Independent Auditors' Report

Board of Trustees
Teamsters Local Union No. 211 Prepaid Legal Services Fund

Opinion

We have audited the accompanying financial statements of Teamsters Local Union No. 211 Prepaid Legal Services Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of October 29, 2021 and December 31, 2020, and the related statements of changes in benefit obligations and net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial status of Teamsters Local Union No. 211 Prepaid Legal Services Fund as of October 29, 2021 and December 31, 2020, and the changes in its financial status for the year ended October 29, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Teamsters Local Union No. 211 Prepaid Legal Services Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

12875 Route 30, Suite 22
North Huntingdon, PA 15642

Office: 724-863-4261
Fax: 724-863-4262

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters Local Union No. 211 Prepaid Legal Services Fund's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Teamsters Local Union No. 211 Prepaid Legal Services Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Teamsters Local Union No. 211 Prepaid Legal Services Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the status of Teamsters Local Union No. 211 Prepaid Legal Services Fund as of October 29, 2021 and December 31, 2020 and the changes in its financial status for the years ended October 29, 2021 and December 31, 2020 in accordance with accounting principles generally accepted in the United States of America.

1. Description of Plan

The following description of Teamsters Local Union No. 211 Prepaid Legal Services Fund (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Teamsters Local Union No. 211 Prepaid Legal Services Fund is a plan that is funded by a trust fund established to operate a prepaid legal services fund, providing such benefits thereunder as are from time to time determined by the Board of Trustees ("Trustees"). Participating employers contribute to the Plan on behalf of eligible employees pursuant to collective bargaining agreements. The operation and administration of the Plan is the joint responsibility of two Trustees appointed by the employers and two Trustees appointed by the Newspaper, Newsprint, Magazine and Film Delivery Drivers, Helpers and Handlers of Allegheny County, Local Union No. 211 ("Local Union 211"). The Trustees are authorized to enter into any and all contracts and agreements in accordance with the terms of the agreement and declaration of trust for the administration of the trust fund in compliance with the Employee Retirement Income Security Act of 1974 ("ERISA"). Effective February 28, 2020, the Newspaper, Newsprint, Magazine and Film Delivery Drivers, Helpers and Handlers of Allegheny County, Local Union No. 211 was merged into Service Personnel and Employees of the Dairy Industry Teamsters Local Union No. 205 ("Local Union 205"). At the effective date, Local Union 211 ceased function and membership, assets and liabilities, books of account and other records and fixed assets became the responsibility of Local Union 205.

Effective January 1, 2001, an amended and restated agreement and declaration of trust by and between the P.G. Publishing Company and the Daily News Publishing Company and their respective successors, and the Newspaper, Newsprint, Magazine and Film Delivery Drivers, Helpers and Handlers of Allegheny County, Local Union No. 211 was adopted by the Trustees, the employers and Local Union 211. The amended and restated agreement and declaration of trust supersedes the original agreement and declaration of trust, which was effective December 31,1976, and amendments thereto.

Effective October 29, 2021, the Plan was merged with Employer Teamsters Local 205 Welfare Fund ("Local 205 Welfare Fund"). At the effective date, the Plan ceased function and membership, assets and liabilities, books of account and other records became the responsibility of Local 205 Welfare Fund.

Benefits

This self-funded Plan (non-contributory) provided for defined legal services on behalf of eligible participants and their dependents in accordance with the terms, provisions, and conditions of the Plan, as formulated and agreed upon by the Trustees.

An agreement existed between the Trustees of the Plan and Jubelirer, Pass, and Intrieri, P.C. ("Law Firm") for the Law Firm to provide the legal services offered under the Plan.

The Plan did not provide death or disability benefits. Further, there were neither other benefit obligations such as claims payable or claims incurred but not paid, nor any postemployment or postretirement benefit obligations.

Contributions

Contributions to the Plan were required pursuant to provisions of collective bargaining agreements entered into between the P.G. Publishing Company and Local Union 211. This agreement required, among other things, the employer to remit periodic payments to the Plan on behalf of eligible employee participants. As a result of negotiations between the P.G. Publishing Company and Local Union 211, the P.G. Publishing Company and Local Union 211 signed an agreement to permanently freeze contributions to the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through the date of this report, which is the date the financial statements were available to be issued and has determined there are no subsequent events that require recognition or disclosure.

3. Investments

The Plan's investments were held in an institutional brokerage trust account at Charles Schwab & Company. Trades were directed by the Plan's independent investment manager, Xpyria Investment Advisors.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs of valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Fund has the ability to access.

Level 2 – Inputs to the valuation methodology include:

a) Quoted prices for similar assets or liabilities in active markets;

b) Quoted prices for identical or similar assets or liabilities in inactive markets;

c) Inputs other than quoted prices that are observable for the asset or liability;

d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at October 29, 2021 and December 31, 2020.

Short Term Investments - Valued at quoted market prices reported on the active markets in which the individual securities are traded.

Registered investment companies - Valued at quoted market prices reported on an active market which represent the net asset values of shares held by the Plan at year end.

The preceding method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting dates.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of October 29, 2021 and December 31, 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Fair Value	Level 1
October 29, 2021		
Registered Investment Companies	$ 0	$ 0
Total	$ 0	$ 0
December 31, 2020		
Registered Investment Companies	$ 296,155	$ 296,155
Total	$ 296,155	$ 296,155

5. Income Taxes

Teamsters Local Union No. 211 Prepaid Legal Services Fund was a plan that was funded by a trust fund exempt from income taxation under Section 501(a) of the Internal Revenue Code ("IRC"). The trust established under the Plan to hold the Plan's assets was qualified pursuant to Section 501(c)(9) of the Internal Revenue Code, and accordingly, the trust's net investment income was exempt from income taxes. The Trustees and the Plan's tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Trustees have analyzed the tax positions taken by the Plan, and have concluded that as of October 29, 2021 and December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Trustees believe the Plan no longer subject to income tax examinations for years prior to 2018.

6. Litigation and Contingent Liabilities

Counsel of the Plan advises that it is not aware of any unasserted claims or assessments against the Plan.

7. Party-In-Interest Transactions

Counsel of the Plan advises that to the best of their knowledge, the Trustees have not engaged in any party-in-interest transactions prohibited under ERISA.

The Plan had an agreement with Local Union 211, that was assumed by Local Union 205 upon the merger described in Note 1, whereby Local Union 205 handled the recording of revenue and processing and payment of claims in return for an annual administrative fee payable in monthly installments. The administrative fees for the years ended October 29, 2021 and December 31, 2020 were $1,044 and $1,406, respectively.

8. Fidelity Bond and Fiduciary Liability Insurance

The Plan is covered by a Commercial Blanket Bond executed by the Fidelity and Deposit Company of Maryland through April 5, 2023, in the amount of $500,000, with indemnity granted against loss sustained through any fraudulent or dishonest acts committed by any of the Trustees and/or employees of the insured, acting alone or in collusion with others.

Coverage of $2,000,000 under a Fiduciary Liability Insurance Policy (Claims Made and Reported Basis) was underwritten by American Union Insurance and Benefits LLC effective through November 1, 2021. Substantially similar coverage was obtained for the period effective November 1, 2021 to November 1, 2022. In addition, extended period coverage for the period effective October 29, 2021 to October 29, 2027 was obtained pursuant to the merger with Employer Teamsters Local 205 Welfare Fund.

9. Reconciliation of Financial Statements to Form 5500

There are no differences between the amounts reported in the financial statements and the amounts reported in the Form 5500.
