Report on the Financial Statements

We were engaged to audit the accompanying financial statements of K&M Casinos, Inc 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

1. Description of the Plan

The following description of the K&M Casinos Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement and amendments for a more complete description of the plan provisions.

General

The Plan was established on January 1, 2015 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent laws. It is a defined contribution plan and voluntary contribution plan for the benefit of all employees of K&M Casinos Inc. (the Company) who are at least 21 years of age and have completed one year of eligibility service. A year of eligibility service is accomplished after completing 1,000 hours of service during first 12 months of employment. The Plan covers all employees of the Company except union, non-resident aliens and leased employees.

Plan Administration

The Plan is administered by K&M Casinos Inc. The current trustee for the Plan is Reliance Trust Company. The Company currently pays for certain Plan administration and investment service related expenses.

Participants Contributions

Employee contributions to the Plan (voluntary contributions) are deferrals of the employee's compensation made through a direct reduction of compensation in each payroll period. Each year, participants may contribute from 1% to 90% of their eligible earnings, as defined by the Plan, subject to limitations established by the Internal Revenue Code. For the tax year 2020, the maximum allowed deferral amount was $19,500. Participant over the age of 50 may also contribute an additional $6,500 to the Plan for 2020.

Employer Contributions and Vesting

The Company may decide to make Non-elective contribution to the plan at its discretion and will be allocated to all eligible participants who completed at least 500 hours of service during the year. For the years 2020 and 2019, there was no non-elective contribution made by the Company.

The Company will make a safe harbor matching contribution equal to 100% on the first 3% of participants elective deferrals and an additional 50% on the next 2% of elective deferrals of eligible earnings. Safe harbor matching contributions will be made each pay period.

1. Description of the Plan – (Continued)

Employer Contributions and Vesting

Each participant's interest in voluntary contributions is vested immediately, including earnings thereon. Matching contributions are vested in accordance with the plan's vesting schedules;

Years of service	Vesting Percentages
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participant Accounts

Each participant's account is credited with participant's contributions, the Company's discretionary contributions, and earnings thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which participant is entitled is the benefit that can be provided from the participant's vested account.

Rollover

Employees may roll over eligible amounts from other plans to the Plan.

Investments

The Plan provides for investments to be directed by participants into a number of investment options held by the Trustee. Upon enrollment in the Plan, a participant may direct employee contributions in any of the investment options and may change their investment options at any time.

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant will be paid the vested interest in his account in lump sum as soon as administratively feasible. If the vested interest is $5,000 or less, the Plan administrator will authorize the benefit payment without the participant's consent.

1. Description of the Plan – (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balances. However, the $50,000 amount in the preceding sentence is reduced by the highest outstanding loan balance under the Plan during the previous one-year period. The notes are secured by the balance in the participant's account and bear interest rates that is prime rate plus 2 percentage points based upon the prime rate as reported by The Wall Street Journal. Loans must be fully repaid through payroll deductions within 5 years unless the loan is used for the purchase of primary residence which may be repaid within a period of no more than 30 years.

Forfeitures

Forfeitures are the non-vested portion of participants' account that are lost upon termination of employment. Forfeitures are first used to pay administrative expenses and any remaining balance is used to reduce employer contributions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate, amend or modify the Plan at any time. In the event of plan termination, participants will become 100% vested in their accounts.

Coronavirus Aid Relief and Economic Security ("CARES") Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act allows retirement plans to provide participants who are impacted by the coronavirus (as defined in the CARES Act) with greater access to their savings. As permitted by the CARES Act, the Plan opted in to implement the distribution and loan relief provisions which enabled participants to take a penalty-free distribution through December 30, 2020, suspend required minimum distribution for calendar year 2020, suspend loan repayments until 2021.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting and in accordance with ERISA.

2. Summary of Significant Accounting Policies (continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The participant loans are valued at their outstanding balances, which approximates fair value.

Purchase and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investment bought or sold as well as held during the year.

Payment of Benefits

Distributions to participants are recorded when paid.

Administrative expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Notes Receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

2. Summary of Significant Accounting Policies (continued)

Risks and Uncertainties

The Plan provides for various investment options in any combination of equity, fixed income, and other investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

In March 2020, the World Health Organization ("WHO") categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic and the President of the United States declared the COVID-19 outbreak as a national emergency. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report and has resulted in market volatility of which the impact cannot be reasonably estimated at this time.
The potential economic impact brought by, and the duration of COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted. The management is not able to estimate the impact the pandemic may have on the Plan's financial statements.

