Independent Auditor's Report

To the Plan Administrator
 Cleaveland/Price, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Cleaveland/Price, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Capital Bank and Trust Company, a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

(continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Cleaveland/Price, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cleaveland/Price, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

(continued)

Independent Auditor's Report

(continued)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cleaveland/Price, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cleaveland/Price, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters (continued)

2021 Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Cleaveland/Price, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by Capital Bank and Trust Company, a qualified institution. In our report dated April 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations and Disclosure under ERISA.

CLEVELAND/PRICE, INC. 401(k) PLAN
Notes to the Financial Statements
December 31, 2021 and 2020

NOTE 1 – PLAN DESCRIPTION

The following description of the Cleaveland/Price, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan with a 401(k) safe harbor employer matching feature covering all employees of Cleaveland/Price, Inc. (the “Company”) who have completed one year of service, provided they have worked at least 1,000 hours and are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan agreement utilized a nonstandardized prototype sponsored by Pennsylvania Pension Planners, Inc. The administrator of the Plan is the Company.

Contributions

Plan participants may contribute up to 100% of their annual compensation on a pretax and/or after tax basis, as defined in the Plan document, subject to certain limitations under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also allows for participants to make qualified rollover contributions.

The Plan provides for three types of employer contributions. Participants are eligible to receive employer safe harbor matching contributions provided they have completed one year of service, worked at least 1,000 hours and are age eighteen or older. For the years ended December 31, 2021 and 2020, the Company made a safe harbor matching contribution equal to 100% of participant salary deferrals that did not exceed 6% of their compensation. The Company may also make a discretionary matching contribution equal to a uniform percentage of a participant's salary. For the years ended December 31, 2021 and 2020, there was no discretionary matching contribution.

At the discretion of the Company, a profit sharing contribution may be allocated to all eligible employees. Employees are eligible for profit sharing allocations if they are employed on the last day of the Plan Year and have completed one year of service (1,000 hours) provided they are at least eighteen years of age; in addition, employees will share in the profit sharing allocation for the year regardless of the amount of service they completed during the Plan Year and regardless of any last day requirement in the year of their death, disability or retirement. The profit sharing contribution is allocated equally among all eligible employees. For the years ended December 31, 2021 and 2020, the total profit sharing contributions were \$391,525 and \$387,358, respectively. Profit sharing contributions, net of forfeitures, are recorded as a receivable on the statements of net assets available for benefits.

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment election for future contributions, or the percentages invested in each of these options or transfer funds among these options on any business day.

NOTE 1 – PLAN DESCRIPTION (continued)

Participant Accounts

Individual accounts are maintained for each Plan participant to reflect the participant's contributions, the Company's related safe harbor matching contributions, discretionary matching contributions and profit sharing contributions, and the net investment income (loss) attributable to the participant's account. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. All investments are participant-directed.

Notes Receivable from Participants

Participant loans are not permitted per the Plan document.

Vesting

Participants are vested immediately in their elective contributions, including rollovers, catch-up contributions and the employer safe harbor match, plus actual earnings thereon. Vesting in the Company's discretionary matching contribution and profit sharing contribution portions of participants' accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after three years of credited service. The vesting schedule is as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 3	0%
3 or more	100%

Forfeitures

Participant account balances which are not 100% vested upon termination of services are forfeited. Forfeitures can be used to pay for Plan administrative expenses or to reduce the employer's contributions. As of December 31, 2021 and 2020 the forfeiture account balance was \$4,523 and \$1,857, respectively. During the years ended December 31, 2021 and 2020, \$4,523 and \$1,857, respectively was used to reduce employer profit sharing contributions.

Payment of Benefits

Upon termination of service, for any reason, participants will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan permits in-service distributions after age 59 ½ and provides for required minimum distributions commencing at age 72 for certain participants. The Plan provides that a participant may make emergency withdrawals from the Plan to meet certain hardships. The permitted hardships are defined by IRS Regulations and the requirements are strict. The CARES Act allowed participants to take additional COVID hardship related distributions and also suspended the 2020 required minimum distributions, see Note 9 for additional information on the CARES Act.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and reported changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid by the Plan.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value based on quoted market prices of the underlying securities within each fund at December 31, 2021 and 2020. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

GAAP establishes a framework for measuring fair value that requires or permits fair value measurements and enhances disclosures about fair value measurements. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. The required disclosures concerning inputs used to measure fair value are included in Note 8.

