REPORT OF INDEPENDENT AUDITORS

To the Participants and Plan Administrator of the
Brinker International 401(k) Savings Plan

Opinion

We have audited the financial statements of the Brinker International 401(k) Savings Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**BRINKER INTERNATIONAL
401(K) SAVINGS PLAN**

Notes to Financial Statements

1. DESCRIPTION OF THE PLAN

The following description of the Brinker International (the “Company” or “Brinker”) 401(k) Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan’s provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

General

The Company originally adopted the Plan effective January 1, 1993. The Plan is a qualified defined contribution retirement plan covering eligible employees as defined below. The Plan was most recently amended and restated in its entirety effective June 4, 2021, primarily for the purpose of adopting a new pre-approved plan document as required by the Internal Revenue Service (“IRS”). The Plan was also amended and restated effective January 1, 2021 in order to reinstate the safe harbor matching employer contributions which restored its safe harbor status. The Plan previously lost its safe harbor status when it removed the safe harbor matching employer contributions effective May 10, 2020.

The Coronavirus Aid, Relief and Economic Security Act (“CARES Act”) was passed by the U.S. Senate on March 26, 2020. In April 2020, the Plan adopted certain changes to participant distributions and loans as permitted by the CARES Act, discussed further in Payment of Benefits and Notes Receivable from Participants.

The investments of the Plan are maintained in a trust (the “Trust”) by Fidelity Management Trust Company (the “Trustee”) and the recordkeeping functions are performed by Fidelity Workplace Services LLC (the “Recordkeeper”).

Eligibility

An employee may become a participant on the first of the month following the date the employee has both attained the age of twenty-one and completed 90 days of eligible service. Employees who were previously employed by certain franchisees whose restaurants were acquired by Brinker may become eligible for participation based on their service with the franchisee.

Leased employees, non-US citizens and union employees without specific contract provisions are not eligible to participate in the Plan.

Contributions

Contributions are subject to IRS limitations on total annual contributions, as well as plan limitations which stipulate that up to 50% of eligible base compensation including tips and 100% of eligible bonuses, as defined in the Plan, may be contributed to various investment funds on a tax-deferred basis. Eligible participants age 50 or older by the end of a calendar year are permitted to make catch-up contributions to the Plan up to the deferral amount allowed by the Internal Revenue Code (“IRC”). Participants may also roll over eligible amounts from other qualified retirement plans, as defined in the plan document, into the Plan.

Effective January 1, 2021, the Company reinstated the safe harbor matching employer contributions. The Company matches in cash at a rate of 100% of the first 3% of pay and 50% of the next 2% of pay for a participant’s compensation, as defined in the Plan, up to the maximum deferrable amount allowed by the IRC. As a result of the amendment and restatement, discretionary employer contributions are no longer permitted. The Plan previously lost its safe harbor status when it removed the safe harbor matching employer contributions effective May 10, 2020. Prior to May 10, 2020, the safe harbor matching employer contributions were at the same rate that is currently in effect.

**BRINKER INTERNATIONAL
401(K) SAVINGS PLAN**

Active hourly-tipped participants may elect to make voluntary after-tax contributions for each pay period under the Plan. The employee contributions may be made only from the participant's compensation representing tip income that is not paid through the Company's payroll and may contribute up to 100% of such tip income. An active participant may not make contributions for any period in which such person is not accruing hours of service with the Company.

Amounts payable to participants of \$2.3 million for contributions in excess of amounts allowed by the IRS and the attributable earnings are recorded as a liability at December 31, 2020, with a corresponding reduction to contributions and investment income for the year ended December 31, 2020. The Plan distributed the 2020 excess contributions to the applicable participants by March 15, 2021.

Participants' Accounts

Participant and Company matching contributions are invested in accordance with participants' elections. Participants may invest in various instruments including money market funds, mutual funds and Brinker common stock. Participants' accounts are adjusted with the proportionate share of gains or losses generated by their elected investments.

Vesting

Participants are immediately vested in both employee and employer matching contributions, rollover contributions and the earnings thereon.

Payment of Benefits

Distributions under the Plan may be made upon a participant's death, disability, retirement or termination of employment. Actively employed participants may withdraw a portion of their vested account balance due to a financial hardship under certain circumstances as defined in the plan document and in accordance with IRS regulations. Actively employed participants may also take a withdrawal from their rollover and after-tax account types within the Plan without meeting one of the hardship criteria. Actively employed participants may withdraw all, or any portion, of the vested balance in their accounts after reaching age 59½. Benefit payments may be made in the form of a single lump sum payment, a direct rollover into an Individual Retirement Account or another qualified plan, or periodic payments, as applicable.

In accordance with the CARES Act, the Plan permitted eligible Plan participants to request penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. These reasons include adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to a lack of childcare due to COVID-19. The Plan made \$16.3 million of CARES Act distributions during the year ended December 31, 2020.

