1. DESCRIPTION OF THE PLAN

The following description of the RFE/RL, Inc. Retirement Savings Plan for Non-U.S. Citizens in Overseas Locations (Excluding Czech Nationals) (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General -

The Plan is a defined contribution plan covering all eligible employees of RFE/RL, Inc. (the Company) who are Non-U.S. Citizens in Overseas Locations (Excluding Czech Nationals). The Plan was effective as of March 1, 2000 and was amended and restated on January 1, 2009. Plan management elected to terminate the Plan effective June 1, 2018. Management of RFE/RL, Inc. established a successor plan which became effective as of the termination date. The assets remaining in the Plan as of the termination date were distributed directly to the participants during the period January 1, 2021 to July 15, 2021. All participants were 100% vested in all contributions as of the date of the distributions.

Participant accounts -

Each participant's account is credited with (a) the employee's contribution, (b) the employer's contribution and (c) allocations of investment earnings and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. There were no employee or employer contributions to the Plan during the period January 1, 2021 to July 15, 2021, and the year ended December 31, 2020.

Investments options -

Contributions to the Plan are invested by the Custodians, according to participant instructions. The Plan Administrator provides participants with current copies of the prospectus describing each investment option. There were no employee or employer contributions to the Plan during the period January 1, 2021 to July 15, 2021, and the year ended December 31, 2020.

Payment of benefits -

Participants are entitled to receive a distribution of their vested account in the Plan upon termination of their employment; retirement; death or disability and termination of the Plan without the establishment of a successor plan. A participant may elect to receive a lump sum amount equal to the value of his or her account, or a series of cash payments, in substantially equal installments.

Plan termination -

As discussed above, in accordance with its rights under the Plan Agreement, effective June 1, 2018, the Company elected to terminate the Plan subject to the provisions set forth in the Employee Retirement Income Security Act.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting -

The financial statements are prepared on the liquidation basis of accounting and in accordance with FASB ASC 962, *Plan Accounting Defined Contribution Pension Plans*.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of estimates -

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair value measurement -

The Plan adopted the provisions of FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the quality of inputs (assumptions that market participants would use in pricing assets and liabilities, including assumptions about risk) used to measure fair value, and enhances disclosure requirements for fair value measurements. The Plan accounts for a significant portion of its financial instruments at fair value or considers fair value in their measurement.

Additionally, the Plan applies ASU 2015-07 and ASU 2015-12. ASU 2015-07 removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. ASU 2015-12 simplifies and makes more effective the investment disclosure requirements.

Administrative expenses -

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain other fees are charged directly to the participant's account. Other Plan fees are included in administrative expense.

Benefit payments -

Benefits are recorded when paid.

3. INCOME TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (IRC). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71.

The Plan is required to operate in conformity with the Internal Revenue Code to maintain the tax-exempt status for Plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of July 15, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. VALUATION OF INVESTMENTS

Investments are reported at their fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's losses and gains on investments bought and sold as well as held during the year.

The fully benefit-responsive investment contract is reported at contract value, which represents the amount participants would receive in a transaction with the Plan.

5. CERTIFICATION OF INVESTMENT INFORMATION

State Street Bank and Trust Company and Transamerica Financial Life Insurance Company (Plan Custodians) issued Certification Statements certifying the completeness and accuracy of the financial information furnished to the Plan Administrator, from which the accompanying financial statements were derived for the period January 1, 2021 to July 15, 2021, and the year ended December 31, 2020.

6. RISKS AND UNCERTAINTIES

During the period January 1, 2021 to July 15, 2021, and the year ended December 31, 2020, the Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks.

7. PARTY-IN-INTEREST

During the period January 1, 2021 to July 15, 2021, and the year ended December 31, 2020, certain Plan investments were managed by Transamerica Financial Life Insurance Company (TFLIC), a Plan Custodian, and Transamerica Partners Funds Group, an affiliate of TFLIC; therefore, these transactions qualify as party-in-interest transactions.

8. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

During the period January 1, 2021 to July 15, 2021, and the year ended December 31, 2020, the Plan held an investment in a benefit-responsive investment contract, the Transamerica Financial Life Insurance Company (TFLIC) Fixed Fund. This fund is part of the general assets of TFLIC and the Plan did not own any underlying securities of TFLIC's general account. The Plan had guaranteed benefits under the terms of the contract. The contract value of the Plan assets invested in the fixed fund is presented on the Statements of Net Assets Available for Benefits. Contract value equals deposits made to the fund, plus interest credited under the terms of the contract, less any withdrawals.

9. FAIR VALUE MEASUREMENT

In accordance with FASB ASC 820, *Fair Value Measurement*, the Plan has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy.

(EXCLUDING CZECH NATIONALS)**

**NOTES TO FINANCIAL STATEMENTS
JULY 15, 2021 AND 2020**

9. FAIR VALUE MEASUREMENT (Continued)

The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. Investments recorded in the Statements of Net Assets Available for Benefits are categorized based on the inputs to valuation techniques as follows:

Level 1. These are investments where values are based on unadjusted quoted prices for identical assets in an active market the Plan has the ability to access.

Level 2. These are investments where values are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or model-based valuation techniques that utilize inputs that are observable either directly or indirectly for substantially the full-term of the investments.

Level 3. These are investments where inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodology used for investments measured at fair value. The Plan did not hold any investments as of July 15, 2021. There have been no changes in the methodologies used as of July 15, 2021.

Registered Investment Companies - Valued at quoted market prices. These funds calculate net asset value per share, and are marked to market at the close of each trading day.

Certain investments that are measured at contract value have not been categorized in the fair value hierarchy; however, the values of these investments are presented in the following tables in order to permit reconciliation of the fair value hierarchy to the total investments presented in the Statements of Net Assets Available for Benefits.

The table below summarizes, by level within the fair value hierarchy, the Plan's investments as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Investments Measured at NAV</u>	<u>Investments Measured at Contract Value</u>	<u>Total</u>
