Report on the Financial Statements

We were engaged to audit the accompanying financial statements of ECA 401(k) and Profit Sharing Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2020 (in liquidation), and the related statement of changes in net assets available for benefits for the year then ended (in liquidation), and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in the Limited Scope Audit note, which was certified by Newport Trust Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2020, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements referred to in the first paragraph.

Other Matter

The supplementary schedule as of December 31, 2020, as noted in the table of contents, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplementary schedule referred to above.

Emphasis of Matter

As described in the notes to the financial statements, the governing body of ECA 401(k) and Profit Sharing Plan approved a plan of liquidation effective October 1, 2019, and management determined liquidation was imminent. As a result, the Plan changed its basis of accounting from the going concern basis to the liquidation basis. This matter does not impact the disclaimer of opinion described above.

ECA 401(k) AND PROFIT SHARING PLAN NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the ECA 401(k) and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document and the summary plan description for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan covering all eligible employees of Eye Care Associates of Greater Cincinnati, Inc. (the Company) who had three months of consecutive service, which included having worked at least 250 hours, and were age twenty-one or older. Employees had the opportunity to become a participant on the first "entry date", January 1, April 1, July 1, or October 1 of each year, once that employee satisfied those requirements. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On October 1, 2019, the Plan adopted an amendment to formally terminate the Plan effective October 1, 2019. As of the date of termination, no further contributions to the Plan were allowed and no new participants were permitted to enter the Plan. Participants became 100% vested in their account balances. Final distributions from the Plan to participants were made as soon as administratively feasible and all distributions were completed by August 8, 2021.

Participant Contributions

Prior to Plan termination, each year, participants could contribute up to limits as defined in the Plan, not to exceed amounts determined by the Internal Revenue Service. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from certain other retirement plans as described in the Plan document (rollovers). Participants directed the investment of their contributions into any combination of several investment options offered by the Plan.

Employer Contributions

Prior to Plan termination the Company could make matching contributions, as well as a profit-sharing contribution to the Plan. These amounts were determined by the Company's Board of Directors on an annual basis. For an employee to receive a matching contribution, they must have been employed on the last day of the plan year and completed 1,000 hours of service during the plan year. There were no service requirements to receive a profit-sharing contribution. For both the years ended December 31, 2020 and 2019, the Company made no matching contributions. For the years ended December 31, 2020 and 2019, the Company made \$-0- and \$477,490, respectively, in profit sharing contributions to the Plan. Contributions were subject to certain statutory limitations.

Participant Accounts

Prior to Plan termination each participant's account was credited with the participant's contributions and allocations of (a) Plan earnings (losses), including a charge for an allocation of administrative expenses paid by the Plan, and (b) employer contributions. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Notes Receivable from Participants

Notes receivable from participants were not allowed under this Plan.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**Vesting**

Prior to Plan termination, participants were immediately vested in their 401(k) elective deferrals, rollover contributions, and employer safe harbor match contributions plus actual earnings thereon. Vesting in the remainder of their accounts, plus actual earnings thereon, was based on years of service as defined in the Plan. Vesting began upon the completion of the second year of service and a participant was 100% vested after six years of credited service.

Forfeitures

Prior to Plan termination, if a participant was not fully vested on their termination date, the non-vested amount of their account was forfeited. Forfeitures on non-vested account balances were used to reduce future employer contributions or to pay Plan expenses.

Payment of Benefits

Prior to Plan termination, a participant terminating service due to death, disability, retirement or termination of employment from the Company could elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or any other form of payment included in the Plan document. However, participants with a vested balance of less than \$5,000 received a lump sum amount equal to the vested portion of their account upon termination. Participants with a vested balance in excess of \$5,000 could remain in the Plan, but they could not make additional contributions.

Administrative Expenses

Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company were excluded from these financial statements. Investment-related expenses were included in net appreciation in fair value of investments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**Basis of Accounting**

As a result of the Plan's termination, the financial statements of the Plan were prepared on the liquidation basis of accounting as of and for the period ended December 31, 2020 and as of December 31, 2019.

Use of Estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Certain estimates relate to unsettled transactions and events as of the date of the financial statements. Other estimates relate to assumptions about the ongoing operations and may impact future periods. Accordingly, upon settlement, actual results may differ from estimated amounts.

Investment Valuation and Income Recognition

Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determined the Plan's valuation policies utilizing information provided by the investment advisor and custodian (see Fair Value Measurements note).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation in fair value of investments included the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Payments of benefits were recorded when paid.

Net Assets Available for Benefits

Net assets available for benefits at both December 31, 2020 and 2019 included \$-0- allocated to the accounts of persons who, prior to that date, had withdrawn from participating in earnings and operations of the Plan.

Tax Status

The Plan is currently operating under a volume submitter plan document that has been accepted under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. This document received a favorable opinion letter from the Internal Revenue Service, dated March 31, 2014. The Plan has been amended since receiving this opinion letter. A determination letter has not been received specific to the ECA 401(k) and Profit Sharing Plan. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of both December 31, 2020 and 2019, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Currently, the prior three years are open under Federal statutes of limitations and remain subject to review and change. The Plan is not currently under audit, nor has it been contacted by any taxing authority.

Subsequent Events

The Plan has evaluated subsequent events through October 7, 2021, which is the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provided a fair value hierarchy that prioritized the inputs to valuation techniques used to measure fair value. The hierarchy gave the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

LEVEL 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

LEVEL 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure fair value of its investments. The asset's or liability's fair value measurement level within the fair value hierarchy was based on the lowest level of any input that was significant to the fair value measurement. Valuation techniques used needed to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There were no changes in the methodology used at December 31, 2020 or 2019.

Mutual Funds (Including Money Market Funds) – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded.

The preceding method described may provide a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2020 and 2019:

NOTE 4 - LIMITED SCOPE AUDIT

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplementary schedule, including investments held at December 31, 2020, and the net appreciation in fair value of investments, interest, and dividends for the year then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Newport Trust Company, the custodian of the Plan.

NOTE 6 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Newport Trust Company. Newport Trust Company was the custodian and record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines. Fees paid by the Plan to the custodian were included in either administrative expenses or net appreciation in fair value of investments. The Company paid directly any other fees related to the Plan's operations.

Several employees of the Company provided administrative services to the Plan, such as day to day administrative and oversight. The company did not charge the Plan for these services.

NOTE 9 - RISKS AND UNCERTAINTIES

Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

COVID-19 Outbreak

Prior the year-end, the World Health Organization announced a global health emergency later classified as a global pandemic as a result of the COVID-19 outbreak. The outbreak and response has impacted financial and economic markets across the World and within the United States of America. The full impact continues to evolve and as such, it is uncertain as to the full magnitude that the pandemic will have on the Plan's financial condition and future results of Plan activity. Management is actively monitoring the possible effects on every aspect of the Plan. As the impact to the Plan is uncertain as the date of these financial statements, no adjustments have been made to these financials statements.
