained from independent pricing sources who may employ various pricing methods to value the investments including matrix pricing. CREF Money Market Account holdings are generally at amortized cost. Each Account determines its unit value each day.

Note 7 - ASSETS AND LIABILITIES – FAIR VALUE INFORMATION (continued):

Mutual Funds:

TIAA-CREF Funds – TIAA-CREF Funds is a Delaware statutory trust that was organized on April 15, 1999, and is registered with the Securities and Exchange Commission under the Investment Company Act of 1940 as an open-end management investment company. Current offerings include domestic and international equities, fixed income, real estate securities, asset allocation and money market funds. The funds invest principally in equity securities, fixed-income instruments, other mutual funds and short-term instruments in accordance with each fund's investment objectives. Fund holdings are generally valued using market quotations or prices obtained from independent pricing services. Each fund determines its share price or net asset value (NAV) each day calculated generally as of 4 p.m. (ET).

Assets measured at fair value on a recurring basis were as follows:

Description	June 30, 2021			
	Total	Level 1	Level 2	Level 3

Summary of changes in the fair value of the Plan's level 3 assets for the year ended June 30, 2021 were as follows:

Balance, beginning of year	\$ 15,142,632
Net realized and unrealized gain on investments	458,540
Purchases	1,081,965
Sales	(1,513,011)
Balance, end of year	<u>\$ 15,170,126</u>

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation in fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

Note 8 - INVESTMENT CONTRACTS WITH TIAA:

The Plan has investment contracts with TIAA. Under these contracts are sub-contracts, some of which are fully benefit-responsive, while others are not. TIAA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Each premium allocated to the investment contract buys a guaranteed minimum amount of lifetime income based on the rate schedule in effect at the time the premium is credited.

COLUMBUS ACADEMY DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2021

Note 8 - INVESTMENT CONTRACTS WITH TIAA (continued):

For investment contracts that are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. These contracts are included in the financial statements at contract value, as reported to the plan by TIAA. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on an annual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The contract does not permit TIAA to terminate the agreement prior to the scheduled maturity date.

Investment contracts that are not fully benefit responsive are included in the financial statements at contract value as reported by TIAA. TIAA has reported to the Plan that contract value approximates fair value for these investments at June 30, 2021.

Note 9 - SUBSEQUENT EVENTS:

Subsequent events have been evaluated through December 29, 2021, which is the date the financial statements were available to be issued.
