Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the 2021 Financial Statements

Our responsibility is to express an opinion on the 2021 financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2021 financial statements.

Auditor's Responsibility for the 2020 and 2019 Financial Statements

Our responsibility is to express an opinion on the 2020 and 2019 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion on the 2020 and 2019 Financial Statements paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2020 and 2019 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified or provided by Charles Schwab Trust Bank (formerly Charles Schwab Bank), the trustee of the Plan, except for comparing this information with the related information included in the financial statements. We have been informed by the Plan Administrator that the trustee holds the Plan's assets and executes transactions. The Plan Administrator has obtained certifications from the trustee as of December 31, 2020 and 2019, and for the year ended December 31, 2020, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Disclaimer of Opinion on the 2020 and 2019 Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2020 and 2019 Financial Statements paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2020 and 2019 financial statements.

Opinion on the 2021 Financial Statements

In our opinion, the financial statements referred to above of the Plan as of January 1, 2021, and for the period (one day) then ended, present fairly, in all material respects, the net assets available for benefits of the Plan as of January 1, 2021, and the changes in net assets available for benefits for the period (one day) then ended, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the Board of Directors of Elkhart Plastics, Inc., the Plan's sponsor, voted on December 11, 2020, to merge the Plan into the Myers Industries Profit Sharing and 401(k) Plan effective January 1, 2021. All plan assets were transferred to the Myers Industries Profit Sharing and 401(k) Plan on February 1, 2021 and February 4, 2021. Our disclaimer of opinion has not been modified with respect to this matter.

Other Matter- Supplemental Schedule for the 2020 Financial Statements

The supplemental schedule of assets (held at end of year) as of December 31, 2020, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purposes of additional analysis and is not a required part of the financial statements. The supplemental schedule is the responsibility of the Plan's management. Because of the significance of the matter described in the Basis for Disclaimer of Opinion for the 2020 and 2019 Financial Statements paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content of the 2020 and 2019 Financial Statements in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 and 2019 financial statements and supplemental schedule, other than that derived from the information certified or provided by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Elkhart Plastics, Inc. 401(k) Savings Plan

Notes to Financial Statements

Note 1. Plan Description

The following description of Elkhart Plastics, Inc. 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General: The Plan was established effective April 1, 2011 by Elkhart Plastics, Inc. (the Company) and is a defined contribution plan covering substantially all full-time employees of the Company, who have two months of service as defined by the Plan, are age eighteen or older, and are not a member of a unit of employees covered by a collective bargaining agreement, a leased employee, or a resident of Puerto Rico. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In October 2020, the Plan was amended, effective October 1, 2020, to add a participating employer – Elkhart Plastics of Michigan. These employees were eligible for plan participation on October 1, 2020 following satisfaction of the Plan's eligibility conditions, as noted above.

In December 2020, the Plan Sponsor elected to merge the Plan with the Myers Industries Profit Sharing and 401(k) Plan effective January 1, 2021. No employee shall be eligible to become a participant in the Plan on or after January 1, 2021. No additional contributions relating to plan year 2021 shall be made to the Plan after January 1, 2021.

Legal title and responsibility of net assets of \$15,760,324 were transferred to the Myers Industries Profit Sharing and 401(k) Plan, which includes notes receivable of \$325,868 from participants. The investments were liquidated and transferred to the Myers Industries Profit Sharing and 401(k) Plan in February 2021.

Contributions: Each year, participants may contribute a portion of their pre-tax annual compensation, as defined by the Plan. The Plan includes an automatic elective deferral contribution of 6% for all eligible employees, which will increase annually by 1% of compensation up to a maximum of 10% of compensation. The participants may execute an agreement to select a percentage below 6% of all eligible wages, and also may opt-out of the annual increase. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company has elected to provide safe-harbor contributions and therefore is required to match the first 1% of the employee's compensation and 50% of the next 5% of the employee's compensation, as limited by the employee's contributions to the Plan. The Company may also provide a discretionary contribution to participants. There were no discretionary contributions during the period ended January 1, 2021 or the year ended December 31, 2020.

The Company contributions are invested into the various investment options in a manner that is consistent with participant contributions. Contributions are subject to certain limitations.

Participant accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution, if any, and (b) Plan earnings and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings. Participants are vested in employer qualified safe-harbor match contributions plus actual earnings thereon after two years of service. Vesting in any additional employer discretionary contributions is based on years of continuous service. A participant is 100% vested in employer discretionary contributions after three years of credited service.

Elkhart Plastics, Inc. 401(k) Savings Plan

Notes to Financial Statements

Note 1. Plan Description (Continued)

Payment of benefits: On termination of service due to death, disability, retirement, or other reasons participants receive a single lump-sum payment in an amount equal to the value of the participant's vested account. Benefit payments are recorded when paid.

