INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator, Plan Management and Participants
Employers Resource Service, LLC 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2020 Financial Statements

We have performed an audit of the financial statements of Employers Resource Service, LLC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of October 30, 2020, and the related statement of changes in net assets available for benefits for the ten months then ended, and the related notes to the financial statements (2020 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2020 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the ten months ended October 30, 2020, stating that the certified investment information, as described in Note K to the financial statements, is complete and accurate.

Opinion on the 2020 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2020 Financial Statements section

- the amounts and disclosures in the accompanying 2020 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2020 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2020 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the

Audit of the 2020 Financial Statements section of our report. We are required to be independent of Employers Resource Service, LLC 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2020 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Employers Resource Service, LLC 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2020 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2020 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Employers Resource Service, LLC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Employers Resource Service, LLC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2020

financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2020 Supplemental Schedules Required by ERISA

The supplemental schedule: Schedule H, line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2019 Financial Statements

Predecessor auditors performed an audit of the 2019 financial statements of Employers Resource Service, LLC 401(k) Retirement Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 12, 2020 indicated that (a) the amounts and disclosures in the 2019 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2019 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by

an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2019 supplemental schedules, other than the information in the 2019 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2019 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

EMPLOYERS RESOURCE SERVICE, LLC 401(K) RETIREMENT PLAN

Notes to Financial Statements

A. Description of Plan

The following description of the Employers Resource Service, LLC 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

1. General. The Plan is a defined contribution plan covering all full-time employees, with the exclusion of union employees, non-resident aliens, and leased employees, of the Employers Resource Service, LLC (the “Company”) and the employer organizations who have adopted the Plan (see “Participating Employer” below), who have met the eligibility requirements of 3 months of service and are age 21 or older. Entry dates are the first day of the month coinciding with or next following the date the eligibility requirements are met. The Plan was established on May 1, 2004 and is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA) as amended. The assets of the Plan are held and invested by Standard Insurance Company (trustee).

The Plan is a “multiple employer” plan as described in Section 413(c) of the Internal Revenue Code (the “Code”). The Company provides payroll processing and human resource services to its clients. Each client of the Company has the option of adopting this plan for the benefit of its employees. A client that adopts this plan is known as a “Participating Employer”. Each Participating Employer establishes its eligibility requirements relating to age and length of service for its employees in accordance with the provisions of the Plan and the Code.

A client that does not adopt this plan may adopt its own retirement plan. Any client adopting its own retirement plan is subject to its plan’s regulations and not those of this Plan. Therefore, their plan information is not included in these financial statements.

During 2020, the Company was acquired by the Partners Human Resources Company. As a result of this, the Company adopted the Partners Human Resources Co. 401(k) and Profit Sharing Plan. As of October 30, 2020, all Plan assets and participant accounts were transferred out.

Notes to Financial Statements

A. Description of Plan (continued...)

2. Contributions. Each year, participants may contribute pre-tax deferrals or Roth (after-tax) deferrals as a percent of annual compensation as defined in the Plan to the maximum of 15 percent allowed by the Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan does not include an auto-enrollment provision. Eligible employees must enroll if they wish to participate in the Plan.

The Plan has does not allow employer safe harbor contributions.

The Company and each participating employer may make discretionary matching or profit sharing contributions. During 2020, the Company, and each participating employer, made matching contributions equal to its elected amounts. During 2020, the Company, and it's participating employers, did not make any discretionary profit sharing contributions.

Participant and Company contributions are invested as directed by the participant from investment options offered by the Plan.

3. Participant accounts. Each participant's account is credited with the participant's contributions and the Company's or the participating employer's matching and profit sharing contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

EMPLOYERS RESOURCE SERVICE, LLC 401(K) RETIREMENT PLAN

Notes to Financial Statements

B. Description of Plan (continued...)

4. Vesting. Participants are vested immediately in their contributions plus actual earnings on the contributions. Vesting in the Company's matching and discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after meeting the service requirement established by the participating employer not to exceed the ERISA maximum of 6 years or attaining the retirement age of 65, or upon death or disability.
5. Notes receivable from participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. All loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 2 percent above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.
6. Payment of benefits. Participants may elect to receive a distribution up to an amount equal to the value of the participant's vested interest in his or her account due to termination of service, death, disability, or retirement. A participant may receive an in-service withdrawal after attaining age 59-1/2.