Plan Administration Costs

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) in fair value of investments presented in the accompanying statements of changes in net assets available for benefits. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent Events

The Company evaluated subsequent events through the date of this report, which is the date the financial statements were available to be issued. The Plan will be amended and restated effective July 1, 2022 to comply with IRS regulations. The Company is not aware of any other subsequent events which would require recognition or disclosure in the financial statements.

NOTE 3 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their investments, including all employer contributions.

NOTE 4 – INCOME TAX STATUS

The underlying nonstandardized prototype plan has received an opinion letter dated June 30, 2020 from the Internal Revenue Service (IRS) that stated that the Plan and related Trust are designed in accordance with applicable sections of the IRC. Subsequent to the receipt of the determination letter from the IRS, the Plan has been amended. The Plan is required to operate in conformity with the IRC to maintain its qualification. In the opinion of the Plan administrator, the Plan and the related Trust are currently operated in accordance with the Plan agreement and in conformity with applicable provisions of the IRC and are exempt from federal taxes.

GAAP requires the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 5 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In January 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) a "Public Health Emergency of International Concern," which continues to spread throughout the world and has adversely impacted global and commercial activity and contributed to declines and volatility in financial markets. As a result of COVID-19, there has been heightened market volatility, and this could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Fees paid during 2021 and 2020 for professional, administrative and custodial services were paid by the Plan based on customary and reasonable rates for services. While these transactions qualify as party-in-interest activity, they are expressly exempt from the prohibited transaction rules. Capital Bank and Trust Company (trustee) and American Funds Service Company are both subsidiaries of The Capital Group Companies, Inc. All Plan investments represent shares of American Funds; and, therefore, these transactions qualify as party-in-interest, which are exempt from the prohibited transaction rules. Administrative fees paid by the Plan to American Funds Service Company amounted to \$1,950 and \$1,350 for the years ended December 31, 2021 and 2020, respectively.

NOTE 7 – SUMMARY OF FINANCIAL DATA CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020 and net appreciation (depreciation) in fair value of investments and dividends for the years then ended, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee.

The trustee has certified the following investments and investment income as of and for the years ending December 31:

	<u>2021</u>	<u>2020</u>
Certified Assets at End of Year		
Mutual funds	\$ 40,569,829	\$ 35,224,215
Certified Assets at End of Year	40,569,829	35,224,215
Contribution receivable	<u>387,002</u>	<u>385,501</u>
Net Assets Available for Benefits Per Financial Statements	<u>\$ 40,956,831</u>	<u>\$ 35,609,716</u>
Investment Income

NOTE 8 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement ASC 820, *Fair Value Measurements* (FASB ASC 820), establishes a framework for measuring fair value and requires certain disclosures about the fair value measurement (see Note 2). The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for the Plan's assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Mutual funds* – Valued at the NAV of shares held by the Plan at year end. The NAV is based on quoted market prices.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments, at fair value	\$ <u><u>35,224,215</u></u>	\$ <u><u>-</u></u>	\$ <u><u>-</u></u>	\$ <u><u>35,224,215</u></u>

NOTE 9 – PLAN AMENDMENTS

The Plan has implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act and the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019, which allows certain eligible individuals to receive coronavirus-related distributions, suspended required minimum distributions, and delayed the commencement date for required minimum distributions.

Effective March 27, 2020, the Plan adopted the distribution provision of the CARES Act that was signed into law on March 27, 2020. If qualified, a CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020 without being subject to the section 72(t) 10% additional tax for early distributions. The Act also permits the distributions to be repaid at any time over a three-year period to an eligible retirement plan. The CARES Act also temporarily suspended the rules that retirement plan account holders take required minimum distributions from their retirement accounts once they reach a certain age. The suspension of required minimum distributions was only for the year ended December 31, 2020. The Plan formally amended the Plan for these CARES Act provisions on September 1, 2021.

On September 1, 2021, the Plan was amended to adopt certain provisions related to hardship distributions of the Bipartisan Budget Act of 2018, which ceases the suspension of elective deferrals on account of hardship distribution, regardless of the date of distribution and expands the sources available to qualified non-elective contributions and qualified matching contributions. The Act also expands hardship needs to expenses (including lost income) incurred in a federal disaster area and residential casualty losses, regardless if the participants residence was in a disaster area. Lastly, it will require participants to certify hardship needs as a requirement of receiving a distribution.
