Independent Auditors' Report

To the Plan Administrator of
Raising Cane's RCO 401(k) Plan
Columbus, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Raising Cane's RCO 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 (in liquidation), and the related statement of changes in net assets available for benefits for the year then ended (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Raising Cane's RCO 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 (in liquidation), stating that the certified investment information is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Raising Cane's RCO 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Raising Cane's RCO 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Raising Cane's RCO 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Raising Cane's RCO 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditors Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Raising Cane's RCO 401(K) Plan. As permitted by 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly , we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Termination and Liquidation Basis of Accounting

As discussed in the notes to the financial statements, the Plan Sponsor initiated termination effective July 1, 2021. As a result, the Plan has changed its basis of accounting from the accrual basis of accounting used in presenting the 2020 financial statements to the liquidation basis used in presenting the 2021 financial statements. Our opinion is not modified with respect to this matter.

RAISING CANE'S RCO 401(K) PLAN

Notes to Financial Statements

December 31, 2021 (in liquidation) and December 31, 2020

Plan Description

The following description of the Raising Cane's RCO (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

On April 12, 2021, the Company was acquired, and management determined that liquidation of the Plan was imminent. On July 1, 2021, the Plan was terminated and the process of making distributions according to the terms of the Plan. As of the date of the financial statements, the Plan held approximately \$28,059 in corrective contribution receivable. The Plan Sponsor expects to pay the receivable and distribute to the appropriate participants on or before December 31, 2022.

Contributions

Each year, participants may authorize payroll deductions up to 100% of compensation as before-tax contributions and after-tax Roth contributions up to the maximum amount allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may allocate their contributions among various investment funds offered by the Plan and may change their investment options at any time.

The Plan has a safe harbor provision whereby the Employer commits to match 100% of a participant's elective deferrals that do not exceed 3% of eligible compensation, and 50% of a participant's elective deferrals between 3% and 5%.

Participant Accounts

Each participant's account is credited with the participant's and employer's contributions and allocations of (a) the Plan earnings, and (b) administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and employer safe harbor contributions, plus actual earnings thereon. Vesting in the Company's profit sharing portion of their accounts plus actual earnings thereon is based on the elapsed time method and is subject to the following vesting percentage provisions:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

RAISING CANE'S RCO 401(K) PLAN

Notes to Financial Statements

December 31, 2021 (in liquidation) and December 31, 2020

Plan Description (continued)

Payment of Benefits

Participants become eligible for the vested portion of their account balance upon retirement, death, permanent or total disability and termination from the Company. A participant may elect to receive a lump sum payment in the amount of the vested interest in the participant's account.

Investment Options

A participant may direct contributions in any of the investment funds offered by the Plan. Participants may change their investment options at any time.

Participant Notes Receivable

Participants are permitted to borrow a minimum of \$1,000 up to a maximum equal to the lesser of 50 percent of their vested account balance or \$50,000, reduced by the highest outstanding note balance in their account during the previous 12 months, except for the amounts borrowed under the CARES Act, which are subject to higher limits. The note is secured by the balance in the participant's account and bears an interest rate based on rates available for similar notes from commercial institutions and is fixed for the term of the note. Interest rates on the outstanding notes at December 31, 2021 were 4.25% percent. The notes are repaid ratably through payroll deductions over a period of five year or less.

Summary of Significant Accounting Principles

Basis of Accounting

The financial statements of the plan are prepared on the liquidation basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Fair Value Measurements footnote for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

RAISING CANE'S RCO 401(K) PLAN

Notes to Financial Statements

December 31, 2021 (in liquidation) and December 31, 2020

Summary of Significant Accounting Principles (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan agreement.