In the event of a participant's death, the participant's designated beneficiary may request a distribution of the participant's account.

Withdrawals may also be made in conjunction with IRS hardship distribution regulations.

7. Forfeited accounts. In the event that funds are forfeited, those forfeitures may be used to pay plan administrative expenses and/or used to reduce the Company's or the participating employers' matching or discretionary contributions. There were no Forfeited account balances as of October 30, 2020.
8. Plan termination. During 2020, the Company was acquired by the Partners Human Resources Company. As a result of this, the Company adopted the Partners Human Resources Co. 401(k) and Profit Sharing Plan. As of October 30, 2020, all Plan assets and participant accounts were transferred out.

C. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. All participant loans have been transferred or deemed distributed as of October 30, 2020.

EMPLOYERS RESOURCE SERVICE, LLC 401(K) RETIREMENT PLAN

Notes to Financial Statements

B. Summary of Accounting Policies (continued...)

Payment of Benefits

The Plan does not accrue non-distributed benefits related to participants who have withdrawn from the Plan, but recognizes such benefits as a deduction from net assets in the period in which such benefits are paid.

Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through March 21, 2022, the date the financial statements were available to be issued.

EMPLOYERS RESOURCE SERVICE, LLC 401(K) RETIREMENT PLAN

Notes to Financial Statements

D. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

C. Fair Value Measurements (continued...)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at October 30, 2020 and December 31, 2019.

Pooled separate accounts. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Stable Asset Fund II. Contract value represents contributions made, less withdrawals and administrative expenses, plus interest credited. Net deposits invested in the Stable Asset Fund II become part of Standard Insurance Company's general account, and there are no particular segregated or identifiable assets ascribed to the plan's investment.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of October 30, 2020 and December 31, 2019. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

<u>10/30/2020</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled Separate Accts	-	NONE		-
Investments at fair value	-	-	-	-
<u>12/31/2019</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled Separate Accts	-	5,040,535		5,040,535
Investments at fair value	-	5,040,535	-	5,040,535

Transfers between Levels

Although all assets have been transferred out of the Plan, for the ten months ended October 30, 2020, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3. and no changes in Fair Value of Level 3 Assets and Related Gains and Losses.

D. Investments Recorded at Contract Value

The Stable Asset Fund II is available through a rider to Standard Insurance Company's group annuity contract. As such, it is an insurance contract whose key features are:

1. Contract value represents contributions made, less withdrawals and administrative expenses, plus interest credited. Daily liquidity at contract value is available for participant contributions and withdrawals.
2. The plan's Stable Asset Fund II's contract value is a general liability against Standard Insurance Company on the plan's behalf.
3. There are no particular segregated or identifiable assets of Standard Insurance Company ascribed to the plan's Stable Asset Fund II.

The Standard believes that, within a retirement plan, contract value is an appropriate measurement for the plan's Stable Asset Fund II for reporting and financial statement purposes, and that contract value approximates fair value. For Form 5500, we certify contract value per 29 CFR 2520.103-5(c). Note that Standard Insurance Company is not an entity regulated or registered in such a manner that it is subject to the requirements of the Investment Company Act of 1940, the Small Business Investment Company Act of 1958, or similar requirements.

For the plan years ending on the following dates, contract value and crediting rates for the plan's Stable Asset Fund II were:		
	12/31/2020	12/31/2019
Contract Value as of:	\$0	\$1,282,593
Crediting Rate* for Plan Year Ending on:	1.09%	1.67%

- Contract value represents contributions made, less withdrawals and administrative expenses, plus interest credited. Net deposits invested in the Stable Asset Fund II become part of Standard Insurance Company's general account, and there are no particular segregated or identifiable assets ascribed to the plan's investment. Net deposits and interest credited become liabilities against Standard Insurance Company on the plan's behalf. Daily liquidity is available for participant contributions and withdrawals at contract value regardless of market conditions. Contract value is guaranteed by the full faith and credit of Standard Insurance Company; there are no wrap contracts supporting the liquidity of the fund. The fund is neither a mutual fund nor a bank product. Standard Insurance Company's obligations are not insured by the FDIC or any other federal government agency.