3. Fair Value Measurements

Fair Value Measurements provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level1 measurement) and the lowest priority to unobservable inputs (level 3 measurements);

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

3. Fair Value Measurements (continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Common collective investment trust are funds based upon the redemption price of units held by the Plan, which is based on the current net asset value (NAV) of the common collective trust fund's underlying assets. Unit values are determined by the financial institution sponsoring such funds by dividing the net assets by its units outstanding at the valuation dates.

Cash and cash equivalents are valued based on cost, which approximates fair value in a non-inflationary economy and are protected by the FDIC.

Mutual funds and money market are categorized as Level 1 and are priced, and trades are executed at Money Market Funds the published net asset value daily, or the public offering price for accounts trading under rights of accumulation (ROA).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial Instruments could result in a different fair value measurement at the reporting date.

3. Fair Value Measurements (continued)

The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value as of December 31, 2020 and December 31, 2019:

	Assets at Fair Value as of December 31, 2020					
	Level 1	Level 2	Level 3	Total Investments at FMV	Net Asset Value	Total Investments
Mutual Funds	789,856		-	789,856	-	789,856
Common/Collective Trusts	-			-	203,302	203,302
Total investments	789,856	-	-	789,856	203,302	993,158

	Assets at Fair Value as of December 31, 2019					
	Level 1	Level 2	Level 3	Total Investments at FMV	Net Asset Value	Total Investments
Mutual Funds	778,844		-	778,844	-	778,844
Common/Collective Trusts	-			-	189,657	189,657
Total investments	778,844	-	-	778,844	189,657	968,501

In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the Statement of Net Assets Available for Benefits.

4. Income Tax Status

The Plan is patterned after a prototype plan which was determined to qualify under Section 401 (k) of the Internal Revenue Code (the Code) and therefore, is exempt from federal income taxes under Section 501(a) of the Code. The Plan is exempt from state taxes under similar statutes. As long as the Plan maintains its tax exemption, the Plan is not liable for federal and state taxes.

5. Information Prepared and Certified by Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee of the Plan, has certified to the completeness and accuracy of:

- Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2020
- Net appreciation in fair value of investments, dividends and interest reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2020
- Investments reflected on the schedule of assets held at end of year

6. Party in interest Transactions

The Plan investments are managed by Reliance Trust Company, the trustee and custodian of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provision of the Plan and are especially exempt from the prohibition of party-in-interest transactions under ERISA.

Party-in-interest transactions under ERISA also include notes receivable from participants and are exempt from the prohibited transaction rules under ERISA.

7. Excess Contributions Payable

The Plan is required to return contributions to participants in the event certain non-discrimination tests defined under the IRC are not satisfied. At December 31, 2020, there is no refundable amount by the Plan to participants for contributions made in excess of amount allowed by the Internal Revenue Service.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements to Form 5500 at December 31:

	2020	2019
Net Assets Available for Plan Benefits		
Per the financial Statements	1,174,546	1,104,707

Net Assets Available for Plan Benefits per Form 5500	1,153,925	1,101,271

8. Reconciliation of Financial Statements to Form 5500 (continued)

The following is a reconciliation of net change in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2020:

Additions to net assets per the financial statements	311,979
Participants' contribution receivable, end	(1,104)
Participants' contribution receivable, beg	2,700
Additions to net net assets Per Form 5500	313,575

Deductions to net assets per the financial statements	242,141
Corrective distribution	18,781
Deductions to net net assets Per Form 5500	260,922

9. Recent Pronouncements

In July, the American Institute of CPAs' Auditing Standards Board issued a new Statement on Auditing Standard (SAS 136), Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA, which will apply to audits of single-employer, multiple-employer and multiemployer plans subject to the Employee Retirement Income Security Act of 1974 (ERISA). SAS 136 addresses the auditor's responsibility to form an opinion and report on the audit of financial statements of employee benefit plans (EBP) subject to ERISA, and the form and content of the auditor's report issued as a result of an audit of ERISA plan financial statements. The SAS includes new requirements for engagement acceptance, risk assessment and response, communications with those charged with governance, procedures and new audit report for limited-scope audits (ERISA Section 103(a)(3)(C)) and considerations relating to Form 5500. The changes are effective for audits of financial statements for periods ending on or after December 15, 2021. Early implementation is not permitted.

10. Subsequent Event

The Plan has evaluated subsequent events through April 14, 2022, which is the date the financial statements were available to be issued. The Plan has concluded that no events or transactions have occurred, other than those discussed below, which would require adjustments or disclosures in the financial statements.