Fair Value Measurements

ASC 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020:

RAISING CANE'S RCO 401(K) PLAN

Notes to Financial Statements

December 31, 2021 (in liquidation) and December 31, 2020

Fair Value Measurements (continued)

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Investments at fair value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 1,691,606	\$ -	\$ -	\$ 1,691,606
*Stable Value Fund	-	-	-	32,661
Total Investments	<u>\$ 1,691,606</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,724,267</u>

** The Stable Value Fund, which is measured at fair value using the net asset value per share (or its equivalent) practical expedient, has not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits. There were no unfunded commitments or liquidity or redemption restrictions related to the Common/Collective Trust.*

Investments in the Stable Value Fund can be redeemed immediately at the participant level. The Plan is required to provide a 12 month notice to the fund in order to terminate their entire investment interest at the current net asset value per share based on the fair value of the underlying assets. If the Plan offers a "competing fund," participants are required to invest in a "noncompeting fund" for at least 90 days before transferring into the "competing fund" option. The fair value of investments in this category has been estimated using net asset value per share of the investments.

RAISING CANE'S RCO 401(K) PLAN

Notes to Financial Statements

December 31, 2021 (in liquidation) and December 31, 2020

Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. Accordingly, Newport Trust Company, a qualified institution, has certified the following information included in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) as complete and accurate:

- Investments and notes receivable from participants as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021 (in liquidation) and December 31, 2020;
- Net investment income and dividends and interest as shown in the Statements of Changes in Net Assets Available for Benefits for the year ended December 31, 2021 (in liquidation) and year ended December 31, 2020;
- Investment information included in the Notes to Financial Statements;

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information included in the financial statements and ERISA-required supplemental schedule.

Party-in-Interest Transactions

Party-in-Interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The Plan paid \$15,215 and \$1,860 of administrative fees to the Trustee for the year ended December 31, 2021 (in liquidation) and year ended December 31, 2020, respectively. The Company provides certain administrative services at no cost to the Plan.

Participant notes receivable and the interest payments received qualify as a party-in-interest transaction.

Tax Status

The Company adopted a prototype standardized profit sharing plan that received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2021 (liquidation), there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

RAISING CANE'S RCO 401(K) PLAN

Notes to Financial Statements

December 31, 2021 (in liquidation) and December 31, 2020

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying Statement of Net Assets Available for Benefits.

Plan Termination

The Plan terminated operations in 2021 with the sale of RCO Store One, LLC to a third party. Termination of the Plan is subject to the provisions set forth in ERISA and all participants will be 100% vested in their accounts.

Corrective Contributions

The Plan experienced operational failures in 2021 and 2020, respectively. The Company did not calculate the employee contribution or employer matching contribution on certain eligible wages. The financial statements reflect a receivable from the Company for the resolution of the operational failure. The Company is self-correcting the operational failure under the IRS self-correction guidelines. The Company believes that the matter identified for remediation would not cause the Plan to be disqualified by the IRS; therefore, no provision for income taxes have been included in the Plan's financial statements. The Plan has recorded a receivable in the amount of \$28,059 and \$12,410 as of December 31, 2021 and 2020, respectively, to correct the deficiencies. The Plan was amended effective January 1, 2020 to change the definition of Plan compensation to exclude certain pay and fringe benefits. During 2020, the Company failed to remit participant withholdings to the Plan in a timely manner. The Company will follow the IRS self-correction guidelines.

COVID-19

Effective April 5, 2020 the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. In addition, effective April 1, 2020, the Plan adopted the temporary loan repayment deferral provision for the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020.

RAISING CANE'S RCO 401(K) PLAN

Notes to Financial Statements

December 31, 2021 (in liquidation) and December 31, 2020

Subsequent Events

The Plan evaluated subsequent events through April 28, 2022, the date the financial statements were issued. On March 11, 2020, the World Health Organization declared COVID-19 a pandemic. The COVID-19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. As a result, the Plan's various investment securities have incurred significant fluctuations in fair value since December 31, 2021. The impact of COVID-19 continues to evolve rapidly, and the Company is not able at this time to estimate its full impact on the Plan's financial statements.

The Plan Sponsor paid the corrective contribution receivable on April 1, 2022 and distributed to the appropriate participants.