Notes to Financial Statements

D. Investments Recorded at Contract Value (continued...)

- Crediting rates for the plan's Stable Asset Fund II are set by Standard Insurance Company using a process similar to that used by banks or other insurance companies for similar products. Every month we declare a crediting rate for financial activity in the coming month. This crediting rate takes into account yield forecasts from our asset advisory group and the margins required for our business. Management approval is required for all crediting rates. Monthly rates are combined quarterly into cells, which are weighted based on the amount of net transactions in the fund each month. Other cell features are governed by terms in the fund's rider. Some plans' group annuity contracts may include an interest rate enhancement. The interest rate enhancement is supplemental to the monthly crediting rate and cell crediting rates and its rate is based on the asset balance of all plans specified in the contract. Its rate can vary during the plan year based on changes in the asset balance of the contract. The plan's unit value increases daily due to the monthly crediting rate, cell crediting rates and interest rate enhancement, if applicable. Past crediting rates are not indicative of future rates.

As an asset in a retirement plan, the plan's Stable Asset Fund II provides participants with liquidity at contract value for daily transactions including transfers between funds. We believe contract value is an appropriate measurement for the plan's Stable Asset Fund II for reporting and financial statement purposes, and contract value approximates fair value.

Other information:

- Daily liquidity is available for participant contributions and withdrawals at contract value regardless of market conditions. These transactions are valued at the plan's unit value, which is established through the inputs described above.
- Certain events may limit the ability of the plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. The plan sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected. If the plan sponsor views the occurrence of any of these events as probable as of the measurement date, details about market value adjustments or other withdrawal restrictions can be obtained through the plan's account manager.

E. Rollover Contributions

Rollovers may be accepted from all Participants. Distributions may be made at any time from a participant's rollover account.

Notes to Financial Statements

F. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of pooled separate accounts. Fees incurred within these pooled separate accounts are included in net appreciation in fair value of investments.

During 2020, fees were paid to Standard Insurance Company, the custodian as defined by the Plan, and to Gary Zenker for their advisory and administrative services to the Plan. These fees included investment fees, third party administrative fees, and other professional service fees, and are based on customary charges as agreed upon by the Plan. These transactions qualify as party-in-interest transactions for which there is a statutory exemption.

Certain administrative functions are performed by officers or employees of the Plan's sponsor. No such officer or employee receives compensation from the Plan.

G. Plan Termination

During 2020, the Company was acquired by the Partners Human Resources Company. As a result of this, the Company adopted the Partners Human Resources Co. 401(k) and Profit Sharing Plan. As of October 30, 2020, all Plan assets and participant accounts were transferred out.

H. Tax Status

Although the Plan has not received a determination letter from the Internal Revenue Service, it has adopted a pre-approved Prototype Plan. The Plan has been amended and, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS/DOL. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of October 30, 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

EMPLOYERS RESOURCE SERVICE, LLC 401(K) RETIREMENT PLAN

Notes to Financial Statements

I. Risks and Uncertainties

Before the Plan's assets were transferred out, the Plan invested in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities could have occurred and that such changes could have materially affected participants' account balances and the amounts reported in the statement of net assets available for benefits.

J. Reconciliation of Financial Statements to Form 5500

Certain differences may exist between the recording of accruals for financial reporting purposes and IRS/Department of Labor's (DOL) Form 5500 purposes. There were no such differences as of and for the ten months ended October 30, 2020.

K. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at October 30, 2020 and December 31, 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the ten months ended October 30, 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Standard Insurance Company (the trustee of the Plan).

L. Termination of the Plan

During 2020, the Company was acquired by the Partners Human Resources Company. As a result of this, the Company adopted the Partners Human Resources Co. 401(k) and Profit Sharing Plan. As of October 30, 2020, all Plan assets and participant accounts were transferred out.