Forfeitures: Forfeited accounts can be used to reduce future employer contributions or allocated to participants. At January 1, 2021 and December 31, 2020, there were approximately \$10,500 of forfeited accounts available for carry-over to future years. At December 31, 2019 there were approximately \$27,000 of forfeited accounts available for carry-over to future years. During the period ended January 1, 2021 and the year ended December 31, 2020 approximately none and \$15,300, respectively, of forfeited accounts were used to reduce employer contributions.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. The maximum term allowed is five years or longer for the purchase of a principal residence. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the third-party administrator. Principal and interest are paid ratably through payroll deductions. Participants may only have one loan outstanding at any time. Two loans are allowed if one loan is for a principal residence.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administration of Plan assets: Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Coronavirus Aid, Relief, and Economic Security Act (CARES Act): The Plan has implemented certain requirements allowed by the CARES Act and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which allows certain eligible individuals to receive coronavirus related relief for loan repayment, as well as suspension of required minimum distributions for 2020. The features within these acts were implemented during the year ended December 31, 2020, as required by the Internal Revenue Service (IRS). Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Note 2. Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See below for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Elkhart Plastics, Inc. 401(k) Savings Plan

Notes to Financial Statements

Note 2. Significant Accounting Policies (Continued)

Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Fair value measurements: The accounting standards board establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. That hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of the observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used during the period ended January 1, 2021 and the years ended December 31, 2020 and 2019.

Shares of cash equivalents and mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Recent accounting pronouncement adopted: In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework—Changes to the Disclosure Requirements for Fair Value Measurement*. The ASU modifies the disclosure requirements for fair value measurements by removing, modifying, or adding certain disclosures.

Notes to Financial Statements

Note 2. Significant Accounting Policies (Continued)

The following disclosure requirements were removed from Topic 820:

1. The amount of and reasons for transfers between Level 1 and Level 2 of the fair value hierarchy.
2. The policy for timing of transfers between levels.
3. The valuation processes for Level 3 fair value measurements.
4. For nonpublic entities, the changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements held at the end of the reporting period.

The following disclosure requirements were modified in Topic 820:

1. In lieu of a roll forward for Level 3 fair value measurements, a nonpublic entity is required to disclose transfers into and out of Level 3 of the fair value hierarchy and purchases and issues of Level 3 assets and liabilities.
2. For investments in certain entities that calculate net asset value, an entity is required to disclose the timing of liquidation of an investee's assets and the date when restrictions from redemption might lapse only if the investee has communicated the timing to the entity or announced the timing publicly.
3. The amendments clarify that the measurement uncertainty disclosure is to communicate information about the uncertainty in measurements as of the reporting date.

ASU 2018-13 is effective for all entities for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. The effect of adopting this standard resulted in the removal or modification of certain fair value measurement disclosures presented in the financial statements.

Subsequent events: The Plan Sponsor has evaluated subsequent events for potential recognition and/or disclosure through March 23, 2022, the date the financial statements were available to be issued.

Note 3. Information Certified by Charles Schwab Trust Bank (Schwab)

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Schwab, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule.

Note 3. Information Certified by Charles Schwab Trust Bank (Schwab) (Continued)

The following table presents the Plan's assets, as certified by Schwab, at December 31, 2020 and 2019.

	2020	2019
Investments at fair value:		
Mutual funds	\$ 14,154,056	\$ 11,305,655
Cash equivalents	1,280,400	1,241,359
	<u>\$ 15,434,456</u>	<u>\$ 12,547,014</u>
Notes receivable	<u>\$ 325,868</u>	<u>\$ 350,700</u>
Cash	<u>\$ -</u>	<u>\$ 73,333</u>

Schwab also certified to the completeness and accuracy of \$1,636,450 of net appreciation in fair value of investments, \$309,465 of interest and dividends related to the aforementioned investments, and \$15,831 of interest income related on notes receivable from participants for the year ended December 31, 2020.

Note 4. Fair Value Measurements

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,154,056	\$ -	\$ -	\$ 14,154,056
Cash equivalents	1,280,400	-	-	1,280,400
	<u>\$ 15,434,456</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 15,434,456</u>

	Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,305,655	\$ -	\$ -	\$ 11,305,655
Cash equivalents	1,241,359	-	-	1,241,359
	<u>\$ 12,547,014</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,547,014</u>

Changes in fair value levels: To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluated the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the period ended January 1, 2021 and the year ended December 31, 2020 there were no transfers in or out of level 3.

Note 5. Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

Note 6. Related Party Transactions

Certain Plan investments are managed by Schwab. Schwab is the trustee, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid to the trustee and third-party administrators by the Plan for the year ended December 31, 2020 totaled approximately \$118,000.

Note 7. Income Tax Status and Uncertain Tax Positions

The Plan has adopted a volume submitter plan sponsored by Standard Retirement Services, Inc. The volume submitter plan provider has received an advisory letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by the Plan. The Plan has been amended since the volume submitter plan received the advisory letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

The Plan's administrator has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for years before 2017.