Forfeited Accounts

If a participant has terminated service and the Recordkeeper is unable to locate the participant or beneficiary to whom an account is distributable, then the Recordkeeper may move the unclaimed balance into the forfeiture account. Forfeited accounts for the years ended December 31, 2021 and 2020 were not significant.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have up to two loans outstanding at a time; however, the total outstanding balance of all loans may not exceed the lesser of \$50,000 or 50% of the participant's vested account balance. Loan terms range from six months to 5 years or up to 15 years for the purchase of a primary residence. Maturities range from 2022 through 2036 as of December 31, 2021. The loans are secured

by the participant's account and bear interest at a rate of 1% above the prime lending rate which is determined at the end of the month prior to the month in which the loan request is made. Interest rates on outstanding loans ranged from 4.25% to 6.50% as of December 31, 2021 and from 4.25% to 9.25% as of December 31, 2020. Principal and interest payments are made through bi-weekly payroll deductions.

In accordance with the CARES Act, the Plan permitted qualifying participants to delay loan repayments that were due between March 27, 2020 and December 31, 2020.

Administrative Expenses

The Company shares the cost of administrative expenses related to the Plan with actively employed participants, except for transactional fees related to participant-directed actions on their account which are paid by the participant. Non-employee participants are responsible for the annual administration fees for their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's money market funds, mutual funds and Company common stock fund are stated at fair value using quoted market prices. Refer to Note 3 for additional disclosures.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Income from investments is recorded as earned on an accrual basis.

Notes Receivable from Participants

Notes receivable from participants are valued at the outstanding principal balance, which represents the exit value upon collection, either by repayment or by deemed distribution if not repaid.

Payment of Benefits

Benefits are recorded when paid.

Contributions

Participant and employer contributions are accrued in the period that payroll deductions are made from plan participants in accordance with salary deferral agreements and as such, become obligations of the Company and assets of the Plan.

Reclassifications

Certain prior year amounts have been reclassified to conform to the current year presentation. These reclassifications had no impact on the Plan's change in net assets available for benefits or net assets available for benefits as previously reported.

3. FAIR VALUE MEASUREMENTS

Fair value is the price that would be received for an asset or paid to transfer a liability, or the exit price, in an orderly transaction between market participants on the measurement date. Fair value measurements are categorized in three levels based on the types of significant inputs used, as follows:

- Level 1 – unadjusted quoted prices in active markets for identical assets or liabilities
- Level 2 – observable inputs available at the measurement date other than quote prices included in Level 1
- Level 3 – unobservable inputs that cannot be corroborated by observable market data

The methodologies used to measure the fair value of each major category of investments are as follows:

- Money market funds are valued based on the short-term cash component as of the measurement date and are classified within Level 1.
- Mutual funds are valued at the total market value of the underlying assets based upon the publicly quoted price of each fund multiplied by the respective number of shares held as of the measurement date and are classified within Level 1.
- Brinker common stock fund is valued at the combined market value of the underlying stock based upon the closing price of the stock on its primary exchange times the number of shares held and the short-term cash component as of the measurement date and is classified within Level 1.

These methodologies were consistently applied as of December 31, 2021 and 2020.

The following tables present the fair value of financial instruments as of December 31, 2021 and 2020 by type of asset. The Plan has no investments that are classified as Level 2 or Level 3 as of December 31, 2021 and 2020.

4. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments consist of money market and mutual funds managed by the Trustee, Fidelity Management Trust Company. As a result, these transactions qualify as party-in-interest transactions. The Plan also invests in common stock of Brinker. Transactions involving Brinker common stock qualify as party-in-interest and related-party transactions because Brinker is the sponsor of the Plan. All of these party-in-interest transactions are exempt from the prohibited transaction rules. Notes receivable from participants are also considered to be exempt party-in-interest transactions.

5. CONCENTRATION

At December 31, 2021 and 2020, the Brinker common stock fund approximated \$15.0 million and \$24.3 million, respectively, and represented approximately 3.8% and 6.9%, respectively, of the Plan's total investments at fair value.

6. PLAN TERMINATION

Although it has no present intention to do so, the Company may terminate the Plan at any time subject to the provisions of ERISA.

7. INCOME TAX STATUS

In June 2021, the Plan was restated and adopted a pre-approved plan document. The sponsor of the pre-approved plan document received an opinion letter from the IRS dated June 30, 2020, stating that the form of the underlying pre-approved plan document is qualified under Section 401 of the IRC and that any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related Trust is tax-exempt as of the financial statement date.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks, and global events. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. It is not possible at this time to reasonably estimate the possible loss or range of loss, if any. Management further cautions that it is not possible to see all such factors, and financial statement users should not consider the identified factors as a complete list of all risks and uncertainties.
