NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 1, 2021 AND DECEMBER 31, 2020

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the HCT Packaging 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan originally effective January 1, 2003 to provide savings and retirement benefits for eligible employees of HCT Packaging, Inc. (the HCT or Employer or Company) as defined in the Plan document. The Plan had been amended throughout the years to comply with tax legislation and most recently amended effective March 4, 2021. The Plan administrator, who is an officer of HCT, had entered into a trustee agreement with Principal Trust Company (Principal Trust). The Plan was subject to the applicable requirements of the Internal Revenue Code (IRC) and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective April 6, 2020, the Plan adopted the provisions from the CARES Act to allow special Coronavirus distributions up to \$100,000, to increase of the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance, and to extended participant loan repayments, if applicable, up to one year.

In December 2019, the Plan Sponsor was acquired by KDC/ONE. Effective September 1, 2021, the Company merged the Plan into an existing plan, KDC USA 401(k) Plan. All Plan assets were transferred into KDC USA 401(k) Plan on September 1, 2021. All eligible employees who were employees of the Company and participated in the Plan and who have met the age and service requirements of the merged-in plan were allowed to enter the KDC USA 401(k) Plan on August 13, 2021.

Eligibility

Employees of the HCT are eligible to participant to the Plan after completing three consecutive months of service beginning on the employee's date of hire and attainment of age 21. Employees also are eligible to receive the Company discretionary match contributions and nonelective safe harbor contribution.

Contributions

Participating employees may make contributions up to 100% of base salary on a pretax or after-tax basis, or a combination of both (limited to \$19,500 and \$19,000 for 2021 and 2020, respectively). Participants age 50 or older before the close of the calendar year may also elect to make additional pre-tax catch-up contributions to the Plan. Participants are also allowed to make Roth contributions to the Plan. All contributions are subject to IRC annual calendar year maximums. In addition, the Plan accepts qualified plan rollovers from eligible participants. Participants direct the investment of their contributions into various investment options offered by the Plan.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 1, 2021 AND DECEMBER 31, 2020

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (Continued)

The Employer matches 25% for each \$1 contributed by Plan participants, up to 6% of the Plan Participant's eligible compensation for the Plan year. The Employer may also makes a nonelective contribution of 3% of annual compensation for active participants on the last day of the Plan year, excluding any compensation earned during the year for which an employee was not an active participant. The Employer eliminated the match and nonelective contribution effective May 1, 2020, and only restated the match contribution effective September 11, 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer contributions and (b) Plan earnings and charged with an allocation of administrative expenses. Administrative expenses are allocated based on participant earnings, account balances or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and rollovers and employer safe harbor contributions plus actual earnings thereon. A participant is entitled to 100% of his or her account balance upon retirement, death, or disability. Vesting in employer contributions is based on continuous years of service per the vesting schedule as follows:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
Less than 1	20%
1	40%
2	60%
3	80%
4 or more	100%

Notes Receivable from Participants

Participating employees may borrow from the Plan on such terms and conditions as have been approved by the Employer, thereby resulting in the Plan's notes receivable from participants (the Notes), which are secured by an assignment of the vested balance in the participant's account. The interest rate will be based on the rates available for similar loans from commercial lending institutions. The loan administrator periodically examines the rates such lenders are using. Once a loan is granted, the interest rate on that loan will not change. Notes have maturities of no more than five years and must be repaid through payroll. The repayment period for a loan used to buy a principal residence is limited to a period consistent with commercial home loan practices. The maximum amount borrowable is the lesser of (i) 50% of the participating employee's vested account balance or (ii) \$50,000. Participating employees may have a maximum of one loan outstanding at any time with a minimum balance of \$1,000.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

Upon termination from active service, if a participant's vested account balance does not exceed \$5,000, unless the participant makes a timely election to roll over the vested account to an Individual Retirement Account (IRA) or another eligible retirement plan, or elects to have the vested account balance distributed, the vested account balance will be paid in a single-sum payment as soon as administratively feasible.

If a participant's vested account balance exceeds \$5,000 upon termination from active service, the participant may defer their distribution election under the Plan. They may also elect to roll over the vested account balance to an IRA or another eligible retirement plan or elect a distribution from options offered by the Plan. The Plan also allows for hardship withdrawals.

Forfeited Account Balances

Forfeited nonvested Employer matching contributions are used exclusively to reduce the Plan expense and future employer contributions. The total forfeited nonvested account balances at December 31, 2020 was \$15,177. During the period ended September 1, 2021, \$7,905 in forfeitures was used to reduce Plan expenses and \$7,524 in forfeitures was used to reduce Employer contributions. The total forfeited nonvested account balances \$5,520 transferred into the KDC USA 401(k) Plan on September 1, 2021.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

HCT PACKAGING 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 1, 2021 AND DECEMBER 31, 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expensed and are expenses when they are incurred. No allowance for credit losses has been recorded as of September 1, 2021 or December 31, 2020. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Payment of Benefits

Benefit distributions and withdrawals are recorded upon payment.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through June 2, 2022, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Delaware Charter Guarantee and Trust Company dba: Principal Trust Company, the trustee of the Plan, has supplied the Plan administrator with certifications as to the completeness and accuracy of all investment and notes receivable from participants information reflected on the accompanying statements of net assets available for benefits as of September 1, 2021 and December 31, 2020, the statement of changes in net assets available for benefits for the period ended September 1, 2021.

As a result of the Plan merger effective September 1, 2021, as described in Note 1, all investments and notes receivable from participant were transferred to KDC USA 401(k) Plan on September 1, 2021.

NOTE 4 FAIR VALUE OF FINANCIAL INSTRUMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

HCT PACKAGING 401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 1, 2021 AND DECEMBER 31, 2020

NOTE 4 FAIR VALUE OF FINANCIAL INSTRUMENTS (CONTINUED)

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at September 1, 2021 and December 31, 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund: Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Pooled Separate Accounts: Valued at the net asset value (NAV) of units held by the insurance company. NAV is a readily determinable fair value and is the basis for current transactions.

NOTE 5 INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2018, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company (Principal). Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a semiannual basis for resetting. The guaranteed investment contract has no scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract.

NOTE 5 INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

As a result of the Plan merger effective September 1, 2021, as described in Note 1, this investment contract were transferred to KDC USA 401(k) Plan on September 1, 2021.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2014, received from the Internal Revenue Service (IRS) on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is, therefore, not subject to tax under current income tax law. The prototype plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Principal Funds Inc. Delaware Charter Guarantee and Trust Company dba: Principal Trust Company is the trustee as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment.

NOTE 9 PLAN MERGER

Effective September 1, 2021, the Company merged the Plan into an existing plan, KDC USA 401(k) Plan. All Plan assets were transferred into the KDC USA 401(k) Plan on September 1, 2021. All eligible employees who were employees of the Company and participated in the Plan and who have met the age and service requirements of the merged-in plan were allowed to enter the KDC USA 401(k) Plan on August 13, 2021.
